1 **AN ACT** *to renumber and amend* 49.485; *to amend* 801.02 (1), 803.09 (1),
2 803.09 (2), 804.01 (2) (intro.) and 805.04 (1); and *to create* 20.9315, 49.485 (1),
3 165.25 (11m), 805.04 (2p) and 893.9815 of the statutes; **relating to:** restoring
4 private individual authority to bring a qui tam claim against a person for
5 making a false claim for medical assistance, actions by the attorney general
6 against a person for making a false claim for medical assistance, and providing
7 a penalty.

Analysis by the Legislative Reference Bureau

This bill restores a private individual's authority to bring a qui tam claim against a person who makes a false claim for medical assistance, which was eliminated in 2015 Wisconsin Act 55. A qui tam claim, as it relates to the Medical Assistance program under the bill, is a claim initiated by a private individual on his or her own behalf and on behalf of the state against a person who makes a false claim for medical assistance. The bill restores the language prior to the enactment of 2015 Wisconsin Act 55 that stated that, of moneys recovered as a result of a qui tam claim, a private individual may be awarded up to 30 percent of the amount recovered, depending upon certain factors, including the individual's role in advancement of the prosecution of the action. The individual may also be entitled to reasonable expenses incurred in bringing the action, as well as attorney fees. This bill also includes

SENATE BILL 1092

additional changes not included in the prior law to conform state law to the federal False Claims Act, including expanding provisions to facilitate qui tam actions and modifying the bases for liability to parallel the liability provisions under the federal False Claims Act. In addition to qui tam claims, the Department of Justice has independent authority to bring a claim against a person for making a false claim for medical assistance. This bill modifies provisions relating to DOJ's authority to parallel the liability and penalty standards relating to qui tam claims, specifically, applying the definition of the term "claim" and the forfeiture amounts provided under the federal False Claims Act.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **(2)** Except as provided in sub. (3), any person who does any of the following is
2 liable to this state for 3 times the amount of the damages that were sustained by the
3 state or would have been sustained by the state, whichever is greater, because of the
4 actions of the person, and shall forfeit, for each violation, an amount within the range
5 specified under 31 USC 3729 (a):

15 (dr) Conspires to commit a violation under par. (a), (b), or (dg).

16 **(3)** The court may assess against a person who violates sub. (2) not less than
17 2 nor more than 3 times the amount of the damages sustained by the state because
18 of the acts of the person, and shall not assess any forfeiture, if the court finds all of
19 the following:

20 (a) The person who commits the acts furnished the attorney general with all
21 information known to the person about the acts within 30 days after the date on
22 which the person obtained the information.

23 (b) The person fully cooperated with any investigation of the acts by this state.

24 (c) At the time that the person furnished the attorney general with information
25 concerning the acts, no criminal prosecution or civil or administrative enforcement

SENATE BILL 1092**SECTION 1**

1 action had been commenced with respect to any such act, and the person did not have
2 actual knowledge of the existence of any investigation into any such act.

3 (5) (a) Except as provided in subs. (10) and (12), any person may bring a civil
4 action as a qui tam plaintiff against a person who commits an act in violation of sub.
5 (2) for the person and the state in the name of the state.

6 (b) The plaintiff shall serve upon the attorney general a copy of the complaint
7 and documents disclosing substantially all material evidence and information that
8 the person possesses. The plaintiff shall file a copy of the complaint with the court
9 for inspection in camera. Except as provided in par. (c), the complaint shall remain
10 under seal for a period of 60 days from the date of filing and shall not be served upon
11 the defendant until the court so orders. Within 60 days from the date of service upon
12 the attorney general of the complaint, evidence, and information under this
13 paragraph, the attorney general may intervene in the action.

14 (bm) Any complaint filed by the state in intervention, whether filed separately
15 or as an amendment to the qui tam plaintiff's complaint, shall relate back to the filing
16 date of the qui tam plaintiff's complaint, to the extent that the state's claim arises
17 out of the conduct, transactions, or occurrences set forth, or attempted to be set forth,
18 in the qui tam plaintiff's complaint.

19 (c) The attorney general may, for good cause shown, move the court for one or
20 more extensions of the period during which a complaint in an action under this
21 subsection remains under seal.

22 (d) Before the expiration of the period during which the complaint remains
23 under seal, the attorney general shall do one of the following:

24 1. Proceed with the action or an alternate remedy under sub. (10), in which case
25 the action or proceeding under sub. (10) shall be prosecuted by the state.

SENATE BILL 1092

1 2. Notify the court that he or she declines to proceed with the action, in which
2 case the person bringing the action may proceed with the action.

3 (e) If a person brings a valid action under this subsection, no person other than
4 the state may intervene or bring a related action while the original action is pending
5 based upon the same facts underlying the pending action.

