3 **relating to:** reimbursement of counties for probationers, parolees, and persons
4 on extended supervision who are placed with the county pending disposition of
5 revocation proceedings.

Analysis by the Legislative Reference Bureau

Under this bill, each probationer, parolee, and person on extended supervision is charged a \$3 monthly fee to help reimburse each county for costs it incurred while holding an individual pending the disposition of a probation, parole, or extended supervision revocation proceeding. Under current law, counties are reimbursed at the rate of \$40 per person per day unless the amount allocated for reimbursement is insufficient in which case the Department of Corrections (DOC) must prorate the payments. Under this bill, the reimbursement rate remains the same but DOC must use first the proceeds from the new fee and then the account under current law and prorate the payments only if those amounts are insufficient.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
