SENATE BILL 194

1 authority to be known as the Wisconsin Student Loan Refinancing Authority,
2 granting rule-making authority, and making an appropriation.

Analysis by the Legislative Reference Bureau***The Wisconsin Student Loan Refinancing Authority***

This bill creates an authority, which is a public body corporate and politic, to be known as the Wisconsin Student Loan Refinancing Authority (WSLRA). The WSLRA is governed by a board that consists of four members of the legislature, three members who are students of an institution of higher learning, and two members with experience in making student loans. The five members of the board who are not members of the legislature are nominated by the governor, and with the advice and consent of the senate appointed, to serve two- or three-year terms. The board appoints the chief executive officer of WSLRA and annually elects the chairperson of the board. The board is given all the powers necessary or convenient to carry out its duties, as well as specific powers to conduct its corporate business, including the power to issue bonds for any corporate purpose.

Under the bill, the board must develop and implement a loan program under which state residents may refinance student loans. Under the program, WSLRA provides a loan to an individual to pay off some or all of his or her outstanding student loan debt. To qualify for the program, an individual must satisfy similar eligibility requirements to the criteria a private lender uses to make an unsecured personal loan at market rates. Under the bill, WSLRA must provide loans under the program at the lowest possible interest rate that is still sufficient to cover the expenses of the program. A loan issued under the program is not dischargeable in a bankruptcy proceeding.

Financial aid information

This bill requires the Department of Financial Institutions (DFI) to compile data related to private student loans for the purpose of comparing private lending institutions' student loan interest rates and repayment plans. A "private student loan" is a loan issued by a private lending institution for the purpose of paying for or financing higher education expenses, including tuition and fees, books and supplies, and room and board. DFI must create and maintain a list of private lending institutions that provide the lowest rates and best repayment options on student loans. DFI must also compile a list of the top ten best private lending institutions based on rates and policies that are most favorable to the student borrower. DFI must place these lists on DFI's Internet site and update the Internet site monthly to ensure that the student loan information in these lists is current and accurate. DFI's Internet site must also contain information pertaining to lending institutions that do not make the top ten list, including identifying those lending institutions that provide the worst rates and strictest repayment options. DFI may satisfy its duties under the bill through a designee or third-party contractor.

The bill also requires an institution or college campus within the University of Wisconsin (UW) System, a technical college within the technical college system, a

SENATE BILL 194

tribally controlled college, or a private, nonprofit institution of higher education located in this state (institution of higher education) to provide to a prospective or newly accepted student and to the student's parents clearly outlined and easy-to-understand information pertaining to all of the following:

1. The total cost of attendance at the institution of higher education.
2. The approximate or, if known, the actual total amount of financial aid that the student would receive from the institution of higher education, and the approximate or, if known, the actual total amount of student loan debt that the student would accumulate, over the course of four years, if the student were to attend the institution of higher education for four years (student loan debt).
3. Student loan rates, repayment plans, default rates, and the actual monthly payment that would be required to pay that student loan debt when the loan becomes due.

Finally, the bill requires an institution of higher education and the Higher Educational Aids Board (HEAB) to create on their Internet sites a link to that portion of DFI's Internet site containing the lists and other information required under the bill.

Student loan counseling

This bill requires any institution of higher education in this state that offers an associate degree or higher to provide loan counseling for its students. Under the bill, before a student enters into a student loan agreement, the institution must provide the student with comprehensive information on the terms and conditions of a loan and the responsibilities the student has with respect to the loan. A lender may not accept an application for a private student loan, or assess any fees for the loan, unless the lender has received certification from the applicant's institution of higher education that the applicant has received such counseling.

The bill also requires an institution of higher education to provide a student with information when the student leaves the institution, whether through graduation, transfer, or otherwise. The information must include available loan repayment plans, debt management strategies, options for prepayment of loans, and the consequences of defaulting on a loan.

