BALLOT FORM

5.01 Scope. (1) CONSTRUCTION OF TITLE II. Title II shall give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to fully comply with some of its provisions.

(2) GENERAL PROVISIONS OF ELECTION LAWS APPLY. The general provisions of Title II apply to all elections.

(3) PLURALITY SHALL ELECT. In every election to choose any officer, each elector shall have one vote for each office unless clearly indicated otherwise. The person receiving the greatest number of legal votes for the office shall be declared elected, and the canvassers shall so determine and certify.

(4) TIE VOTE. (a) If 2 or more candidates for the same office receive the greatest, but equal number of votes, the winner shall be chosen by lot in the presence of the election officials then present.

(b) If, in a primary, 2 or more candidates receive an equal but not the greatest number of votes so that only one of those candidates with equal votes may advance to the final election, the choice shall similarly be made by drawing lots.

(c) The candidates may, if all those tied for the same office are present, draw for themselves. Upon refusal or absence of any of the candidates,

the election officials shall appoint a competent person to draw, and upon the results declare and certify the winner.

(5) ELECTION OF GOVERNOR AND LIEUTENANT GOVERNOR. (a) In every general election to choose the governor and the lieutenant governor, each elector shall have a single vote applicable to both offices. The persons receiving the greatest number of legal votes cast jointly for them for governor and lieutenant governor shall be declared elected, and the canvassers shall so determine and certify.

(b) In case 2 or more slates have an equal and the highest number of votes for governor and lieutenant governor, the 2 houses of the legislature shall at the next annual session choose by joint ballot one of the slates so having an equal and the highest number of votes for governor and lieutenant governor.

Where there is substantial compliance with, but a deviation from a provision in an election statute, thereby giving rise to the question of whether the requirement is directory or mandatory, the supreme court in a long line of cases has consistently construed the provision as directory in keeping with (1), which requires that the election laws shall be so construed as to give effect to the will of the electors *Lanser v. Koconis*, 62 W (2d) 86, 214 NW (2d) 425.

5.15 Division of municipalities into wards.

Within 90 days after the population count by rural enumeration district or urban city block, established in the decennial federal census of population, becomes available in printed form from the federal government or is published for distribution by an agency of this state, the governing body of every municipality with a population of 1,000 or more shall adjust its ward lines according to the schedule shown in sub. (2). Each ward shall consist of whole census enumeration districts or, where block statistics are available for urban blocks, of whole urban blocks. To suit the convenience of the voters residing therein, each ward shall be kept as compact as practicable.

(1) The division of a municipality into wards shall be made by the common council for each city, by the village board for each village, and by the town board for each town. Passage of a division order or resolution requires the affirmative vote of a majority of the members of the respective governing body.

(2) If the population of a rural enumeration district or urban block exceeds the maximum population otherwise specified in this subsection, such enumeration district or block shall be constituted a ward by itself.

(a) In any city in which the population exceeds 150,000, each ward shall contain not less than 1,000 nor more than 4,000 inhabitants.

In any circuit court having more than one branch, the petition shall be filed in branch 1. If the circuit court finds that the existing division of the municipality into wards fails to comply with this section, it shall review the plan submitted by the petitioner and may promulgate it, or any other plan in compliance with this

section, as a temporary ward plan for the affected municipality to remain in effect until superseded by a ward plan enacted by the respective governing board in compliance with this section.

(4) (a) The division order or resolution shall list the wards by number and designate the polling place in each ward.

After reasonable notice to the governing body proceeded against, the court or judge may order division when it appears necessary.

(2) Failure to comply with the order in the specified time, unless stayed or superseded, is criminal contempt.

Vote against the person whose name is printed on this ballot, thus in fact expressing your preference for an uninstructed delegation from Wisconsin to the national convention of the party (in that case, make a cross or other similar mark in the space marked "NO" following that person's name); or:

Write in the name of another person to become the presidential candidate of the party (in that case, write his name into the space following "Write-in candidate").

- NO ... ()

Write-in candidate..... ()

(c) The official ballots for the presidential preference vote shall be securely fastened together at the bottom. The party casting the greatest number of votes for governor at the preceding election shall have its ticket placed on top and the remaining party ballots shall follow in the same manner. A facsimile ballot notice shall be published as provided in s. 10.02.

