SUBCHAPTER I

TAXATION OF FOREST CROPLANDS

77.01 Purposes. It is the intent of this subchapter to encourage a policy of protecting from destructive or premature cutting the forest growth in this state, and of reproducing and growing for the future adequate crops through sound forestry practices of forest products on lands not more useful for other purposes, so that such lands shall continue to furnish recurring forest crops for commercial use with public hunting and fishing as extra public benefits, all in a manner which shall not hamper the towns in which such lands lie from receiving their just tax revenue from such lands.

History: 1971 c. 215; 1985 a. 332 s. 251 (2).

Request by individual legislators and town or county boards for delay in issuing orders pursuant to ch. 77, present no basis for withholding actions by the department. 61 Atty. Gen. 134.

77.015 Lands in villages included. Sections 77.01 to 77.14 shall apply to villages for the same purposes as specified in s. 77.01 and where in such sections the words "town" or "towns" appear they shall be substituted, for the purposes of this section, by the words "village" or "villages," respectively.

History: 1981 c. 390.

77.02 Forest croplands. (1) PETITION. The owner of an entire quarter quarter section, fractional lot or government

lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way that may have been sold, may file with the department of natural resources a petition stating that he believes the lands therein described are more useful for growing timber and other forest crops than for any other purpose, that he intends to practice forestry thereon, that all persons holding encumbrances thereon have joined in the petition and requesting that such lands be approved as "Forest Croplands" under this subchapter. Whenever any such land is encumbered by a mortgage or other indenture securing any issue of bonds or notes, the trustee named in such mortgage or indenture or any amendment thereto may join in such petition, and such action shall for the purpose of this section be deemed the action of all holders of such bonds or notes.

(2) NOTICE OF HEARING, ADJOURNMENT. Upon receipt of such petition the department of natural resources shall investigate the same and shall file a listing of descriptions with the town chairman. For petitions received prior to May 1, the department shall within the same calendar year cause a notice that such petition has been filed to be published as a class 3 notice, under ch. 985, in the newspaper having the largest general circulation in the county in which the lands are located, and notice by registered mail shall be given to the town clerk of any town in which the lands are located. Such notice shall contain the name of the petitioner, a description of the lands and a statement that any resident of or taxpayer

in the town may within 15 days from the date of publication of the notice file a request with the department that it conduct a public hearing on the petition. Upon receipt of such a request the department shall conduct a public hearing on the petition. The department may conduct a public hearing on any petition without a request, if it deems it advisable to do so. Notice of the time and place of such hearing and a description, in specific or general terms, as the department deems advisable, of the property requested to be approved as "Forest Croplands" shall be given to persons making the request, the owner of such land and to the assessor of towns in which it is situated, by mail, at least one week before the day of hearing. The notice also shall be published as a class 1 notice, under ch. 985, in a newspaper having general circulation in the county in which such land is located, at least one week before the day of the hearing. Such hearing may be adjourned and no notice of the time and place of such adjourned hearing need be given, excepting the announcement thereof by the presiding officer at the hearing at which the adjournment is had.

(3) DECISION, COPIES. After receiving all the evidence offered at any hearing held on the petition and after making such independent investigation as it sees fit the department shall make its findings of fact and make and enter an order accordingly. If it finds that the facts give reasonable assurance that a stand of merchantable timber will be developed on such descriptions within a reasonable time, and that such descriptions are then held permanently for the growing of timber under sound forestry practices, rather than for agricultural, mineral, shoreland development of navigable waters, recreational, residential or other purposes, and that all persons holding encumbrances against such descriptions have in writing agreed to the petition, the order entered shall grant the request of the petitioner on condition that all unpaid taxes against said descriptions be paid within 30 days thereafter; otherwise the department of natural resources shall deny the request of the petitioner. If the request of the petitioner is granted, a copy of such order shall be filed with the department of revenue, the supervisor of equalization, the clerk of each town and the register of deeds of each county in which any of the lands affected by the order are located. The register of deeds shall record the entry, transfer or withdrawal of all forest croplands in a suitable manner on the county records. The register of deeds may collect recording fees under s. 59.57 from the owner. Any order of the department relating to the entry of forest croplands issued on or before November 20 of any year shall take effect on January 1 of the following calendar year, but all orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which orders issued on or before November 20 would have been effective.