Finally, the bill authorizes an institution of higher education to assess a lender a reasonable fee of up to \$50 to defray the cost of the student counseling required under the bill.

Income tax subtraction

Under current law, there is an individual income tax subtraction for amounts paid by a claimant for tuition expenses and mandatory student fees for a student who is the claimant or the claimant's dependent under the Internal Revenue Code, to attend an institution of higher education that is approved by the Educational Approval Board and that is located in Wisconsin, or to attend certain postsecondary schools in Minnesota to which the Minnesota-Wisconsin reciprocity agreement applies. The tuition expenses and fees for which a subtraction may be claimed are calculated based on the amount of tuition charged by the UW System at four-year institutions.

SENATE BILL 194

Also under current law, the subtraction that a claimant may claim for such tuition expenses and mandatory student fees is reduced as the claimant's annual federal adjusted gross income (FAGI) increases until, at a certain point, no subtraction may be claimed. Currently, the allowable subtraction phases out, for a single person or a married person filing as a head of household, as the claimant's FAGI increases from \$50,000 to \$60,000. Once such a claimant's FAGI exceeds \$60,000, he or she may not claim the subtraction. For a married person filing a joint return, the phaseout occurs as the married couple's joint FAGI increases from \$80,000 to \$100,000, and no subtraction is allowed once the married couple's joint FAGI exceeds \$100,000. The phaseout for a married person filing a separate return occurs as the claimant's FAGI increases from \$40,000 to \$50,000, and no subtraction is allowed once the claimant's FAGI exceeds \$50,000.

Under this bill, the phase-out provisions do not apply to a taxable year that begins after December 31, 2013.

This bill also expands the definition of tuition expenses to include any amount paid by a claimant in the year to which the claim relates on a student loan, the proceeds of which were used by the claimant to pay the claimant's expenses for tuition, fees, books, room and board, and educational supplies that were directly related to the claimant's attendance at an eligible institution. The bill defines eligible institution as a regionally accredited, nonprofit, postsecondary educational institution.

Student loan debt report

Under current law, HEAB administers certain grant and loan programs for resident students enrolled in institutions of higher education in this state.

This bill requires HEAB to submit an annual report to the Joint Committee on Finance regarding student loan debt incurred in the previous year by resident undergraduate students enrolled in institutions of higher education located in this state. The report must include that information, together with all of the following:

1. The statewide average amount of student loan debt incurred in the previous year by resident undergraduate students enrolled in institutions of higher education located in this state.
2. A comparison of that statewide average to the national average amount of student loan debt incurred in the previous year by undergraduate students enrolled in institutions of higher education in the United States.
3. A comparison of that statewide average to the statewide average amount of student loan debt incurred in the previous year by undergraduate students in the state with the lowest ratio of statewide average student loan debt to the lowest quintile of state per capita income.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

SENATE BILL 194

1 Action may be taken by the board upon a vote of a majority of the voting members
2 present.

3 (4) A member of the board may not be compensated for his or her services but
4 shall be reimbursed for actual and necessary expenses, including travel expenses,
5 incurred in the performance of his or her duties.

6 (5) No cause of action of any nature may arise against and no civil liability may
7 be imposed upon a member of the board for any act or omission in the performance
8 of his or her powers and duties under this chapter, unless the person asserting
9 liability proves that the act or omission constitutes willful misconduct.

10 (6) The board shall appoint a chief executive officer who shall not be a member
11 of the board and who shall serve at the pleasure of the board. The chief executive
12 officer shall receive such compensation as the board fixes. The chief executive officer
13 or other person designated by resolution of the board shall keep a record of the
14 proceedings of the authority and shall be custodian of all books, documents, and
15 papers filed with the authority, the minute book or journal of the authority, and its
16 official seal. The chief executive officer or other person may cause copies to be made
17 of all minutes and other records and documents of the authority and may give
18 certificates under the official seal of the authority to the effect that such copies are
19 true copies, and all persons dealing with the authority may rely upon such
20 certificates.