6 (f) In any action or other proceeding under sub. (10) brought under this
7 subsection, the plaintiff is required to prove all essential elements of the cause of
8 action or complaint, including damages, by a preponderance of the evidence.

9 **(6)** If the state proceeds with an action under sub. (5) or an alternate remedy
10 under sub. (10), the state has primary responsibility for prosecuting the action or
11 proceeding under sub. (10). The state is not bound by any act of the person bringing
12 the action, but that person has the right to continue as a party to the action.

13 **(7)** (b) With the approval of the governor, the attorney general may compromise
14 and settle an action under sub. (5) or an administrative proceeding under sub. (10)
15 to which the state is a party, notwithstanding objection of the person bringing the
16 action, if the court determines, after affording to the person bringing the action the
17 right to a hearing at which the person is allowed the opportunity to present evidence
18 in opposition to the proposed settlement, that the proposed settlement is fair,
19 adequate, and reasonable considering the relevant circumstances pertaining to the
20 violation.

21 (c) Upon a showing by the state that unrestricted participation in the
22 prosecution of an action under sub. (5) or an alternate proceeding to which the state
23 is a party by the person bringing the action would interfere with or unduly delay the
24 prosecution of the action or proceeding, or would result in consideration of

SENATE BILL 1092**SECTION 1**

1 repetitious or irrelevant evidence or evidence presented for purposes of harassment,
2 the court may limit the person's participation in the prosecution, such as:

- 3 1. Limiting the number of witnesses that the person may call.
- 4 2. Limiting the length of the testimony of the witnesses.
- 5 3. Limiting the cross-examination of witnesses by the person.
- 6 4. Otherwise limiting the participation by the person in the prosecution of the
7 action or proceeding.

8 (d) Upon showing by a defendant that unrestricted participation in the
9 prosecution of an action under sub. (5) or alternate proceeding under sub. (10) to
10 which the state is a party by the person bringing the action would result in
11 harassment or would cause the defendant undue burden or unnecessary expense, the
12 court may limit the person's participation in the prosecution.

13 **(8)** Except as provided in sub. (7), if the state elects not to participate in an
14 action filed under sub. (5), the person bringing the action may prosecute the action.
15 If the attorney general so requests, the attorney general shall, at the state's expense,
16 be served with copies of all pleadings and deposition transcripts in the action. If the
17 person bringing the action initiates prosecution of the action, the court, without
18 limiting the status and rights of that person, may permit the state to intervene at a
19 later date upon showing by the state of good cause for the proposed intervention.

20 **(9)** Whether or not the state participates in an action under sub. (5), upon
21 showing in camera by the attorney general that discovery by the person bringing the
22 action would interfere with the state's ongoing investigation or prosecution of a
23 criminal or civil matter arising out of the same facts as the facts upon which the
24 action is based, the court may stay such discovery in whole or in part for a period of
25 not more than 60 days. The court may extend the period of any such stay upon

SENATE BILL 1092

1 further showing in camera by the attorney general that the state has pursued the
2 criminal or civil investigation of the matter with reasonable diligence and the
3 proposed discovery in the action brought under sub. (5) will interfere with the
4 ongoing criminal or civil investigation or prosecution.

5 (10) The attorney general may pursue a claim relating to an alleged violation
6 of sub. (2) through an alternate remedy available to the state or any state agency,
7 including an administrative proceeding to assess a civil forfeiture. If the attorney
8 general elects any such alternate remedy, the attorney general shall serve timely
9 notice of his or her election upon the person bringing the action under sub. (5), and
10 that person has the same rights in the alternate venue as the person would have had
11 if the action had continued under sub. (5). Any finding of fact or conclusion of law
12 made by a court or by a state agency in the alternate venue that has become final is
13 conclusive upon all parties named in an action under sub. (5). For purposes of this
14 subsection, a finding or conclusion is final if it has been finally determined on appeal,
15 if all time for filing an appeal or petition for review with respect to the finding or
16 conclusion has expired, or if the finding or conclusion is not subject to judicial review.

17 (11) (a) Except as provided in pars. (b) and (e), if the state proceeds with an
18 action brought by a person under sub. (5) or the state pursues an alternate remedy
19 relating to the same acts under sub. (10), the person who brings the action shall
20 receive at least 15 percent but not more than 25 percent of the proceeds of the action
21 or settlement of the claim, depending upon the extent to which the person
22 contributed to the prosecution of the action or claim.

