

## WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

**2009 Senate Bill 686**

**Senate Amendment 1**

*Memo published: April 21, 2010*

*Contact: Anne Sappenfield, Senior Staff Attorney (267-9485)*

*2009 Senate Bill 686* requires operators of high school grades, including school boards, operators of independent charter schools, and the governing bodies of private schools, to offer enrolled high school students instruction in cardiopulmonary and cardiocerebral resuscitation and the use of an automated external defibrillator (AED). The instruction must be based on an instructional program established by the American Red Cross or the American Heart Association or on other nationally recognized, evidence-based guidelines.

*Senate Amendment 1* makes the following modifications to the bill:

1. Clarifies that the provisions of the bill apply to the Milwaukee Public School system.
2. Rather than requiring instruction *in the use of* an AED, requires instruction *about* AEDs.
3. Requires the instruction to be provided beginning in the 2011-12 school year, rather than the 2010-11 school year.
