Analysis by the Legislative Reference Bureau

Under current law, it is a Class I felony to damage or graffiti certain vehicles, highways, common carrier property, grand juror property, and state-owned historical property. This bill makes it a Class I felony to damage or graffiti any structure, plaque, statue, painting, or other monument of commemorative or historical significance that is on public property or is maintained by the state or any county or municipality.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.