23 (b) Except as provided in par. (e), if an action or claim is one in which the court
24 or other adjudicator finds to be based primarily upon disclosures of specific
25 information not provided by the person who brings an action under sub. (5) relating

SENATE BILL 1092**SECTION 1**

1 to allegations or transactions specifically in a criminal, civil, or administrative
2 hearing, or in a legislative or administrative report, hearing, audit, or investigation,
3 or report made by the news media, the court or other adjudicator may award such
4 amount as it considers appropriate, but not more than 10 percent of the proceeds of
5 the action or settlement of the claim, depending upon the significance of the
6 information and the role of the person bringing the action in advancing the
7 prosecution of the action or claim.

8 (c) Except as provided in par. (e), in addition to any amount received under par.
9 (a) or (b), a person bringing an action under sub. (5) shall be awarded his or her
10 reasonable expenses necessarily incurred in bringing the action together with the
11 person's costs and reasonable actual attorney fees. The court or other adjudicator
12 shall assess any award under this paragraph against the defendant.

13 (d) Except as provided in par. (e), if the state does not proceed with an action
14 or an alternate proceeding under sub. (10), the person bringing the action shall
15 receive an amount that the court decides is reasonable for collection of the civil
16 penalty and damages. The amount shall be not less than 25 percent and not more
17 than 30 percent of the proceeds of the action and shall be paid from the proceeds. In
18 addition, the person shall be paid his or her expenses, costs, and fees under par. (c).

19 (e) Whether or not the state proceeds with the action or an alternate proceeding
20 under sub. (10), if the court or other adjudicator finds that an action under sub. (5)
21 was brought by a person who planned or initiated the violation upon which the action
22 or proceeding is based, then the court may, to the extent that the court considers
23 appropriate, reduce the share of the proceeds of the action that the person would
24 otherwise receive under par. (a), (b), or (d), taking into account the role of that person
25 in advancing the prosecution of the action or claim and any other relevant

SENATE BILL 1092

1 circumstance pertaining to the violation, except that if the person bringing the action
2 is convicted of criminal conduct arising from his or her role in a violation of sub. (2),
3 the court or other adjudicator shall dismiss the person as a party and the person shall
4 not receive any share of the proceeds of the action or claim or any expenses, costs, and
5 fees under par. (c).

6 (12) Except if the action is brought by the attorney general or the person
7 bringing the action is an original source of the information, the court shall dismiss
8 an action or claim under this section, unless opposed by the state, if substantially the
9 same allegations or transactions as alleged in the action or claim were publicly
10 disclosed in any of the following ways:

11 (a) In a federal criminal, civil, or administrative hearing in which the state or
12 its agent is a party.

13 (b) In a congressional, government accountability office, or other federal report,
14 hearing, audit, or investigation.

15 (c) From the news media.

16 (13) The state is not liable for any expenses incurred by a private person in
17 bringing an action under sub. (5).

18 (14) Any employee, contractor, or agent who is discharged, demoted,
19 suspended, threatened, harassed, or in any other manner discriminated against in
20 the terms and conditions of employment because of lawful actions taken by the
21 employee, contractor, agent, or by others in furtherance of an action or claim filed
22 under this section or on behalf of the employee, contractor, or agent, including
23 investigation for, initiation of, testimony for, or assistance in an action or claim filed
24 or to be filed under sub. (5) is entitled to all necessary relief to make the employee,
25 contractor, or agent whole. Such relief shall in each case include reinstatement with

SENATE BILL 1092**SECTION 1**

1 the same seniority status that the employee, contractor, or agent would have had but
2 for the discrimination, 2 times the amount of back pay, interest on the back pay at
3 the legal rate, and compensation for any special damages sustained as a result of the
4 discrimination, including costs and reasonable attorney fees. An employee,
5 contractor, or agent may bring an action to obtain the relief to which the employee,
6 contractor, or agent is entitled under this subsection within 3 years after the date the
7 retaliation occurred.

8 (15) A civil action may be brought based upon acts occurring prior to the
9 effective date of this subsection ... [LRB inserts date], if the action is brought within
10 the period specified in s. 893.9815.

11 (16) A judgment of guilty entered against a defendant in a criminal action in
12 which the defendant is charged with fraud or making false statements estops the
13 defendant from denying the essential elements of the offense in any action under sub.
14 (5) that involves the same elements as in the criminal action.

15 (17) The remedies provided for under this section are in addition to any other
16 remedies provided for under any other law or available under the common law.

17 (18) This section shall be liberally construed and applied to promote the public
18 interest and to effect the congressional intent in enacting 31 USC 3729 to 3733, as
19 reflected in the act and the legislative history of the act.

20 **SECTION 2.** 49.485 of the statutes is renumbered 49.485 (2) and amended to
21 read:

25 shall forfeit not less than \$5,000 nor more than \$10,000 an amount within the range

SENATE BILL 1092

1 specified under 31 USC 3729 (a), as adjusted, plus 3 times the amount of the damages
