With exceptions for specific licenses or permits, the minimum qualifications include not having an arrest or conviction record, being a resident of this state, having attained the legal drinking age and completing an approved responsible beverage server training course. Current law also prohibits the issuance of a license or permit relating to alcohol beverages to any person who is a habitual law offender or who has been convicted of a felony, unless pardoned.

This bill prohibits the issuance of a license or permit relating to alcohol beverages to any person who has been convicted of three or more offenses related to operating a motor vehicle while under the influence of alcohol or other intoxicant (OWI), or improperly refusing to submit to a chemical test of the person's blood, breath or urine after being placed under arrest for OWI, if at least one of the offenses is committed after this bill takes effect.
