### *Analysis by the Legislative Reference Bureau*

Currently, the board of school directors of Milwaukee Public Schools (MPS) is vested with authority to purchase, lease, control, and manage the schools and property of the school district. School buildings located in the City of Milwaukee (city), and the sites on which the school buildings sit, however, are the property of the city, and deeds and conveyances of property are made to the city. MPS must adopt a resolution prior to purchasing or leasing a building site or constructing a school house. The city must sell city-owned property used for school purposes if MPS submits a written request to the city and the common council adopts a resolution approving the sale. The board determines whether proceeds of the sale of city-owned property used for school purposes are deposited into the school operations fund or the school construction fund. In general, if the proceeds are deposited into the school operations fund, the moneys must be used to pay the principal and other fees and premiums due on bonds issued for school facilities.

Under this bill, if the common council finds that city-owned property used for school purposes has been unused or underutilized for at least 18 consecutive months, the common council may sell or lease the property. The bill requires the board to provide the common council and city employees and agents copies of all documents related to the property and access to the property for purposes related to the sale or

leasing of the property. Net proceeds from the sale or lease of property, when authorized by the common council as provided in the bill, are deposited in the school operations fund and are to be applied to reduce taxes levied by the city for MPS.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

16 the board with a written report giving specific reasons, which are not identified by  
17 the city attorney as constituting a conflict of interest, for its failure to dispose of the  
18 property or to obtain an agreement to dispose of the property, the board may retain
