**2015 Assembly Bill 651**

**Assembly Amendment 1**

*Memo published:* February 8, 2016

*Contact:* Michael Queensland, Staff Attorney (266-3810)

### **2015 ASSEMBLY BILL 651**

Assembly Bill 651 allows a person to operate a motor vehicle that has a monitoring and feedback device mounted to the front windshield if all of the following apply:

- The device is designed to monitor the vehicle and provide feedback to the operator for the purpose of safety or improving vehicle operation.
- The device is mounted directly above, behind, or below the rearview mirror<sup>1</sup> or, if no mirror is present, at the location where the mirror would typically be mounted.

### **ASSEMBLY AMENDMENT 1**

Assembly Amendment 1 requires the device to be mounted in a manner consistent with applicable federal requirements if the vehicle is a commercial motor vehicle.

### **BILL HISTORY**

On January 11, 2016, Representative Spiros introduced Assembly Amendment 1. On January 28, 2016, the Assembly Committee on Criminal Justice and Public Safety voted to recommend adoption of the amendment and passage of the bill, as amended, on votes of Ayes, 12; Noes, 0.
