Referred to Committee on Agriculture, Revenue and Financial Institutions.

1 **AN ACT to create** 20.285 (1) (er) and 36.25 (59) of the statutes; **relating to:**
2 creating and funding a University of Wisconsin Dairy Innovation Hub and
3 making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Board of Regents of the University of Wisconsin System to create a UW Dairy Innovation Hub. The bill provides \$7,900,000 each year to the UW System to fund the requirements under the bill. The Dairy Innovation Hub must include operations at UW-Madison, UW-Platteville, and UW-River Falls. The Dairy Innovation Hub must also include disciplines in four separate sectors to accomplish the following objectives: ensure animal health and welfare; enrich human health and nutrition; steward land and water resources; and grow farm businesses and communities. The Board of Regents must allocate funding under the bill as follows: 52 percent to create positions, establish and operate an advanced dairy management academy, and provide support for research facilities and infrastructure at UW-Madison; 24 percent to create positions and provide support for research facilities and infrastructure at UW-Platteville; and 24 percent to create positions and provide support for research facilities and infrastructure at UW-River Falls. The Board of Regents must annually submit a report to the legislature regarding the Dairy Innovation Hub.
