Whenever a specific date is not given to begin circulation of nomination papers, the first day for circulation shall be the first day of the month one month prior to the month in which the filing deadline is scheduled. Signatures shall not be counted if signed and dated prior to the first day for circulation.

8.03 Multiple nominations. (1) The name of any person nominated to the same office by more than one party or primary or nominated for more than one office shall appear under the party first nominating him or under the office to which he was first nominated. If the double nomination is simultaneous, the person nominated, before the deadline for filing the certificate of nomination shall file a written statement with the same person with whom he files his certificate stating his party or office preference. If the candidate fails to select his party or office, his name shall be placed under either party or office, but cannot appear more than once. When a candidate is nominated on a ballot where his name appears and is also nominated on some other ballot by write-in, he shall not have a choice, but shall be a nominee of the party which printed his name on their ballot.

(2) Subsection (1) shall not apply when a candidate for the office of president or vice president of the United States is nominated for another elective office during the same election. If the candidate is elected president or vice president of the United States such election shall void his election to any other office. A special election shall be held to fill any office vacated under this subsection.

8.04 Nomination paper signatures. If any person signs nomination papers for 2 candidates for the same office in the same election at different times, the earlier signature is valid and the later signature shall be stricken. Any person who signs or circulates nomination papers for one candidate may later circulate nomination papers for another candidate for the same office in the same election if he changes his mind and intends to support the latter candidate.

8.05 Nomination in towns and villages. Every candidate for an elective office in a town or village shall be nominated under this section.

(1) CAUCUS. (a) When nomination papers are not used, there shall be a caucus to nominate candidates. The governing body shall between December 15 and January 15 decide the date of the caucus. The date of the caucus may be established between the last Tuesday in January and the 3rd Tuesday in February. When possible, preference should be given to having the caucus on the 3rd Tuesday in February. If a primary is held on the day of the caucus, the caucus shall be held after the polls close.

(b) Whenever a caucus is held, the municipal clerk shall give notice of the time and date for the caucus by posting in his office and by one publication in a newspaper under ch. 985, at least 5 days before the date of the caucus.

(c) The town chairman or village president together with the municipal clerk shall serve as caucus officials. If the chairman or president is a candidate, he shall call for the election of officials to conduct the caucus. The officials shall be elected by acclamation or ballot as the meeting directs. The electors attending the meeting shall select 2 tellers to canvass the vote for each office at the caucus.

(d) Names of candidates shall be placed in nomination either by motion made and seconded

from the floor or by writing the candidate's name on a slip of paper distributed by the tellers to those electors attending the caucus. Only persons placed in nomination shall be voted on.

(e) Nominations shall be made for one office at a time. Candidates for the office of town supervisor when elected jointly and of village trustee shall be considered one office for purposes of nomination and election.

(f) Before balloting the caucus chairman shall announce the names of all candidates placed in nomination.

(g) The voting for each office shall be by ballot, but the caucus chairman may dispense with voting when only one or 2 persons are nominated for the same office.

(h) The 2 candidates receiving the highest number of votes cast for each office shall be nominated and certified by the caucus chairman and tellers to the municipal clerk. The certified names of the candidates shall be placed on the official ballots. If a town under s. 5.60 (6) elects its supervisors jointly, candidates equal to twice the number of positions to be filled, who receive the most votes, shall be nominated and certified.

(i) Village trustees, excluding the office of village president, shall be nominated together and at large. Candidates, equal to twice the number of positions to be filled, who receive the most votes, shall be nominated and certified.

(j) Any candidate nominated at a caucus who files a written declination of nomination within 5 days shall not be included on the official ballot.

(3) TOWN NONPARTISAN PRIMARY. (a) In lieu of sub. (1), the electors either by referendum or at the town meeting may provide for nomination of elective town office candidates at a nonpartisan primary conducted as provided in sub. (5). The nomination papers shall be signed by not less than 20 nor more than 100 electors of the town. The nomination papers shall be circulated not sooner than December 15 preceding the election and shall be filed with the town clerk not later than 5 p.m. the 3rd Tuesday in January.

(b) Notice shall be given under ss. 10.01 (2) (a) and 10.06 (2) (a).

(c) When this subsection is used, no additional candidates may be nominated under sub. (1).

(d) The question of adoption of the nonpartisan primary under this subsection may be submitted to the electors at any regular election held in the town or at a special election called for the purpose. When a petition signed by 20 electors of the town is filed with the town clerk so requesting, the question shall be submitted to a vote.

