## Analysis by the Legislative Reference Bureau

Current law requires the department of transportation (DOT) to designate and mark certain highway routes and bridges to memorialize, commemorate or recognize certain individuals or events. This bill directs DOT to designate and mark a portion of STH 49 as the "Flyway Highway" in recognition of the Horicon marsh and the spring and fall migration of Canada geese.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
