Analysis by the Legislative Reference Bureau

COURTS AND PROCEDURE

PUBLIC DEFENDER

Under current law, the Public Defender Board may promulgate rules to assure that representation of indigent clients by the private bar is at the same level as the representation provided by the state public defender. Under this bill, the board's

SENATE BILL 127

authority to promulgate rules is expanded to include setting standards for and imposing conditions upon private bar attorney certification, decertification, or recertification to represent clients. The bill also adds the following list of reasons as grounds for which the office of the state public defender may exclude a private bar attorney from a public defender list: 1) the attorney has failed to meet minimum attorney performance standards adopted by the state public defender; 2) the attorney has failed to comply with the supreme court rules of professional conduct for attorneys; 3) the attorney has engaged in conduct that is contrary to the interests of clients, the interests of justice, or the interests of the state public defender; or 4) the state public defender learns of any information that raises a concern about the attorney's character, performance, ability, or behavior.

The bill changes the rate at which the public defender must pay a private local attorney to whom a case is assigned from \$40 per hour for time spent related to a case to \$70 per hour for time spent related to a case. The bill provides \$16,612,700 in each fiscal year of the 2019-21 biennium for the rate increase.

The bill provides \$1,767,900 GPR in fiscal year 2019 and \$3,535,800 in fiscal year 2020-21 to fund the assistant state public defender pay progression plan, which is a plan in current law that consists of 17 hourly salary steps, with each step equal to one-seventeenth of the difference between the lowest hourly salary and the highest hourly salary for the salary range for the assistant state public defender positions.

The bill directs the Public Defender Board to conduct a student loan payment pilot program for private bar attorneys who accept public defender appointments. The program would provide a payment to private bar attorneys that they may use to repay student loans of up to \$20,000 per year for attorneys in counties with a population of 25,000 or less who agree to accept at least 50 state public defender appointments per year. The bill provides \$250,000 in each fiscal year of the 2019-21 biennium for the program.

DISTRICT ATTORNEYS

The bill creates an independent prosecutor board that oversees and sets policies for a state prosecutors office, also created in the bill. Under the bill, the executive director of the state prosecutors office manages the office; prepares personnel policies, fiscal estimates, and an annual report; and represents the board before the governor, the legislature, bar associations, and courts. The executive director may also identify methods and practices for district attorneys that promote professional competence and ethical practices. Under the bill, the state prosecutors office assumes duties relating to district attorneys that current law assigns to the Department of Administration, such as preparing a budget for all of the prosecutorial units, approving appointments of special prosecutors when needed, and making requests for assistant district attorneys in certain prosecutorial units. The bill requires any rule that directly affects the state prosecutors office to be reviewed by the office and for the office to submit a report on the proposed rule that includes information about the effect of the proposed rule on the state prosecutors office. The bill requires DOA to provide the state prosecutors office with general access to a case

SENATE BILL 127

management system currently used by the Department of Justice to manage case-related information and to share the information among prosecutors.

The bill provides \$1,600,000 in fiscal year 2019-20 and \$3,200,000 in fiscal year 2020-21 to fund the deputy and assistant district attorney pay progression plan, which is a plan in current law that consists of 17 hourly salary steps, with each step equal to one-seventeenth of the difference between the lowest hourly salary and the highest hourly salary for the salary range for the deputy and assistant district attorney positions. The bill also provides \$3,320,000 in fiscal year 2019-20 and \$4,427,000 in fiscal year 2020-21 to increase the authorized FTE for the assistant district attorneys by 60.85 FTE positions.

CIRCUIT COURTS

The bill provides \$2,500,000 in fiscal year 2019-20 and \$5,000,000 in fiscal year 2020-21 to fund court appointments made at county expense.

JUSTICE

The bill creates a pay scale for DOJ state crime laboratory analysts that consists of 17 hourly salary steps, with each step equal to one-seventeenth of the difference between the lowest hourly salary and the highest hourly salary for the salary range for DOJ state crime laboratory analysts contained in the state compensation plan. The compensation plan goes into effect on July 1, 2019.

The bill creates within DOJ 25 FTE positions and provides \$1,378,700 in fiscal year 2019-20 and \$3,378,900 in fiscal year 2020-21 to fund ongoing law enforcement investigations, forensics activities, and operations.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
