

## 2001 ASSEMBLY BILL 872

February 27, 2002 - Introduced by Representatives KRUG, JESKEWITZ, STASKUNAS, GUNDRUM, RICHARDS, WALKER, LA FAVE, DUFF, J. LEHMAN, GUNDERSON, ZIEGELBAUER and SINICKI, cosponsored by Senators ROSENZWEIG, DARLING and BURKE. Referred to Committee on Urban and Local Affairs.

- 1     **AN ACT** *to create* 59.10 (2) (d) of the statutes; **relating to:** the size of the county  
2     board of supervisors in populous counties.

---

### *Analysis by the Legislative Reference Bureau*

Current law requires each county board to redistrict its supervisory districts once every ten years based on the results of the decennial federal census. This bill permits the board of supervisors of any county with a population of at least 500,000 (currently, only Milwaukee County) to decrease the number of supervisors on the board and adopt a new redistricting plan during the ten-year period between the adoption of decennial redistricting plans. Under the bill, the board may make such a change only by a two-thirds vote of all of its members and only once every four years. The bill requires the redistricting plan to satisfy certain criteria that also apply to decennial redistricting plans. For example, the bill requires the districts created under the redistricting plan to be substantially equal in population and in as compact a form as possible, and requires each district to contain whole contiguous municipalities or contiguous parts of the same municipality. The bill further requires the districts to consist of contiguous whole wards in existence at the time at which the redistricting plan is adopted and requires the original numbers of the districts in their geographic outlines, to the extent possible, to be retained. Under the bill, supervisors are elected from the districts created under the redistricting plan at the next spring election when supervisors would normally be elected.

---

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

**ASSEMBLY BILL 872**

1           **SECTION 1.** 59.10 (2) (d) of the statutes is created to read:

2           59.10 (2) (d) *Changes during decade.* 1. 'Number of supervisors; redistricting.'

3           The board may, by a two-thirds vote of all of its members and not more frequently  
4           than once every 4 years, decrease the number of supervisors after the enactment of  
5           a supervisory district plan under par. (a). In that case, the board shall redistrict,  
6           readjust, and change the boundaries of supervisory districts, so that the number of  
7           districts equals the number of supervisors, the districts are substantially equal in  
8           population according to the most recent countywide federal census, the districts are  
9           in as compact a form as possible, and the districts consist of contiguous whole wards  
10          in existence at the time at which the redistricting plan is adopted. The standards  
11          in sub. (3) (b) 2. and 3. with regard to contiguity apply under this subdivision. The  
12          board shall, to the extent possible, place whole contiguous municipalities or  
13          contiguous parts of the same municipality within the same district. In redistricting  
14          under this subdivision, the original numbers of the districts in their geographic  
15          outlines, to the extent possible, shall be retained. The chairperson of the board shall  
16          file a certified copy of any redistricting plan adopted under this subdivision with the  
17          secretary of state.

18          2. 'Election; term.' Except as otherwise provided in this subdivision, any  
19          redistricting plan enacted under subd. 1. that becomes effective before November 15  
20          preceding the expiration of the term of office of supervisors in the county first applies  
21          to the spring election following the plan's effective date; otherwise, the plan first  
22          applies to the 2nd succeeding spring election following the plan's effective date at  
23          which supervisors are regularly elected in the county. Any redistricting plan enacted  
24          under subd. 1. shall remain in effect until a subsequent redistricting plan enacted  
25          under subd. 1. takes effect, except that any redistricting plan enacted under subd.

**ASSEMBLY BILL 872**

1       1. is void beginning on the effective date of a redistricting plan subsequently enacted  
2       under par. (a). Supervisors elected from the districts created under subd. 1. shall be  
3       elected for 4-year terms and shall take office on the 3rd Monday in April following  
4       their election.