21 **239.03 Powers of board.** The board shall have all the powers necessary or
22 convenient to carry out the purposes and provisions of this chapter. In addition to
23 all other powers granted the board under this chapter, the board may specifically:

24 (1) Adopt, amend, and repeal any bylaws, policies, and procedures for the
25 regulation of its affairs and the conduct of its business.

SENATE BILL 194

3 (4) Sue and be sued.

4 (5) Accept gifts, grants, loans, or other contributions from private or public
5 sources.

6 (6) Establish the authority's annual budget and monitor the fiscal
7 management of the authority.

8 (7) Execute contracts and other instruments required for the operation of the
9 authority.

10 (8) Employ any officers, agents, and employees that it may require and
11 determine their qualifications, duties, and compensation.

12 (9) Issue notes, bonds, and any other obligations.

13 (10) Make loans and provide grants.

14 (11) Incur debt.

15 (12) Procure liability insurance.

16 **239.04 Duties of board.** The board shall develop and implement a program
17 under which state residents may refinance qualified education loans. The board
18 shall develop the program to include all of the following:

19 (1) The authority shall provide a loan to an eligible individual to pay all or part
20 of the individual's qualified education loans.

21 (2) The authority may only issue loans under the program that satisfy the
22 exception to discharge under 11 USC 523 (8).

23 (3) The authority shall establish eligibility criteria to participate in the
24 program that is substantially similar to the criteria used by private lenders in the

SENATE BILL 194

1 state to evaluate whether an individual qualifies for an unsecured personal loan at
2 market rates.

3 (4) The board shall set the interest rate on loans made under the program to
4 be as low as possible but still sufficient to fully pay all expenses of the program and
5 to provide necessary reserves, as determined by the board.

6 **239.05 Issuance of bonds.** (1) The authority may issue bonds for any
7 corporate purpose. All bonds are negotiable for all purposes, notwithstanding their
8 payment from a limited source.

9 (2) Except as otherwise expressly provided by the authority, every issue of its
10 notes or bonds shall be general obligations of the authority payable out of any
11 revenues or moneys of the authority, subject only to any agreements with the holders
12 of particular notes or bonds pledging any particular receipts or revenues.

13 (3) All bonds issued by the authority are negotiable investment securities
14 under ch. 408.

15 (4) The authority may not issue bonds unless the issuance is first authorized
16 by a bond resolution. Bonds shall bear the dates, mature at the times not exceeding
17 50 years from their dates of issue, bear interest at the rates, be payable at the times,
18 be in the denominations, be in the form, carry the registration and conversion
19 privileges, be executed in the manner, be payable in lawful money of the United
20 States at the places, and be subject to the terms of redemption, that the bond
21 resolution provides. The bonds shall be executed by the manual or facsimile
22 signatures of the officers of the authority designated by the board. The bonds may
23 be sold at public or private sale at the price, in the manner, and at the time
24 determined by the board. Pending preparation of definitive bonds, the authority may
25 issue interim receipts or certificates that shall be exchanged for the definitive bonds.

SENATE BILL 194

1 (5) The board may include in bond resolution provisions, which shall be a part
2 of the contract with the holders of the bonds that are authorized by the bond
3 resolution, regarding any of the following:

4 (a) Pledging or assigning specified assets or revenues of the authority.

5 (b) Setting aside reserves or sinking funds, and the regulation, investment, and
6 disposition of these funds.

7 (c) Limitations on the purpose to which or the investments in which the
8 proceeds of the sale of any issue of bonds may be applied.

9 (d) Limitations on the issuance of additional bonds, the terms upon which
10 additional bonds may be issued and secured, and the terms upon which additional
11 bonds may rank on a parity with, or be subordinate or superior to, other bonds.

12 (e) Funding, refunding, advance refunding, or purchasing outstanding bonds.

13 (f) Procedures, if any, by which the terms of any contract with bondholders may
14 be amended, the amount of bonds the holders of which must consent to the
15 amendment, and the manner in which this consent may be given.