History: 1971 c. 215; 1975 c. 45; 1977 c. 29 s. 1647 (2); 1977 c. 418; 1983 a. 275 s. 15 (3); 1985 a. 332 s. 251 (2)

In order to be eligible for entry under the forest crop law the lands must be continuous or contiguous and 40 or more acres in size 58 Atty. Gen. 8.

77.03 Taxation of forest croplands. After the filing of the order with the officers under s. 77.02 (3) the lands described therein shall be "Forest Croplands", on which taxes shall thereafter be payable only as provided under this subchapter. The enactment of ss. 77.01 to 77.14, petition by the owner and the making of the order under s. 77.02 (3) shall constitute a contract between the state and the owner, running with the lands, for a period of 25 or 50 years at the election of the applicant at the time the petition is filed, unless withdrawn under s. 77.10, with privilege of renewal by mutual agreement between the owner and the state, whereby the state as an inducement to owners and prospective purchasers of forest croplands to come under ss. 77.01 to 77.14 agrees that, unless

withdrawn under s. 77.10, no change in or repeal of ss. 77.01 to 77.14 shall apply to any land then accepted as forest croplands, except as the department of natural resources and the owner may expressly agree in writing. If at the end of the contract period the land is not designated as managed forest land under subch. VI, the merchantable timber on the land shall be estimated by an estimator jointly agreed upon by the department of natural resources and the owner, and if the department and the owner fail to agree on an estimator, the judge of the circuit court of the district in which the lands lie shall appoint a qualified forester, whose estimate shall be final, and the cost thereof shall be borne jointly by the department of natural resources and the owner; and the 10% severance tax paid on the stumpage thereon in the same manner as if said stumpage had been cut. The owners by such contract consent that the public may hunt and fish on the lands, subject to such rules as the department of natural resources prescribes regulating hunting and fishing.

History: 1971 c. 215; 1979 c. 89; 1985 a. 29

This section creates right of access across owner's non-enrolled lands to reach owner's landlocked enrolled lands for purposes of hunting and fishing 71 Atty. Gen. 163.

77.04 Taxation. (1) TAX ROLL. The clerk on making up the tax roll shall enter as to each forest cropland description in a special column or some other appropriate place in such tax roll headed by the words "Forest Croplands" or the initials "F.C.L.", which shall be a sufficient designation that such description is subject to this subchapter. Such land shall thereafter be assessed and be subject to review under ch. 70, and such assessment may be used by the department of revenue in the determination of the tax upon withdrawal of such lands as forest croplands as provided in s. 77.10 for entries prior to 1972. The tax upon withdrawal of descriptions entered as forest croplands after December 31, 1971, may be determined by the department of revenue by multiplying the last assessed value of the land prior to the time of the entry by an annual ratio computed for the state under sub. (2) to establish the annual assessed value of the description. No tax shall be levied on forest croplands except the specific annual taxes as provided, except that any building located on forest cropland shall be assessed as personal property, subject to all laws and regulations for the assessment and taxation of general property.

(2) TAX PER ACRE; PAYMENT; PENALTY. The "acreage share" shall be computed at the rate of 10 cents per acre on all lands entered prior to 1972. On all lands entered after December 31, 1971, the "acreage share" shall be computed every 10 years to the nearest cent by the department of revenue at the rate of 20 cents per acre multiplied by a ratio using the equalized value of the combined residential, commercial, manufacturing, agricultural, swamp, or waste and productive forest land classes under s. 70.32 (2) within the state in 1972 as the denominator, and using equalized value for these combined land classes in 1982 and every 10th year thereafter as the numerator. All owners shall pay to the taxation district treasurer the acreage share on each description on or before the last day of February, except that if the owner pays general property taxes in instalments the acreage share shall be paid in full with the first instalment of the owner's general property taxes. If the acreage share is not paid when due to the taxation district treasurer it shall be subject to interest and penalty as provided under s. 74.80 from the preceding January 1. These lands shall be returned as delinquent and sold for delinquent taxes as provided for the sale of lands for taxes but no bid shall be received for the sale except from the county, and the county shall not be liable to the taxation district for any amount except the acreage share subsequently paid by the owner. After 3 years from the sale of any tax

certificate acquired by the county under this subsection, the county clerk shall promptly take a tax deed under s. 75.36, except that county board authorization shall not be required. On taking such deed the county clerk shall certify that fact and specify the descriptions to the department of natural resources.

