taxes are deemed to be levied when the tax roll on which they are extended has been delivered to the local treasurer with a warrant for collection. When so levied such taxes shall be a lien upon the property against which they are assessed, superior to all other liens, effective as of January 1 in the year when levied, except in the case of special assessments of benefits for local improvements where the lien of such assessments shall be in force from the time as provided in s. 66.60 (15), and except that such special assessments in cities of the 1st class shall be in force as provided by the charter or general laws applicable to such cities. In this chapter, unless the context requires otherwise, references to "this chapter" shall not include ss. 70.37 to 70.395.

History: 1977 c. 29 s. 1646 (3); 1977 c. 31, 203

The enactment of this chapter did not supersede the Milwaukee charter which exempts property leased by the city from taxation. *Milwaukee v. Shoup Voting Machine Corp.* 54 W (2d) 549, 196 NW (2d) 694.

70.02 Definition of general property. General property is all the taxable real and personal property defined in ss. 70.03 and 70.04 except that which is taxed under ss. 70.37 to 70.395 and ch. 76 and subch. I of ch. 77. General property includes manufacturing property subject to s. 70.995, but assessment of that property shall be made according to s. 70.995.

History: 1973 c. 90; 1977 c. 31; 1979 c. 221.

70.03 Definition real property. The terms "real property", "real estate" and "land", when used in chs. 70 to 79, shall include not only the land itself but all buildings and improvements thereon, and all fixtures and rights and privileges appertaining thereto.

History: 1979 c. 89.

70.04 Definition personal property. The term "personal property", as used in chs. 70 to 79, shall include all goods, wares, merchandise, chattels, and effects, of any nature or description, having any real or marketable value, and not included in the term "real property", as defined in s. 70.03.

(1) Personal property also includes toll bridges; private railroads and bridges; saw logs, timber and lumber, either upon land or afloat; steamboats, ships and other vessels, whether at home or abroad; ferry boats, including the franchise for running the same; ice cut and stored for use, sale or shipment; beginning May 1, 1974, manufacturing machinery and equipment as defined in s. 70.11 (27), and entire property of companies defined in s. 76.02 (8), located entirely within one taxation district.

(2) The term "personal property", as used in chs. 70 to 79, shall also include irrigation imple-

ments used by a farmer, including pumps, power units to drive the pumps, transmission units, sprinkler devices and sectional piping.

History: 1973 c. 90; 1973 c. 336 s. 36; 1979 c. 89.

70.045 Taxation district. The term "taxation district" is used in this chapter to designate a municipality, either the town, village or city, in which general property taxes are levied and collected.

70.05 Valuation of property; assessors in cities, towns and villages. (1) The assessment of general property for taxation in all the towns, cities and villages of this state shall be made according to this chapter unless otherwise specifically provided. There shall be elected at the spring election one assessor for each taxation district not subject to assessment by a county assessor under s. 70.99 if election of the assessor is provided. Commencing with the 1977 elections and appointments made on and after January 1, 1977, no person may assume the office of town, village, city or county assessor unless certified by the department of revenue under s. 73.09 as qualified to perform the functions of the office of assessor. If a person who has not been so certified is elected to the office, the office shall be vacant and the appointing authority shall fill the vacancy from a list of persons so certified by the department of revenue.

(2) The governing body of any town, city or village not subject to assessment by a county assessor under s. 70.99 may provide for the selection of one or more assistant assessors to assist the assessor in the discharge of his duties.

(3) The assessment of property of manufacturing establishments subject to assessment under s. 70.995 shall be made according to that section.

(4) All assessment personnel, including personnel of a county assessor system under s. 70.99, appointed under this section on or after January 1, 1977, shall have passed an examination and have been certified by the department of revenue as qualified for performing the functions of the office.

(5) (a) In this subsection:

1. "Assessed value" means with respect to each taxation district the total values established under ss. 70.32 and 70.34, but excluding manufacturing property subject to assessment under s. 70.995.

2. "Full value" means with respect to each taxation district the total value of property as determined under s. 70.57 (1), but excluding manufacturing property subject to assessment under s. 70.995.

(b) Each taxation district shall assess property at full value at least once in every 5-year period.

(c) Annually beginning in 1982, the department of revenue shall determine the ratio of assessed value to full value of all taxable general property of each taxation district and publish its finding in the report required under s. 73.06 (5).

(d) Beginning in 1986, if the department of revenue determines that for the current year the assessed value of the taxation district, including 1st class cities, has not been established within 10% of the full value, the department shall order special supervision for the subsequent year's assessment under s. 70.75 (3). The department's order shall be in writing and mailed to the clerk of the taxation district on or before November 1 of the year of the determination.

History: 1973 c. 90; 1975 c. 39, 199; 1979 c. 221; 1981 c. 20.

70.055 Expert assessment help. If the governing body of any town, village or city not subject to assessment by a county assessor under s. 70.99 determines that it is in the public interest to employ expert help to aid in making an assessment in order that the assessment may be equitably made in compliance with law, the governing body may employ such necessary help from persons currently certified by the department of revenue as expert appraisers. If the help so employed is the department of revenue, the department shall designate the persons in its employ responsible for the assessment. If the emergency help so employed is a corporation the corporation shall designate the persons in its employ responsible for the assessment.

(1) CERTIFICATION REQUIREMENTS. An applicant for certification as an expert appraiser shall submit satisfactory evidence to the department of revenue as follows:

(a) That he has acquired a thorough knowledge of appraisal techniques and general property assessment standards.

(b) That through examination given by the department of revenue he or she has demonstrated to the department that he or she possesses the necessary qualifications for certification of assessors as described in s. 73.09.

(3) STANDARD SPECIFICATIONS. (a) The department of revenue shall prescribe standard specifications relating to assessment work performed by expert appraisers other than the department of revenue. No contract for expert help may be approved by the department of revenue unless the contract is submitted on standard contract forms prescribed by the department. If the department of revenue acts as the expert help it shall perform the assessment

duties in accordance with the standard specifications.

(4) DUTIES. When appointed such expert help, together with the assessor, shall act together as an assessment board in exercising the powers and duties of the assessor during such employment, and the concurrence of a majority of such board is necessary to determine any matter upon which they are required to act. When a single expert is employed or a sole person is designated by a corporation employed as expert help the governing body may designate an employe of the department of revenue to serve as a member of such board. All persons appointed or designated as emergency help shall file the official oath under s. 19.01.

(5) DEPARTMENT OF REVENUE COSTS. All costs of the department of revenue in connection with assessment under this section shall be borne by the taxation district. These receipts shall be credited to the appropriation under s. 20.566 (2) (h). Past due accounts shall be certified on or before the 4th Monday of August of each year and included in the next apportionment of state special charges to local units of government.

History: 1971 c. 40; 1973 c. 90; 1975 c. 39, 199; 1977 c. 29; 1979 c. 221; 1981 c. 20.

70.06 Assessment, where made; Milwaukee districts; assessors; appointment, removal. **(1)** In cities of the 1st class the assessment of property for taxation shall be under the direction of the city tax commissioner who shall perform such duties in relation thereto as are prescribed by the common council, and the assessment rolls of the city shall be made as the council directs, except where such city of the 1st class is under the jurisdiction of a county assessor under s. 70.99. Manufacturing property subject to s. 70.995 shall be assessed according to that section.

(2) (a) The tax commissioner shall divide the city into districts for purposes of administration subject to approval of the common council. For the purpose of determining situs of personal property for assessment and taxation, the boundaries of districts may be disregarded. The tax commissioner, with the approval of the common council, may redistrict the city or so much of the city as the tax commissioner deems necessary or may create additional districts.

(b) The tax commissioner shall appoint one assessor for each district and such other persons as are enumerated in par. (c) who shall be residents of the city and hold office in accordance with the civil service laws applicable to the city, except insofar as the same is modified by sub. (3). The assessors, under the direction and supervision of the tax commissioner, shall assess all the taxable property in each district; except

that the tax commissioner may direct that the assessments of personal property or of any class of real property referred to in s. 70.32 (2) may be made and administered without regard to the boundaries of the administrative districts, in which event the tax commissioner shall assign assessors or such other persons enumerated in par. (c) to assess any class of property in any administrative district.

(c) The tax commissioner may, with the approval of the common council, appoint one chief assessor, one or more chief appraisers, one or more supervising assessors and supervising appraisers, one or more property appraisers and other expert technical personnel that the tax commissioner deems necessary in order that all valuations throughout the city are uniformly made in accordance with law. The chief assessor, chief appraiser and supervising assessors shall exercise the direction and supervision over assessment procedure and shall perform the duties in relation to the assessment of property that the tax commissioner determines. Together with the property appraiser (land) and the deputy tax commissioner, they shall be members of the board of assessors and shall hold office in the same manner as assessors. Certification of the assessment roll shall be limited to the members of the board of assessors.

(d) In the event of the death, disability or removal of any district assessor, the tax commissioner may appoint any other assessor, chief assessor, chief appraiser, supervising assessor, supervising appraiser or property appraiser to act as assessor of the district in which the death, disability or removal occurs.

(e) The assessors, chief assessor, chief appraisers, supervising assessors and supervising appraisers and property appraisers shall devote their entire time and attention to the duties of their office and shall not actively engage in any other occupation.

(3) The chief assessor, chief appraisers and every supervising assessor, supervising appraiser and assessor appointed as provided in sub. (2) (c) shall be subject to removal from office for the causes mentioned in s. 17.14, and in addition thereto for neglect of duties, incompetency, drunkenness or intentional insubordination in the manner provided by sub. (4).

(3m) Commencing with appointments made on or after January 1, 1977, no person may assume the office of tax commissioner, deputy tax commissioner, chief assessor, chief appraiser, supervising assessor, supervising appraiser or assessor appointed under sub. (2) (c), unless certified by the department of revenue under s. 73.09 as qualified to perform the functions of the office of assessor. If a person who has not been so certified is appointed to the

office, the office shall be vacant and the appointing authority shall fill the vacancy from a list of persons so certified by the department of revenue.

(4) Whenever the tax commissioner ascertains or has good reason to believe that any person appointed as provided in sub. (2) (c) is guilty of any of the causes for removal mentioned in sub. (3) the tax commissioner may immediately suspend the person, and the tax commissioner shall thereupon within 10 days make complaint to the presiding judge of the circuit court for the removal of the person, and the matters shall be brought on for immediate hearing. The city attorney shall attend and prosecute the proceedings for removal. Unless the complaint is filed by the tax commissioner within that time, the person so suspended shall be reinstated, as a result of the failure to act, without further proceedings. Nothing in this subsection affects the removal of any person appointed under sub. (2) (c) in the manner and for the causes as provided in s. 17.14.

(5) This section shall not apply to a city of the 1st class after it has come under a county assessor system.

History: 1973 c. 90; 1975 c. 39, 199; 1977 c. 203; 1979 c. 95 ss. 1, 4; 1979 c. 110, 221, 355; 1981 c. 37.

(4) The concurrence of a majority of such board of assessors shall be necessary to determine any matter upon which the tax commissioner requires it to act. No notice need be given to the owners of the property assessed of any

corrections or changes in assessments which are made prior to the day or days fixed in the notice mentioned in sub. (2) on which said assessments are to be open for examination, but any changes made thereafter and before the assessment roll is delivered to the board of review can only be made upon notice by first class mail to the person assessed if a resident of the city or, if a nonresident, his agent if there is one resident therein or, if neither, the possessor of the property assessed if any, if the residence of such owner, agent or possessor is known to any member of said board of assessors.

(5) The tax commissioner may provide for such committees of the board of assessors, as he may think best, to make investigations including the investigations mentioned in sub. He shall be chairman of the board of assessors, and he may appoint as a member or chairman of the various committees, himself, any assessor or other officer or employe in his department.

(6) The board of assessors shall remain in session until all corrections and changes have been made, including all those resulting from investigations by committees of objections to valuations filed with the tax commissioner as provided in this subsection, after which the tax commissioner shall prepare the assessment rolls as corrected by the board of assessors and submit them to the board of review not later than the 2nd Monday in July. The person assessed having been notified of the determination of the board of assessors as required in sub. (4), shall be deemed to have accepted the determination unless the person notifies the tax commissioner in writing, within 10 days, of the desire to present testimony before the board of review. After the board of review has met, the tax commissioner may appoint committees of the board of assessors to investigate any objections to the amount or valuation of any real or personal property which have been filed with the tax commissioner. The committees may at the direction of the tax commissioner report their investigation and recommendations to the board of review and any member of any such committee shall be a competent witness in any hearing before the board of review.

(7) This section shall not apply to a city of the 1st class after it has come under a county assessor system.

History: 1973 c. 90; 1977 c. 29 s. 1647 (8), (16); 1977 c. 273; 1979 c. 34 s. 2102 (46) (b); 1979 c. 95 ss. 2, 4; 1979 c. 176.

70.075 Functions of board of assessors in cities of the 2nd class. (1) In cities of the 2nd class the common council may by ordinance

provide that objections to property tax assessments shall be processed through a board of assessors. In such cases, the city assessor shall publish a class 3 notice, under ch. 985, that on the days named in the notice, the assessments for the city will be open for examination by the taxable inhabitants of the city. On the 2nd Monday of May the city assessor shall call together all of the members of the board of assessors as created in sub. (2) and they, together with the city assessors, shall constitute an assessment board.

(2) In cities of the 2nd class which have elected to have a board of assessors, the board shall have at least 3 members and no more than 7 members, and shall consist of the city assessor, assistant assessors, appraisers or other expert technical personnel appointed by the city assessor and approved by the common council.

(3) To the end that all valuations throughout the city shall be made on a uniform basis, such board of assessors, under the direction and supervision of the city assessor, shall compare the valuations so secured, making all necessary corrections and all other just and necessary changes to arrive at the true value of property within the city. The city assessor may direct that all objections to valuations filed with the city assessor in writing, in the manner provided in s. 70.47 (13), shall be investigated by the board.

(4) The concurrence of a majority of the board of assessors is necessary to determine any matter upon which the city assessor requires it to act. No notice need be given to the owners of the property assessed of any corrections or changes in assessments which are made prior to the day or days fixed in the notice specified under sub. (1) on which the assessments are to be open for examination, but any changes made thereafter and before the assessment roll is delivered to the board of review can only be made upon notice by 1st class mail to the person assessed if a resident of the city or, if a nonresident, an agent if there is one resident in the city or, if neither, the possessor of the property assessed if any, if the residence of the owner, agent or possessor is known to any member of the board of assessors.

(5) The city assessor may provide for committees of the board of assessors to make investigations including the investigations mentioned in sub. (3) and perform such other duties as may be prescribed. The city assessor shall chair the board of assessors, and may appoint as a member or chairperson of the various committees, himself or herself, an assistant assessor, or other officer or employe in the office of the city assessor.

(6) The board of assessors shall remain in session until all corrections and changes have

been made, including all those resulting from investigations by committees of objections to valuations filed with the city assessor as provided in this section, after which the city assessor shall prepare the assessment rolls as corrected by the board of assessors and submit them to the board of review not later than the last Monday in July. A person assessed who has been notified of the determination of the board of assessors as required in sub. (4) is deemed to have accepted such determination unless the person notifies the city assessor in writing, within 10 days, of a desire to present testimony before the board of review. After the board of review meets, the city assessor may appoint committees of the board of assessors to investigate any objections to the amount or valuation of any real or personal property which are referred to the city assessor by the board of review. The committees so appointed may at the city assessor's direction report their investigation and recommendations to the board of review and any member of any such committee shall be a competent witness in any hearing before the board of review.

(7) This section does not apply to a city of the 2nd class if it is contained within a county which adopts a county assessor system under s. 70.99.

History: 1977 c. 29; 1981 c. 20.

70.08 Assessment district. The term "assessment district" is used to designate any subdivision of territory, whether the whole or any part of any municipality, in which by law a separate assessment of taxable property is made by an assessor or assessors elected or appointed therefor except that in cities of the first class such districts may be referred to as administrative districts.

70.09 Official real property lister; blanks for officers. (1) LISTER, COUNTY BOARDS MAY PROVIDE FOR. Any county board may provide for the appointment of a county real property tax lister and appropriate funds for the operation of the department of such lister. Such person may be an existing elected county officer or a member of his staff when so designated by the county board.

(2) DUTIES OF LISTER. The county board may delegate any of the following duties to the lister:

(a) To make and keep accurate lists and descriptions of all parcels of real property in the county which are subject to tax and also those which are exempt from such tax.

(b) To provide lists, maps and descriptions of real property tax parcels in the county for the use of assessors, city, village and town clerks and county offices requiring such lists and descrip-

tions, but no town, city or village shall be subject to any tax levied to effect the functions where such town, city or village does not request such service. Such lists may include the following information:

1. The designation of a parcel number for each parcel;

2. The name and address (when known) of the owner of the parcel; and

3. An accurate legal description of each parcel as shown in the latest records of the office of the register of deeds.

(c) Information regarding assessment values shall be taken from the assessor's field book and the real property parcel list shall be made to conform, as nearly as possible, to the assessor's field books at all times. All information supplied by the real property tax lister to local assessors is advisory only. All assessments shall remain the sole responsibility of the respective assessors and the boards of review in accordance with the statutes.

(3) BASIC TAX FORMS. (a) The department of revenue shall prescribe basic uniform forms of assessment rolls, tax rolls, tax roll settlement sheets, blanks, books and returns required for the assessment and collection of general property taxes throughout the state, and shall furnish each county clerk a sample of the uniform forms.

(b) If any county has reason to use forms which differ from those prescribed under par. (a), the county clerk and treasurer jointly may prescribe such different forms for use in their county, upon approval of the department of revenue.

(c) If any county has reason to use forms for assessment and collection of taxes in addition to those prescribed under par. (a), the county clerk and treasurer jointly may prescribe such additional forms for use in their county, upon approval of the department of revenue.

(d) The county clerk of every county shall procure the forms prescribed in pars. (a), (b) and (c) at county expense and shall furnish such forms to the assessors, clerks and treasurers of the cities, towns and villages within the county, as needed in the discharge of their duties.

(e) If any city, town or village desires to use a form of a type prescribed in par. (a), (b) or (c) but which varies from the form procured by the county clerk under par. (d), it may use such varied form upon approval of the department of revenue with advice of the county clerk and treasurer. Such forms shall be provided at county expense.

History: 1977 c. 142.

70.10 Assessment, when made, exemption. The assessor shall assess all real and

personal property as of the close of January 1 of each year. Except in cities of the 1st class and 2nd class cities that have a board of assessors under s. 70.075, the assessment shall be finally completed before the first Monday in April. All real property conveyed by condemnation or in any other manner to the state, any county, city, village or town by gift, purchase, tax deed or power of eminent domain before January 2 in such year shall not be included in the assessment. Assessment of manufacturing property subject to s. 70.995 shall be made according to that section.

History: 1973 c. 90; 1977 c. 29; 1981 c. 20.

70.105 Assessment freeze. (1) LEGISLATIVE DECLARATION. It is hereby declared that in municipalities in the state, owners of real property from time to time are required to convey the same to public bodies either under threat of condemnation or because of condemnation proceedings. Property conveyed under such circumstances is designed to be used for a public purpose. Because of the circumstances attending such transfer, property owners frequently find that they must purchase on the open market property similar to that which was conveyed and frequently the property so purchased requires greater financial obligations on the part of the owner. In order to minimize the impact of the economic readjustment which results from conveyance of property either under threat of condemnation or through condemnation proceedings, it is deemed reasonable to provide an assessment freeze made applicable to the new property acquired by the owners under the conditions here enumerated.

(2) DEFINITIONS. As used in this section, unless the context clearly indicates otherwise:

(a) "Assessment freeze" means the assessment placed upon the real property, both land and improvements, by the taxing authorities in the year immediately preceding the conveyance of such property under threat of condemnation or by virtue of condemnation proceedings to a public body, and which shall include a redevelopment or housing authority, expressway board or commission, or municipal utility. The assessed valuation so determined shall be the assessment of the new property required to replace such conveyed property, subject, however, to the conditions hereinafter set forth.

(b) "Condemnation" means condemnation of property as undertaken under ch. 32 or under any other applicable provisions of law.

(c) "New property" means the property which is acquired by the owner to replace the property which has been conveyed under threat of condemnation or through condemnation proceedings.

(d) "Property" means the real estate plus fixtures attached to the real estate and which together form the basis for the assessment of real property.

(e) "Threat of condemnation" means acquisition of the owner's property which a public entity, including a redevelopment or housing authority, or expressway board or commission, or municipal utility acquires for a public purpose.

(3) ORDINANCE PROVIDING AN ASSESSMENT FREEZE. The local legislative body of any municipality may by ordinance provide for the granting of an assessment freeze on property acquired by the owner for the purpose of replacing other property which had belonged to such owner and which was either conveyed by such owner under threat of condemnation or which was condemned for the benefit of a public entity to be used for public purposes, provided the newly acquired property shall be devoted by such owner to the same general purposes as was the property conveyed under threat of condemnation or through condemnation procedure. The ordinance so adopted shall specify conditions which must be satisfied in order to obtain the assessment freeze. The following conditions shall be embodied in such ordinance:

(a) The owner of the property shall establish that he was the owner in fee thereof which was acquired either under threat of condemnation or by condemnation by a public body and for any of the following purposes:

1. A public expressway, street or highway;
2. A redevelopment project approved under s. 66.431, or a housing project approved under s. 66.40;
3. Any other public improvement which has been approved by the local legislative body.