(e) Petitions requesting a vote on the question at a regular town election shall be filed no later

than 5 p.m. the last Tuesday in February. When the petition is filed, the clerk shall check its sufficiency. Whether at a regular or special election, the clerk shall give separate notice by one publication in a newspaper at least 5 days before the election.

(f) The ballot used for the referendum question shall be arranged under s. 5.60 (7) and shall ask: "Shall all candidates in the town of ... for elective town offices be nominated at a nonpartisan primary"?

(g) If a majority of the votes cast are in the affirmative, a nonpartisan primary, under sub. (5), shall thereafter be held to obtain candidates for elective town offices.

(4) VILLAGE NONPARTISAN PRIMARY. (a) A majority of the governing body of any village may provide under s. 8.11 (1) (a) and (b) that candidates for elective village office shall be nominated by a nonpartisan primary, under sub. (5). Determination of the governing body to provide for such primary under s. 8.11 (1) (a) shall be made not later than December 1 preceding the election.

(b) Nomination papers shall be signed by not less than 20 nor more than 100 electors of the village. The papers shall be circulated not sooner than December 15 preceding the election and shall be filed with the village clerk not later than 5 p.m. the 3rd Tuesday in January.

(c) Notice shall be given, under ss. 10.01 (2) (a) and 10.06 (2) (a).

(d) When this subsection is used, no additional candidates may be nominated under sub. (1).

(5) WHEN PRIMARY IS HELD. Towns and villages adopting the nonpartisan primary to nominate candidates, under subs. (3) and (4), shall hold a primary only when the number of candidates for an elective office in the municipality exceeds twice the number to be elected to the office. Those offices for which a primary has been held shall have only the names of candidates nominated at the primary appear on the official spring election ballot. When the number of candidates for an office does not exceed twice the number to be elected, their names shall be printed on the official ballot for the regular election without a primary.

(6) MENOMINEE COUNTY. In counties containing only one town candidates shall be nominated for the office of supervisors at large and by wards, and all applicable provisions of this section shall apply to their selection. In selecting the candidates for ward supervisor by caucus, the candidates for each ward shall be selected separately, and only those electors shall participate in each as are residents of that ward. Any ward candidate seeking nomination by the

circulation of nomination papers shall incorporate in his nomination papers a statement that the signers are qualified electors of that ward.

8.12 Presidential preference vote. (1)

SELECTION OF NAMES FOR BALLOT. In each year in which electors for president and vice president are to be elected, the voters of this state shall at the spring election be given an opportunity to express their preference for the person to be the presidential candidate of their party.

(a) On the first Tuesday in February of said year, there shall be convened in the capitol a committee consisting of, for each political party recognized under s. 5.62, the state chairman of that state party organization, the national committeeman and the national committeewoman; the speaker and the minority leader of the assembly, and the president pro tempore and minority leader of the senate. This committee shall organize by selecting an eleventh member who shall be the chairman and shall determine, and certify to the board no later than on the Friday following the first Tuesday in February, the names of all candidates of the political parties recognized under s. 5.62 for the office of president of the United States. The committee shall have sole discretion that such candidates' candidacy is generally advocated or recognized in the national news media throughout the United States.

(b) No later than 5 p.m. on the first Tuesday in March of said year, any person seeking the indorsement by the national convention of a political party recognized under s. 5.62 for the office of president of the United States, or any group organized in this state on behalf of and with the consent of such person, may submit to

the board a petition to have said person's name printed on the presidential preference ballot. Such petition shall be signed by a number of qualified electors equal in each congressional district to not less than 1,000 signatures nor more than 1,500 signatures. All signers on each separate petition shall reside in the same county.

(c) The board shall forthwith contact each person whose name has been placed in nomination under par. (a) and notify him that his name will be printed on the Wisconsin presidential preference ballot unless he files, no later than the last day in February of said year, with the board, a disclaimer stating without qualification that he is not and does not intend to become a candidate for the office of president of the United States at the forthcoming presidential election. The disclaimer may be filed with the board by registered mail, telegram or in person.

(2) **BALLOTS.** (a) The form of the official ballots shall be prescribed by the board under s. 5.60 (8).

(b) Except as otherwise provided in subs. (1) and (3) and s. 5.60 (8), the presidential preference vote election shall be noticed, held and conducted, and the results canvassed and returned, in the manner provided for judicial elections.