(3) APPORTIONMENT OF FOREST CROPLAND INCOME. Out of all moneys received by any town from any source on account of forest croplands in such town, the town treasurer shall on or before November 15 pay 20% to the county treasurer and retain the remainder.

History: 1971 c. 215; 1975 c. 39, 211; 1977 c. 418; 1981 c. 20, 167, 391; 1983 a. 275 s. 15 (8); 1983 a. 405, 538; 1985 a. 332 s. 251 (2).

77.05 State contribution. (1) CERTIFICATION. On or before April 20 the county treasurer of each county containing forest croplands shall certify to the department of natural resources for each owner the legal description in each town on which the owner has paid the acreage share pursuant to s. 77.04 (2), and also on acreage share previously returned delinquent and subsequently paid, except on lands on which an order of cancellation has been issued by the department of natural resources pursuant to s. 77.10 (1).

(2) PAYMENT. As soon after receipt of the certification of the county treasurer as feasible, the department of natural resources shall pay to each town treasurer on each description as certified under sub. (1), from the appropriation under s. 20.370 (4) (ar), the sum of 20 cents per acre.

History: 1971 c. 215; 1975 c. 39 s. 734; 1977 c. 29 s. 1656 (38); 1977 c. 418; 1979 c. 34 s. 2102 (39) (a).

77.06 Forestation. (1) CUTTING TIMBER REGULATED. No person shall cut any merchantable wood products on any forest croplands where the forest crop taxes are delinquent nor until 30 days after the owner has filed with the department of natural resources a notice of intention to cut, specifying by descriptions and the estimated amount of wood products to be removed and the proportion of present volume to be left as growing stock in the area to be cut. The department of natural resources may require a bond executed by some surety company licensed in this state or other surety for such amount as may reasonably be required for the payment to the department of natural resources of the severance tax hereinafter provided. The department, after examination of the lands specified, may prescribe the amount of forest products to be removed. Cutting in excess of the amount prescribed shall render the owner liable to double the severance tax prescribed in s. 77.06 (5) and subject to cancellation under s. 77.10. Merchantable wood products include all wood products except wood used for fuel by the owner.

(2) APPRAISAL OF TIMBER, ZONES. Each year the department of natural resources, at the time and place it shall fix and after such public notice as it deems reasonable, shall hold a public hearing. After the hearing the department shall make and file, open to public inspection, a determination of the reasonable stumpage values of the wood products usually grown in the several towns in which any forest croplands lie. A public hearing under this section shall be held prior to August 1 of each year and the determination of stumpage values made by the department of natural resources shall take effect on November 1 of that year. If the department of natural resources finds there is a material variance in the stumpage values in the different localities, it may fix separate zones and determine the values for each zone.

(3) REVALUATION. As to any locality or zone in which the department of natural resources deems there has been no material variance from the preceding year in stumpage values, it may omit to make any new valuation in any year, in

which event the last preceding valuation shall continue in force until changed in a succeeding year.

(4) CUTTING REPORTED. Within 30 days after completion of cutting on any land description, but not more than one year after filing of the notice of intention to cut, the owner shall transmit to the department of natural resources on forms provided by the department a written statement of the products so cut, specifying the variety of wood, kind of product, and quantity of each variety and kind as shown by the scale or measurement thereof made on the ground as cut, skidded, loaded, delivered, or by tree scale certified by a qualified forester when stumpage is sold by tree measurement. The department of natural resources may accept such reports as sufficient evidence of the facts, or may either with or without hearing and notice of time and place thereof to such owner, investigate and determine the fact of the quantity of each variety and kind of product so cut during said periods preceding such reports.

(5) TAX LEVY ON RIGHT TO CUT TIMBER. The department of natural resources shall assess and levy against the owner a severance tax on the right to cut and remove wood products covered by reports under this section, at the rate of 10% of the value of the wood products based upon the stumpage value then in force. Upon making the assessment, the department of natural resources shall mail a duplicate of the certificate by registered mail to the owner who made the report of cutting at the owner's last-known post-office address. The tax assessed is due and payable to the department of natural resources on the last day of the next calendar month after mailing the certificate. The proceeds of the tax shall be paid into the forestry account of the conservation fund for distribution under s. 77.07 (3).

History: 1971 c. 215; 1977 c. 29, 224.

77.07 Severance tax. (1) LIABILITY FOR TAXES, LIENS. The owner of the land shall be personally liable for any severance tax because of any wood products cut therefrom, which tax shall also be a lien on such wood products wherever situated and in whatever form, or if mingled with other products, then on the common mass, until paid, while in the possession of such owner, or of any other person than a purchaser for value without notice in the usual course of business.

