2013 Senate Bill 395 changes the required number of training hours for a cosmetologist license from 1,800 to 1,550. The bill also exempts the following services from the cosmetology license requirement:

- A service performed preparatory to a live public performance or appearance, whether in person or through broadcast media.
- A service performed in the course of the production of any digital, analog, or other recording of a moving or still image intended for public release or broadcast.

Senate Amendment 1

Senate Amendment 1 was offered by Senator Harsdorf. The amendment allows someone who has been educated at an out-of-state cosmetology school to have that education be recognized for Wisconsin licensure, provided that the schools were accredited by an agency approved by the Department of Safety and Professional Services, which must promulgate rules to identify these agencies.