(b) The property conveyed as set forth in par. (a) and the new property acquired shall both be located in the same municipality.

(c) The owner of such property shall be either a person, firm, corporation, partnership or association, and such ownership must be in substance rather than as to form.

(d) The owner of the property conveyed under threat of condemnation or by condemnation shall have been the owner of such property for at least 5 years prior to such conveyance.

(e) The property, which is acquired by the owner and for which an assessment freeze is sought, shall be used for the same general purposes as was the property conveyed or transferred either under threat of condemnation or by condemnation.

(f) The land acquired by the owner and for which an assessment freeze is sought shall not be less than 30,000 square feet in area or in the alternative, the improvements or structures lo-

cated on the land shall not be less than 200,000 cubic feet in volume. The period of the assessment freeze shall not exceed 5 years from the year in which it is first granted. The maximum amount of the assessment freeze allowed shall not be greater than 50 per cent of the assessment of the property acquired and for which an assessment freeze is sought which would have been made by the assessor or the commissioner of taxation, as the case may be, had no assessment freeze been granted. In no event shall the assessment under such assessment freeze be less than the amount of the assessment of the property conveyed under threat of condemnation or by condemnation.

(g) The assessment freeze granted shall terminate in the first year of assessment following conveyance of said real property by the owner.

(h) Such other conditions may be set forth in the ordinance as the local legislative body determines.

(i) The improvements on the land acquired by the owner shall be new or the aggregate amount of such improvements made to existing structures shall be in excess of the assessment on the improvements on the real estate which was conveyed by the owner under threat of condemnation or by condemnation.

(j) In applying the provisions of this section real property functionally related to the real property conveyed under threat of condemnation or by condemnation shall be deemed an integral part of the property conveyed for the purposes of determining the assessment freeze.

(k) This section shall be applicable independent of whether the real property is conveyed under threat of condemnation or condemnation or whether an easement is granted for the purposes set forth in par. (a) 3 in lieu of condemnation.

(4) FINDINGS AND CERTIFICATION. The local assessor or the tax commissioner in such municipality shall, upon application by an owner seeking an assessment freeze, make a thorough investigation to ascertain whether such application meets the requirements of the ordinance enacted by the local legislative body. The assessor or tax commissioner, as the case may be, shall make findings to demonstrate that such application complies with the ordinance and shall submit a certification together with his findings to the local legislative body for approval. If the local legislative body determines from the tax commissioner's certification that an assessment freeze shall operate, the local legislative body shall by resolution provide for such assessment freeze. The local legislative body shall specify the period when such assessment freeze shall commence to operate and

when new construction or remodeling of existing structures is required, shall specify the time within which such construction or remodeling shall be completed and the commencement date of the assessment freeze.

In determining the amount of such assessment, the term "pecuniary profit" as used in this section is hereby defined as the use of any portion of said premises or facilities for purposes not directly included within the objects of such organization for which use compensation is received, and the space so used, the period of such use, and all other factors tending to measure the extent thereof, shall be considered in fixing the amount of such assessment. The term "pecuniary profit" as used in this section shall not be deemed to include such incidental income as that derived by such organization from occasional social affairs conducted principally by and for the members of such organization but which nonmembers may attend, nor any income derived from the resale of any merchandise given or donated to any charitable or benevolent society or association when such income is used

for the purposes of such society or association. The use of "pecuniary profits" derived from the use of all or a portion of any premises shall not create an exemption in favor of such property. such undertaking or other indemnity as the person accepts or by giving the person a bond in the amount and with the sureties as is directed and approved by the circuit judge of the county in which the property is assessed, upon 8 days' notice to the person assessed. The bond shall be conditioned to hold and keep the person against whom the assessment is made free and harmless from any and all costs, expense, liability or damage by reason of the assessment.

When personal property shall be assessed to some person in charge or possession thereof, other than the owner, such owner as well as the person so in charge or possession shall be liable for the taxes levied pursuant to such assessment; and the liability of such owner may be enforced in a personal action as for a debt. Such action may be brought in the name of the town, city or village in which such assessment was made, if commenced before the time fixed by law for the return of delinquent taxes, by direction of the treasurer or tax collector of such town, city or village. If commenced after such a return, it shall be brought in the name of the county or other municipality to the treasurer or other officer of which such return shall be made, by direction of such treasurer or other officer. Such action may be brought in any court of this state having jurisdiction of the amount involved and in which jurisdiction may be obtained of the person of such owner or by attachment of the property of such owner.

(2) The remedy of attachment may be allowed in such action upon filing an affidavit of the officer by whose direction such action shall be brought, showing the assessment of such property in the assessment district, the amount of tax levied pursuant thereto, that the defendant was the owner of such property at the time as of which the assessment thereof was made, and that such tax remains unpaid in whole or in part, and the amount remaining unpaid. The proceedings in such actions and for enforcement of the judgment obtained therein shall be the same as in ordinary actions for debt as near as may be, but no property shall be exempt from attachment or execution issued upon a judgment against the defendant in such action.

(3) The assessment and tax rolls in which such assessment and tax shall be entered shall be prima facie evidence of such assessment and tax and of the justice and regularity thereof; and the same, with proof of the ownership of such property by the defendant at the time as of which the assessment was made and of the nonpayment of

such tax, shall be sufficient to establish the liability of the defendant. Such liability shall not be affected and such action shall not be defeated by any omission or irregularity in the assessment or tax proceedings not affecting the substantial justice and equity of the tax. The provisions of this section shall not impair or affect the remedies given by other provisions of law for the collection or enforcement of such tax against the person to whom the property was assessed.

70.21 Partnership; estates in hands of executor; personal property, how assessed.

In case one or more of two or more executors of the will or administrators or trustees of the estate of a decedent, whose domicile at the time of his decease was in this state, shall not be residents within the state, the taxable personal property belonging to such estate shall be assessed to the executors, administrators or trustees residing in this state. In case there shall be two or more executors, administrators or trustees of the same estate residing in this state, but in different assessment districts, the assessment of such personal property shall be in the name of all such executors, administrators or trustees. In case the executor, administrator, trustee, or all of them if more than one, shall not reside in this state, such property may be assessed in the name of such executors or administrators or in the name of such estate.

(2) The taxes imposed pursuant to such assessment may be enforced as a claim against the estate, upon presentation of such claim by the treasurer of such district to the court in which the proceedings for the probate of such estate are pending, and upon due proof such court shall allow and order the same to be paid;

and before the allowance of the final account of a nonresident executor, administrator or trustee the court shall ascertain whether there are or will be any taxes remaining unpaid or to be paid on account of personal property belonging to the estate, and shall make such order or direction as may be necessary to provide for the payment thereof. The foregoing provisions shall not impair or affect any remedy given by other provisions of law for the collection or enforcement of taxes upon personal property assessed to executors, administrators or trustees.

70.23 Duties of assessors; unincorporated villages. (1)

The assessor shall enter upon the assessment roll opposite to the name of the person to whom assessed, if any, as before provided in regular order as to lots and blocks, sections and parts of sections (except that so much as is within the limits of an incorporated village or unincorporated village the limits of which have been designated by the town board, shall be assessed in one part of the roll from the best information he can obtain), a correct and pertinent description of each parcel of real property in the assessment district and the number of acres in each tract containing more than one acre.

(2) When two or more lots or tracts owned by the same person are deemed by the assessor so improved or occupied with buildings as to be practically incapable of separate valuation, they may be entered as one parcel. Whenever any tract, parcel or lot of land shall have been surveyed and platted and a plat thereof recorded according to law, the assessor shall designate the several lots and subdivisions of such platted ground as they are fixed and designated by such plat.

History: 1971 c. 215.

70.24 Public lands and land mortgaged to state.

The secretary of state shall annually, before January 1, make and transmit to the county clerk of each county an abstract containing a correct and full statement and description of all public lands sold and not patented by the state, and of all lands mortgaged to the state lying in the county; and immediately on receipt thereof the county clerk shall make and transmit to the county assessor and to the clerk of each town, village or city in the county not under the assessment jurisdiction of the county assessor a list from said abstract of such lands lying in such town, village or city. Every assessor shall enter on the assessment roll, in a separate column, under distinct headings, a list of all such public and mortgaged lands, and the same shall be assessed and taxed in the same manner as other

lands, without regard to any balance of purchase money or loans remaining unpaid on the same.

History: 1977 c. 29 s. 1646 (3); 1977 c. 273.

70.25 Lands, described on rolls. In all assessments and tax rolls, and in all advertisements, certificates, papers, conveyances or proceedings for the assessment and collection of taxes, and proceedings founded thereon, as well heretofore as hereafter, any descriptions of land which shall indicate the land intended with ordinary and reasonable certainty and which would be sufficient between grantor and grantee in an ordinary conveyance shall be sufficient; nor shall any description of land according to the United States survey be deemed insufficient by reason of the omission of the word quarter or the figures or signs representing it in connection with the words or initial letters indicating any legal subdivision of lands according to government survey. Where a more complete description may not be practicable and the deed or a mortgage describing any piece of real property is recorded in the office of the register of deeds for the county, an abbreviated description including the volume and page where recorded, and the section, village or city where the property is situated, shall be sufficient. Where a more complete description may not be practicable, and the piece of property is described in any certificate, order or judgment of a court of record in the county, an abbreviated description including the volume and page of the court record where recorded, and the section, village or city where the property is situated, shall be sufficient.

70.27 Assessor's plat. (1) WHO MAY ORDER. Whenever any area of platted or unplatted land is owned by 2 or more persons in severalty, and when in the judgment of the governing body having jurisdiction, the description of one or more of the different parcels thereof cannot be made sufficiently certain and accurate for the purposes of assessment, taxation or tax title procedures without noting the correct metes and bounds of the same, or when such gross errors exist in lot measurements or locations that difficulty is encountered in locating new structures, public utilities or streets, such governing body may cause a plat to be made for such purposes. Such plat shall be called "assessor's plat," and shall plainly define the boundary of each parcel, and each street, alley, lane or roadway, or dedication to public or special use, as such is evidenced by the records of the register of deeds or a court of record. Such plats in cities may be ordered by the city council, in villages by the village board, in towns by the town board or the county board. A plat or part of a plat included in

an assessor's plat shall be deemed vacated to the extent it is included in or altered by an assessor's plat. The actual and necessary costs and expenses of making assessors' plats shall be paid out of the treasury of the city, village, town or county whose governing body ordered the plat, and all or any part of such cost may be charged to the land, without inclusion of improvements, so platted in the proportion that the last assessed valuation of each parcel bears to the last assessed total valuation of all lands included in the assessor's plat, and collected as a special assessment on such land, as provided by s. 66 60.

(2) CERTIFICATION, APPROVAL, RECORDING. Such plat, when completed and certified as provided by this section, and when approved by the governing body, shall be acknowledged by the clerk thereof and recorded in the office of the register of deeds.

(3) ASSESSMENT, TAXATION, CONVEYANCING. Reference to any land, as it appears on a recorded assessor's plat is deemed sufficient for purposes of assessment and taxation. Conveyance may be made by reference to such plat and shall be as effective to pass title to the land so described as it would be if the same premises had been described by metes and bounds. Such plat or record thereof shall be received in evidence in all courts and places as correctly describing the several parcels of land therein designated. After an assessor's plat has been made and recorded with the register of deeds as provided by this section, all conveyances of lands included in such assessor's plat shall be by reference to such plat. Any instrument dated and acknowledged after September 1, 1955, purporting to convey or mortgage any such lands except by reference to such assessor's plat shall not be recorded by the register of deeds.

(4) AMENDMENTS. Amendments or corrections to an assessor's plat may be made at any time by the governing body by recording with the register of deeds a plat of the area affected by such amendment or correction, made and authenticated as provided by this section. It shall not be necessary to refer to any amendment of the plat, but all assessments or instruments wherein any parcel of land is described as being in an assessor's plat, shall be construed to mean the assessor's plat of lands with its amendments or corrections as it stood on the date of making such assessment or instrument, or such plats may be identified by number.

(5) SURVEYS, RECONCILIATIONS. The surveyor making the plat shall survey and lay out the boundaries of each parcel, street, alley, lane, roadway, or dedication to public or private use, according to the records of the register of deeds, and whatever evidence that may be available to

show the intent of the buyer and seller, in the chronological order of their conveyance or dedication, and set temporary monuments to show the results of such survey which shall be made permanent upon recording of the plat as provided for in this section, and make a map thereof to a scale of not more than 100 feet per inch. The owners of record of lands in the plat shall be notified by registered letter mailed to their last-known address, in order that they shall have opportunity to examine the map, view the temporary monuments, and make known any disagreement with the boundaries as shown by the temporary monuments. It is the duty of the surveyor making the plat to reconcile any discrepancies that may be revealed, so that the plat as certified to the governing body is in conformity with the records of the register of deeds as nearly as is practicable. When boundary lines between adjacent parcels, as evidenced on the ground, are mutually agreed to in writing by the owners of record, such lines shall be the true boundaries for all purposes thereafter, even though they may vary from the metes and bounds descriptions previously of record. Such written agreements shall be recorded in the office of the register of deeds. On every assessor's plat, as certified to the governing body, shall appear the volume, page and document number of the metes and bounds description of each parcel, as recorded in the office of the register of deeds, which shall be identified with the number or letter by which such parcel is designated on the plat, except that lots which have been conveyed or otherwise acquired but upon which no deed is recorded in the office of register of deeds may be shown on an assessor's plat and when so shown shall contain a full metes and bounds description.

(6) MONUMENTS, PLAT REQUIREMENTS. The provisions of s. 236.15 as to monuments, and the provisions of s. 236.20 as to form and procedure, insofar as they are applicable to the purposes of assessors' plats, shall apply. Any stake or monument found and accepted as correct by a surveyor laying out an assessor's plat shall be indicated as "stake found" or "monument found" when mapping the plat and such stake or monument shall not be removed or replaced even though it is inconsistent with the standards of s. 236.15.

(7) CERTIFICATE. When completed, the assessor's plat shall be filed with the clerk of the governing body that ordered the plat. On its title page shall appear the sworn certificate of the surveyor who made the plat, which shall state and contain:

(a) The name of the governing body by whose order the plat was made, and the date of the order.

(b) A clear and concise description of the land so surveyed and mapped, by government lot, quarter quarter-section, township, range and county, or if located in a city or village or platted area, then according to the plat; otherwise by metes and bounds beginning with some corner marked and established in the United States land survey.

(c) A statement that the plat is a correct representation of all the exterior boundaries of the land surveyed and each parcel thereof.

(d) A statement that he has fully complied with the provisions of this section in filing the same.

(8) PLAT FILED WITH GOVERNING BODY. Within 2 days after the assessor's plat is filed with the governing body, it shall be transmitted to the department of development by the clerk of the governing body which ordered the plat. The department of development shall review the plat within 30 days of its receipt. No such plat may be given final approval by the local governing body until the department of development has certified on the face of the original plat that it complies with the applicable provisions of ss. 236.15 and 236.20. After the plat has been so certified the clerk shall promptly publish a class 3 notice thereof, under ch. 985. The plat shall remain on file in the clerk's office for 30 days after the first publication. At any time within the 30-day period any person or public body having an interest in any lands affected by the plat may bring a suit to have the plat corrected. If no suit is brought within the 30-day period, the plat may be approved by the governing body, and filed for record. If a suit is brought, approval shall be withheld until the suit is decided. The plat shall then be revised in accordance with the decision if necessary, and, without rereferral to the department of development unless rereferral is ordered by the court. The plat may then be approved by the governing body and filed for record. When so filed the plat shall carry on its face the certificate of the clerk that all provisions of this section have been complied with. When recorded after approval by the governing body, the plat shall have the same effect for all purposes as if it were a land division plat made by the owners in full compliance with ch. 236. Before January 1 of each year, the register of deeds shall notify the town clerks of the recording of any assessors' plats made or amended during the preceding year, affecting lands in their towns.

History: 1977 c. 29 s. 1646 (3); 1979 c. 221, 248, 355, 361.

The reference to 66.60 in sub. (1) refers only to the collection procedures; it does not make all of 66.60 apply. *Dittner v. Town of Spencer*, 55 W (2d) 707, 201 NW (2d) 45.

Section 236.03 (2), Stats. 1969, sets forth the "applicable provisions" of 236.15 and 236.20, with which assessors' plats must comply under 70.27 (8). A determination by the head

of the planning function in the Wisconsin department of local affairs and development that an assessor's plat does not comply with the applicable provisions of 236.15 and 236.20 may be reviewed under ch. 227.58 Atty. Gen. 198.

The temporary survey monuments required to be set in the field prior to the submission of an assessor's plat for state level review are not made permanent until the recording of the assessor's plat. 59 Atty. Gen. 262.

Section 236.295 does not apply to assessors' plats. The amendment or correction of an assessor's plat under (4) is an exercise of the police power which is accomplished for the same purposes and in the same manner as the original assessor's plat. The governing body involved is not required to conduct a public hearing concerning a proposed amendment or correction to an assessor's plat of record. Other questions concerning the amendment or correction of an assessor's plat answered. 61 Atty. Gen. 25.

70.28 Assessment as one parcel. No assessment of real property which has been or shall be made shall be held invalid or irregular for the reason that several lots, tracts or parcels of land have been assessed and valued together as one parcel and not separately, where the same are contiguous and owned by the same person at the time of such assessment.

70.29 Personalty, how entered. The assessor shall place in one distinct and continuous part of the assessment roll all the names of persons assessed for personal property, with a statement of such property in each village in his assessment district, and foot up the valuation thereof separately; otherwise he shall arrange all names of persons assessed for personal property on his roll alphabetically so far as he conveniently can. He shall also place upon the assessment roll, in a separate column and opposite the name of each person assessed for personal property, the number of the school district in which such personal property is subject to taxation.

70.30 Aggregate values. Every assessor shall ascertain and set down in separate columns prepared for that purpose on the assessment roll and opposite to the names of all persons assessed for personal property the number and value of the following named items of personal property assessed to such person, which shall constitute the assessed valuation of the several items of property therein described, to wit:

(8) The value of logs, timber, lumber, ties, poles and posts.

(9) The number and value of steam and other vessels.

(10) The value of the property and franchises of companies defined in s. 76.02 (8) whose property is located wholly within the taxation district.

(11) The value of machinery, tools and patterns.

(12) The value of furniture, fixture and equipment.

(13) The value of all other personal property except such as is exempt from taxation.

History: 1981 c. 20.

70.32 Real estate, how valued. (1) Real property shall be valued by the assessor in the manner specified in the Wisconsin property assessment manual provided under s. 73.03 (2a) from actual view or from the best information that the assessor can practicably obtain, at the full value which could ordinarily be obtained therefor at private sale. In determining the value the assessor shall consider, as to each piece, its advantage or disadvantage of location, quality of soil, quantity of standing timber, water privileges, mines, minerals, quarries, or other valuable deposits known to be available therein, and their value; but the fact that the extent and value of minerals or other valuable deposits in any parcel of land are unascertained shall not preclude the assessor from affixing to such parcel the value which could ordinarily be obtained therefor at private sale. If on the assessment date occurring in 1957 or in any year thereafter any person other than a governmental unit of Wisconsin owns real estate in which a Wisconsin governmental unit has retained mineral rights, timber rights or an easement or any similar interest in such real estate, the value of any such retained right shall be eliminated in determining the assessable value of such property, and such retained interest shall be excepted in the assessment description of such land and in any notice, tax certificate or tax deed following from any such assessment.

(2) The assessor, having fixed a value, shall enter the same opposite the proper tract or lot in the assessment roll, following the instruction prescribed therein.

(a) In cities and villages, he shall segregate into the following classes on the basis of use and set down separately in proper columns the values of the land, exclusive of improvements, and the improvements in each class:

1. Residential.
2. Mercantile.
3. Manufacturing.
4. Agricultural.

(b) In towns, the assessor shall segregate into the following classes on the basis of use and set down separately in proper columns the acreage and the value of the parts of land, exclusive of improvements, and the improvements which fall within each class:

1. Residential.
2. Mercantile.
3. Manufacturing.
4. Agricultural.
5. Swamp, or waste.
6. Productive forest land.

(c) For the purpose of this subsection "agricultural" includes any body of water on private premises which is used as a part of a private fish hatchery licensed under s. 29.52; "swamp or waste" means bog, marsh, lowland brush or other nonproductive lands not otherwise classified under this subsection; "productive forest land" means land which is producing or is capable of producing commercial forest products and is not otherwise classified under this subsection.

(3) Manufacturing property subject to assessment under s. 70.995 shall be assessed according to that section.

History: 1973 c. 90; 1977 c. 29, 418; 1979 c. 34; 1981 c. 20, 390.

When market value is established by a fair sale of the property, or sales of reasonably comparable property are available, it is error for an assessor to resort to other factors in order to determine its fair market value, although such factors in the absence of such sales would have a bearing on its value. Rules on judicial review of valuation of real estate for tax purposes presuppose the method of evaluation is in accordance with the statutes; hence errors of law should be corrected by the court on certiorari and the failure to make an assessment on the statutory basis is an error of law. *State ex rel. Markarian v. Cudahy*, 45 W (2d) 683, 173 NW (2d) 627.