(2) PENALTY, COLLECTIONS. If any severance tax remain unpaid for 30 days after it becomes due, there shall then be added a penalty of 10%, and such tax and penalty shall thereafter draw interest at the rate of one per cent per month until paid. At the expiration of said 30 days the department of natural resources shall report to the attorney general any unpaid severance tax, adding said penalty, and the attorney general shall thereupon proceed to collect the same with penalty and interest by suit against the owner and by attachment or other legal means to enforce the lien and by action on the bond mentioned in s. 77.06 (1), or by any or all such means.

(3) DISTRIBUTION OF SEVERANCE TAX. All severance taxes collected under this subchapter shall be distributed as follows: The state shall retain an amount equal to the total acreage payments on the lands to which the severance taxes relate, made by the state under s. 77.05, and all penalties imposed under sub. (2) and s. 77.06 (1), and the balance shall be paid to the town treasurer to be apportioned as provided in s. 77.04 (3).

History: 1971 c. 215; 1977 c. 29; 1985 a. 332 s. 251 (2).

77.08 Supplemental severance tax. At any time within one year after any cutting should have been reported, the department of natural resources after due notice to the owner and opportunity to be heard, and on evidence duly made a matter

of record, may determine whether the quantity of wood products cut from any such land, did in fact substantially exceed the amount on which the severance tax theretofore levied was based, and if so shall assess a supplemental severance tax which, in all respects, shall have the same force and effect as the former severance tax, except only it shall not be a lien on any property the title of which has passed to a purchaser for value without notice.

77.09 False reports, penalties. Any person who fails to report or shall intentionally make any false statement or report to the department of natural resources required by s. 77.06 shall be guilty of a misdemeanor, and imprisoned in the county jail for not exceeding one year or fined not exceeding \$1,000, or both.

77.10 Withdrawal of forest croplands. (1) INVESTIGATIONS, REFUNDS, FORFEITURES. (a) The department of natural resources shall on the application of the department of revenue or the owner of any forest croplands or the town board of the town in which said lands lie and may on its own motion at any time cause an investigation to be made and hearing to be had as to whether any forest croplands shall continue under this subchapter. If on such hearing after due notice to and opportunity to be heard by the department of revenue, the town and the owner, the department of natural resources finds that any such lands are not meeting the requirements set forth in s. 77.02 or that the owner has made use of the land for anything other than forestry or has failed to practice sound forestry on the land, the department of natural resources shall cancel the entry of such description and issue an order of withdrawal, and the owner shall be liable for the tax and penalty under sub. (2). Copies of the order of withdrawal specifying the description shall be filed by the department of natural resources with all officers designated to receive copies of the order of entry and withdrawal and this subchapter shall not thereafter apply to the lands withdrawn, except s. 77.07 so far as it may be needed to collect any previously levied severance or supplemental severance tax. If the owner shall not repay the amounts on or before the last day of February next succeeding the return of such lands to the general property tax roll as provided in sub. (4), the department of natural resources shall certify to the county treasurer the descriptions and the amounts due, and the county treasurer shall sell such lands as delinquent as described in s. 77.04 (2). Whenever any county clerk has certified to the taking of tax deed under s. 77.04 (2) the department of natural resources shall issue an order of withdrawal as to the lands covered in such tax deed. Such order may also be issued when examination of tax records reveals prolonged delinquency and non-compliance with the requirements of s. 77.04 (2).

(b) Whenever any owner of forest croplands conveys such land he shall, within 10 days of the date of the deed, file with the department of natural resources on forms prepared by the department a transfer of ownership signed by him and an acceptance of transfer signed by the grantee certifying that he intends to continue the practice of forestry on such land. The department of natural resources shall immediately issue a notice of transfer to all officers designated to receive copies of orders of entry and withdrawal. Whenever a purchaser of forest croplands declines to certify his intention to continue the practice of forestry thereon, such action shall constitute cause for cancellation of entry under par. (a) without hearing.