16 (g) Defining the acts or omissions to act that constitute a default in the duties
17 of the authority to the bondholders, and providing the rights and remedies of the
18 bondholders in the event of a default.

19 (h) Other matters relating to the bonds that the board considers desirable.

20 (6) Neither the members of the board nor any person executing the bonds is
21 liable personally on the bonds or subject to any personal liability or accountability
22 by reason of the issuance of the bonds, unless the personal liability or accountability
23 is the result of willful misconduct.

24 **239.06 Bond security.** The authority may secure bonds by a trust agreement,
25 trust indenture, indenture of mortgage, or deed of trust by and between the authority

SENATE BILL 194

1 and one or more corporate trustees. A bond resolution providing for the issuance of
2 bonds so secured shall mortgage, pledge, assign, or grant security interests in some
3 or all of the revenues to be received by, and property of, the authority and may contain
4 those provisions for protecting and enforcing the rights and remedies of the
5 bondholders that are reasonable and proper and not in violation of law. A bond
6 resolution may contain other provisions determined by the board to be reasonable
7 and proper for the security of the bondholders.

8 **239.07 Bonds not public debt. (1)** The state is not liable on bonds, and the
9 bonds are not a debt of the state. All bonds shall contain a statement to this effect
10 on the face of the bond. A bond issue does not, directly, indirectly, or contingently,
11 obligate the state or a political subdivision of the state to levy any tax or make any
12 appropriation for payment of the bonds. Nothing in this section prevents the
13 authority from pledging its full faith and credit to the payment of bonds.

14 **(2)** Nothing in this chapter authorizes the authority to create a debt of the state,
15 and all bonds issued by the authority are payable, and shall state that they are
16 payable, solely from the funds pledged for their payment in accordance with the bond
17 resolution authorizing their issuance or in any trust indenture or mortgage or deed
18 of trust executed as security for the bonds. The state is not liable for the payment
19 of the principal of or interest on a bond or for the performance of any pledge,
20 mortgage, obligation, or agreement that may be undertaken by the authority. The
21 breach of any pledge, mortgage, obligation, or agreement undertaken by the
22 authority does not impose pecuniary liability upon the state or a charge upon its
23 general credit or against its taxing power.

24 **239.08 State pledge.** The state pledges to and agrees with the bondholders,
25 and persons that enter into contracts with the authority under this chapter, that the

SENATE BILL 194

1 state will not limit or alter the rights vested in the authority by this chapter before
2 the authority has fully met and discharged the bonds, and any interest due on the
3 bonds, and has fully performed its contracts, unless adequate provision is made by
4 law for the protection of the bondholders or those entering into contracts with the
5 authority.

6 **239.09 Liability limited.** Neither the state nor any political subdivision of
7 the state, nor any officer, employee, or agent of the state or a political subdivision of
8 the state who is acting within the scope of employment or agency, is liable for any
9 debt, obligation, act, or omission of the authority.

10 **239.10 Annual report. (1)** Annually, the board shall submit to the chief clerk
11 of each house of the legislature, for distribution to the legislature under s. 13.172 (2),
12 a report on the activities of the authority, including all of the following:

13 (a) Its operations, accomplishments, goals, and objectives.

14 (b) A statement of income and expenses for the fiscal year.

15 (c) Its assets and liabilities at the end of its fiscal year.

16 (d) A schedule of its bonds and notes outstanding at the end of its fiscal year,
17 together with a statement of the amounts redeemed and incurred during such fiscal
18 year.

19 **(2)** The authority, annually on January 15, shall file with the department of
20 administration and the joint legislative council a complete and current listing of all
21 forms, reports, and papers required by the authority to be completed by any person,
22 other than a governmental body, as a condition of obtaining the approval of the
23 authority or for any other reason. The authority shall attach a blank copy of each
24 such form, report, or paper to the listing.