While a sale establishes value, the assessment still has to be equal to that on comparable property. (2) (b) requires the assessor to fix a value before classifying the land; it does not prohibit him from considering the zoning of the property when it is used for some other purpose. *State ex rel. Hensel v. Town of Wilson*, 55 W (2d) 101, 197 NW (2d) 794.

When an assessment must be based on a recent sale of the property the assessor cannot increase the value because no commission was paid a broker. *State ex rel. Lincoln F. Warehouse v. Bd. of Rev* 60 W (2d) 84, 208 NW (2d) 380.

Under the option agreement, the sellers' right to repurchase their homestead and their right of first refusal for the purchase of industrial buildings to be constructed on the property were factors going only to the willingness of the parties to deal and not their compulsion to do so; and the value of these rights, together with the monetary amount per acre, comprised the total sale price of the land. *State ex rel. Geipel v. Milwaukee*, 68 W (2d) 726, 229 NW (2d) 585.

Evidence of net income from unique property was admissible to show market value. Assessor's unconfirmed valuation based on estimated replacement cost less depreciation could not stand alone because of uncontroverted evidence of actual costs of recent construction. *Rosen v. Milwaukee*, 72 W (2d) 653, 242 NW (2d) 681.

District-wide use of comparative sales statistics to determine annual percentage increases of assessments was invalid under (1). *State ex rel. Kaskin v. Board of Review*, 91 W (2d) 272, 282 NW (2d) 620 (Ct. App. 1979).

Assessor erred in failing to consider disadvantages and liabilities which affect fair market value of dams. *State ex rel. Wis. Edison Corp. v. Robertson*, 99 W (2d) 561, 299 NW (2d) 626 (Ct. App. 1980).

Lease of comparable property constituted "best information" regarding fair market value of leasehold improvements. *State ex rel. Keane v. Bd. of Review*, 99 W (2d) 584, 299 NW (2d) 638 (Ct. App. 1980).

Taxation of undeveloped real property in Wisconsin. *Hack, Sullivan*, 1974 WBB No. 1.

70.325 Valuation and assessment of lots in subdivision. In determining the market value of lots in a recorded subdivision, the assessor shall take into consideration the time and expense necessary to market the lots.

70.337 Tax exemption requirements. (1)

(a) On or before January 1, 1983, and each 5th year thereafter, each person who, under any

statute, claims a real property tax exemption, except an exemption for highway rights-of-way, or makes a payment in lieu of taxes shall file with the assessor of the taxation district in which the property is located a report in duplicate, on forms prescribed and furnished by the department of revenue. The report shall contain the name and address of the owner of the property, the location or street address of the property and the legal description and parcel number as shown on the assessment roll, the nature of the person owning the property, the uses made of the property, the date of acquisition of the property, a description of any structures on the land comprising the property, the extent, if any, to which the property or any part was rented out.

(b) In the interim 4-year period between reports required in par. (a), an exemption report shall be filed within 90 days of the occurrence of any of the following:

1. Any change in the previously reported data.

2. A new exemption is granted.

3. Loss of exemption.

(2) The assessor of each taxation district shall return for completion any incomplete reports the assessor received. On or before May 1 of each year, the assessor shall file with the secretary of revenue one copy of each completed form the assessor received. The secretary of revenue shall tabulate the information received based on type of property and such data shall be available to the members of the legislature and the governor.

(3) For purposes of this section, "person" means any natural person, firm, partnership, joint venture, joint stock company, association, public or private corporation, the state of Wisconsin and all political subdivisions, cooperative, estate, trust, receiver, executor, administrator, fiduciary, and any representative appointed by order of any court or otherwise acting on behalf of others.

(4) The secretary of revenue may direct the assessor of any taxation district to deny specific claims for property tax exemption or to terminate specific existing property tax exemptions prospectively. After receiving such direction, the assessor shall enter the property on the next assessment roll.

History: 1971 c. 215; 1973 c. 90; 1977 c. 29 ss. 749, 1647 (4), (9); 1977 c. 273, 418.

70.34 Personalty. All articles of personal property shall, as far as practicable, be valued by the assessor upon actual view at their true cash value; and after arriving at the total valuation of all articles of personal property which he shall be able to discover as belonging to any person, if he has reason to believe that such person has

other personal property or any other thing of value liable to taxation, he shall add to such aggregate valuation of personal property an amount which, in his judgment, will render such aggregate valuation a just and equitable valuation of all the personal property liable to taxation belonging to such person. In carrying out the duties imposed on him by this section, the assessor shall act in the manner specified in the Wisconsin property assessment manual provided under s. 73.03 (2a).

History: 1973 c. 90.

"True cash value" is not a figure that can be determined by bargaining with the taxpayer and such an agreement would be void. The unsupported statement of the taxpayer has no probative value. State ex rel. Berg E. Corp. v. Spencer Rev. Bd. 53 W (2d) 233, 191 NW (2d) 892.

Factors considered relevant to determination of market value for assessment purposes discussed. State ex rel. Mitchell Aero v. Bd. of Review, 74 W (2d) 268, 246 NW (2d) 521.

70.345 Legislative intent; department of revenue to supply information. The assessor shall exercise particular care so that personal property as a class on the assessment rolls bears the same relation to statutory value as real property as a class. To assist the assessor in determining the true relationship between real estate and personal property the department of revenue shall make available to local assessors information including figures indicating the relationship between personal property and real property on the last assessment rolls.

70.35 Taxpayer examined under oath or to submit return. (1) To determine the amount and value of any personal property for which any person, firm or corporation should be assessed, any assessor may examine such person or the managing agent or officer of any firm or corporation under oath as to all such items of personal property and the taxable value thereof as defined in s. 70.34. In the alternative the assessor may require such person, firm or corporation to submit a return of such personal property and of the taxable value thereof. There shall be annexed to such return the declaration of such person or of the managing agent or officer of such firm or corporation that the statements therein contained are true.

(2) The return shall be made and all the information therein requested given by such person on a form prescribed by the assessor with the approval of the department of revenue which shall provide suitable schedules for such information bearing on value as the department deems necessary to enable the assessor to determine the true cash value of the taxable personal property owned or in the possession of such person on January 1 as provided in s. 70.10. The return may contain methods of deriving assessable values from book values and for the conver-

sion of book values to present values, and a statement as to the accounting method used. No person shall be required to take detailed physical inventory for the purpose of making the return required by this section.

(3) Each return shall be filed with the assessor on or before March 1 of the year in which the assessment provided by s. 70.10 is made. The assessor, for good cause, may allow a reasonable extension of time for filing the return. All returns filed under this section shall be the confidential records of the assessor's office, except that the returns shall be available for use before the board of review as provided in this chapter. No return required under this section is controlling on the assessor in any respect in the assessment of any property.

(4) Any person, firm or corporation who refuses to so testify or who fails, neglects or refuses to make and file the return of personal property required by this section shall be denied any right of abatement by the board of review on account of the assessment of such personal property unless such person, firm or corporation shall make such return to such board of review together with a statement of the reasons for the failure to make and file the return in the manner and form required by this section.

(5) In the event that the assessor or the board of review should desire further evidence they may call upon other persons as witnesses to give evidence under oath as to the items and value of the personal property of any such person, firm or corporation.

(6) The return required by this section shall not be demanded by the assessor from any farmer, or from any firm or corporation assessed under ch. 76 or from any person, firm or corporation whose personal property is not used for the production of income in industry, trade, commerce or professional practice.

(8) This section shall not be applicable to farm products as defined by s. 93.01 (10) when owned and possessed by the original producer.

History: 1977 c. 29 ss. 750, 1646 (3).

70.36 False statement; duty of district attorney. (1) Any person, firm or corporation in this state owning or holding personal property of any nature or description, individually or as agent, trustee, guardian, administrator, executor, assignee or receiver or other representative capacity, which property is subject to assessment, who shall intentionally make a false statement to the assessor of his assessment district or to the board of review thereof with respect to such property, or who shall omit any property from any return required to be made under s. 70.35, with the intent of avoiding the payment of

the just and proportionate taxes thereon, shall forfeit the sum of \$10 for every \$100 or major fraction thereof so withheld from the knowledge of such assessor or board of review.

(2) It is hereby made the duty of the district attorney of any county, upon complaint made to him by the assessor or by a member of the board of review of the assessment district in which it is alleged that property has been so withheld from the knowledge of such assessor or board of review, or not included in any return required by s. 70.35, to investigate the case forthwith and bring an action in the name of the state against the person, firm or corporation so complained of. All forfeitures collected under the provisions of this section shall be paid into the treasury of the taxation district in which such property had its situs for taxation.

(3) The word assessor whenever used in ss. 70.35 and 70.36 shall, in 1st class cities, be deemed to refer also to the tax commissioner of any such city and, where applicable, shall be deemed also to refer to the department of revenue responsible for the manufacturing property assessment under s. 70.995.

History: 1973 c. 90.

70.365 Notice of higher assessment.

When the assessor places a valuation of any taxable real property which is \$100 or more higher than the valuation placed on it for the previous year, the assessor shall notify the person assessed if the address of the person is known to the assessor, otherwise the occupant of the property. The notice shall be in writing and shall be sent by ordinary mail at least 10 days before the meeting of the board of review or before the meeting of the board of assessors in 1st class cities and in 2nd class cities that have a board of assessors under s. 70.075 and shall contain the amount of the increased assessment and the date of the meeting of the local board of review or of the board of assessors. However, if the assessment roll is not complete, the notice shall be sent by ordinary mail at least 10 days prior to the date to which the board of review has adjourned. The assessor shall attach to the assessment roll a statement that the notices required by this section have been mailed and failure to receive the notice shall not affect the validity of the increased assessment, the resulting increased tax on real property, the procedures of the board of review or of the board of assessors or the enforcement of delinquent taxes by statutory means. The secretary of revenue shall by rule prescribe the form of the notice required under this section. The form shall include information notifying the taxpayer of

the procedures to be used to object to the assessment.

70.37 Net proceeds occupation tax on persons extracting metalliferous minerals in this state. (1) LEGISLATIVE FINDINGS. The legislature finds that:

(a) The existence has been announced of several economically significant ore bodies containing copper, zinc, lead, taconite and other metalliferous minerals in this state, including one of the largest zinc deposits in North America.

(b) Metalliferous minerals are valuable, irreplaceable natural resources which, once removed, are forever lost as an economic asset to the state.

(c) The activity of mining metalliferous minerals creates jobs, economic activity, tax revenues and other valuable benefits to the economy and residents of this state.

(d) The activity of mining metalliferous minerals creates additional costs to the state and municipalities for highways, sewers, schools and other improvements which are necessary to accommodate the development of a metalliferous mining industry.

(e) The activity of mining metalliferous minerals has a permanent and often damaging effect on the environment of the state.

(f) The activity of mining metalliferous minerals significantly alters the quality of life in communities directly affected by mining.

(g) As the size of a mining operation increases, the cost to the state and municipalities to support the operation increases, as does the damage to the environment. Furthermore, as the size of a mining operation increases, the person mining metalliferous minerals benefits from economies of scale in the mining operation.

(h) A graduated net proceeds occupational tax, by taxing profitability at rates which vary with the level of profitability, encourages important state goals, such as:

1. Gradual, continuous and complete extraction of metalliferous minerals.
2. Continued stable employment.
3. Taxation according to ability to pay.
4. Taxation based on the privileges enjoyed by persons mining metalliferous metallic minerals.

(i) Municipalities incur long-term economic costs as a result of metalliferous mineral mining after the mining operation shuts down. An impact fund, in which is deposited a portion of the tax revenues, should assure that moneys will be available to such municipalities for long- and short-term costs associated with social, educa-

tional, environmental and economic impacts of metalliferous mineral mining.

(2) **LEGISLATIVE INTENT.** It is the declared intent of the legislature to establish a net proceeds occupation tax on persons engaged in the activity of mining metalliferous minerals in this state. The tax is established in order that the state may derive a benefit from the extraction of irreplaceable metalliferous minerals and in order to compensate the state and municipalities for costs, past, present and future, incurred or to be incurred as a result of the loss of valuable irreplaceable metallic mineral resources.

History: 1977 c. 31.

70.375 Net proceeds occupation tax on mining of metallic minerals; computation.

(1) **DEFINITIONS.** In ss. 70.37 to 70.395:

(a) "Department" means the department of revenue.

(ag) "Extraction of ores or minerals from the ground" includes the extraction, by owners or operators of mines, of ores or minerals from the waste or residue of prior mining unless the extraction is made by a purchaser of waste or residue or by a purchaser of the rights to extract ores or minerals from the waste or residue.

(ai) "Gross income from mining" means that amount of income which is attributable to the processes of extraction of ores or minerals from the ground and the application of mining processes, including mining transportation and as further defined in 26 CFR section 1.613-3. In this paragraph "income" means the actual amount for which ore or mineral, less trade and cash discounts actually allowed, is sold if the taxpayer sells the ore or mineral after the application of mining processes. If ore or minerals are sold after the application of nonmining processes, gross income from mining shall be computed as provided in 26 CFR section 1.613-3.

(am) "Gross proceeds" means gross income from mining except as provided under sub. (3).

(ar) "Internal revenue code", for taxable year 1981 and thereafter, means the internal revenue code and regulations as amended to December 31, 1981.

(as) "Mine" means an excavation in or at the earth's surface made to extract metalliferous minerals for which a permit has been issued under s. 144.85.

(b) 1. "Mining" has the meaning under section 613 (c) of the internal revenue code and includes the extraction of ores or minerals from the ground, the transportation of ores or minerals from the point of extraction to the plants or mills at which the treatment processes are applied and the following treatment processes applied to an ore or mineral for which the owner or

operator is entitled to a deduction for depletion under section 611 of the internal revenue code:

a. In the case of iron ore, bauxite and other ores or minerals that are customarily sold in the form of a crude mineral product; sorting, concentrating, sintering and substantially equivalent processes that bring the ore or mineral to shipping grade and form, and loading for shipment.

b. In the case of lead, zinc, copper, gold, silver, uranium and other ores or minerals that are not customarily sold in the form of the crude mineral product; crushing, grinding and beneficiation by concentration by means of gravity, flotation, amalgamation, electrostatic or magnetic processes, cyanidation, leaching, crystallization or precipitation (not including electrolytic deposition, roasting, thermal or electric smelting or refining) or by substantially equivalent processes or by a combination of processes used in the separation or extraction of the products from other material taken out of the mine or out of another natural deposit.

c. The furnacing of quicksilver ores.

d. Treatment processes necessary or incidental to the processes under subd. 1. a to c.

e. Any treatment processes provided for by rules promulgated by the department.

2. For purposes of this section, "mining" does not include the extraction or beneficiation of sand or gravel or the following treatment processes unless they are provided for under subd. 1. d: electrolytic deposition, roasting, calcining, thermal or electric smelting, refining, polishing, fine pulverization, blending with other materials, treatment effecting a chemical change, thermal action, molding and shaping.

(c) "Municipality" means any county, city, village, town or school district.

(d) "Person" means a sole proprietorship, partnership, association or corporation and includes a lessee engaged in mining metalliferous minerals.

(e) "Secretary" means the secretary of revenue.

(2) **TAX IMPOSED.** (a) There is imposed upon persons engaged in mining metalliferous minerals in this state a net proceeds occupation tax effective on the date on which extraction begins to compensate the state and municipalities for the loss of valuable, irreplaceable metalliferous minerals. The amount of the tax shall be determined by applying the rates established under sub. (5) to the net proceeds of each mine. The net proceeds of each mine for each year are the difference between the gross proceeds and the deductions allowed under sub. (4) for the year.

(b) The secretary may promulgate any rules necessary to implement the tax under ss. 70.37

to 70.39 and 70.395 (1). Section 71.11 (4), (7m), (8), (20) to (22) and (42) to (49) applies to the administration of this section.

NOTE: Chapter 86, laws of 1981, section 72 (1) (b), states in part: "The treatment of sections 70.375 (2) *** of the statutes by this act first applies to distributions from mines that begin operations on the effective date of this act [Nov. 28, 1981]. Sections 70.375 (2) ***, 1979 stats., applies until January 1, 1991, to mines in operation on the effective date of this act [Nov. 28, 1981] and after that date is void."

Section 70.375 (2), 1979 stats., states:

"(2) TAX IMPOSED. (a) There is imposed upon persons engaged in mining metalliferous minerals in this state a net proceeds occupation tax effective on the date on which extraction begins to compensate the state and municipalities for the loss of valuable, irreplaceable metalliferous minerals. The amount of the tax shall be determined by applying the rates established under sub. (5) to the average of the net proceeds of the person for the preceding 3-year period. Any month in which there has been no production or in which production has been insignificant shall be omitted and the average shall be computed on those months in which there was production. The net proceeds of a person for each year shall be the difference between the gross proceeds, computed under sub. (3) for the year, and the deductions allowed under sub. (4) for the year.

(b) The secretary may promulgate any rules necessary to implement the tax under ss. 70.37 to 70.39 and 70.395 (1). Section 71.11 (4), (7m), (8) and (20) to (22) applies to the administration of this section."

(3) ALTERNATE COMPUTATION OF GROSS PROCEEDS. If products are sold or transferred to a smelting, refining or other processing or marketing facility which is located outside of the United States or which is owned by, or is directly or indirectly controlled by, the taxpayer or which owns or directly or indirectly controls the taxpayer and if the secretary determines that the gross proceeds under sub. (1) (am) do not reflect or demonstrate the gross proceeds that would have been received from an unrelated purchaser for the product under similar circumstances, the gross proceeds shall be computed under this subsection. For the purpose of this subsection "control" means direct or indirect ownership of at least 50% of the total combined voting stock of the corporation. The gross proceeds shall be computed by multiplying that part of the production of recovered metalliferous minerals which were sold or transferred during the taxable year by the average price of that mineral for the taxable year and then subtracting the cost of postmining processes, including the cost of capital (interest and earnings) imputed to that production. The average price shall be computed from the monthly prices published in the engineering and mining journal as follows:

(a) Taconite pellets, lower lake ports price, net of unloading charges.

(b) Copper, United States producer price, F.O.B. refinery.

(c) Lead, United States producer price.

(d) Zinc, United States prime western price.

(e) Silver, United States producer price.

(f) Gold, London final price.

(g) Other metalliferous minerals or other forms of metalliferous minerals not including mineral aggregates such as stone, sand and gravel, at a price determined by the secretary, by rule, from a nationally known publication or other nationally known source listing prices of metalliferous minerals.

(4) DEDUCTIONS. If the costs are not excluded in determining gross proceeds and are actually incurred or accrued, there shall be allowed to persons subject to the tax under sub. (2) the following deductions:

(a) The actual and necessary expenses incurred during the taxable year for labor, tools, appliances and supplies used in mining metalliferous minerals, including the labor of the lessee and the lessee's employes and the amount expended by the lessee for tools, appliances and supplies used by the lessee in the mining operation. The personal labor of the lessee shall be computed at the prevailing wage rate.

(b) The actual and necessary expenses for mining including extracting, transporting, milling, concentrating, smelting, refining, reducing, assaying, sampling, inventorying and handling the ore and for further processing and transferring related to the product for which gross proceeds are received, including the cost of capital (interest and earnings) imputed to smelting and refining expenses.

(c) The actual and necessary expenses for administrative, appraising, accounting, legal, medical, engineering, clerical and technical services directly related to mining metalliferous minerals in this state, excluding salaries and expenses for corporate officers and for lobbying, as defined in s. 13.62 (10).

(d) The actual and necessary expenses directly related to the repair and maintenance of any machinery, mills, reduction works, buildings, structures, other necessary improvements, tools, appliances and supplies used in mining metalliferous minerals extracted in this state.

(e) Federal and state income taxes paid, property taxes, sales taxes and use taxes paid and other taxes paid and allowed as a deduction under s. 71.04 (3) which are allocable to the mine, excluding the tax under this section.

(f) Rents paid on personal property used in mining metalliferous minerals.

(g) The cost of relocating employes within this state.

(h) The cost of premiums for bonds required under s. 144.86.

(i) The cost of premiums for insurance on persons or tangible assets relating to mining metalliferous minerals.

(j) Losses from uninsured casualty losses and the sale of personal property used in mining metalliferous minerals.

(k) Depreciation on property used in connection with mining. With respect to property first eligible for depreciation before January 1, 1981, the deduction shall be limited to the deduction under s. 70.375 (4) (k), 1979 stats. With respect to property first eligible for depreciation on or after January 1, 1981, the deduction shall be limited to the amount allowable under s. 71.04 (15).

1. Machinery, mills and reduction works.

2. Buildings, structures and other improvements.

3. Permit fees, license fees and any other fees for formal written authorization required by a department or instrumentality of the state.

4. Development of the mine after the date on which extraction begins.

(l) Royalties paid to owners of the mineral rights to the lands where the mine or an extension of the mine is located. In this paragraph, "owners" does not include the person mining or a person in which the person mining has an ownership or equity interest.

(m) Amortization by a straight-line method over the life of the mine commencing with production of premining costs, including costs for drilling, geological and engineering studies, design of facilities, pilot mines, mine testing, environmental surveys, facilities siting surveys and other exploration and development activities.

(n) Expenses under par. (m) incurred after mining begins, those costs to be expensed currently.

