### *Analysis by the Legislative Reference Bureau*

This bill directs the Department of Public Instruction (DPI) to develop a model school policy on bullying by pupils. The policy must define bullying, prohibit pupils from bullying, describe where and the circumstances in which the prohibition applies, and provide penalties for bullying. The policy must also include procedures for reporting bullying and for investigating such reports. The bill also directs DPI to develop a model education and awareness program on bullying.

The bill directs each school board to adopt a policy prohibiting bullying by pupils. The school board may adopt DPI's model policy. Once each year, the school board must distribute the policy to all pupils enrolled in the school district and to their parents. With certain exceptions, upon the occurrence of a bullying incident, the school board must distribute the policy to all pupils involved in the incident and to their parents.

Finally, this bill adds Wednesday of the fourth week in September, Bullying Awareness Day, to the list of special observance days for schools.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
