2 **to:** requiring the Department of Financial Institutions to implement a section
3 529A ABLE savings account program and granting rule-making authority.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Financial Institutions to implement a qualified ABLE program under section 529A of the Internal Revenue Code allowing tax-exempt accounts for qualified expenses incurred by individuals with disabilities.

Under current federal law, states may create a qualified Achieving a Better Life Experience program under which an individual may establish a tax-exempt savings account to pay for qualified expenses, such as education, housing, and transportation costs, for a beneficiary who is an individual with disabilities, as defined under federal law. Although these accounts, commonly referred to as “ABLE accounts” or “section 529A accounts,” cannot be established under this state’s law, they can be established under another state’s law, and if so established, withdrawals from these accounts for payment of qualified disability expenses for the account beneficiary are exempt from taxation in this state.

This bill requires DFI to implement and administer a qualified ABLE program, either directly or by entering into an agreement with another state or alliance of states to establish an ABLE program or otherwise administer ABLE program services for the residents of this state. DFI must, within approximately six months, determine whether implementing the ABLE program directly or by entering into an

ASSEMBLY BILL 912

agreement is the best option for this state's residents. If DFI enters into an agreement, the agreement may require the party contracting with DFI to do any of the following: 1) develop and implement an ABLE program in accordance with all requirements under federal law and modify the ABLE program as necessary for participants to qualify for federal income tax benefits; 2) contract for professional and technical assistance and advice in developing marketing plans and promotional materials to publicize the ABLE program; 3) work with organizations with expertise in supporting people with disabilities and their families in administering the agreement and ensuring accessibility of the ABLE program for people with disabilities; or 4) take any other action necessary to implement and administer the ABLE program. The bill also requires DFI to provide on its Internet site and in written materials certain information concerning ABLE accounts.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