(o) Actual and necessary reclamation and restoration costs associated with a mine in this state, including payments for future reclamation and postmining costs which are required by law or by department of natural resources order and fees and charges under ch. 144 not otherwise deductible under this section. Any refunds of escrowed or reserve fund payments allowed as a deduction under this paragraph shall be taxed as net proceeds at the average effective tax rate for the years the deduction was taken.

(p) Interest determined as follows:

1. If the interest is specifically allocable to the development or operation of a mine or beneficiation facility from which net proceeds are derived, all of the interest is deductible.

2. If the interest is not specifically allocable to the development or operation of a mine or beneficiation facility, the proportion of the interest that equals the proportion of the capital investment in the mine and beneficiation facilities as compared to the taxpayer's total capital investment.

3. If a mine is owned by a corporation that is part of an affiliated group of corporations, "in-

terest" means the interest paid to nonmembers of the group.

4. The deduction for interest under this paragraph shall not exceed 5% of the total gross proceeds for the taxable year.

(q) An allowance for depletion of ores on the basis of their actual original cost in cash or the equivalent of cash.

(5) RATES. The tax to be assessed, levied and collected upon persons engaging in mining metalliferous minerals in this state shall be computed at the following rates:

(a) On the amount from \$250,001 to \$5,000,000, at a rate of 3%.

(b) On the amount from \$5,000,001 to \$10,000,000, at a rate of 7%.

(c) On the amount from \$10,000,001 to \$15,000,000, at a rate of 10%.

(d) On the amount from \$15,000,001 to \$20,000,000, at a rate of 13%.

(e) On the amount from \$20,000,001 to \$25,000,000, at a rate of 14%.

(f) On the amount exceeding \$25,000,000, at a rate of 15%.

(6) INDEXING. For calendar year 1983 and corresponding fiscal years and thereafter, the dollar amounts in sub. (5) and s. 70.395 (1) to (2) (i) shall be changed to reflect the percentage change between the gross national product deflator for June of the current year and the gross national product deflator for June of the previous year, as determined by the U.S. department of commerce as of December 30 of the year for which the taxes are due, except that no annual increase may be more than 10%. The revised amounts shall be rounded to the nearest whole number divisible by 100 and shall not be reduced below the amounts under sub. (5) on November 28, 1981. Annually, the department shall adopt any changes in dollar amounts required under this subsection and incorporate them into the appropriate tax forms.

History: 1977 c. 31, 272; 1979 c. 32 s. 92 (1); 1981 c. 86, 314.

70.38 Reports, assessment notice, appeals, combined reporting. (1) REPORTS.

On or before April 10, persons mining metalliferous minerals shall file with the department a report which sets forth the data required by the department to administer the tax under s. 70.375. The books and records of the person shall be open to inspection and examination to employees of the department designated by the secretary and to the state geologist.

(2) COMBINED REPORTING. If the same person extracts metalliferous minerals from different sites in this state, the net proceeds for each site for which a permit has been issued under s. 144.85 shall be reported separately for the pur-

poses of computing the amount of the tax under s. 70.375 (5).

(3) **ASSESSMENT NOTICE.** On May 25, the department shall notify the person by registered mail of the person's liability under s. 70.375.

(4) **APPEALS.** (a) Any person feeling aggrieved by the assessment notice shall, within 60 days after the receipt of the notice, file with the department a petition for redetermination setting forth the person's objections to the assessment. The person may request an informal conference with representatives of the department prior to September 15. The request shall be indicated in the petition. The secretary shall act on the petition on or before October 1. On or before November 1, the person shall pay the amount determined by the secretary pursuant to the secretary's action on the petition. If the person is aggrieved by the secretary's denial of the petition the person may appeal to the tax appeals commission if the appeal is filed with the commission on or before December 1.

(b) Determinations of the tax appeals commission shall be subject to judicial review under ch. 227.

History: 1977 c. 31; 1981 c. 86.

70.385 Collection of the tax. (1) All taxes as evidenced by the notice of tax liability dated May 25 shall be due and payable to the department on or before June 30, and shall be deposited by the department with the state treasurer.

(2) If a request from the person is filed with the department by February 10, the secretary may, upon a finding that extraordinary circumstances have prevented the sale of the preceding year's production, grant an extension of up to one year for the payment of the tax due and payable under sub. (1). The secretary shall notify the person by June 1 whether an extension has been granted. The secretary may obtain such additional information as is necessary to determine whether the extraordinary circumstances continue to exist prior to making a determination on the request.

History: 1977 c. 31; 1981 c. 86.

70.39 Collection of delinquent tax. (1) Taxes due and unpaid on June 30 shall be deemed delinquent as of that date, and when delinquent shall be subject to a penalty of 4% of the tax and interest at the rate of 1.5% per month until paid. The parent shall be liable for any delinquent taxes of a subsidiary person. The department shall immediately proceed to collect the tax due, penalty, interest and costs. For the purpose of collection the department or its duly authorized agent has the same powers as conferred by law upon the county treasurer, county clerk, sheriff and district attorney.

(2) Any part of an assessment which is contested before the tax appeals commission or the courts, which after hearing shall be ordered to be paid, shall be considered as a delinquent tax if unpaid on the 10th day following the date of the final order and shall be subject to the penalty and interest provisions under sub. (1).

(3) After the tax becomes delinquent, the department shall issue a warrant to the sheriff of any county of the state in which the metalliferous mineral property is located in total or in part. The warrant shall command the sheriff to levy upon and sell sufficient of the person's metalliferous mineral property found within the sheriff's county, to pay the tax with the penalties, interest and costs, and to proceed in the same manner as upon an execution against property issued out of a court of record, and to return the warrant to the department and pay to it the money collected, or the part thereof as may be necessary to pay the tax, penalties, interest and costs, within 60 days after the receipt of the warrant, and deliver the balance, if any, after deduction of lawful charges to the person.

(4) Within 5 days after the receipt of the warrant the sheriff shall file a copy of it with the clerk of the circuit court of the county, unless the person makes satisfactory arrangements for payment with the department, in which case, the sheriff shall, at the direction of the department, return the warrant to it. The clerk shall docket the warrant as a delinquent income tax warrant is docketed under s. 806.11. The clerk shall accept, file and docket the warrant without prepayment of any fee, but shall submit a statement of the proper fees within 30 days to the department of revenue. The fees shall be paid by the state treasurer upon audit by the department of administration on the certificate of the secretary of revenue and shall be charged to the proper appropriation for the department of revenue. The sheriff shall be entitled to the same fees for executing upon the warrant as upon an execution against property issued out of a court of record, to be collected in the same manner. Upon the sale of any real estate the sheriff shall execute a deed of the real estate, and the person may redeem the real estate as from a sale under an execution against property upon a judgment of a court of record. No public official may demand prepayment of any fee for the performance of any official act required in carrying out this section.

History: 1977 c. 31.

70.395 Distribution and apportionment of tax. (1) **DISTRIBUTION.** Fifteen days after the collection of the tax under ss. 70.38 to 70.39, the department of administration, upon certifica-

tion of the department of revenue, shall transfer the amount collected as follows:

(a) 1. To the investment and local impact fund, an amount equal to the first-dollar payment or 60% of the taxes collected under ss. 70.38 to 70.39, whichever is greater.

2. In this paragraph, except as provided in subd. 3, "first-dollar payment" means an amount equal to \$100,000 for each county, Native American community or municipality eligible to receive a payment under sub. (2) (d) 1, 2 or 2m.

3. If the tax collected under ss. 70.38 to 70.39 in any year is less than the first-dollar payment as defined in subd. 2, "first-dollar payment" for that year means the amount of taxes collected under ss. 70.38 to 70.39.

(b) After the transfers under par. (a), the undistributed portion of the amount of taxes collected under ss. 70.38 to 70.39 shall be deposited to the badger fund under s. 25.28.

(c) Annually, the dollar amounts under par. (a) 2 shall be adjusted as specified under s. 70.375 (6).

NOTE: Chapter 86, laws of 1981, section 72 (1) (b), provides in part: "The treatment of sections *** 70.395 (1) (a), (b) and (c) *** of the statutes by this act first applies to distributions from mines that begin operations on the effective date of this act [Nov. 28, 1981]. Sections *** 70.395 (1) (a) and (b), 1979 stats., applies until January 1, 1991, to mines in operation on the effective date of this act [Nov. 28, 1981] and after that date is void."

Section 70.395 (1) (a) and (b), 1979 stats., state:

"(1) (a) Forty percent to the general fund.

(b) Sixty percent to the investment and local impact fund."

(1m) LIMIT ON INVESTMENT AND LOCAL IMPACT FUND. If the fund under sub. (1) (a) has a balance of more than \$20 million on January 1 of any year, the excess over \$20 million shall be transferred to a separate account to be administered under s. 25.28. The badger board may not commingle the moneys transferred under this subsection with the other moneys constituting the badger fund. The interest on the moneys transferred under this subsection shall be used for the purposes under s. 25.28. If the investment and local impact fund does not have sufficient moneys to make the payments under this section for any year, or if the balance in the fund under sub. (1) (a) falls below a level of \$20 million on any January 1, the investment and local impact fund board may transfer from the funds under s. 25.28, up to the amount of the moneys previously transferred under this subsection for all prior years, sufficient funds to make the payments under this section or to provide a balance in the investment and local impact fund of \$20 million.

(2) INVESTMENT AND LOCAL IMPACT FUND.

(b) There is created an investment and local impact fund under the jurisdiction and manage-

ment of the investment and local impact fund board, as created under s. 15.435.

(c) The board shall, according to procedures established by rule:

1. Certify to the department of administration the amount of funds to be distributed to municipalities under pars. (d) to (g) and to be paid under par. (j).

2. Determine the amount which is not distributed under subd. 1 which shall be invested under s. 25.17 (1) (jc).

(d) Annually on the first Monday in January, the department of administration shall distribute, upon certification by the board:

1. To each county in which metalliferous minerals are extracted, the first-dollar payment under sub. (1) (a).

1m. To each county in which metalliferous minerals are extracted, 20% of the tax collected annually under ss. 70.38 to 70.39 from persons extracting metalliferous minerals in the county or \$250,000, whichever is less, to be used for metalliferous mining related purposes listed under par. (g) and s. 70.396, and other metalliferous mining related purposes as defined by the board.

2. To each city, town or village in which metalliferous minerals are extracted, the first-dollar payment under sub. (1) (a) minus any payment during that year under par. (d) (intro.) or subd. 5. If the minable ore body is located in 2 contiguous municipalities and if at least 15% of the minable ore body is in each municipality, each qualifying municipality shall receive a full payment specified in this subdivision as if the ore body were located solely within that municipality. The department of revenue shall annually change the dollar amount specified in this subdivision as specified in s. 70.375 (6) except that the dollar amount may not be reduced below the dollar amount under this subdivision on November 28, 1981.

2m. To any Native American community that has tribal lands within a municipality qualified to receive a payment under this section, an amount equal to \$100,000 minus any payments during that year under par. (d) (intro.) or subd. 5. Annually, the dollar amount in this subdivision shall be adjusted as specified under s. 70.375 (6).

3. Where the tax under ss. 70.37 to 70.39 is in respect to a mining site which is located in more than one county or municipality the distribution under subds. 1 and 2 shall be as follows:

a. On or before February 10 of each year persons extracting metalliferous minerals in this state shall report to the department the amount of crude ore extracted from each municipality and county in the state in the previous year. The data shall detail the total amount of crude ore

extracted from each mine and the portion of the total taken from each municipality and county. This data shall be included in the report required by s. 70.38 (1) and (2).

c. Each county's proportion of the amount determined under subd. 1 shall be equal to the ratio of the amount of crude ore extracted from the mine in that county to the total amount of crude ore extracted from the mine multiplied by the amount determined under subd. 1.

4. To the investment and local impact fund an amount equal to 10% of the taxes paid by each mine plus all accrued interest on that amount for a project reserve fund. The funds shall be withdrawn by the investment and local impact fund board to be used for the following purposes in respect to the municipality or municipalities in which the mine is located:

a. To ensure an annual payment to each municipality under sub. (1) (a) in an amount equal to the average payment for the 3 previous years to that municipality.

b. To reimburse municipalities for costs associated with the cessation of mining operations.

c. To indemnify municipalities for reclamation expenses.

5. To each municipality that contains a metalliferous mining site in respect to which an application for a mining permit has been made prior to January 1, 1986, until a final decision is made on that application or for 4 years, whichever is the shorter period, \$100,000 annually. To each municipality that contains a metalliferous mining site at which construction has begun prior to January 1, 1989, but at which extraction has not been engaged in for at least 3 years, \$100,000 annually. The funds under this subdivision shall be used only for mining-related purposes. Payments under this subdivision are payable 30 days following submission of the application or commencement of construction. Payments shall be made on a project fiscal year basis commencing on the date of submission or commencement of construction. In this subdivision, "municipality" means a city, town or village and any Native American community contained within such a city, town or village.

(dg) Each person constructing a metalliferous mining site shall annually pay to the department of revenue for deposit in the investment and local impact fund, as a construction fee, an amount sufficient to make the construction period payments under par. (d) 5 in respect to that site. Any person paying a construction fee under this paragraph may credit against taxes due under s. 70.375 an amount equal to the payments that the taxpayer has made under this paragraph, provided that the credit does not reduce the taxpayer's liability under s. 70.375 below the amount needed to make the first-

dollar payments as defined under par. (d) (intro.) for that year in respect to the taxpayer's mine. Any amount not creditable because of that limitation in any year may be carried forward.

(e) If the appropriations under ss. 20.566 (7) (e) and (v) in any year are insufficient to make all payments under par. (d), full payments shall be made in the order listed in subds. 1 to 4, except that construction period payments under par. (d) 5 for which a person mining has made a construction fee payment under par. (dg) shall be made first. If funds are insufficient to pay the full amounts payable at a particular priority level listed in subds. 1 to 4, payments shall be prorated among the entities entitled to payments at that level:

1. Payments under par. (d) 1, 2 and 2m.

2. Payments under par. (d) 1m.

3. Payments under par. (d) 4.

4. Mining permit application payments under par. (d) 5.

(f) A school district may apply to the board for payments from the fund in an amount equal to the school district's nonshared costs. If the board finds that the school district has incurred costs attributable to enrollment resulting from the development and operation of metalliferous mineral mining and if the board and the school board of the school district reach an agreement on a payment schedule, the board shall certify to the department of administration for payment to the school district an amount equal to all or part of the nonshared costs of the school district in the year in which the initial agreement was reached. The board and the school district may, by mutual consent, modify the provisions of the agreement at any time. The payment shall be considered a nondeductible receipt for the purposes of s. 121.07 (6). In this paragraph, "nonshared costs" means the amount of the school district's principal and interest payments on long-term indebtedness and annual capital outlay for the current school year, which is not shared under s. 121.07 (6) (a) or other nonshared costs and which is attributable to enrollment increases resulting from the development of metalliferous mineral mining operations.

(g) The board may distribute the revenues received under sub. (1) (a) or proceeds thereof in accordance with par. (h) for the following purposes, as the board determines necessary:

1. Protective services, such as police and fire services associated with the construction and operation of the mining facility.

2. Highways, as defined in s. 990.01 (12), repaired or constructed as a consequence of the construction and operation of the mining facility.

3. Studies and projects for local development.

4. Monitoring the effects of the mining operation on the environment.

5. Extraordinary community facilities and services provided as a result of mining activity.

6. Legal counsel and technical consultants to represent and assist municipalities appearing before state agencies on matters relating to metalliferous mineral mining.

7. Other expenses associated with the construction and operation of the mining facility.

8. The preparation of areawide community service plans for municipalities applying for funds under par. (h) which identify social, economic, educational and environmental impacts associated with mining and set forth a plan for minimizing the impacts.

9. Provision of educational services in a school district.

10. Expenses attributable to a permanent or temporary closing of a mine including the cost of providing retraining and other educational programs designed to assist displaced workers in finding new employment opportunities and the cost of operating any job placement referral programs connected with the curtailment of mining operations in any area of this state.

(h) Distribution under par. (g) shall be as follows:

(b) The municipal governing body may by ordinance or resolution designate hours, other than those set forth in par. (a), during which the board shall hold its first meeting, but not fewer than 4 hours on the first meeting day between 8 a.m. and 12 p.m. Such change in the time shall not become effective unless notice thereof is published in the official newspaper if in a city, or posted in not less than 3 public places if in any other municipality, at least 10 days before such first meeting.

(4) ADJOURNMENT. The board may adjourn from time to time until its business is completed. If an adjournment be had for more than one day, a written notice shall be posted on the outer door of the place of meeting, stating to what time said meeting is adjourned.

(5) RECORDS. The clerk shall keep a record in the minute book of all proceedings of the board.

(6) BOARD'S DUTY. The board shall carefully examine the roll or rolls and correct all apparent errors in description or computation, and shall add all omitted property as provided in sub. (10). The board shall not raise or lower the assessment of any property except after hearing as provided in subs. (8) and (10).

(7) OBJECTIONS TO VALUATIONS. (a) Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review prior to adjournment of public hearings by the board. If the board is in session 5 days, including its first meeting and any adjourned meetings, all objections shall be filed within such time unless failure to file within such time is waived by the board upon a showing of good cause for such failure. The board may require such objections to be submitted on forms approved by the department of revenue. No person shall be allowed in any action or proceedings to question the amount or valuation of property unless such written objection has been filed and such person in good faith presented evidence to such board in support of such objections and made full disclosure before said board, under oath of all of his property liable to assessment in such district and the value thereof. The requirement that it be in writing may be waived by express action of the board.

(aa) No person shall be allowed to appear before the board of review or to contest the amount of any assessment of real or personal property if the person has refused a reasonable

written request by certified mail of the assessor to view such property.

(b) Upon receipt of an objection, the board shall establish a time for hearing the objection. At least 48 hours' notice of the time of hearing must be given to the objector or his attorney, and to the municipal attorney and assessor. Where all parties are present and waive such notice in the minutes, the hearing may be held forthwith.

(bb) Upon receipt of an objection with respect to the assessment rolls of taxation districts prepared by a county assessor the board of review as constituted under s. 70.99 (10) may direct such objection to be investigated by the county board of assessors if such board has been established under s. 70.99 (10m). If such objection has been investigated by the county board of assessors as provided by s. 70.99 (10m), the county board of review may adopt the determination of county board of assessors unless the objector requests or the board of review orders a hearing. At least 2 days' notice of the time fixed for such hearing shall be given to the objector or his attorney and to the corporation counsel. If the county board of review adopts the determination of the county board of assessors and no further hearing is held, the clerk of the board of review shall record the adoption in the minutes of the board and shall correct the assessment roll as provided by s. 70.48.

(8) HEARING. The board shall hear upon oath all persons who appear before it in relation to the assessment, and on such hearing shall proceed as follows:

(a) The clerk shall swear all persons testifying before it in relation to the assessment.

(b) The owner or his representatives and his witnesses shall first be heard.

(c) The board may examine under oath such persons as it believes have knowledge of the value of such property.

(d) It may and upon request of the assessor shall compel the attendance of witnesses and the production of all books, inventories, appraisals, documents and other data which may throw light upon the value of property.

(e) All proceedings shall be taken in full by a stenographer or by a recording device, the expense thereof to be paid by the district. The board may order that the notes be transcribed, and in case of an appeal or other court proceedings they shall be transcribed. If the proceedings are taken by a recording device, the clerk shall keep a list of persons speaking in the order in which they speak.

(f) The clerk's notes, written objections and all other material submitted to the board of review, tape recordings of the proceedings and any other transcript of proceedings shall be

retained for at least 7 years, shall be available for public inspection and copies of these items shall be supplied promptly at a reasonable time and place to anyone requesting them at the requester's expense.

(9) CORRECTION OF ASSESSMENTS. (a) From the evidence before it the board shall determine whether the assessor's valuation is correct. If too high or too low, it shall raise or lower the same accordingly. A majority of the members of the board present at the meeting to make the determination shall constitute a quorum for purposes of making such determination, and a majority vote of the quorum shall constitute the determination. In the event there is a tie vote, the assessor's valuation shall be sustained.

(b) A board member may not be counted in determining a quorum and may not vote concerning any determination unless, concerning such determination, such member:

1. Attended the hearing of the evidence; or

2. Received the transcript of the hearing no less than 5 days prior to the meeting and read such transcript; or

3. Received a mechanical recording of the evidence no less than 5 days prior to the meeting and listened to such recording; or

4. Received a copy of a summary and all exceptions thereto no less than 5 days prior to the meeting and read such summary and exceptions. In this subdivision "summary" means a written summary of the evidence prepared by one or more board members attending the hearing of evidence, which summary shall be distributed to all board members and all parties to the contested assessment and "exceptions" means written exceptions to the summary of evidence filed by parties to the contested assessment.

(10) ASSESSMENT BY BOARD. If the board has reason to believe, upon examination of the roll and other pertinent information, that other property, the assessment of which is not complained of, is assessed above or below the general average of the assessment of the taxation district, or is omitted, the board shall:

(a) Notify the owner, agent or possessor of such property of its intention to review such assessment or place it on the assessment roll and of the time and place fixed for such hearing in time to be heard before the board in relation thereto, provided the residence of such owner, agent or possessor be known to any member of the board or the assessor.

(b) Fix the day, hour and place at which such matter will be heard.

(c) Subpoena such witnesses as it deems necessary to testify concerning the value of such property and, except in the case of an assessment made by a county assessor pursuant to s. 70.99,

the expense incurred shall be a charge against the district.

(d) At the time appointed proceed to review the matter as provided in sub. (8).

(11) PARTIES. In all proceedings before the board the taxation district shall be a party in interest to secure or sustain an equitable assessment of all the property in the taxation district.

(12) NOTICE OF DECISION. Prior to final adjournment, the board of review shall provide the objector, or the appropriate party under sub. (10), written notice of the amount of the assessment as finalized by the board and an explanation of appeal rights and procedures under sub. (14) and ss. 70.85 and 74.73.

(13) CERTIORARI. Except as provided in s. 70.85, appeal from the determination of the board of review shall be by an action for certiorari commenced within 90 days after final adjournment of the board. The action shall be placed at the head of the circuit court calendar for an early hearing. If the court on the appeal finds any error in the proceedings of the board which renders the assessment or the proceedings void, it shall remand the assessment to the board for further proceedings in accordance with the court's determination and retain jurisdiction of the matter until the board has determined an assessment in accordance with the court's order. For this purpose, if final adjournment of the board occurs prior to the court's decision on the appeal, the court may order the governing body of the assessing authority to reconvene the board.

(14) TAX PAYMENTS. In the event the board of review has not completed its review or heard an objection to an assessment on real or personal property prior to the date the taxes predicated upon such assessment are due, or in the event there is an appeal as provided in sub. (13) and s. 74.73 (4) from the correction of the board of review to the court, the time for payment of such taxes as levied is the same as provided in ch. 74 and if not paid in the time prescribed, such taxes are delinquent and subject to the same provisions as other delinquent taxes.

(15) SAVING CLAUSE. Nothing herein contained shall be construed to alter or repeal any of the provisions of s. 70.35.

(16) MILWAUKEE, FILING OBJECTIONS, PROCEEDINGS, APPEAL. (a) In 1st class cities all objections to the amount or valuation of real or personal property shall be first made in writing and filed with the tax commissioner on or before the 3rd Monday in May. No person may, in any action or proceeding, question the amount or valuation of real or personal property in the assessment rolls of the city unless objections have been so filed. The board may not waive the

requirement that objections be in writing. If the objections have been investigated by a committee of the board of assessors as provided in s. 70.07 (6), the board of review may adopt the recommendation of the committee unless the objector requests or the board orders a hearing. At least 2 days' notice of the time fixed for the hearing shall be given to the objector or attorney and to the city attorney of the city. The provisions of the statutes relating to boards of review not inconsistent with this subsection apply to proceedings before the boards of review of 1st class cities, except that the board need not adjourn until the assessment roll is completed by the tax commissioner, as required in s. 70.07 (6), but may immediately hold hearings on objections filed with the tax commissioner, and the changes, corrections and determinations made by the board acting within its powers shall be prima facie correct. Appeal from the determination shall be by an action for certiorari commenced within 90 days after final adjournment of the board of review. The action shall be placed at the head of the circuit court calendar for an early hearing.

(b) In 1st class cities if an assessment valuation for taxes based on the value of real property is the same for the current year as for the preceding year and ownership of the property is unchanged, and if an objection had been filed to the assessment valuation for the preceding year and the assessed valuation by the assessor was sustained by the board of review or the courts, an objection filed under sub. (7) to the assessment valuation on the same property for the current year shall be subject to a fee not to exceed \$10 payable to the city at the time of filing the objection or within 3 days thereafter, and the fee shall be a condition for the hearing of the objection before the board of review.

(17) SUMMARY OF PROCEEDINGS. After the board of review has completed its determinations, the clerk shall prepare a summary of the proceedings and determinations, on forms prescribed by the department of revenue, which shall include the following information:

- (a) Name of taxpayer;
- (b) Description or designation of the property subject to the objection;
- (c) Amount of the assessment about which taxpayer objected;
- (d) Names of any persons who appeared on behalf of taxpayer; and
- (e) Board's determination on taxpayer's objection.

(18) TAMPERING WITH RECORDS. (a) Whoever with intent to injure or defraud alters, damages, removes or conceals any of the items specified under subs. (8) (f) and (17) may be

fined not more than \$1,000 or imprisoned not more than 2 years or both.

(b) Whoever intentionally alters, damages, removes or conceals any public notice, posted as required by sub. (2), before the expiration of the time for which the notice was posted, may be fined not more than \$200 or imprisoned not more than 6 months or both.

Judicial Council Note, 1981: References in subs. (13) and (16) (a) to "writs" of certiorari have been removed because that remedy is now available in an ordinary action. See s. 781.01, stats., and the note thereto. [Bill 613-A]

The board of review may deny taxpayer a hearing if he fails to state his objections on an approved form; the board does not have to accept the information supplied by taxpayer in a different style. On certiorari under this section review is limited to the action of the board. *Bitters v. Newbold*, 51 W (2d) 493, 187 NW (2d) 339.

The writ of certiorari under (9a) should not be quashed, the determination of the board of review should be affirmed. *State ex rel. Park Plaza Shop Ctr. v. O'Malley*, 59 W (2d) 217, 207 NW (2d) 622.

Subsequent to the presentation of evidence by the taxpayer, board of review consideration of testimony by the village assessor at an executive session was contrary to the state open meeting law, 66.77, since although it was permissible for the board to convene a closed session for the purpose of deliberating after a quasi-judicial hearing, the proceedings did not constitute mere deliberations but were a continuation of the quasi-judicial hearing without the presence of or notice to the objecting taxpayer. *Dolphin v. Board of Review*, 70 W (2d) 403, 234 NW (2d) 277.

Boards of review cannot rely on exemptions in 19.85 (1) to close any meeting in view of explicit requirements in 70.47 (2m). 65 Atty. Gen. 162.

70.48 Assessor to attend board of review.

The assessor or his authorized representative shall attend without order or subpoena all hearings before the board of review and under oath submit to examination and fully disclose to the board such information as he may have touching the assessment and any other matters pertinent to the inquiry being made. All part-time assessors shall receive the same compensation for such attendance as is allowed to the members of the board but no county assessor or member of a county assessor's staff shall receive any compensation other than his regular salary for attendance at a board of review. The clerk shall make all corrections to the assessment roll ordered by the board of review, including all changes in the valuation of real property. When any valuation of real property is changed he shall enter the valuation fixed by the board in red ink in the proper class above the figures of the assessor, and the figures of the assessor shall be crossed out with red ink. The clerk shall also enter upon the assessment roll, in the proper place, the names of all persons found liable to taxation on personal property by the board of review, setting opposite such names respectively the aggregate valuation of such property as determined by the assessor, after deducting exemptions and making such corrections as the board has ordered.

All changes in valuation of personal property made by the board of review shall be made in the same manner as changes in real estate.

70.49 Affidavit of assessor. (1) The assessors shall annex to the completed assessment roll, before the meeting of the board of review, their affidavits, to be made and certified substantially in the following form:

STATE OF WISCONSIN,
..... County.

We, and, assessors for the of in said county, do solemnly swear that the annexed assessment roll contains according to our best information and belief a complete list of all real and personal property liable for assessment for the present year in said, that the valuations of real and personal property as set down by us (or as corrected by the board of assessors in cities of the 1st class) in said roll have been made impartially according to our best skill and judgment and are the just and equitable valuations of such property at a per cent level of fair market value; and that we have performed to the best of our ability all the duties of our office with respect to said assessment roll in accordance with the statutes relating thereto.

Read to the affiant and subscribed and sworn to before me this day of, 19.....

(2) The value of all real and personal property entered into the assessment roll to which such affidavit is attached by the assessor shall, in all actions and proceedings involving such values, be presumptive evidence that all such properties have been justly and equitably assessed in proper relationship to each other.

(3) No assessor shall be allowed in any court or place by his oath or testimony to contradict or impeach any affidavit or certificate made or signed by him as such assessor.

(4) In this section "assessor" means an assessor or any person appointed or designated under s. 70.055 or 70.75.

70.50 Delivery of roll. Except in cities of the 1st class and in 2nd class cities that have a board of assessors under s. 70.075 the assessor shall, on or before the first Monday in May, deliver the completed assessment roll and all the sworn statements and valuations of personal property to the clerk of the town, city or village, who shall file and preserve them in the clerk's office.

History: 1977 c. 29; 1977 c. 300 ss. 3, 8; 1981 c. 20

70.501 Fraudulent valuations by assessor. Any assessor, or person appointed or designated under s. 70.055 or 70.75, who inten-

tionally fixes the value of any property assessed by him at less or more than the true value thereof prescribed by law for the valuation of the same, or intentionally omits from assessment any property liable to taxation in the assessment district, or otherwise intentionally violates or fails to perform any duty imposed upon him by law relating to the assessment of property for taxation, shall forfeit to the state not less than \$50 nor more than \$250.

70.502 Fraud by member of board of review.

Any member of the board of review of any assessment district who shall intentionally fix the value of any property assessed in such district, or shall intentionally agree with any other member of such board to fix the value of any of such property at less or more than the true value thereof prescribed by law for the valuation of the same, or shall intentionally omit or agree to omit from assessment, any property liable to taxation in such assessment district, or shall otherwise intentionally violate or fail to perform any duty imposed upon him by law relating to the assessment of property for taxation, shall forfeit to the state not less than \$50 nor more than \$250.

70.503 Civil liability of assessor or member of board of review.

If any assessor, or person appointed or designated under s. 70.055 or 70.75, or any member of the board of review of any assessment district is guilty of any violation or omission of duty as specified in ss. 70.501 and 70.502, such persons shall be liable in damages to any person who may sustain loss or injury thereby, to the amount of such loss or injury; and any person sustaining such loss or injury shall be entitled to all the remedies given by law in actions for damages for tortious or wrongful acts. This section does not apply to the department of revenue or its employees when appointed or designated under s. 70.055 or 70.75.

70.51 Assessment review and tax roll in Milwaukee.

(1) The board of review in all cities of the first class whether organized under general or special charter, after they shall have examined, corrected and completed the assessment roll of said city and not later than the first Monday in October, shall deliver the same to the tax commissioner, who shall thereupon reexamine and perfect the same and make out therefrom a complete tax roll in the manner and form provided by law. All laws applicable to any such city relating to the making of such tax rolls shall apply to the making of the tax roll by said tax commissioner, except that the work of making said rolls shall be performed by the assessors and

such other employes in the tax commissioner's office as the tax commissioner shall designate. After the completion of said tax roll in the manner provided by law, the tax commissioner shall annex a warrant in the form prescribed by law and signed by the tax commissioner and deliver the tax roll and warrant to the city treasurer of such city on the third Monday of December in each year.

(1a) If the board of review has not completed its work within the time limited by the first Monday in October, it shall nevertheless deliver the assessment roll to the tax commissioner as therein required, and the tax commissioner shall thereupon perfect the same as though the board of review had fully completed its work thereon. In any case wherein the board of review alters the assessment after the first Monday of October and before the treasurer is required to make the return of delinquent taxes, the assessment roll and the tax roll may be corrected accordingly in the manner provided in s. 70.73 (2), except that the consent of the treasurer shall not be required.

(2) The county clerk of any county having a population of 500,000 or more and containing a city of the 1st class shall deliver his certificates of apportionment of taxes and statement of the names of persons in said city subject to an income tax to the tax commissioner instead of the city clerk of such city.

History: 1975 c. 39, 199; 1977 c. 29 s. 1647 (19); 1977 c. 273.

70.511 Delayed action of reviewing authority.

(1) VALUE TO BE USED IN SETTING TAX RATE. If the reviewing authority has not completed its work prior to the time set by a municipality for establishing its current tax rate, the municipality shall use the total value, including contested values, shown in the assessment roll in setting its tax rate.

(2) TAX LEVIES, REFUNDS. (a) If the reviewing authority has not made a determination prior to the time of the tax levy with respect to a particular objection to value, the tax levy on the property or person shall be based on the contested assessed value of the property. A tax bill shall be sent to, and paid by, the person subject to the tax levy as though there had been no objection filed, except that the payment shall be considered to be made under protest. The entire tax bill shall be paid even though the reviewing authority has reduced the assessment prior to the time for full payment of the tax billed.

(b) If the reviewing authority reduces the value of the property in question, the taxpayer may file a claim for refund of taxes resulting from the reduction in value. The claim for refund shall be filed with the clerk of the municipi-

pality on or before November 1. The claim plus interest on it at the rate of 0.8% per month shall be payable to the taxpayer from the municipality no later than January of the succeeding year. If the taxpayer requests a postponement of proceedings before the reviewing authority, interest on the claim shall permanently stop accruing at the date of the request. If the hearing is postponed at the request of the taxpayer, the reviewing authority shall hold a hearing on the claim within 30 days after the postponement is requested unless the taxpayer agrees to a longer delay. If the reviewing authority postpones the hearing without a request by the taxpayer, interest on the claim shall continue to accrue. In the case of manufacturing property assessed by the department of revenue under s. 70.995, the state shall pay the interest on the refund from the appropriation under s. 20.855 (4) (a), except that no interest may be paid if the reviewing authority determines under s. 70.995 (8) (a) that the value of the property was reduced because the taxpayer supplied false or incomplete information. If the assessment reduction involves a manufacturing property assessed under s. 70.995 or affects the municipality's equalized values, the clerk of the municipality may charge each taxing district for which taxes were collected from the taxpayer that district's proportionate share of the claim for refund. For purposes of this paragraph, the department of revenue shall have the sole discretion to determine the effect of the assessment reduction on the municipality's equalized values. Each taxing district so charged shall pay the municipality no later than January 31 of the year succeeding the taxing district's next property tax levy.

(c) If the reviewing authority increases the value of the property in question, the increase in value shall in the case of manufacturing property assessed by the department of revenue under s. 70.995 be assessed as omitted property as prescribed under s. 70.995 (12). In the case of all other property s. 70.44 shall apply.

70.52 Clerks to examine and correct rolls.

Upon receiving such assessment roll the said clerk shall carefully examine it. The clerk shall correct all double assessments, imperfect descriptions and other errors apparent upon the face of the roll, and strike off all parcels of real property not liable to taxation. The clerk shall add to the roll any parcel of real or personal property omitted by the assessors and immediately notify them thereof; and such assessors shall forthwith view and value the same and certify such valuation to said clerk, who shall enter it upon the roll, and such valuation shall be

final. To enable such clerk to properly correct defective descriptions the clerk may request aid, when necessary, from the county surveyor, whose fees for the services rendered shall be paid by the town, city or village.

History: 1977 c. 29, 203, 273.

70.53 Statement of assessment and exemptions.

Upon the correction of the assessment roll as provided in s. 70.52, the clerks shall prepare and, on or before the 2nd Monday in June, transmit to the supervisor of assessments for the taxation district a detailed statement of the aggregate of each of the several items of taxable property specified in s. 70.30, a detailed statement of each of the several classes of taxable real estate, entering land and improvements separately, as prescribed in s. 70.32 (2), the aggregate of all taxable property by elementary and high school district and by vocational, technical and adult education district, and a detailed statement of the aggregate of each of the several items of exempt real property as specified by the department of revenue, entering land and improvements separately and shall make available to the department of revenue at its request a copy of the corrected assessment roll from which the detailed statement is prepared. Failure to comply subjects the taxation district to the penalty provisions under s. 73.03 (5). The supervisor of assessments shall review and correct the statement and provide corrected copies to the county clerk with respect to the towns, cities and villages within each county, and to the secretary of revenue. Every county clerk shall, at the expense of the county, annually procure and furnish to each town, city and village clerk blanks for such statements, the form of which shall be prescribed by the department of revenue.

70.55 Special messenger. Whenever any town, city or village clerk shall have failed to transmit any such statement within the time fixed as aforesaid, the county clerk or the department of revenue shall send a messenger therefor, who shall be paid and the expenses charged back as provided in s. 69.67 or 73.03 (6), respectively; and whenever any county clerk shall have failed to transmit any such abstract, within the time fixed as aforesaid, the department of revenue may send a messenger therefor, who shall be paid and the expenses therefor charged back to the county.

70.555 Provisions directory. The directions herein given for the assessing of lands and

personal property and levying and collecting taxes shall be deemed directory only, and no error or informality in the proceedings of any of the officers intrusted with the same, not affecting the substantial justice of the tax, shall vitiate or in anywise affect the validity of such tax or assessment.

70.56 Lost roll. (1) NEW ASSESSMENT.

Whenever the assessment roll of any assessment district shall be lost or destroyed before the second Monday of October in any year and before the tax roll therefrom has been completed the assessor of such district shall immediately prepare a new roll and as soon thereafter as practicable make a new assessment of the property in his district. If the board of review for such district shall have adjourned without day before such new assessment is completed such board shall again meet at a time fixed by the clerk of the town, city or village, not later than the fourth Monday in October, and like proceedings shall be had, as near as may be, in reference to such new assessment and assessment roll as in case of other assessments, and such clerk shall give notice of the time and place of such meeting of the board of review as is provided in s. 70.47 (2). Such new assessment and assessment roll shall be deemed the assessment and assessment roll of such assessment district to all intents and purposes. In case the assessor shall fail to make such new assessment or the board of review shall fail to meet and review the same, or any assessment roll is lost or destroyed after the second Monday in October in any year and before the tax roll therefrom is completed, or both the assessment roll and tax roll are lost or destroyed, then the county clerk shall make out and deliver a tax roll in the manner and with like effect as provided in s. 70.71.

(2) SAME. Whenever a tax roll in any town, city or village shall be lost or destroyed before it has been returned by the treasurer or sheriff holding the same, a new roll shall be prepared in like manner and with like warrant as the first, and delivered to such treasurer or sheriff, who shall complete the collection of the taxes and return such new tax roll in the manner provided for the original tax roll.

History: 1977 c. 29 s. 1647 (19).

70.57 Assessment of counties and taxation districts by department. (1)

The department of revenue before August 15 of each year shall complete the valuation of the property of each county and taxation district of the state. From all the sources of information accessible to it the department shall determine and assess by class the value of all property subject to general property taxation in each county and taxation

district. It shall set down a list of all the counties and taxation districts and opposite to the name of each county and taxation district the valuation determined by the department, which shall be the full value according to its best judgment. There shall also be prepared a list of all the counties of the state, with opposite the name of each county the valuation determined, which shall be certified by the secretary of revenue as the assessment of the counties of the state made by the department, and be delivered to the department of administration. In any case where the department, through mistake or inadvertence, has assessed to any county or taxation district a greater or less valuation for any year than should have been assessed, it shall correct the error by adding to or subtracting from (as the case may be) the valuation of the county or taxation district as determined by it at the next succeeding assessment, the amount omitted from or added to the true valuation of the county in the former assessment in consequence of the error, and the result shall be taken as the full value of the county for the latter year and a final correction of the error.

(1m) On August 15 the department of revenue shall notify each county and taxation district of its equalized value. Upon adoption of a resolution by the governing body of the county or taxation district or upon request by the local assessor, the chief elected official or the person designated by the governing body, the department of revenue shall make available to the person or governing body all sales information and other information used to establish the equalized value for the county or taxation district. Upon resolution by the governing body of a county or taxation district, the department shall review the equalized value established for the county or taxation district.

70.575 State assessment, time. The department, not later than August 15 in each year, shall total the assessments of counties made by the department of revenue under s. 70.57, and the total shall be known as the state assessment and shall be the full market value of all general property of the state liable to state, county and local taxes in the then present year. The department shall enter upon its records such state assessment.

On or before the 4th Monday of August in each year the department of administration shall certify to the county clerk of each county the amount of the taxes apportioned to and levied upon the county, and all special charges which the county clerk is required by law to make in any year to any such county to be collected with the state tax. The county clerk shall then charge to each county the whole amount of such taxes and charges, and the same shall be paid into the state treasury as provided by law.

70.62 County tax rate. (1) COUNTY BOARD TO DETERMINE. The county board shall also, at such meeting, determine by resolution the amount of taxes to be levied in their county for the year.

(2) MAXIMUM. The total amount of county taxes assessed, levied and carried out against the taxable property of any county in any one year shall not exceed in the whole one per cent of the total valuation of said county for the current year as fixed by the department of revenue except as provided in pars. (a) to (c):

(a) In counties containing one town only, the total amount of county taxes assessed, levied and carried out against the taxable property of such county in any one year shall not exceed in the whole one and one-half per cent of the total valuation of said county for the current year as fixed by the department of revenue;

(b) This limitation shall not apply to any taxes levied to pay the principal and interest upon any valid bonds or notes of the county now outstanding or hereafter issued or to any taxes levied to pay expenses resulting from perform-

ance of functions which prior to January 1, 1973, were the responsibility of municipalities of the county;

(c) In counties having a population of 250,000 or more such limitation shall not apply to any taxes levied pursuant to s. 59.083 to provide for the exercise of the powers and functions relating to the consolidation of municipal services in such counties.

(3) OMITTED TAX. Whenever the county board of any county shall fail to apportion against any town, city or village thereof in any year any state, county or school tax or any part thereof properly chargeable thereto, such county board shall, in any succeeding year, apportion such taxes against such town, city or village and add the proper amount thereof to the amount of the current annual tax then apportioned thereto.

(4) LIMITATION ON LEVIES. (a) Tax levies of counties in 1981, payable in 1982, and in subsequent years for county purposes shall not exceed the greater of the maximum allowable levy calculated for the prior year or the actual levy for the prior year, including any portion allowed by referendum, by a greater percentage than the percentage of increase, if any, of the equalized value of all general property assessed in the state in 1981 and in subsequent years over the equalized value of all general property assessed in the state in 1980 and in subsequent years, respectively, except as provided in pars. (b), (e), (em), (h) and (i) and except that levies for the payment of principal and interest on general obligation bonds and notes issued for an original term of more than one year shall not be affected by this subsection. In determining the levies to be limited by this subsection, an amount equal to principal and interest on general obligation bonds and notes issued for an original term of more than one year included in the prior year's levy shall be excluded from the prior year's levy. In determining levies of 1976 and in subsequent years there shall be an additional exclusion from the prior year's levy of all nonlevy receipts for the retirement of general obligation bonds and notes issued for an original term of more than one year.

(ae) Tax incremental finance tax increments paid by any county under s. 66.46 are excluded from county levies for purposes of determining maximum allowable levies under par. (a) unless the tax increments, in whole or in part, revert to the county on termination of a tax incremental finance district.

(am) If the amount of levy increase determined under par. (a) is zero, the county may increase its levy by an amount equal to the levy increase it would have been certified if it had

had a levy resulting from a tax rate of .75 of a mill.

(b) In addition to the increase allowed under par. (a), a county may increase its levy for county purposes in the amount that estimated shared revenues distributable to it in the year of the levy under subch. I of ch. 79 exceed the estimated shared revenues distributable to it in the subsequent year. For the 1981 levy, payable in 1982, the estimated shared revenues distributable in the year of the levy shall include the estimates of payments under ss. 70.996 and 79.16 (3), 1979 stats. In this paragraph, "estimated shared revenues distributable" in 1982, 1983, 1984 and 1985 means the net amount indicated on the statement of estimated payments under s. 79.015, as affected by special adjustment repayments under s. 79.085 (3) and repayments of amounts withheld under s. 79.085 (5).

(d) The department of revenue shall make the estimates of 1976, 1977 and 1978 shared taxes referred to in par. (b). It shall notify the county of its 1976 estimate for the county on or before October 24, 1975; and of its 1977 estimate for the county on or before October 22, 1976; and of its 1978 estimate for the county on or before October 21, 1977. The estimates of the department of revenue shall be final.

(dm) The amount of increase allowed under this subsection may be further increased by an amount representing the difference between the amount of surplus funds used to reduce the prior year's levy and the amount of surplus funds available to reduce the current year's levy, if the latter is the lesser.

(e) In any county where the population has increased at a rate greater than the statewide rate of population growth, the amount of increase allowed may be further increased by an amount equal to the previous year's levy divided by the previous year's population multiplied by the difference between the actual county population increase and the amount by which the county's population would have increased if the county's population had increased at the statewide rate of population growth. Population growth shall be measured between the year of levy and the previous year. Population estimates determined under s. 16.96 (2) (c) shall be used in this paragraph.

(em) The amount of the levy allowed under this subsection may be increased by the following amounts:

1. The amount needed for increased costs of court judgments and out-of-court settlements.

2. The amount needed for increased operating and debt service cost of compliance with written lawful orders by this state, an adjoining state, the United States, or any agency or subdivision

thereof, for air and water pollution abatement, solid waste or waste treatment facilities. Copies of such orders shall be filed with the department of revenue.

3. The amount needed for repairing the effects of natural disasters.

4. An amount not to exceed the estimated amount of any decrease in federal general revenue sharing funds from the current year to the following year, if such estimates are available from the U.S. office of federal revenue sharing.

6. The amount needed to defray the unreimbursed costs incurred in assuming ownership of a service or function previously owned and administered by the private sector.

7. An amount equal to the increase in costs related to the provision of new or expanded programs under subch. V of ch. 115.

8. An amount equal to the increase in cost related to the provision of programs under ss. 59.861 to 59.866.

9. The cost of any local bridge project for which the county is liable under s. 84.18.

(f) If the county levies taxes in excess of the maximum allowed by this subsection without receiving approval of the electors under par.

(g), the excess amount, if it is more than \$100, shall be subtracted from subsequent distributions of shared revenue under subch. I of ch. 79 until fully recovered, and the levy shall be reduced by the amount of the excess, regardless of the amount, in determining the maximum allowable levy for the next year.

(g) If the county board desires to increase its tax levy above the limitations specified in this subsection, it shall publish such intent in a class I notice under ch. 985 in the official county newspaper. The question of the proposed increase in levy above the limitations specified in this subsection shall be submitted to a referendum at a spring election, general election or special election. If the increase is approved at the referendum, the county may increase its levy above the limitations specified in this subsection and shall notify the department of revenue of the increase, on a form provided by the department.

1. The question presented to the electors shall be in substantially the following form: "Should the county board be authorized to adopt a property tax levy for this year which is in excess of the maximum levy allowed by the state?"

2. The authorization by referendum shall pertain only to the levy next following the referendum.

3. The county clerk shall notify the department of revenue of the result of any such referendum no later than 10 days thereafter.

(h) In the case of a county newly assuming functions formerly performed by a municipality in the county, the levy of the county may be

further increased in an amount necessary to compensate the county for unreimbursed outlays in performing those functions. The county clerk shall submit to the department of revenue by November 15 a statement of the unreimbursed costs it will incur in the following year by the transfer of functions, a copy of the record of the county board action effecting the assumption of functions and a listing of the unreimbursed costs the municipality or municipalities will incur in the current year for the function being assumed by the county. In the case of a municipality newly assuming functions formerly performed by the county, the levy of the county shall be reduced by the amount of the unreimbursed expenses that the county formerly incurred in performing those functions.

(i) The amount allowed under this subsection shall not be applied to cause the general property tax rate to exceed the maximum rate otherwise provided by statute.

(k) The department of revenue may promulgate rules to ensure the implementation of this subsection.

(l) For levies in 1979, the percentage increase provided for under par. (a) shall be the same as that for levies in 1978.

70.63 Apportionment of county taxes.

(1) **BY COUNTY CLERK.** The county clerk shall apportion the county tax and the whole amount of state taxes and charges levied upon the county, as certified by the department of administration, among the towns, cities and villages of the county, according and in proportion to the valuation thereof as determined by the department of revenue. The county clerk shall carry out in the record book, opposite the name of each in separate columns, the amount of state taxes and charges and the amount of county taxes so apportioned thereto, and the amount of all other special taxes or charges apportioned or ordered, or which the clerk is required by law to make in any year to any town, city or village, to be collected with the annual taxes. The clerk shall certify to the clerk of and charge to each town, city and village, except in cities of the 1st class, the amount of all such taxes so apportioned to and levied upon it, and shall, at the same time, file with the county treasurer a certified copy of each apportionment.

(2) **CITY OF FIRST CLASS.** The county clerk shall certify in a similar manner to the tax

commissioner of each city of the first class located within the limits of the county.

History: 1973 c. 90; 1981 c. 20.

70.64 Review of equalized values. (1) **BY TAX APPEALS COMMISSION.** The assessment and determination of the relative value of taxable general property in any county or taxation district, made by the department of revenue under s. 70.57, may be reviewed, and a redetermination of the value of such property may be made by the tax appeals commission, upon appeal by the county or taxation district. The filing of such appeal in the manner provided in this section by any county or taxation district shall impose upon the commission the duty, under the powers conferred upon it by s. 73.01 (4) (a), to review the assessment complained of. If, in its judgment based upon the testimony, evidence and record made on the preliminary hearing of such appeal, the commission finds such assessment to be unequal and discriminatory, it shall determine to correct such assessment to bring it into substantial compliance with law. Except as provided in this section, the appeal shall be taken and such review and redetermination shall be made as provided in ss. 73.01 and 73.015 and under the rules governing the procedure of the commission.

(2) **AUTHORIZATION OF APPEALS.** To authorize such appeal an order or resolution directing the same to be taken shall be adopted by the governing body of the county or taxation district taking the appeal at a lawful meeting of the governing body. When an appeal shall have been authorized the prosecution of it shall be in charge of the chairperson of the county board or county administrator or of the chairperson, mayor or president of the taxation district taking the appeal unless otherwise directed by the governing body. The officers or committee in charge of the appeal may employ attorneys to conduct the appeal. After authorizing an appeal as provided in this subsection, any 2 or more taxation districts in the same county may join in taking and prosecuting an appeal.

(3) **FORM OF APPEAL.** To accomplish an appeal there shall be filed with the tax appeals commission on or before October 15 an appeal in writing setting forth:

(a) That the county or taxation district, naming the same, appeals to the tax appeals commission from the assessment made by the department of revenue under s. 70.57, specifying the date of such assessment.

(b) Whether the appeal is to obtain a review and redetermination of the assessment of all the taxation districts of the county or of particular districts only, therein specified.

(c) Whether review and redetermination is desired as to real estate, or personal property, or both.

(d) That the appeal has been authorized by an order or resolution of the county board or governing body of the taxation district in whose behalf the appeal is taken.

(e) A plain and concise statement, without unnecessary repetition, of the facts constituting the grievance sought to be remedied upon appeal, which shall specifically allege in what respects the assessment is in error.

(f) The appeal shall be verified by a member of the governing body of the county or taxation district authorizing the appeal in the manner that pleadings in courts of record are verified. When 2 or more taxation districts join in taking such appeal the verification may be made by the proper officer of any one of them.

(4) CERTIFIED COPIES. Upon the filing of such appeal, the clerk of the county or taxation district, without delay, shall prepare certified copies of it, together with certified copies of the value established by the department of revenue from which the appeal is taken and a complete list showing the clerk of each taxation district within the county and the post-office address of each. The clerk shall mail by certified mail 4 sets of certified copies to the tax appeals commission and one set of the copies to the department of revenue, the county clerk and the clerk of each taxation district within the county.

(5) APPEARANCE. Not later than 30 days after the clerk of the county or taxation district has mailed the certified copies, unless the time is extended by order of the tax appeals commission, any county, town, city or village may cause an appearance to be entered in its behalf before the commission in support of the appeal and uniting with the appellant for the relief demanded; and by verified petition or statement showing grounds therefor may apply for other or further review and redetermination than that demanded in the appeal. Within the same time the county, town, city or village in the county may in the same manner have its appearance entered in opposition to the appeal and to the relief demanded. Such appearances shall be authorized in the manner for authorizing an appeal under sub. (2). When so authorized the interests of the county, town, city or village authorizing it shall be in the charge of the chairman, mayor or president thereof unless otherwise directed by the body authorizing such appearance; and attorneys may be employed in that behalf. In such appearances any 2 or more of the towns, cities and villages of the county may join if united in support of or in opposition to the appeal. Four copies of each appearance, petition or statement mentioned in this subsec-

tion shall be filed in the offices of the tax appeals commission and a copy of each mailed by certified mail to the department of revenue, to the county clerk, and to the clerk of each town, city and village within the county, and a copy to the attorney authorized to appear on behalf of the county or any town, city or village within the county.

(6) HEARING. As soon as practicable, the commission shall set a time and place for preliminary hearing of such appeal. At least 10 days before the time set for such hearing, the commission shall cause notice thereof to be mailed by certified mail to the county clerk and to the attorney or the clerk of each town, city and village in whose behalf an appearance has been entered in the matter of such appeal, and to the clerk of each town, city or village which has not appeared, and mail a like notice to the clerk of the taxation district taking such appeal and to the department of revenue. The department of revenue shall be prepared to present to the commission at such time during the course of the hearings as the commission requires, the full value of all property subject to general property taxation in each town, village and city of the county, as determined by the department according to s. 70.57 (1) or in the case of a complaint by a taxation district under a county assessor such information as the department has in its possession. Said hearing may be adjourned, in the discretion of the tax appeals commission, as often and to such times and places as may be necessary in order to determine the facts. If satisfied that no substantial injustice has been done in the taxation district assessment appealed from, the commission in its discretion may dismiss such appeal. If satisfied that substantial injustice has been done in the taxation district assessment, the commission shall determine to revalue any or all of the taxation districts in the county, which it deems necessary, in a manner which in its judgment is best calculated to secure substantial justice.

(7) REDETERMINATION. The commission shall then proceed to redetermine the value of the taxable general property in such of the taxation districts in the county as it deems necessary. It may include in such redetermination other taxation districts than first determined upon and may include all of the taxation districts in said county, if at any time during the progress of its investigations or revaluations it is satisfied that such course is necessary in order to accomplish substantial justice and to secure relative equality as between all the taxation districts in such county. It shall make careful investigation of the value of taxable general property in the several taxation districts to which such review and redetermination shall

extend, in any manner which in its judgment is best calculated to obtain the fair, full value of such property. The commission may employ such experts and other assistants as may be necessary, and fix their compensation. In making such investigations the commission and all persons employed therein by the commission shall have all the authority possessed by assessors so far as applicable, including authority to administer oaths and to examine property owners and witnesses under oath as to the quantity and value of the property subject to assessment belonging to any person or within any taxation district to which the investigation shall extend.

(8) HEARING. The commission may at any time before its final determination appoint a time and place at which it will hear evidence and arguments relevant to the matters under consideration upon such appeal. The time to be devoted to such hearings may be limited as the commission directs. At least 10 days before the time fixed for such hearings, the commission shall cause notice thereof to be mailed by certified mail to the county clerk and to the attorney or other representative of each town, city and village in whose behalf an appearance has been entered in the matter of such appeal, and a like copy to the department of revenue.

(9) TESTIMONY. The tax appeals commission may take testimony. Witnesses summoned at the instance of said commission shall be compensated at the rates provided by law for witnesses in courts of record, the same to be audited and paid the same as other claims against the state, upon the certificate of said commission. If any property owner or other person makes any false statement to said commission or to any person employed by it upon any matter under investigation he shall be subject to all the forfeitures and penalties imposed by law for false statements to assessors and boards of review.

(10) DETERMINATION. The tax appeals commission shall make its determination upon such appeal without unreasonable delay and shall file a copy thereof in the office of the county clerk and mail by certified mail a like copy to the department of revenue and to the clerk and attorney of the taxation district appealing, and a copy to the clerk and attorney of each taxation district having appeared. In such determination the commission shall set forth the relative value of the taxable general property in each town, city and village of such county as found by them, and what sum, if any, shall be added to or deducted from the aggregate value of taxable property in each such taxation district as fixed in the determination of the county board from which such appeal was taken in order to produce

a relatively just and equitable taxation district assessment. Such determination shall be final.

(11) COMPUTATION. The determination of the commission shall not affect the validity of taxes apportioned in accordance with the taxation district assessment from which such appeal was taken; but if it is determined upon such appeal that such taxation district assessment is relatively unequal, such inequality shall be remedied and compensated in the apportionment of state and county taxes in such county next following the determination of said commission in the following manner: Each town, city and village whose valuation in such taxation district assessment was determined by said commission to be relatively too high shall be credited a sum equal to the amount of taxes charged to it upon such unequal assessment in excess of the amount equitably chargeable thereto according to the determination of the commission; and each town, city and village whose valuation in such taxation district assessment was determined by said commission to be relatively too low shall be charged, in addition to all other taxes, a sum equal to the difference between the amount charged thereto upon such unequal assessment and the amount which should have been charged thereto according to the determination of the commission. The department of revenue shall aid the county clerk in making proper computations.

(12) EXPENSES. The tax appeals commission shall transmit to the county clerk with its determination on such appeal a statement of all expenses incurred therein by or at the instance of the commission, which shall include the actual expenses of the commission and regular employes of the commission, the compensation and actual expenses of all other persons employed by it and the fees of officers employed and witnesses summoned at its instance. A duplicate of such statement shall be filed in the office of the department of administration. Such expenses shall be audited upon the certificate of the commission, and paid out of the state treasury, in the first instance, as other claims against the state are audited and paid. The amount of such expenses shall be a special charge against such county and shall be included in the next apportionment and certification of state taxes and charges, and collected from such county, as other special charges are certified and collected. Unless otherwise directed by the commission in its determination upon such appeal, the county clerk, in the next apportionment of state and county taxes, shall apportion the amount of such special charges to and among the towns, cities and villages in such county whose relative valuations were increased in the determination of the commission in proportion to the amount of such

increase in each of them respectively. The apportionment of such expenses shall be set forth in the determination of the commission. The amount so apportioned to each such town, city and village shall be charged upon its tax roll and shall be collected and paid over to the county treasurer as other state taxes and special charges are collected and paid.

(13) PROCEDURES. The provisions of s. 73.01, insofar as consistent with this section, shall be applicable to proceedings under this section.

History: 1973 c. 90; 1981 c. 20.

70.65 Tax roll. (1) From the assessment roll when so corrected, the clerk of the taxation district shall make out in a book to be called a tax roll, a complete list of all the taxable real property, except as directed under this section in regular order as to lots and blocks and sections and parts of sections, by the proper corrected descriptions and having entered opposite in separate columns the name of the person to whom assessed before, and the valuation after the description and also a complete alphabetical list of all persons in the clerk's town having any taxable personal property, with the aggregate valuation of the property and the number of the school district in which it is subject to taxation set opposite in separate columns. Whenever the property located in an unincorporated village the limits of which have been designated by the town board is embraced in a town tax roll the list of the real property and of persons taxable for personal property shall be entered in a continuous part of the roll. Public lands sold and not patented and lands mortgaged to the state shall be separately entered under a proper heading.

(2) The aggregate amount of state, county, local, school and other general property taxes shall be carried in a single column in the tax roll opposite the parcel or tract of land against which the tax is levied, or, in case of personal property, in a single column opposite the name of the person against whom the tax is levied. Each tax bill or receipt shall show the purpose for which the taxes are to be used, giving the breakdown for state, county, local, school and other general property taxes.

History: 1981 c. 20.

70.66 Calculation and statement of taxes.

(1) BY TAXATION DISTRICT CLERKS. Upon receipt of the certificate of the apportionment from the county clerk and the secretary of the metropolitan sewerage district created under ss. 66.88 to 66.918, each taxation district clerk shall uniformly calculate and carry out in one item opposite to each valuation in the tax roll the amount required to be raised upon the valuation

to realize in the taxation district the whole amount of state, county, school, metropolitan sewerage district and other taxes so certified, together with the town, village or city and other local taxes, except taxes to pay judgments, that are to be levied uniformly upon all the taxable property in the taxation district; and all other taxes, if any, including taxes to pay judgments, in separate column opposite the valuation of the property to be charged.

(2) UNPAID TAX ENTERED. The clerk shall enter upon the roll a statement showing the amounts of taxes levied upon the taxation district or any part thereof and for what purpose; provided, in case the board of supervisors of any county orders, the taxation district clerk shall calculate and carry out in one item the amounts of taxes that are to be levied uniformly upon the taxable property of the taxation district in a single column on the roll, the form of which may be prescribed by such county board.

(4) SPECIAL ASSESSMENT. All special assessments shall be carried out on the tax roll in a separate column or columns opposite the lots or tracts upon which the same may be a lien, and the treasurer shall have the same authority with reference thereto as if the amount of such lien was a general tax.

History: 1973 c. 90; 1981 c. 20; 1981 c. 282.

70.665 Tax statement. The real and personal property tax bills prepared by the clerks of each taxation district, after July 1, 1962, shall show the amount of the tax that would be levied if there were no distribution of the Wisconsin tax credit under s. 79.10. The real and personal property tax bills prepared by the clerks of the taxation districts after January 1, 1981, shall show the assessed value of the property as it appears on the tax roll and the estimated fair market value of the property. The clerks shall also include with the tax bill an explanation as prescribed by the department of revenue of the procedure used to establish the estimated fair market value. For the purpose of this section, the "estimated fair market value" of taxable property is the quotient of the assessed value of the property divided by the assessment ratio of all taxable property in the taxation district for the same year as determined by the department of revenue.

70.67 Municipal treasurer's bond; substitute for. (1)

The treasurer of each town, city or village shall, unless exempted under sub. (2), execute and deliver to the county treasurer a bond, with sureties, to be approved, in case of a town treasurer, by the chairman of the town,

and in case of a city or village treasurer by the county treasurer, conditioned for the faithful performance of the duties of the office and that the treasurer will account for and pay over according to law all taxes of any kind which are received and which are required to be paid to the county treasurer. If such bond is executed, or the condition thereof guaranteed by personal sureties, the amount of the bonds shall be double the amount of state and county taxes apportioned to the town, village or city, provided that the amount of such bond shall not exceed the sum of \$500,000. When such bond is executed, or the condition thereof guaranteed, solely by a surety company as provided in s. 632.17 (2), such bond shall be in a sum equal to the amount of such state and county taxes, provided that the amount of such bond shall not exceed the sum of \$250,000. The county treasurer shall give to said town, city or village treasurer a receipt for said bond, and file and safely keep said bond in the office.

(2) The treasurer of any municipality shall not be required to give such bond if the governing body thereof shall by ordinance obligate such municipality to pay, in case the treasurer thereof shall fail so to do, all taxes of any kind required by law to be paid by such treasurer to the county treasurer. Such governing body is authorized to so obligate such municipality. If the governing body of the municipality has adopted an ordinance as specified in this subsection, it may demand from its treasurer, in addition to the official bond required of all municipal treasurers, a fidelity or surety bond in an amount and upon such terms as may be determined by the governing body. Such bond shall run to the town or village board or the city council, as the case may be, and shall be delivered to the clerk of the municipality. A certified copy of such ordinance filed with the county treasurer shall be accepted by him in lieu of the bond required by sub. (1). Such ordinance shall remain in effect until a certified copy of its repeal shall be filed with the county clerk and the county treasurer. The official bond executed pursuant to s. 19.01, required of municipal treasurers, shall extend to and include the liability incurred by any town, city or village whose governing board shall adopt and certify to the county treasurer an ordinance in accordance with this subsection.

