1 **AN ACT to create** 20.285 (1) (em) and 36.25 (55) of the statutes; **relating to:**
2 creating University of Wisconsin-Extension positions for farm succession
3 planning and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Board of Regents of the University of Wisconsin System to create two positions to advance the UW-Extension's farm succession planning programs. The first position is a specialist within the Center for Dairy Profitability to assist in the financial aspects of farm succession management. The second position is a specialist within the UW-Extension's Farm Management Institute to assist in developing and delivering programs at the local level and focus on research, training, and joint programming with county-based agriculture extension educators throughout the state.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 20.005 (3) (schedule) of the statutes: at the appropriate place, insert
5 the following amounts for the purposes indicated:
