***Analysis by the Legislative Reference Bureau***

Under current law, only qualified electors may register to vote and vote in an election. A qualified elector is a U.S. citizen age 18 or older who has resided in an election district or ward for 28 consecutive days.

Under this bill, an individual who is age 16 or 17 but who is otherwise eligible to vote in Wisconsin may preregister to vote. An individual who preregisters under the bill may not vote in an election unless he or she is at least 18 years of age on election day.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