(2) **CLERK TO DELIVER TAX ROLL.** The clerk shall deliver the tax roll, with said warrant annexed, to the treasurer, if he shall have duly qualified as such, on or before the third Monday in December, and charge him with the town and local taxes therein.

(4) **NOTICE OF TIME FOR PAYMENT.** In cities of the 2nd, 3rd and 4th classes on receipt of such tax roll the treasurer shall give one week's notice thereof by a class 1 notice, under ch. 985. Such notice shall specify how and when taxes must be paid. In cities authorized by charter to sell land for nonpayment of city taxes, the city treasurer shall give notice of collection of taxes in such form and manner as is provided in said charter.

(5) **COLLECTION OF TAXES.** (a) *By treasurer, except in cities of first class.* On the expiration of the time specified the treasurer shall proceed to enforce the collection of such taxes in the manner provided by law; provided, that in cities of the first class however organized he shall issue his warrant, directed to the chief of police of the city, requiring him, within a time specified therein to collect all state, county, city, school and other taxes due on personal property as shall then remain unpaid, and the chief of police receiving such warrant shall possess all the

powers given by law to town treasurers for the collection of such taxes, and be subject to the liabilities and entitled to the same fees as town treasurers in such cases, but such fees shall be turned over to the city treasurer and become a part of the general fund.

(b) *Bond of chief of police.* Before the treasurer shall sign his warrant to the chief of police such chief of police shall give a bond to the city, in such sum and with such sureties as the council may prescribe, for the payment to the city treasurer of all taxes by him collected or received by virtue of such warrant.

(c) *Return of tax warrant.* Within the time required by these statutes in the case of town treasurers for the return to the county treasurers of the delinquent taxes on personal and real property, the said chief of police, in cities of the first class, shall return his warrant for the collection of taxes of personal property to the treasurer.

(d) *Collection by police department.* The governing body of any city or village may by ordinance provide for the collection of delinquent taxes by the police department in the manner provided by this subsection.

70.69 Delivery of roll before treasurer qualifies. If the tax roll shall have been delivered to the treasurer before qualification it shall be recalled from him and delivered to a treasurer appointed and qualified according to law; if it cannot be obtained the clerk shall make a new one, in the same manner, directed to the treasurer so appointed and qualified, upon which he shall collect only the balance of taxes then remaining unpaid, and shall demand and sue for such as were collected upon the original roll from the person so collecting the same.

70.70 Delivery to sheriff. If the treasurer-elect fails to qualify as such or to file bond with the county treasurer, in the manner and within the time prescribed, and the board fails to appoint a treasurer, or the person appointed fails to qualify and give bond and deliver a receipt therefor by the 3rd Monday in December, the clerk shall deliver the tax roll and warrant to the sheriff of the county, or if the same cannot be obtained in the case mentioned in s. 70.69, a new roll and warrant, made as aforesaid, which the sheriff shall deliver to the county treasurer who shall make like collections and returns, and who shall collect for the county treasury for his or her services in cities one percent, and in towns and villages 2% upon all taxes paid on or before January 31, and on all taxes collected by him or her after said date, in cities 4%, and in towns and villages 5%, said fees to be computed and

added to the amounts as specified on the tax roll, and he or she shall be responsible and be vested with all powers to the same extent as municipal treasurers for all taxes so handed over to him or her for collection.

History: 1975 c. 324; 1977 c. 212.

70.71 Proceedings if roll not made. (1)

Whenever any town, city or village clerk neglects or refuses to make and deliver the tax roll and warrant within the time required by law the county clerk shall, at any time after such neglect or refusal, demand and summarily obtain the assessment roll for such year, and make, in the same manner as required of the town clerk, a tax roll for such town, city or village and the like warrant thereto, and deliver the same to the county treasurer for collection, who shall have the power and proceed as directed in s. 70.70, in the case there provided, to execute such warrant.

(2) If the assessment roll cannot be obtained the county clerk may use a copy thereof if obtainable. If he can obtain neither original nor copy he shall make out, to the best of his ability, a tax roll from the last assessment or tax roll on file in his office or in the office of the county treasurer, which shall then be taken and deemed conclusively the legal tax roll of such town for all purposes whatever. For all such services the county clerk shall be allowed by the county board and paid from the county treasury a reasonable compensation, which shall be charged to the town in the next apportionment of taxes.

History: 1975 c. 324.

70.72 Clerical help on reassessment.

Whenever a reassessment or reassessments of taxes shall hereafter be ordered in any town, the town board of such town may employ such additional clerical help for the purpose of preparing the tax rolls upon such reassessment as in its judgment shall be necessary.

70.73 Correction of tax roll. (1) BEFORE DELIVERY.

Whenever it shall be discovered by any town, village or city clerk or treasurer that any parcel of land has been erroneously described on the tax roll he shall correct such description, and when he shall discover that personal property has been assessed to the wrong person, or two or more parcels of land belonging to different individuals or corporations have been erroneously assessed together on his tax roll, he shall notify the assessor and all parties interested, if residents of the county, by notice in writing to appear at the clerk's office at some time, not less than five days thereafter, to correct the assessment roll, at which time and place the assessment roll shall be corrected by

entering the names of the persons liable to assessment thereon, both as to real and personal property, describing each parcel of land and giving its proper valuation to each parcel separately owned; but the valuation so given to separate tracts of real estate shall not together exceed nor be less than the valuation given to the same property when the several parcels were assessed together. Such valuation of parcels of land or correction of names of persons assessed with personal property may be made at any time before the tax roll and warrant shall be returned to the county treasurer for the year in which such tax is levied. Such valuation or correction of names, when so made, shall be held just and correct and be final and conclusive.

(2) **AFTER DELIVERY.** Whenever after delivery of the tax roll to the treasurer it shall be discovered that any city, town or village clerk in making out the tax roll has made a mistake therein in entering the description of any real or personal property, or the name of the owner or person to whom assessed, or in computing or carrying out the amount of the tax, or where the tax is computed and carried out on a palpably erroneous entry on the assessment roll, the clerk with the consent of the treasurer at any time before the treasurer is required to make his return of delinquent taxes, may correct the name of the taxpayer, the description of property or errors in computing or carrying out the tax to correspond to the entry which should have been made on the tax roll before delivery to the treasurer. If any such corrections shall produce a change in the total amount of taxes entered in the tax roll, the clerk shall make corresponding corrections in the warrant annexed to such roll. The clerk shall enter a marginal note opposite each correction, stating when made, which shall be signed by the clerk and treasurer.

(3) **NOTICE OF CORRECTION.** When the assessment roll shall have been so corrected the clerk shall enter a marginal note on the roll stating when the correction was made by the assessor; and if the taxes shall have been extended against the property previously the clerk shall correct the tax roll in the same manner that the assessment roll was corrected, and extend against each tract the proper amount of tax to be collected.

70.74 Lien of reassessed tax. (1) Whenever any tax or assessment or any part thereof levied on real estate, whether heretofore or hereafter levied, shall have been set aside or determined to be illegal or void or the collection thereof prevented by the judgment of a court or the action of the county board; or whenever any town, city or village treasurer shall have been

prevented by injunction from collecting or returning as delinquent any such tax or assessment in consequence of any irregularity or error in any of the proceedings in the assessment of such real estate, the levy of such tax or the proceedings for its collection, or of any erroneous or imperfect description of such real estate, or of any omission to comply with any form or step required by law, or of the affixing of a revenue stamp to the tax certificate, and including the amount thereof in the same, or the including of any illegal addition with the lawful tax, or for any other cause, then, if the real estate was properly taxable or assessable, if it be not a proper case to collect by a resale of the land, such tax, or so much thereof as shall not have been collected and as may be taxable or assessable thereto may be reassessed or releived upon such real estate at any time within 3 years after such judgment or such action of the county board or the dissolution of such injunction; and the proper town board, village board, board of trustees or common council shall make an order directing the same to be reassessed upon such real estate, and the clerk shall insert the same in the tax roll, opposite such real estate, in a separate column, as an additional tax, and the same shall be collected as a part of the tax for the year when so placed on the roll. Any such school district tax shall be so reassessed and releived on the order of the town board; but the provisions of this section shall not be construed as conflicting with, limiting or in any way affecting the reassessment provided for in ss. 75.54 and 75.55. The lien of any tax reassessed as provided in this section shall attach to the land as of the date when such tax as originally levied became a lien and shall continue and constitute the lien of any tax sale certificate issued upon the sale of such lands for such reassessed tax. Such lien shall be superior to the lien of any tax sale certificate issued upon the sale of such land dated after the date of the lien of such reassessed tax but prior to the date of the tax sale certificate issued upon the sale of such land for such reassessed tax.

(2) Whenever any tax or assessment or any part thereof levied on real estate shall have been set aside or determined to be illegal or void or the collection thereof prevented by the judgment of a court or the action of the county board and such tax or assessment shall not be justly reassessable, the county board may order such tax or assessment to be charged back to the respective town, city or village wherein such lands are situated in the next apportionment of county taxes, provided that the amount so charged back shall not include any tax or assessment the illegality of which is solely attributable to erroneous action by the county or its officers.

70.75 Reassessments. (1) REASSESSMENTS, HOW MADE. (a) If it satisfactorily appears to the department of revenue upon written complaint made by the owners, or their legal representatives, of taxable property in any taxation district, other than an assessment district within the corporate limits of any city of the 1st class, the aggregate assessed valuation of which is not less than 5% of the assessed valuation of all of the property in such district, according to the assessment sought to be corrected and upon full investigation, that the assessment of property in the taxation district is not in substantial compliance with the law and that the interest of the public will be promoted by a reassessment thereof, the department may order a reassessment of all or of any part of the taxable property in the district to be made by one or more persons to be appointed for that purpose by the department. If the department performs the reassessment or special supervision under sub. (3) the department shall designate the person responsible for the reassessment. If the department appoints a corporation for the ordered reassessment or special supervision under sub. (3), the corporation shall designate the person responsible for the reassessment. The corporate or departmental designee shall file the official oath under s. 19.01. The filing in the office of the department of the application for such reassessment, signed by the required number of taxpayers or their legal representatives, shall impose upon the department the duty, under the powers conferred by s. 73.03 (1), to review the assessment complained of and if, in its judgment upon full investigation, it finds such assessment not in substantial compliance with law and that public interest will be promoted by a reassessment, to correct such assessment by a reassessment as provided in this section and such duty is not impaired or set aside by any action, subsequent to such filing, of any one or more taxpayers represented in the application. As a part of its investigation of the assessment complained of, the department shall hold a hearing at some convenient place within or near the taxation district which is sought to be reassessed. At such hearing testimony may be offered as to the inequality or equality of the assessment, whether or not the public interest will be promoted by a reassessment and as to such other matters as may be desired by the department. Notice of the hearing specifying the time and place of the hearing shall be mailed to the clerk of the taxation district and the first signer of the application for reassessment, not less than 8 days before the time fixed for the hearing. The order directing such reassessment and naming the persons appointed to make the reassessment shall be filed in the office of the department, and

a duplicate of the order shall be filed with the clerk of the taxation district. A copy of the order shall be transmitted to the supervisor of assessments of the county in which the district is located and to each of the persons appointed to make such reassessment and to serve on the board for the review of the reassessment, which shall be legal notice to such persons respectively, of their appointment. No person may be authorized by the department to make a reassessment or to provide special supervision instead of reassessment unless the person is willing and able to use the assessment manual.

(b) All assessment personnel appointed under this section in 1974 and thereafter shall have passed an examination and have been certified by the department of revenue as qualified for performing the functions of his office. Any person appointed under par. (a) or sub. (3) shall be certified as an expert appraiser as provided in s. 70.055 (1).

(2) PERSONS APPOINTED TO REASSESS, POWERS AND DUTIES. The person or persons so appointed to make such reassessment, without delay, shall severally take and subscribe an oath or affirmation to support the constitution of the United States and of the state of Wisconsin and faithfully to perform the duties imposed upon him in respect to such reassessment to the best of his ability, and shall file the same with the department of revenue. Thereupon such person or persons shall proceed with diligence to make a reassessment of all the taxable property in such district. For that purpose he or they shall have all the power and authority given by law to assessors in such district and shall perform all the duties and be subject to all restrictions and penalties imposed by law upon such assessors. He or they shall have access to all public records and files which may be needful or serviceable in the performance of said duties, and while engaged therein shall be entitled to have custody and possession of the roll containing the original assessment in such district and all property and other statements and memoranda relating thereto. A blank assessment roll and all property statements and other blank forms needful for the purposes of such reassessment shall be furnished by the county clerk at the expense of the county upon the application of the supervisor of assessments.

(3) SPECIAL SUPERVISION INSTEAD OF REASSESSMENT. Whenever the department determines, after the hearing provided for in sub. (1) or in the determination under s. 70.05 (5) (d), that the assessment complained of was not made in substantial compliance with law but that the interests of all the taxpayers of such district will best be promoted by special supervision of succeeding assessments to the end that the assess-

ment of such district shall thereafter be lawfully made, it may proceed as follows: It may designate one or more employes of the department or appoint one or more other qualified persons to assist the local assessor in making the assessments to be thereafter made in such district. Any person so appointed may give all or such part of his time to such supervision as, in the judgment of the department, is necessary to complete such assessment in substantial compliance with the law, and in performing such task shall have all the powers given by law to any person designated to make a reassessment and together with the assessor shall constitute an assessment board as defined in s. 70.055.

(4) COSTS. All costs of the department of revenue in connection with reassessment or special supervision under this section shall be borne by the taxation district. These receipts shall be credited to the appropriation under s. 20.566

(2) (h) Past due accounts shall be certified on or before the 4th Monday of August of each year and included in the next apportionment of state special charges to local units of government.

(5) DEFINITIONS. In this section, for those taxation districts that are under a county assessor system, the terms "local assessor" and "board of review" include the county assessor and the county board of review, respectively.

History: 1973 c. 90; 1977 c. 29; 1981 c. 20.

70.76 Board of correction. (1) NOTICE, PROOF. In the order for such reassessment the department of revenue shall designate 3 persons to serve as a board for the correction and review of such reassessment. As soon as practicable the person or persons making such reassessment shall inform the clerk of such district of a date on which such reassessment will be ready for the consideration of such board, which information shall be given in time to enable such clerk to give the notice hereinafter required. The clerk shall thereupon give notice that such board will meet on such date at the place provided by law for the meeting of the regular board of review of such district, specifying such place. He shall record such notice in the record book of proceedings of the board of review of such district after first recording therein the order for such reassessment; he shall post such notice in 3 conspicuous public places in said district and shall also serve a copy of such notice upon each of the persons named to act as such board and upon the supervisor of assessments if such reassessment be not made by him, which posting and service shall be at least one week before the day designated for such meeting; provided, that in case of the failure or refusal of such clerk to give and serve the notice aforesaid in the manner herein prescribed within 5 days after he shall have been

requested to do so by the person or persons making such reassessment the supervisor of assessments in and for such district may give and serve such notice with like force and effect as if given and served by the clerk. Such service may be by personal delivery to the person to be served or by leaving such copy at his usual place of abode or by mailing the same in a sealed envelope postpaid and directed to such person at his post-office address. A memorandum stating the time and place of such posting and the time and manner of such service shall be entered by the clerk in the record aforesaid. Such memorandum, authenticated by the signature of the clerk shall be presumptive evidence of the facts therein stated; and the fact, time, and manner of such posting and service may be proved by any person having knowledge of the facts even though no entry of such memorandum be made.

(2) HEARING. The persons designated to serve as a board to review such reassessment shall attend at the time and place specified in such notice. A majority of such persons shall constitute a quorum. Before proceeding in such review they shall be sworn by the clerk or by some other person authorized by law to administer oaths, to faithfully and impartially perform their duties in respect to such reassessment. The clerk of such district shall attend and serve as the clerk of such board at all its sessions and shall perform all the duties required of such clerks at meeting of the regular board of review of such district, except that he shall have no voice in the determinations of such board.

(3) EVIDENCE. The person or persons making such reassessment shall attend such meeting, shall lay before such board the roll containing the reassessment of property made by him or them and all property statements, affidavits, and other memoranda in relation thereto, shall furnish the board all information in his or their possession which may be useful in the work of such board, and may give testimony of any facts within his or their knowledge pertinent to any matter under the consideration of such board.

70.77 Proceedings; inspection. (1) Such board shall carefully examine and consider such reassessment roll and all statements and other information accompanying the same or given in relation thereto. They shall review and correct such reassessment in like manner as the regular board of review of such district is required to review assessments therein and for that purpose they may adjourn from time to time and shall otherwise have and exercise all the power and authority given by law to boards of review and shall be subject to all the rules and restrictions imposed upon such boards. Any owner of tax-

able property in such district shall have the right to examine such reassessment and shall have all the rights and privileges before such board in respect to such reassessment that are given by law in respect to any assessment of property in such district.

70.78 Affidavit; filing. Upon the completion of the work of such board and the incorporation in such reassessment roll of any corrections and changes ordered by such board, the person or persons making such reassessment shall make and annex to such roll an affidavit conforming as nearly as may be to the affidavit required by law to be annexed to assessment rolls in such district. Such reassessment roll when completed shall be filed in the office of the clerk of such district and shall take the place of the original assessment made in such district for said year for all purposes and shall be prima facie evidence of the facts therein stated and of the regularity of all the proceedings culminating therein.

70.79 Power of supervisor of assessments. If such reassessment shall be made by any person other than the supervisor of assessments of the county in which such district shall be located the supervisor of assessments shall have all the authority in respect thereto that is possessed by him in respect to other assessments in his county and, in such case, he shall render what assistance he can practicably to the person or persons making such reassessment and to the board which shall review the same, the meeting of which board shall be attended by him. The district attorney of the county in which such reassessment shall be made shall render any legal assistance which may be required in relation thereto or the review thereof upon the request of the supervisor of assessments.

70.80 Compensation; fees. The person or persons making such reassessment and the persons serving upon the board for review thereof shall receive such compensation for their services and expenses as may be designated by the department of revenue in the order directing such reassessment. Any witness directed to be summoned by such board shall be entitled to fees for travel and attendance at the rates allowed by law to witnesses in the circuit court, but shall not be entitled to such fees prior to his attendance and the giving of his testimony. Supervisors of assessments may be appointed to make reassessments, but in no case shall a supervisor of assessments be appointed to reassess a district when the complaint was made or the proceedings instituted by him.

70.81 Statement of expenses. Upon completion of the review of such reassessment, each person entitled to compensation for services in respect thereto as provided in s. 70.80 shall make out a statement of his claim therefor against the state of Wisconsin and execute a voucher for the payment thereof upon blank forms to be furnished by the department of revenue. Such statement shall show the number of days for which compensation is claimed, the rate per day, the character of the service, the total amount claimed, the address of the claimant, and, in case of witnesses, the number of miles traveled, which statement shall be verified by the affidavit of the claimant or of some person having knowledge of the facts. Each such claim shall be approved, if correct, by a member of such board and by the supervisor of assessments. A memorandum of all such claims, showing the number of days and character of service and amount due to each person, shall be entered at the foot of the record of the proceedings of such board.

70.82 Review of claims; payment. The statements and vouchers mentioned in s. 70.81 shall be promptly transmitted by the supervisor of assessments to the department of revenue, which shall have authority to review the same and determine the number of days to be allowed. After such review and determination and after procuring any needed corrections therein said department shall indorse their approval of such statements and file the same and such vouchers in the office of the department of administration. Such claims shall thereupon be audited by the department of administration and paid out of the state treasury in like manner that other claims against the state are audited and paid. The amount so paid shall constitute an indebtedness of the district in which such reassessment was made to the state of Wisconsin, and such indebtedness with interest thereon at 6 per cent per year shall be a special charge upon such district to be certified to and collected from such district in the then next levy and certification of state taxes and special charges, in like manner that other indebtedness of cities, towns and villages to the state are certified and collected.

History: 1979 c. 110 s. 60 (13).

70.83 Deputies; neglect; reassessment. If any person appointed or required to perform any duty under ss. 70.75 and 70.76 shall be unable or neglect to do so, his place may be filled by appointment by said department. If any person required to perform any duty under ss. 70.75 to 70.84 shall wilfully neglect or refuse to do so, he shall forfeit to the state not less than \$50 nor more than \$250. In the appointment of persons

to perform services under ss. 70.75 to 70.84 the department of revenue shall not be required to select any of such persons from the residents of the district in which the reassessment is to be made. It shall not be necessary for the said department to wait until the assessment in any district is completed before making an order for reassessment therein under ss. 70.75 to 70.84; but it shall be entitled to make such order whenever it shall be satisfied from the work already done upon such assessment that when completed it will not be in substantial compliance with law.

