58.01 Private institutions for orphans, indigents and delinquent children.

(1) Any corporation organized for the establishment and maintenance of any hospital, asylum or other institution for the care and relief of sick, infirm, indigent or homeless persons, or for any similar charitable purpose may receive all such persons as shall be lawfully committed thereto or placed therein, and shall have and maintain the custody, care and control of such persons until lawfully discharged.

(5) Any clergyman of good standing shall be granted reasonable facilities, at proper times and places, freely to minister and impart moral and religious instruction, according to the usages of his church or denomination, to every inmate of such institution belonging to such church or denomination, or who shall desire him so to do.

(6) The officers designated therefor by the by-laws of such corporation may at any time discharge any adult inmate when, in their discretion, it is for his interest or the interest of the corporation.

58.05 Private institutions for the insane and feeble-minded.

(1) The articles of organization of any corporation organized under the laws of this state for the establishment and maintenance of any hospital, asylum or other institution for the care, treatment or relief of insane or feeble-minded persons, or both, may contain provisions authorizing it to receive general, special, permanent or temporary endowments and to secure the repayment of the same in accordance with the terms and conditions upon which they may be made by a mortgage upon its real or personal property, or both, or otherwise, in the manner in such articles provided.

(2) Any insane or feeble-minded person may, upon the written request of his guardian, be committed to any such hospital, asylum or institution in the manner insane persons are committed to the state hospitals for the insane; but the county in which such person resides shall be liable for his support, maintenance and

treatment only when he has been committed upon the request of the county board thereof, and such hospital, asylum or institution shall not be required to keep, care for or treat any insane or feeble-minded person longer than his guardian or friends or the county from which he shall have been committed shall defray the expenses of his care and treatment. Any person may voluntarily place himself in such hospital, asylum or institution for care and treatment.

(3) If at any time complaint is made to the department that any person is improperly confined in any such hospital, asylum or institution, the department shall examine into the case in such manner as it deems best; and if it shall appear to the department that such person is improperly confined it shall order his immediate release, and thereupon such person shall be released. The corporation owning or maintaining any such hospital, asylum or institution shall not, nor shall any officer or employe thereof, be liable for the detention of any person duly committed or detained at the request of his guardian or friends or of any county board unless such person shall have been detained after the department shall have ordered his release or after a court shall have directed his discharge; and such liability shall exist only for such detention as shall have occurred after the service of a copy of the order of such department or court upon the superintendent or other officer in charge of such hospital, asylum or institution.

(4) Any letter, communication or complaint addressed to such department or to any member thereof by any inmate, employe or subordinate officer in any such hospital, asylum or institution shall be forthwith forwarded as addressed without interference therewith, breaking of the seal or reading thereof by any officer or employe therein.

(5) Every such corporation shall, on or before the first day of each July make a report to the department for the preceding year, which shall be in form and substance as required by said department and be verified by the president of such corporation or the superintendent or other

officer having charge of such hospital, asylum or institution.

(6) Every such corporation that shall receive nonresident patients into such hospital, asylum or institution for care, treatment or relief shall execute to this state and file in the office of the secretary of state a bond in such sum and with such surety or sureties as the governor shall determine and approve, conditioned to indemnify the state and every municipality therein against expense in case any such patient shall become a pauper in this state. When any nonresident patient shall have been discharged from such hospital, asylum or institution and shall leave this state all liability of such corporation upon its bond on account of such patient shall thereupon cease.

58.06 Private tuberculosis sanatoriums.

(1) Any fraternal or mutual benefit society organized for the sole purpose of providing disability benefits in cases of tuberculosis may purchase or lease the necessary lands and buildings for the operation of a tuberculosis sanatorium or sanatoria for the benefit of its members. Whenever the sanatorium facilities are not all needed for the treatment of members, nonmembers of the society may be admitted to any such sanatorium upon payment of at least the cost of maintenance and treatment, which payments shall be placed in the funds of the society.

(2) Any private, philanthropic tuberculosis sanatorium organized on a nonprofit basis, if approved by the department, may admit patients committed to it by any county, or transferred to it by the department, or referred to it for outpatient service, in the manner and upon the terms provided by ss. 50.03, 50.04, 50.06 and 50.09 except that beginning with the first charge made for the cost of care after July 1, 1959, the sanatorium may add actual interest expense to such charge to recover the costs in carrying such charges and 10 per cent to such charge to

generate sufficient earnings in addition to depreciation accruals to provide funds to cover replacement costs for buildings, fixtures and equipment as they are replaced.

58.07 Humane officers. (1) The board or council of any town, village, city or county may appoint one or more humane officers and may appropriate money to carry on such programs and pay such salaries as the board or council deems necessary. Humane officers shall serve until their appointments are terminated by the board or council. The board or council shall report all appointments and terminations of appointments to the department of agriculture. Before appointing any humane officer the board or council shall secure the recommendations of any humane society existing within such county or municipality. The board or council may appropriate to humane societies any sums of money deemed needful for the prosecution within their respective boundaries of the work for which they were organized.

(2) The board or council shall prescribe the duties of such officers, which shall include the enforcement of the laws relating to the prevention of neglect or cruelty to animals. Humane officers are vested with the powers of police officers or constables within their counties or municipalities for the purpose of carrying out their duties.

(3) The appointment of any humane society superintendent, agent or officer which has been approved by the governor prior to March 15, 1970, shall remain in full force until terminated by such humane society and such superintendent, officer or agent shall have the same powers and duties as appointees under this section.
