

1999 ASSEMBLY BILL 757

February 17, 2000 – Introduced by Representatives LASSA, SPILLNER, OLSEN and RYBA, cosponsored by Senator ROESSLER. Referred to Committee on Transportation.

1 **AN ACT to amend** 341.13 (3) and 341.15 (1m) (a); and **to create** 341.15 (4) of the
2 statutes; **relating to:** insert tags and decals on vehicle registration plates and
3 providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, the department of transportation (DOT) may issue one insert tag or decal for a vehicle whenever its registration is renewed in lieu of issuing two new registration plates or, for certain vehicles, one new registration plate. The vehicle owner is required to place the insert tag or decal on the rear (or, if only one registration plate is issued for the vehicle, the front) registration plate in the manner directed by DOT.

This bill provides that DOT may issue two insert tags or decals for each registration plate it has issued for a vehicle in lieu of issuing a new registration plate. One insert tag or decal shall specify the month of registration and be placed on the lower left-hand corner of the registration plate, and one insert tag or decal shall specify the year of registration and be placed on the lower right-hand corner of the registration plate. These changes do not apply if only one registration plate is issued for a vehicle.

Under current law, a person who operates a vehicle without displaying an insert tag or decal issued for that vehicle may be required to forfeit not more than \$200. This bill provides that a person who operates a vehicle with an insert tag or decal that has been placed on a registration plate in a location other than the location specified by this bill or directed by DOT may be required to forfeit not more than \$25.
