

State of Misconsin 2009 - 2010 LEGISLATURE

LRB-3239/1 MGG:jld:md

## 2009 SENATE BILL 300

September 23, 2009 – Introduced by Senators HOLPERIN, DECKER, LASSA, TAYLOR and HANSEN, cosponsored by Representatives BROOKS and NASS. Referred to Committee on Transportation, Tourism, Forestry, and Natural Resources.

1 AN ACT to amend 77.83 (1) (a) (intro.); and to create 77.83 (1) (d) of the statutes; 2 relating to: certain areas of land subject to managed forest land orders that 3 were part of a parcel of land under single ownership that exceeded 8,000 acres 4 in size.

## Analysis by the Legislative Reference Bureau

Under the Managed Forest Land (MFL) Program administered by the Department of Natural Resources, the owner of a parcel of land designated as MFL makes an annual acreage share payment that is lower than, and in lieu of, the property taxes that normally would be payable on the land. In exchange, the owner must comply with certain forestry practices. The owner may keep a specific area closed to public access and the remainder of the MFL must be kept open for recreational activities, such as hunting, fishing, and cross-country skiing. For MFL that is closed to the public, the MFL owner must make an additional payment. Current law imposes size limits on the area that may be closed and one of these limits is a maximum of 160 acres in a single town, city, or village.

Under this bill, an MFL owner may not close a specific area even if it is less than 160 acres in a single town, city, or village if the specific area of land was, on January 1, 2009, part of a parcel under single ownership that exceeded 8,000 acres in size.
