

2001 SENATE BILL 270

October 4, 2001 - Introduced by Senators ROBSON and BURKE, cosponsored by Representatives J. LEHMAN and YOUNG. Referred to Committee on Education.

1 **AN ACT to amend** 118.019 (2) (intro.); and **to create** 118.019 (2m) of the statutes;
2 **relating to:** requiring school boards that provide instruction in human
3 sexuality and related subjects to provide instruction in early childhood brain
4 research and development.

Analysis by the Legislative Reference Bureau

Current law permits a school board to provide instruction in human sexuality, reproduction, family planning, human immunodeficiency virus and acquired immunodeficiency syndrome, prenatal development, childbirth, adoption, available prenatal and postnatal support, and male responsibility. This bill provides that if a school board offers instruction in any of these subjects, it must also offer instruction in early childhood brain research and development.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

5 **SECTION 1.** 118.019 (2) (intro.) of the statutes is amended to read:
