1995 ASSEMBLY BILL 354

May 5, 1995 - Introduced by Representative Gard, cosponsored by Senator Buettner. Referred to Committee on Welfare Reform.

- 1 AN ACT to repeal 49.193 (6) (c) and 49.27 (5) (e) 3. of the statutes; relating to:
- the number of hours of required participation in the community work

 experience component of the job opportunities and basic skills program.

Analysis by the Legislative Reference Bureau

The job opportunities and basic skills (JOBS) program, administered by the department of health and social services, provides employment training and educational and supportive services to assist recipients of aid to families with dependent children in obtaining gainful employment. The community work experience program (CWEP) is a component of the JOBS program. Under current law, participants in CWEP generally may not be required to work more than 32 hours per week and may not be required to work more than 16 weeks during a 12-month period. This bill eliminates the restriction on the number of hours and weeks that a participant may be required to work.