(2) ELECTION TO WITHDRAW LANDS. (a) Any owner of forest croplands may elect to withdraw all or any of such lands from under this subchapter, by filing with the department of natural resources a declaration withdrawing from this sub-

chapter any description owned by such person which he or she specified, and by payment by such owner to the department of natural resources within 60 days the amount of tax due as determined by the department of revenue under s. 77.04 (1) with simple interest thereon at 12% per year, less any severance tax and supplemental severance tax or acreage share paid thereon, with interest computed according to the rule of partial payments at the rate of 12% per year. The exact amount of the tax shall be determined by the department of revenue after hearing and upon due notice of all parties interested, but when the tax rate or assessed value ratio of the current year has not been determined the rate of the preceding tax year may be used. On receiving such payment the department of natural resources shall issue an order of withdrawal and file copies thereof with the department of revenue, the supervisor of equalization, the clerk of the town and the register of deeds of the county in which the land lies. The land shall then cease to be forest croplands.

(b) Upon receipt of any taxes under this section by the state, the department of natural resources shall first deduct all moneys paid by the state on account of the lands under s. 77.05 with interest on the moneys computed according to the rule of partial payments at the rate of interest paid under par. (a) by the person withdrawing such lands. The department shall within 20 days remit the balance to the town treasurer who shall pay 20% to the county treasurer and retain the remainder.

(4) TAXATION AFTER WITHDRAWAL. When any description ceases to be a part of the forest croplands, by virtue of any order of withdrawal issued by the department of natural resources, taxes thereafter levied thereon shall be payable and collectible as if such description had never been under this subchapter.

History: 1971 c. 215; 1975 c. 39 s. 734; 1977 c. 29, 201, 447; 1979 c. 110 s. 60 (13); 1983 a. 275 s. 15 (3); 1985 a. 332 s. 251 (2).

77.11 Accounts of department of natural resources. The department of natural resources shall keep a set of forest croplands books in which shall always appear as to each description in each town containing any forest croplands, the amount of taxes paid by the state to the town and received by the state from the owner. All tax payments shall be paid out of and receipts credited to the forestry account of the conservation fund.

History: 1977 c. 29.

77.12 Review of findings, venue. Any finding of fact made under this subchapter after due notice and hearing shall be final and conclusive, except and unless set aside or modified by the judgment of the circuit court for either Dane county, or of the county in which the land lies in either of which action may be brought for that purpose, within thirty days after the making of the finding sought to be reviewed.

History: 1985 a. 332 s. 251 (2).

77.13 Termination of forest croplands program. (1) On and after July 20, 1985, no person may petition the department of natural resources requesting it to approve any land as forest croplands under this subchapter.

(2) On and after July 20, 1985, the department of natural resources may not act on any petition requesting the designation of land as forest croplands, issue any order entering land as forest croplands or enter into a renewal of any forest croplands contract under this subchapter.

(3) Each contract under s. 77.03 that expires on January 1, 1986, shall remain in effect for one additional year unless the owner notifies the department of natural resources in writing before that date that he or she does not intend to petition the

department of natural resources to designate the land as managed forest land under subch. VI.

History: 1985 a 29.

77.14 Forest croplands information, protection, appropriation. The department of natural resources shall publish and distribute information regarding the method of taxation of forest croplands under this subchapter, and may employ a fire warden in charge of fire prevention in forest croplands. All actual and necessary expenses incurred by the department of natural resources or by the department of revenue in the performance of their duties under this subchapter shall be paid from the appropriation made in s. 20.370 (1) (mu) upon certification by the department incurring such expenses.

History: 1975 c. 39 s. 734; 1977 c. 29 s. 1656 (38); 1979 c. 32; 1979 c. 34 s. 2102 (39) (a); 1985 a. 332 s. 251 (2).

77.16 Woodland tax law. (1) In this section "department" means the department of natural resources.

(2) The owner of 10 acres or more may file with the department an application setting forth a description of the lands which the owner desires to place under the woodland tax law and on which land the owner will practice forestry. Applications received prior to May 1 each calendar year shall be processed for entry by November 20 of that calendar year. Lands which include an entire quarter-quarter section, fractional lot or government lot as determined by U.S. government survey plat, excluding public roads and railroad rights-of-way that may have been sold, are not eligible for entry. Lands within recorded plats or the incorporated limits of cities or villages are not eligible for entry, but lands subject to a woodland tax law agreement located in a town which incorporates as a city after the agreement was entered into remain in effect. Lands on which an improvement is located having an assessed value in itself are not eligible for entry.

