

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2007 Assembly Bill 302

Assembly Amendment 1

Memo published: October 25, 2007

Contact: Rachel E. Letzing, Senior Staff Attorney (266-3370)

Assembly Bill 302 directs the Department of Natural Resources (DNR) to allow the use of golf carts by persons age 16 and over in Governor Tommy G. Thompson Centennial State Park and the Peshtigo River State Forest. The bill requires the DNR to write administrative rules which specify when and where golf carts may be used in the state park and the state forest. The DNR rules must limit the use of golf carts to approximately the same time and places as golf carts were used before the state park and state forest were acquired by the state.

Assembly Amendment 1 specifies instead that the DNR rules must allow golf carts to be used for at least the same hours and in at least the same places as golf carts were used before the state park and state forest were acquired by the state.