(d) After preparing his ballot, the elector shall detach it from the remaining ballots and shall fold it so that its face will be concealed. The printed indorsements and signatures or initials on the back of the ballot will then be visible. The remaining ballots shall be folded in like manner by the elector. The elector shall, without leaving the polling place, deliver in person the ballot on which he has expressed his presidential preference, and the remaining ballots, to one of the inspectors for deposit in the proper ballot boxes.

(e) Immediately after the canvass the inspectors shall, without examination, destroy the ballots deposited in the blank ballot box.

(9) REFERENDA BALLOT. The referenda ballot used at the spring election shall be the same as that used at the general election under s. 5.64 (2).

History: 1971 c. 304 ss. 9 to 11, 29 (2); 1971 c. 336; 1973 c. 134; 1973 c. 334 s. 57; 1975 c. 93.

5.62 September primary ballots. At September primaries, where necessary, the following ballot shall be provided for each ward, in substantially the same form as annexed Ballot 1.

(1) (a) There shall be an Australian ballot made up of the several party tickets with each party entitled to participate in the primary having its own ballot. The several ballots shall be secured together at the bottom. The party ballot of the party receiving the most votes for governor at the last general election shall be on top with the other parties arranged in an order based on their vote for governor at the last general election.

(b) Every political organization listed as independent and every recognized political party listed on the official ballot at the last election that received at least one per cent of the total votes cast for any state-wide office for which they had a candidate shall have a separate primary ballot and separate column on the general election ballot. The chairman and secretary of the organization which was "independent" at the last election shall certify to the board their party name, which shall not duplicate the name of an existing party.

(2) Any political organization may be represented by a separate ballot if, not later than June 1 in the year of a September primary, it files

with the board a petition so requesting, signed either by electors equal to one-sixth of the total vote cast for governor in each of at least 10 counties at the last election or one-sixth of the electors in any senate, assembly or congressional district. When their candidates fulfill the nomination paper requirements, they shall appear on a separate ballot within the district or state.

(3) The board shall designate the official primary ballot arrangement for state offices by using the same procedure as for supreme court justice candidates under s. 5.60 (1) (b); congressional and state senate candidates by using the same procedure as for circuit court judges under s. 5.60 (1) (b) by numbering the assembly districts and parts of assembly districts within each congressional or senate district; and assembly candidates, by similarly numbering and arranging by population the counties within an assembly district. The candidates shall then be listed under s. 5.60 (1) (b).

(4) The county clerk or county board of election commissioners shall designate the official primary ballot arrangement for all candidates filing nomination papers in that office.

(a) Within a county the county clerk shall arrange the names of all candidates filing nomination papers with his office using the same method as that used by the board under s. 5.60 (1) (b).

(b) The county board of election commissioners in counties having a population of 500,000 or more shall prepare the official primary ballot. The commissioners shall arrange the names of all candidates for each office whose nomination papers are filed at the county level, using the same method as that used by the board under s. 5.60 (1) (b).

History: 1971 c. 304 ss. 12, 29 (2); 1971 c. 336; 1973 c. 334 s. 57; 1975 c. 93

Filing of a proper petition by the requisite number of electors in a senate, assembly or congressional district will qualify the political organization referred to in said petition as a party entitled to a separate ballot within the specific district only for all the state, congressional, legislative and county offices for which an elector of such district may vote. The petition may be circulated commencing after any November general election and ending on the June 1 immediately prior to the next succeeding September primary. A petition filed February, 1972, signed by the electors of an assembly district, would not qualify filing political organization for a separate ballot at the presidential preference primary to be held at the April, 1972, spring election. 61 Atty. Gen. 41

5.64 General election ballots. At general elections the following ballots, when necessary, shall be provided for each ward.

(1) **OFFICIAL BALLOT.** There shall be a separate ballot giving the names of all candidates for state, congressional, legislative and county offices in substantially the same form as annexed Ballot "A"

(a) The ballot shall be labeled "Official Ballot" in lettering at least three-eighths of an inch high. Directly underneath in plain, legible type, shall be the following voting instructions: "If you desire to vote a straight party ticket for all state, congressional, legislative and county offices, place a cross (X) or other mark in the circle under the party designation at the top of the party column. If you desire to vote for individual candidates, place a cross (X) or other mark in the square to the right of each candidate you wish to vote for or write the name of your preference in the space provided".