(3) Upon filing of such application the department shall examine the land, and if it finds that the facts give reasonable assurance that the woodland is suitable for the growing of timber and other forest products and the lands are not more useful for other purposes and the landowner agrees to follow an approved management plan the department shall enter an order approving the application. A copy of such order shall be forwarded to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town and to the clerk and register of deeds of the county wherein the land is located. The register of deeds shall record the entry and declassification of woodland tax lands in a suitable manner on the county record. The register of deeds may collect recording fees under s. 59.57 from the owner.

(4) The application of the owner of the land, the signed management plan and the filing of the order by the department shall constitute a contract, running with the land, for a period of 15 years, unless terminated as provided in this section. Any order issued on or before November 20 of any year shall take effect on January 1 of the following calendar year, but all orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which orders issued on or before November 20 would have been effective. Any contract under this section may be renewed by mutual consent of the parties at the end of its term, notwithstanding the fact that the town in which the land subject to the contract is located was incorporated as a city during the term of the contract. If at the end of 15 years the contract is not renewed by mutual consent, the land is declassified and shall be removed from the provisions of this section.

(5) The assessor shall reduce the total assessed valuation of each description by an amount equal to the assessed value of the acreage entered. The local assessor in preparing the assessment roll shall show the acreage for each owner covered under this section in a column designated by the words "Woodland Tax Law" or the initials "WTL".

(6) The owner shall be liable and shall pay to the taxation district or city treasurer a tax computed at the rate of 20 cents per acre on all lands entered prior to 1977. All owners shall pay that tax on or before the last day of February, except that if the owner pays general property taxes in instalments the tax shall be paid in full with the first instalment of the owner's general property taxes. On all lands entered or renewed after December 31, 1976, the rate shall be 40 cents per acre through 1982. In 1982 and at 10-year intervals thereafter the per acre rate shall be recalculated using the method specified in s. 77.04 (2) and rounded to the nearest cent. Such acreage tax shall be subject to collection in the same manner as is the forest croplands tax under s. 77.04 (2).

(7) The owner of the land shall follow the management plan and shall prohibit grazing and burning on lands entered under the woodland tax law. The management plan may be revised by the owner with the consent of the department. The department may at any time cause an investigation to be made as to whether lands may continue to be classified under this section. If the department finds that the owner has not complied with the law, or if the land is no longer used for forestry purposes, it shall issue an order removing the land from the woodland tax law classification. An owner may elect to withdraw lands from under this section by filing with the department a declaration of withdrawal for any entire entry. Contracts under the woodland tax law shall be conveyed with the land to the new owner. Conveyance of lands resulting in partition of the lands under a woodland tax law contract shall be cause for declassification. Any declassification order issued on or before November 20 of any year shall take effect on January 1 of the following calendar year but all declassification orders issued after November 20 shall take effect January 1 of the calendar year following the calendar year in which declassification orders issued on or before November 20 would have been effective. A copy of the declassification order shall be sent to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town or city, and to the clerk and register of deeds of the county wherein the land is located.

(8) The owner, town board or county board may petition the department for a public hearing to take testimony and hear evidence on whether lands shall be entered under this section. An owner, town board, city council or county board may petition the department for a public hearing on whether lands should be continued under this section. Upon the filing of a petition the department shall set the matter for public hearing at such time and place as it sees fit, but not later than 90 days from the date of filing of the petition. The department shall give 30 days' written notice of the hearing to the petitioners. The hearing may be adjourned for 60 days. The presiding officer at the hearing may be an employe of the department designated by the department to conduct the hearing.

(9) After hearing all the evidence and after making such independent investigation as it sees fit the department shall make its findings of fact and make and enter an order within 60 days after the final adjournment of the hearing. Copies of the order shall be forwarded to the owner of the land, to the supervisor of equalization of the district wherein the land is located, to the clerk and the assessor of the town or city, to the

county clerk and register of deeds and to the petitioner if not included above.

(10) The department shall furnish appropriate forms to the owners of lands interested in entry of lands under the woodland tax law.

(11) On declassification as a result of actions under sub. (7) the owner shall be liable for payment of a penalty to the town or city treasurer. The payment shall be calculated by the department at a rate of one percent of the average full value per acre of the productive forest land classes under s. 70.32, in the year before declassification in the county where the land is located, for each acre for each year the acreage remained under the provisions of this section. The full value of the productive forest land classes shall be determined each year by the department of revenue. The department shall notify the town or city clerk of the amount of the penalty together with the order of declassification. The penalty shall be included in the owner's next tax bill.

(12) The owner shall not be liable for payment of a penalty if declassification is a result of the owner's failure or refusal to renew the contract at the end of the contract period.

(13) Any decision made by the department under this section is subject to review under ch. 227.

(14) (a) On and after July 20, 1985, no person may apply to the department to place any land under this section.

(b) On and after July 20, 1985, the department may not act on any application under this section, issue any order placing land under this section or enter into a renewal of any agreement under this section.

(c) Each contract under sub. (4) that expires on January 1, 1986, shall remain in effect for one additional year unless the owner notifies the department in writing before that date that he or she does not intend to petition the department to designate the land as managed forest land under subch. VI.

SUBCHAPTER II

REAL ESTATE TRANSFER FEE

77.21 Definitions. In this subchapter:

(1) "Conveyance" includes deeds and other instruments for the passage of ownership interests in real estate, including contracts and assignments of a vendee's interest therein but excluding easements, wills or leases.

(2) "Register" means the register of deeds for the county in which particular real estate is located.

(3) "Value" means:

(a) In the case of any conveyance not a gift, the amount of the full actual consideration paid therefor or to be paid, including the amount of any lien or liens thereon; and

(b) In case of a gift, or any deed of nominal consideration or any exchange of properties, the estimated price the property would bring in an open market and under the then prevailing market conditions in a sale between a willing seller and a willing buyer, both conversant with the property and at prevailing general price levels.

History: 1971 c. 150.

77.22 Imposition of real estate transfer fee. (1) CONVEYANCE. (a) There is imposed on the grantor of real estate a real estate transfer fee at the rate of 30 cents for each \$100 of value or fraction thereof on every conveyance not exempted or excluded under this subchapter. This fee shall be collected by the register at the time the instrument of conveyance is submitted for recording. At the time of submission the

grantee or his or her duly authorized agent or other person acquiring an ownership interest under the instrument shall execute a return, signed by both grantor and grantee, on the form prescribed under par. (b). The register shall enter the fee paid on the face of the deed or other instrument of conveyance before recording, and submission of a completed real estate transfer return and collection by the register of the fee shall be prerequisites to acceptance of the conveyance for recording. The register shall have no duty to determine either the correct value of the real estate transferred or the validity of any exemption or exclusion claimed. If the transfer is not subject to a fee as provided in this subchapter, the reason for exemption shall be stated on the face of the conveyance to be recorded by reference to the proper subsection under s. 77.25. All returns related to conveyances exempt from the fee need not report the value of the ownership transferred except conveyances exempt under sub. (2) (a) and s. 77.25 (8).

(b) The secretary of revenue shall prescribe the form required under par. (a). The form shall provide for the submission of the following:

1. The value of the ownership interest transferred by the instrument of conveyance.

2. The amount of the fee payable under this section.

3. Whether the real estate transferred is subject to certification under s. 101.122 (4) (a), waiver under s. 101.122 (4) (b) or stipulation under s. 101.122 (4) (c).

4. If the real estate transferred is not subject to certification under s. 101.122 (4) (a), waiver under s. 101.122 (4) (b) or stipulation under s. 101.122 (4) (c), the reason why it is not so subject or the form prescribed by the department of industry, labor and human relations under s. 101.122 (6).

4m. The financing terms under which agricultural land is transferred that are relevant to determining only the value of the property.

5. Any other information the secretary requires.

(2) **LAND CONTRACT.** (a) No fee shall be imposed on the recording of an original land contract or an instrument evidencing the existence of a land contract. At the time of submission of the land contract or instrument evidencing the existence of a land contract, the vendee or the vendee's duly authorized agent shall execute a return signed by both the vendee or vendor setting forth the value of the ownership interest transferred by the instrument. The return shall be in the form the secretary prescribes. The return shall be a prerequisite to acceptance by the register for recording, and the vendor and the vendee shall sign the return. The register shall enter the date of recording on the form. By the 15th day of the month following the close of the month in which the land contracts were recorded, the register shall send the returns to the department of revenue.

(b) The fee imposed by this subchapter shall be due at the time of submission for recording of the deed or other instrument executed in fulfillment of a land contract and shall be collected and noted as under sub. (1) (a).

History: 1971 c. 150; 1977 c. 29; 1981 c. 20; 1985 a. 54; 1985 a. 174 ss. 1, 2, 7; 1985 a. 332.

