1995 ASSEMBLY RESOLUTION 6

January 3, 1995 - Introduced by Representatives Black, Bock, Carpenter, Notestein, Travis, Ryba, Baldus, La Fave, R. Potter, Baldwin and Bell.

To create assembly rule 7 (2m); relating to: the compensation and classification plan for assembly employes.

Analysis by the Legislative Reference Bureau

This resolution directs the committee on assembly organization to adopt a compensation and classification plan for assembly employes which provides benefits and protections that are substantially similar to the benefits and protections provided to state employes in the classified service in the executive branch.

Resolved by the assembly, That:

Section 1. Assembly rule 7 (2m) is created to read:

Assembly Rule 7 (2m) The committee on assembly organization shall adopt a compensation and classification plan for assembly employes which provides benefits and protections that are substantially similar to the benefits and protections provided to state employes in the classified service in the executive branch.
