Analysis by the Legislative Reference Bureau

This bill allows an individual, when calculating income for state income tax purposes, to subtract the tuition expenses paid by the individual for the individual or the individual's dependent to participate in an apprenticeship program that is approved by the Department of Workforce Development. The deduction first applies to taxable years beginning after December 31, 2020.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
