## 1997 ASSEMBLY BILL 225

March 27, 1997 - Introduced by Representatives Handrick, Duff and Powers. Referred to Committee on Government Operations.

- 1 AN ACT to create 59.43 (1) (v) of the statutes; relating to: the recording of a
- 2 notice of a bill of sale with a register of deeds.

## Analysis by the Legislative Reference Bureau

Under current law, no person may file or record a bill of sale with a register of deeds. Under a former law, a bill of sale could be filed with a register of deeds but 1993 Wisconsin Act 301 repealed that provision. This bill requires a register of deeds to record and index a notice of a bill of sale.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

## The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 **Section 1.** 59.43 (1) (v) of the statutes is created to read:
- 4 59.43 (1) (v) Record and index a notice of a bill of sale.
