1 **AN ACT** *to create* 609.896 and 632.895 (16w) of the statutes; **relating to:**
2 coverage of tests and ancillary procedures for services for which health
3 insurance coverage is mandated.

Analysis by the Legislative Reference Bureau

This bill requires health insurance policies, known in the bill as disability insurance policies, and governmental self-insured health plans to cover tests and ancillary procedures needed to provide a product or service that the policy or plan is required to cover under state law. Examples of products or services that policies and plans are required to cover under current state law include home care, skilled nursing care, kidney disease treatment, equipment and supplies for diabetes treatment, mammograms, maternity coverage, lead poisoning screening, temporomandibular disorder treatment, autism spectrum disorder treatment, breast reconstruction, immunizations, hearing aids and cochlear implants, colorectal cancer screening, and contraceptives.

This proposal may contain a health insurance mandate requiring a social and financial impact report under s. 601.423, stats.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 609.896 of the statutes is created to read:
