2017 - 2018 LEGISLATURE

LRB-4975/1

2017 SENATE BILL 721

January 19, 2018 - Introduced by LAW REVISION COMMITTEE. Referred to Committee on Senate Organization.

1 **AN ACT to amend** 5.15 (4) (b), 5.15 (4) (bg), 13.96 (1) (b), 66.0217 (9) (a), 66.0221
2 (1), 66.0223 (1) and 66.0231 of the statutes; **relating to:** municipal boundary
3 information (suggested as remedial legislation by the Legislative Technology
4 Services Bureau).

Analysis by the Legislative Reference Bureau

This bill clarifies that the Legislative Technology Services Bureau is to reconcile and compile municipal boundary information for purposes of a statewide database twice a year instead of once every ten years. The bill also places in the correct statutory location a current-law duty for municipal clerks to notify counties of municipal boundary changes.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the Legislative Technology Services Bureau and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4. and 5., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.
