1 **AN ACT to repeal 980.105; to renumber and amend 980.08 (5); and to amend**
2 20.435 (2) (bj), 46.10 (2) and 301.03 (19) of the statutes; **relating to:** county of
3 placement for persons on supervised release.

Analysis by the Legislative Reference Bureau

Under current law, a person who has been committed to the custody of the department of health and family services (DHFS) as a sexually violent person may be placed on supervised release if the person no longer requires institutional care. If a court determines that supervised release is appropriate, DHFS must make its best effort to arrange that the person be placed in a residential facility or dwelling in the person's county of residence (generally the county where the person lived prior to committing the sexually violent offense), as determined by DHFS. If the person's county of residence declines to prepare a plan for supervised release, DHFS may arrange for another county to prepare a plan, and if no county agrees to prepare a plan, the court must order a county to prepare a plan. DHFS and the county in which the person will be released must prepare a plan for treating and monitoring the person while on supervised release.

This bill eliminates the requirement that DHFS make its best effort to place the person in his or her county of residence. Instead DHFS must designate the county of placement based on the type of treatment and services the person may need and the ability of the county, a public agency, or a private agency to provide the treatment and services and based on the proximity of other persons on supervised release and of persons in the custody of the Department of Corrections regarding whom a sex offender notification bulletin has been issued to law enforcement agencies.