(2m) **DELEGATE INFORMATION.** The state chairperson of each recognized political party having a presidential preference ballot shall certify to the board, no later than the 2nd Tuesday in March of presidential election years, the number of delegates who will be entitled to serve at the party's convention from this state. At least two-thirds of such number shall be designated by congressional district and the remainder, if any, shall be designated at-large delegates. The number of at-large delegates and the number of district delegates certified by the party shall be the total number of delegates and the total number of alternates certified for such party by the board under sub. (3) (d).

(3) **DELEGATES TO NATIONAL CONVENTION.**

(a) In canvassing the presidential preference vote, the specific candidate for president receiving a plurality in any district or in the state at large is entitled to control all the delegates representing such area in accordance with par.

(c) 5. If the choice for "none of the names shown" receives a plurality, then all the delegates from the affected area shall be uninstructed. As an alternative to this procedure, the state chairperson of any political party having a presidential preference ballot may inform the board in writing no later than 5 p.m. the 2nd Tuesday in March of each presidential election year that the delegates from such party are to be certified on the basis of proportional representation. In such case, each presidential

candidate shall be apportioned delegates committed to support him or her as nearly as possible in accordance with the percentage of the vote in a district or in the state at large which such candidate receives. Uninstructed delegates shall also be allotted as nearly as possible to represent the percentage of votes cast for "none of the names shown" in any district or in the state at large, in proportion to the percentage of votes cast for such option, but no fractional delegate votes shall be allowed in any party.

(am) No later than the last Monday in April following the presidential preference vote, the board shall notify each state party organization chairperson under sub. (1) (a) of the results of the presidential preference vote cast within his or her party, and the number of delegates from each congressional district and from the state at large which are to be pledged to each presidential candidate and the number which are to be uninstructed.

(am), each state party organization shall select as many delegates or alternates as are allotted or permitted this state's party organization by the national committee of the political party as certified under sub. (2m) in accordance with the results of the vote cast for each candidate or for the uninstructed delegation. The method of selecting the delegates or alternates shall be determined by the state party organization, but not less than two-thirds of the convention votes shall be allotted to congressional districts and these delegates and alternates shall be selected by the party organizations of each respective district. In executing the pledge under par. (c) 5, district delegates and district delegate alternates shall be bound by the outcome of the presidential preference vote in their respective districts, and the delegates and alternates representing the state at large shall be bound by the outcome of the total presidential preference vote in the state at large in accordance with the system of selection under par. (a) which is used by their party. The selection of delegates and alternates shall occur no earlier than the Tuesday after the last Monday in April following a presidential preference vote. The names of the suggested delegates and alternates pledged to a particular candidate shall be transmitted to that candidate for his or her approval no later than June 5, and the candidate shall notify the chairperson of the state party organization of his or her disapproval of any delegate or alternate by June 10, and where the candidate has disapproved his or her suggested delegates and alternates, he or she shall file his or her own list of delegates and alternates, which shall become that candidate's official slate of delegates and alternates to the

national presidential convention. No person selected as a Delegate or alternate is qualified to attend the national convention of his or her political party unless he or she files with the state chairperson of his or her political party a written declaration of acceptance, signed by himself or herself, on a form prescribed by the board, and the state chairperson deposits this declaration of acceptance in the office of the board no later than 5 p.m. on June 20.

"As a delegate to the 19... national convention of the ... party I pledge myself to support the candidacy of ... as a candidate for the nomination for president by the ... party; that I will, unless prevented by the death of the candidate, vote for his (or her) candidacy on the first ballot; and vote for his (or her) candidacy on any additional ballot, unless released by said candidate, until said candidate fails to receive at least one-third of the votes authorized to be cast; and that, thereafter, I shall have the right to cast my convention vote according to my own judgment".

(d) The board shall forthwith certify to the credentials committee at the national convention of each party recognized under s. 5.62 a list of the names of the delegates and alternates qualified to represent the party organization of this state by virtue of having complied with pars. (b) and (c).

(e) Any vacancy in an office of delegate or alternate to a national political party convention caused by the death, or inability for any reason to serve, of a delegate or alternate delegate shall be filled by the state committee of the political party organization entitled to make the original selection under par. (b), but no person selected to fill a vacancy under this paragraph is qualified to serve in place of any person required to execute the affidavit under par.
