2015 ASSEMBLY BILL 773

January 22, 2016 - Introduced by Representatives SKOWRONSKI, NERISON, R. BROOKS and ALLEN, cosponsored by Senators LAZICH, DARLING, GUDEX and WANGGAARD. Referred to Committee on Education.

- 1 **AN ACT to amend** 20.255 (1) (a) and 20.255 (1) (a) of the statutes; **relating to:**
2 a student safety incident tracking pilot program for school districts and making
3 an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Instruction (DPI) to operate a one-year pilot program during the 2016-17 school year; under the pilot program three school districts must maintain records of crimes and other incidents, such as bullying and violations of local ordinances, that occur on school district property, on transportation provided by the school district, or at a school district sanctioned event. Under the bill, a school district participating in the pilot program must report its aggregate data on crimes and other incidents to DPI twice: once halfway through the school year and once at the end of the school year. After receiving the participating school districts' reports, DPI is required to report to the legislature aggregate data derived from the reports submitted by the participating school districts. Finally, the bill requires a participating school district to omit or redact any personally identifiable information before releasing any records it maintains under the pilot program and prohibits a participating school district from including the identity of any individual involved in a crime or other incident in a report submitted to DPI under the pilot program.

ASSEMBLY BILL 773