(b) Below the voting instructions the ballot shall be divided into vertical columns. The regular party tickets nominated by conventions, constituted and authorized committees, or primaries, shall be printed each in a separate column under the party designation. The columns shall be arranged from left to right according to rank, with the party receiving the most votes in the last gubernatorial election placed first. To the right of the party columns shall be the necessary number of columns for independents.

(c) The party designation shall be printed at the top of each column and under it shall appear a circle at least three-eighths of an inch in diameter for electors wishing to vote a straight party ticket. Within each column only candidates nominated by the party designated at the head of the column shall appear.

(d) The offices shall be consecutively arranged vertically beginning at the top with state offices, then congressional offices, legislative offices and ending with county offices.

(e) Within each column, each space shall state the office to be voted for directly above the candidate's first and last name. The candidate's name shall be placed in the party column by which nominated or if independent, in a column designated independent and all candidates for the same office shall appear on or between the same horizontal lines on the ballot. To the right of each candidate's name, in each column, shall be a square for the elector to place his cross (X) or other mark.

(f) In the case of balloting for the office of governor and lieutenant governor, the names of the candidates shall be placed in the party column by which nominated or if independent, in a column designated independent. To the right of the names of the set of candidates for governor and lieutenant governor, in each column shall be one square for the elector to cast his ballot jointly for both offices.

(2) **REFERENDUM BALLOT.** There shall be a separate ballot when any proposed constitutional amendment or any other measure or question is submitted to a vote of the people. The ballot shall

give a concise statement of each question in accordance with the act or resolution directing submission in substantially the same form as annexed Ballot "D". This ballot form shall be used at all elections when questions are submitted to a vote of the people.

(a) The ballot shall be titled "Official Referendum Ballot" in lettering at least three-eighths of an inch high. Directly underneath in plain, legible type shall be the following voting instructions: "If you desire to vote on any question, place a cross (X) or other mark in the square beneath the question after 'yes' if in favor of the question, or place a cross (X) or other mark in the square after 'no' if opposed to the question".

(b) Under voting instructions shall be the concise statement of the question submitted. Directly under each question shall appear the words "yes" and "no" with a square to the right of each word.

(c) In addition to the official referendum ballot described in pars. (a) and (b), there shall be the following official referendum ballots, substantially in the forms annexed.

1. Form D1 under ss. 67.05, 67.13 and 67.14.
2. Form D2 under s. 66.054 (5) (c).
3. Form D3 under s. 66.054 (5) (c).
4. Form D4 under s. 176.38 (3).
5. Form D5 under s. 8.05 (3) (f).

(3) **PRESIDENTIAL BALLOTS.** There shall be a separate ballot when the president and vice president of the United States are to be elected containing the names of all candidates for the offices in substantially the same form as annexed Ballot "C".

(a) The ballot shall be titled "Official Presidential Ballot" in lettering at least three-eighths of an inch high. Directly underneath in plain, legible type shall be the following voting instructions: "Place a cross (X) or other mark in the square opposite the name of the candidate for whose electors you desire to vote or write in the name of a candidate in the space provided. Vote in ONE square only". The electors of the candidate need not be listed on the ballot but a vote for the candidates for president and vice president is a vote for them through their named presidential electors.

(b) The party candidates shall be arranged consecutively from top to bottom based on the number of votes received by their party's candidate for governor at the last election beginning with the party that received the most votes. The independent president-vice president candidates shall be listed alphabetically according to the presidential candidates, following under the party candidates. Following under the independent candidates, a space shall be left for

writing in the names of a candidate for president and vice president.

History: 1971 c. 304 s. 29 (2).

Revisor's Note, 1975: The elections board has the duty to prepare and revise the official ballot forms under s. 7.08 (1) (a). At the time of preparation of this volume, the ballots were in the process of being revised. Please contact the elections board for the latest forms.

(2) When voting machines are used, the ballots for all county offices and offices higher than county level shall be printed and paid for by the county wherein used. When the voting machine ballot includes a school district ballot, that ballot shall be paid for by the municipality in the school district with the highest equalized valuation. When voting machine ballots include 2 or more levels of government, the cost of printing shall be prorated between the units of government sharing the ballot. Referenda ballots shall be similarly printed and paid for.

5.70 Printers' fees. (1) The county clerk shall award the printing of ballots to the lowest responsible bidder upon the accepted bidder's filing with the clerk a bond in the penal sum of at least twice the amount of the accepted bid. The bond shall be signed by one or more sureties and
