Analysis by the Legislative Reference Bureau

Currently, the chief clerk of each house of the legislature is directed to promptly send copies of all legislative documents to each county clerk and to the Milwaukee County Law Library. Each county clerk is then directed to keep these documents open to public inspection in the clerk's office.

This bill provides instead for the chief clerks to promptly send copies of all legislative documents to each county clerk or to the Milwaukee County Law Library upon request of the clerk or library. The bill also directs each county clerk who elects to receive the documents to keep them open to public inspection in the clerk's office.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
