***Analysis by the Legislative Reference Bureau***

This bill authorizes the Department of Transportation to provide funding for reconstruction of the I 94 freeway in Milwaukee County from 70th Street to 16th Street, enumerated in this bill as the "I 94 east-west corridor project." Under current law, DOT may not provide funding for a highway project on a southeast Wisconsin freeway that has a total cost of more than \$500,000,000 without legislative approval.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.
