# 2009 SENATE BILL 593

March 8, 2010 – Introduced by Senators HOLPERIN, KREITLOW, OLSEN, LEHMAN and VINEHOUT, cosponsored by Representatives DEXTER, HILGENBERG, GARTHWAITE, DANOU, BERCEAU, CLARK, HRAYCHUCK, MOLEPSKE JR., PASCH, POPE-ROBERTS and SMITH. Referred to Committee on Education.

AN ACT to renumber and amend 118.43 (4) (d); to amend 118.43 (2) (g) and 118.43 (3) (intro.); and to create 118.38 (1) (a) 9., 118.43 (2) (bt), 118.43 (3) (at), 118.43 (3m) and 118.43 (4) (d) 2. of the statutes; relating to: student achievement guarantee in education program contracts.

### Analysis by the Legislative Reference Bureau

Current law allows an eligible school board that has entered into a five-year renewable student achievement guarantee (SAGE) contract with the Department of Public Instruction (DPI) to reduce class size to 15 pupils in grades kindergarten to three in schools with specified low-income enrollment to receive \$2,250 for each low-income pupil enrolled in grades eligible for SAGE funding. Current law permits a school to renew and receive payments under a renewed SAGE contract if the school board maintains the reduced class size achieved during the last school year of the original SAGE contract for the grades specified for the last school year of the contract. Current law also permits DPI to waive requirements of the SAGE program in a contract entered into between DPI and a school board.

This bill changes the requirement that a school board maintain the reduced class size achieved during the last school year of the original SAGE contract as a condition for receiving payments under an existing SAGE contract, and permits a school board operating under an existing SAGE contract to do each of the following: 1) satisfy the class size requirement by reducing the class size to no more than 18 pupils; and 2) combine two classes with two classroom teachers to achieve a total class size of 30 pupils.

#### **SENATE BILL 593**

The bill also authorizes a school board, in the 2010–11 school year, to enter into a new, renewable, five-year SAGE contract with DPI to reduce class size to 18 pupils in grades kindergarten to three in one or more schools in the school district if, in the previous school year, at least one school in the school district had an enrollment of at least 50 percent low income and all of the following are satisfied:

1. In the previous school year, the school had an enrollment that was at least 30 percent low income.

2. The school is not receiving a grant from DPI for a preschool to grade five program.

3. The school is not already a beneficiary of a SAGE contract.

The school board may combine two classes with two classroom teachers to achieve a total class size of 30 pupils.

Finally, under the bill, DPI may not waive any requirement of the SAGE program in any SAGE contract entered into or renewed after the effective date of the bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