70.84 Inequalities may be corrected in subsequent year. If any such reassessment cannot be completed in time to take the place of the original assessment made in such district for said year, the clerk of the district shall levy and apportion the taxes for that year upon the basis of the original assessment roll, and when the reassessment is completed the inequalities in the taxes levied under the original assessment shall be remedied and compensated in the levy and apportionment of taxes in such district next following the completion of said reassessment in the following manner: Each tract of real estate, and, as to personal property, each taxpayer, whose tax shall be determined by such reassessment to have been relatively too high, shall be credited a sum equal to the amount of taxes charged on the original assessment in excess of the amount which would have been charged had such reassessment been made in time; and each tract of real estate, and, as to personal property, each taxpayer, whose tax shall be determined by such reassessment to have been relatively too low, shall be charged, in addition to all other taxes, a sum equal to the difference between the amount of taxes charged upon such unequal original assessment and the amount which would have been charged had such reassessment been made in time. The department of revenue, or its authorized agent, shall at any time have access to all assessment and tax rolls herein referred to for the purpose of assisting the local clerk and in order that the results of the reassessment may be carried into effect.

70.85 Revaluation. (1) If the department of revenue, on a written complaint filed with the department within 20 days after the adjournment of the board of review for any taxation district, determines that the assessment of one or more descriptions of property in the taxation district, the fair market value of which does not exceed \$1 million as determined by the department of revenue, is radically out of proportion to the general average of the assessment of all

other property in the district and the assessment can be satisfactorily corrected without a reassessment of the entire district, the department of revenue may revalue the property and equalize the assessment without the intervention of a board of review, if the revaluation can be accomplished before November 1 of the year in which the assessment is made or within 60 days of the receipt of the written complaint, whichever is later. The valuation so fixed by the department shall be substituted for the original valuation in the assessment and tax rolls and taxes computed and paid on it accordingly. No assessment may be raised except on the written complaint of 3 or more taxpayers and only if the party to whom the property is assessed has been duly notified of the intention in time to appear and be heard before, or file the party's objections with, the department in relation to it. Appeal from the determination of the department shall be by an action for certiorari in the circuit court of the county in which the property is located, which shall be placed at the head of the circuit court calendar for an expedited hearing.

(2) In this section, for those taxation districts that are under a county assessor system, the term "local assessor" includes the county assessor and the term "board of review" includes the county board of review.

(3) A filing fee in the amount of \$25 shall be required and submitted with any complaint filed with the department under this section. All the costs related to the department's revaluation, less the filing fee paid by the complainant shall be paid by the department.

(4) (a) *Value to be used in setting tax rate.* If the department of revenue has not completed the revaluation prior to the time set by a municipality for establishing its current tax rate, the municipality shall use the total value, including contested values, shown in the assessment roll in setting its tax rate.

(b) *Tax levies; refunds.* If the department of revenue has not completed the revaluation prior to the time of the tax levy with respect to a particular objection to value, the tax levy on such property or person shall be based on the contested assessed value of the property. A tax bill shall be sent to, and paid by, the person subject to such tax levy as though there had been no objection filed, except that the payment shall be considered to be made under protest. The entire tax bill shall be paid even though the department of revenue has reduced the assessment prior to the time for full payment of the tax billed. If the department of revenue reduces the value of the property in question, the taxpayer may file a claim for refund of taxes resulting from the reduction in value. Such claim for

refund shall be filed with the clerk of the municipality on or before November 1 and shall be payable to the taxpayer from the municipality in January of the succeeding year, plus interest thereon at the rate of eight-tenths of one percent per month.

Judicial Council Note, 1981: Reference in sub. (1) to a "writ" of certiorari has been removed because that remedy is now available in an ordinary action. See s. 781.01, stats., and the note thereto. [Bill 613-A]

70.86 Descriptions, simplified system.

The common council or other governing body of any city in this state may at its option adopt a simplified system of describing real property in either the assessment roll or the tax roll or in both the assessment roll and tax roll of such city, and may likewise from time to time amend or change such simplified system.

70.99 County assessor. (1) A county assessor system may be established for any county by passage of a resolution or ordinance adopting such a system by an approving vote of 60% of the entire membership of the county board. After passage of this enabling resolution or ordinance by the county board, the county executive, or the county administrator, or the chairman of the county board with the approval of the county board, shall appoint a county assessor from a list of candidates provided by the department of revenue who have passed an examination and have been certified by the department of revenue as qualified for performing the functions of the office. Certification shall be granted to all persons demonstrating proficiency by passing an examination administered by the department. The persons selected for listing shall first have been given a comprehensive examination, approved by the department of revenue, relating to the work of county assessor. A person appointed as county assessor shall thereafter have permanent tenure, after successfully serving the probationary period in effect in the county, and may be removed or suspended only for the reasons named in s. 17.14 (1) or for such cause as would sustain the suspension or removal of a state employe under state civil service rules. If employes of a county are under a county civil service program, the county assessor may, and any person appointed as a member of his or her staff shall, be incorporated into the county civil service program but tenure is dependent on the foregoing provision.

(3) (a) The state department of employment relations shall recommend a reasonable salary range for the county assessor for each county based upon pay for comparable work or qualifications in such county. If by contractual agree-

ment under s. 66.30 two or more counties join to employ one county assessor with the approval of the secretary of revenue, the department of employment relations shall recommend a reasonable salary range for the county assessor under such agreement. The department of revenue shall assist the county in establishing the budget for county assessor's offices, including the number of personnel and their qualifications, based on the anticipated work load.

(b) The department of revenue shall establish levels of proficiency for all appraisal personnel to be employed in offices of county assessors.

(5) The county assessor and his staff shall be supplied suitable quarters, equipment and supplies by the county.

(6) In respect of any assessment made by a county assessor he shall perform all the functions and acts theretofore required to be performed by the local assessor of the taxation district and shall have the same authority, responsibility and status, privileges and obligations of the assessor he displaces, except as clearly inconsistent with this section.

(7) The county assessor may designate one member of his staff as deputy county assessor who shall have full power to act for the county assessor in the event of the inability of the county assessor to act through absence, incapacity, resignation or otherwise.

(8) Each city, town and village assessor duly appointed or elected and qualified to make the assessment for a city, town or village shall continue in office for all purposes of completing the functions of assessor with respect to such current year's assessment, but is divested of all authority in respect to the January 1 assessment that comes under the jurisdiction of the county assessor.

(9) In making the first assessment of any city, town or village the county assessor shall equalize the assessment of property within each taxation district. Thereafter, he shall revalue each year as many taxation districts under his jurisdiction within such county as his available staff will permit so as to bring and maintain each such taxation district at a full value assessment. He shall proceed with such work so as to complete the revaluation of all taxation districts under his jurisdiction within 4 years. Such revaluation shall be made according to the procedures and manuals established by the department of revenue for the use of assessors.

(10) (a) There shall be one board of review for each county under the county assessor system. The board of review in any county having a county executive shall be appointed by the county executive from the cities or villages or towns under the county assessor. The board of

review of all other counties shall be appointed by the chairperson of the county board from the tax districts under the county assessor. County board of review appointments in all counties shall be subject to approval by the county board. The board of review shall have 5 to 9 members, no more than 2 of whom may reside in the same city, town or village, and shall hold office as members of said board for staggered 5-year terms and until their successors are appointed and qualified. In counties other than Milwaukee county at least one member shall be from a town. The compensation and reimbursement of expenses of members of the board of review shall be fixed by the county board and shall be borne by the county. Each such board of review shall appoint one of its members present at the hearing as clerk and such clerk shall keep an accurate record of its proceedings. The provisions of s. 70.47, not in conflict with this section, shall be applicable to procedure for review of assessments by county boards of review and to appeals from determinations of county boards of review.

(b) Two members of the board of review may hold the hearing of the evidence but a majority of the board members must be present to constitute a quorum at the meeting at which the determination of the issue is made. A majority vote of the quorum shall constitute the determination. In the event there is a tie vote, the assessor's valuation shall be sustained.

(c) A board member may not be counted in determining a quorum and may not vote concerning any determination unless, concerning such determination, such member:

1. Attended the hearing of the evidence; or

3. Received a mechanical recording of the evidence no less than 5 days prior to the meeting and listened to such recording; or
4. Received a copy of a summary and all exceptions thereto no less than 5 days prior to the meeting and read such summary and exceptions. In this subdivision "summary" means a written summary of the evidence prepared by one or more board members attending the hearing of evidence, which summary shall be distributed to all board members and all parties to the contested assessment and "exceptions" means written exceptions to the summary of evidence filed by parties to the contested assessment.

(10m) The county board may by resolution establish a county board of assessors, which board shall be comprised of the county assessor or the deputy county assessor and such other members of the county assessor's staff as the county assessor annually designates. If so established the county board of assessors shall investi-

gate any objection referred to it by direction of the county board of review. The county board of assessors shall, after having made the investigation notify the person assessed or his agent of its determination by first class mail, and a copy of such determination shall be transmitted to the county board of review. The person assessed having been notified of the determination of the county board of assessors shall be deemed to have accepted such determination unless he notifies the county assessor in writing, within 10 days, of his desire to present testimony before the county board of review.

(10p) In counties that enter into a compact for a county assessor system, the board of review shall consist of 2 members appointed by each county with one additional member appointed by the county having the greatest full value.

(11) The county assessor shall annually submit a budget request for funds to cover the operation of the county assessor system for the ensuing year to the county office responsible for preparing the county budget.

(12) Under a county assessor system, beginning with calendar year 1974 and each year thereafter, the state shall pay the lesser of 75% of the actual cost of the operation of the county assessment system or 75% of the sum of two-tenths of one mill multiplied by the full value of a county and \$3.95 multiplied by the total number of all land parcels in the county (but in either case not including any expense of any municipal civil service examination, any examination given by the division of personnel in the department of employment relations, any expense of the municipal board of review or any expense of developing basic computer programs available from the state free of charge). The county treasurer shall, on or before February 15, 1975, and every February 15 thereafter, certify to the department of revenue the expense of operating the county assessor system for the preceding calendar year and such other information as is necessary on forms prescribed by the department. When satisfied with the correctness of the information submitted and after verifying the county's compliance with sub. (13), the department of revenue shall compute the state's share of the expense of operating the county assessor system and shall certify that amount to the department of administration for payment to the county under s. 20.855 (4) (f) not later than July 1. No county whose county assessor system fails to meet one or more of the requirements in sub. (13) shall be eligible for any payment under this section.

(13) (a) 1. The department of revenue shall prescribe the due dates, the blanks and forms and the format of information transmitted by

the county assessor to the department as to the assessment of property and such other information as may be needed in its work as well as the forms of assessment rolls, blanks, books and returns required for the assessment and collection of general property taxes by county.

2. The department of revenue shall design and make available to any county, basic computer programs for the preparation of assessment rolls, tax rolls and tax receipts which are deemed necessary by the secretary of revenue to the utilization of automatic data processing in the administration of the property tax.

3. As a prerequisite to any payment under sub. (12) the county shall timely submit the information required by subd. 1 and upon such forms and in such format as are prescribed by subd. 1; and shall use the forms of assessment rolls, tax rolls, blanks, books and returns as are prescribed under subd. 1.

(b) The department of revenue shall prescribe minimum specifications for assessment maps. Any county whose assessment maps do not meet the department's specifications at the time of converting to the county assessment system shall have 4 years from the first county-wide January 1 assessment date to bring its maps in conformance with the department's specifications. If a county fails to bring its maps in conformance with the department's specifications within the 4-year period, or fails to maintain them at that level thereafter, the county shall be ineligible to receive any payment under sub. (12).

(c) 1. The department of revenue shall determine the minimum number of staff required for each county assessor's office and the level of certification under sub. (3) required for each position.

2. No county shall be eligible for any payment under sub. (12) unless the county assessor's office employs the minimum number of persons at the appropriate level of certification as determined by the department of revenue.

(d) In order to effect the orderly transition of local property assessment to the county assessor system, as soon as practicable after the effective date of the resolution or ordinance adopting such system, all assessment records, books, maps, aerial photographs, appraisal cards and any other data currently in the possession of any town, village or city shall be made available to and become the property of the county assessor.

(4) Whenever real property or tangible personal property is used for one, or some combina-

tion, of the processes mentioned in sub. (3) and also for other purposes, the department of revenue, if satisfied that there is substantial use in one or some combination of such processes, may assess the property under this section. For all purposes of this section the department of revenue shall have sole discretion for the determination of what is substantial use and what description of real property or what unit of tangible personal property shall constitute "the property" to be included for assessment purposes, and, in connection herewith, the department may include in a real property unit, real property owned by different persons. In those specific instances where a portion of a description of real property includes manufacturing property rented or leased and operated by a separate person which does not satisfy the substantial use qualification for the entire property, the local assessor shall assess the entire real property description and all personal property not exempt under s. 70.11 (27). The manufacturing machinery and equipment shall be valued by the department of revenue under sub. (7) (c) and shall qualify for exemption under s. 70.11 (27). The applicable portions of the standard manufacturing property report form under sub. (12) as they relate to manufacturing machinery and equipment shall be submitted by such person.

(5) Commencing January 1, 1974, and annually thereafter, the department of revenue shall assess all property of manufacturing establishments included under subs. (1) and (2) as of the close of January 1 of each year. In assessing lands from which metalliferous minerals are being extracted and valued for purposes of the tax under s. 70.375, the value of the metalliferous mineral content of such lands shall be excluded.

(6) Prior to January 1 of each year the department of revenue shall notify each municipal assessor of the manufacturing property within the taxation district that will be assessed by the department during the current assessment year.

(7) (a) Each manufacturing property assessed by the department of revenue shall be entered on a state manufacturing property assessment roll for each municipality that has manufacturing property as set forth in subs. (1) and (2). Notification of the individual manufacturing property assessments contained in the roll shall be furnished by the department to the municipal clerk.

(b) Each 5 years, or more frequently if the department of revenue's workload permits and if in the department's judgment it is desirable, the department of revenue shall complete a field investigation or on-site appraisal at full value

under ss. 70.32 (1) and 70.34 of all manufacturing property in this state.

(c) In addition to assessing all taxable manufacturing property the department of revenue shall also in making the May 1, 1974, assessment value all machinery and specific processing equipment exempt under s. 70.11 (27). At the time the manufacturing assessment roll is delivered to the municipal clerks under sub. (8) (e) the department shall furnish an abstract of valuations of such exempt property so determined and shall show:

1. The name and address of the person owning such property.

2. The full value of the machinery or specific processing equipment owned by such person.

3. The value of the machinery or specific processing equipment equated to the general level of assessment of all other property within the taxation district in the same manner as provided for taxable manufacturing property under sub. (8) (e).

(d) To determine the amount and value of any machinery and specific processing equipment exempt under s. 70.11 (27) any person owning such property shall report the amount and value of the property on schedules prescribed by the department of revenue and shall be included with the standard manufacturing report form required under sub. (12). Any person, including an officer of a corporation, required by law to make, file, render, sign or verify said schedules who wilfully overstates the amount or value of any manufacturing machinery or specific processing equipment exempt under s. 70.11 (27), may be fined not more than \$500 or imprisoned not more than 6 months or both. The person shall also be required to pay the cost of prosecution. In addition, the person shall be required to pay to the department of revenue the taxes due for the amount of overstatement together with interest at the rate of one percent per month or fraction thereof from the date when the payment is due, to the date the overstatement is discovered by the department of revenue.

(8) (a) The secretary of revenue shall establish a state board of assessors, which shall be comprised of the members of the department of revenue whom the secretary designates. The state board of assessors shall investigate any objection filed under par. (c). The state board of assessors, after having made the investigation, shall notify the person assessed or the person's agent and the appropriate municipality of its determination by 1st class mail. If the determination results in a refund of property taxes paid, the state board of assessors shall include in the determination a finding of whether the refund is due to false or incomplete

information supplied by the person assessed. The person assessed or the municipality having been notified of the determination of the state board of assessors shall be deemed to have accepted the determination unless the person or municipality files a petition for review with the clerk of the tax appeals commission as provided in s. 73.01 (5) and the rules of practice promulgated by the commission. If an assessment is reduced by the state board of assessors, the municipality affected may seek review of the reduction before the tax appeals commission even though the municipality did not file an objection to the assessment with the board. If an assessment is increased by the board, the person assessed may seek review of the increase before the commission even though the person did not file an objection to the assessment with the board.

(b) The department of revenue shall annually notify each manufacturer assessed under this section and the municipality in which the manufacturing property is located of the full value of all real and personal property owned by the manufacturer. The notice shall be in writing and shall be sent by 1st class mail. In addition, the notice shall specify that objections to valuation must be filed with state board of assessors within 60 days of issuance of the notice of assessment. A statement shall be attached to the assessment roll indicating that the notices required by this section have been mailed and failure to receive the notice does not affect the validity of the assessments, the resulting tax on real or personal property, the procedures of the tax appeals commission or of the state board of assessors or the enforcement of delinquent taxes by statutory means.

(c) All objections to the amount or valuation of real or personal property shall be first made in writing on a form prescribed by the department of revenue and shall be filed with the state board of assessors within the time prescribed in par. (b). Neither the state board of assessors nor the tax appeals commission may waive the requirement that objections be in writing.

(d) A municipality may file an objection with the state board of assessors seeking an increase in assessment made under this section of a specific property having a situs in the municipality, whether or not the owner of the specific property in question has filed an objection. The objections of the municipality shall be limited to valuation of the property. Objection shall be made on a form prescribed by the department and filed with the board within 60 days of the date of the issuance of the assessment in question. The board shall forthwith notify the person assessed of the objection to the assessment filed by the municipality.

(e) Upon completion of and review by the tax appeals commission and receipt of the statement of assessments required under s. 70.53, the department of revenue shall be responsible for equating all full-value manufacturing property assessments entered in the manufacturing property assessment roll to the general level of assessment of all other property within the individual taxation district. Thereafter, the manufacturing property assessment roll shall be delivered to the municipal clerk and annexed to the municipal assessment roll containing all other property.

(f) No manufacturing property assessment may be reviewed in a proceeding under s. 70.75 (3) or 70.85, but such assessment may be reviewed in reassessment proceedings under s. 70.75 (1).

(9) Any aggrieved party may appeal a determination by the tax appeals commission under sub. (8) to the circuit court for the county in which the property is located or to the circuit court of Dane county under s. 73.015.

(10) Municipalities, and counties with a county assessor system, shall have access to all manufacturing property for the purpose of making appraisals of valuation of such property and may employ appraisal personnel, who need not be certified under s. 70.05 (4), for such purpose.

(11) If any county appoints a county assessor under s. 70.99, the department of revenue shall nevertheless assess the property described in subs. (1) and (2) and shall continue to assess such property when required by this section, and the notice to the municipal assessor required by sub. (6) shall, in such case be made directly to the county assessor.

(12) (a) The department of revenue shall prescribe a standard manufacturing property report form that shall be submitted annually for each real estate parcel and each personal property account on or before March 1 by all manufacturers whose property is assessed under this section. The report form shall contain all information deemed necessary by the department and shall include, without limitation, income and operating statements, fixed asset schedules and a report of new construction or demolition. Failure to submit the report shall result in denial of any right of redetermination by the state board of assessors or the tax appeals commission. If any property is omitted or understated in the assessment roll in any of the next 5 previous years, the assessor shall enter the value of the omitted or understated property once for each previous year of the omission or understatement. The assessor shall designate each additional entry as omitted or understated for the year 19... (giving year of omission or under-

statement). The assessor shall affix a just valuation to each entry for a former year as it should have been assessed according to the assessor's best judgment. Taxes shall be apportioned and collected on the tax roll for each entry, and interest shall be added at the rate of 0.8% per month for the period of time between the date when the form is required to be submitted and the date when the assessor affixes the just valuation. In computing this interest, a fraction of a month shall be considered to be a full month.

(b) The department of revenue shall allow an extension to March 15 of the due date for filing the report forms required under par. (a) if a written application for an extension, stating the reason for the request, is filed with the department before March 1.

(c) If a taxpayer fails to file any form required under par. (a) by the due date or by any extension of the due date that has been granted, the department of revenue shall enter against the taxpayer a penalty of 5% of the taxes due for the property to be assessed from the form, if the property was assessed by the department during the previous year, or \$10, whichever is greater. If the form required under par. (a) is not filed within 30 days after the due date or within 30 days after any extension, the department of revenue shall enter against the taxpayer a 2nd penalty equal to 5% of the taxes due. The department shall not enter a penalty if the department did not assess the property during the previous year.

(d) The penalty assessed under par. (c) shall be added to the tax due upon the assessed value of the property for the year during which the report was due. The penalty shall be subject to

review in the same manner as provided for review of the assessment of value of manufacturing property. Any penalty remaining unpaid after becoming due shall be a lien upon the property and be otherwise subject to collection by the municipality in the same manner as delinquent property taxes.

(12m) Any property assessment increased by the reviewing authority under s. 70.511 shall be entered in the assessment roll as prescribed under sub. (12).

(13) In the sections of this chapter relating to assessment of property, when the property involved is a manufacturing property subject to assessment under this section, the terms "local assessor" or "assessor" shall be deemed to refer also to the department of revenue except as provided in sub. (10).

(14) In order to effect the orderly transition of the local assessment of manufacturing property to the state assessment of manufacturing property, as soon as practicable after August 5, 1973, all books, records, maps, appraisal cards and any other data currently in the possession of any town, village or city relating to manufacturing property that will be assessed by the department of revenue shall be made available to and become the property of the department of revenue.