77.23 Disposition of fees and returns; confidentiality. (1) On or before the 15th day of each month the register shall submit to the county treasurer transfer fees collected together with the returns filed in the office during the preceding month for the treasurer's transmission to the department of revenue under s. 77.24. The department shall distribute information from the returns, and a copy of each return, to local assessors.

(2) The returns filed under this subchapter shall be deemed privileged information, for use in any proceeding involving the amount of the requisite fee, for the use of the department of industry, labor and human relations under s. 101.122, or

for use of the department of revenue, county real property listers under s. 70.09 and local assessors or their agents or employes and of governmental agencies acquiring real property for public purposes; but in a condemnation proceeding or an appeal from an assessment of real property, returns shall be open to inspection by the property owner or agent.

(3) The local assessor shall permit the inspection of all returns filed under this subchapter for property within any local unit of government for which property taxes are levied by the chief elected official, or a person designated by the official, of that unit upon the adoption of a resolution by the governing body of the unit directing the official to inspect the returns for the purpose of reviewing the basis upon which equalized values were established by the department of revenue under s. 70.57. The official or designee shall maintain the confidentiality of the returns.

History: 1975 c. 338, 421; 1979 c. 153; 1985 a. 174.

77.24 Division of fee. Twenty percent of all fees collected under this subchapter shall be retained by the county and the balance shall be transmitted to the state. Remittances shall be made monthly by the county treasurers to the department of revenue by the 15th day of the month following the close of the month in which the fee was collected. The remittance to the department shall be accompanied by the returns executed under s. 77.22.

History: 1977 c. 29; 1981 c. 20.

77.25 Exemptions from fee. The fees imposed by this subchapter do not apply to a conveyance:

- (1) Prior to October 1, 1969.
- (2) To the United States or to this state or to any instrumentality, agency or subdivision of either.
- (3) Which, executed for nominal, inadequate or no consideration, confirms, corrects or reforms a conveyance previously recorded.
- (4) On sale for delinquent taxes or assessments.
- (5) On partition.
- (6) Pursuant to mergers of corporations.
- (7) By a subsidiary corporation to its parent for no consideration, nominal consideration or in sole consideration of cancellation, surrender or transfer of capital stock between parent and subsidiary corporation.
- (8) Between husband and wife, parent and child, stepparent and stepchild, parent and son-in-law or parent and daughter-in-law for nominal or no consideration.
- (9) Between agent and principal or from a trustee to a beneficiary without actual consideration.
- (10) Solely in order to provide or release security for a debt or obligation except as required by s. 77.22 (2) (b).
- (11) By will, descent or survivorship.
- (12) Pursuant to or in lieu of condemnation.
- (13) Of real estate having a value of \$100 or less.
- (14) Under a foreclosure or a deed in lieu of a foreclosure to a person holding a mortgage or to a seller under a land contract.
- (15) Between a corporation or partnership and its shareholders or partners if all of the stock is owned by, or all the partners are, spouses or lineal ascendants or descendants of each other, if the transfer is for no consideration except stock of the corporation or an interest in the partnership and if, in the case of transfers from corporations, the corporation owned the property for at least 3 years.
- (16) To a trust if a transfer from the grantor to the beneficiary of the trust would be exempt under this section.

History: 1971 c. 150; 1985 a. 39.

77.255 Exemptions from return. No return is required with respect to conveyances exempt under s. 77.25 (1), (2), (4) or (11) from the fee imposed under s. 77.22.

History: 1983 a. 27.

77.26 Powers of investigation, additional fees, refunds, penalties. (1) The department of revenue may examine any records of any party to a conveyance to determine the real estate transfer fee due and the accuracy of the return submitted.

(2) If the department of revenue determines that the amount of the real estate transfer fee reported was in error or that an exemption was improperly claimed, the department shall compute the additional transfer fee to be paid by, or the amount of the overpayment of transfer fee to be refunded to, the grantor.

(3) All additional assessments and claims for refund are subject to the applicable notice provisions and procedures for review, final determination and collection provided for additional income tax assessments and claims for refund under ch. 71.

(4) The department of revenue shall collect additional real estate transfer fees and divide the amount collected with the appropriate county in the proportion under s. 77.24.

(5) In the case of overpayment of transfer fees by any grantor under sub. (2), the department of revenue shall certify the overpayment to the department of administration for payment of the refund to the grantor.

(6) The department of revenue shall notify the appropriate county treasurer of any refund paid by the state, and the appropriate county treasurer shall increase the county's next payment to the state to reimburse the state for the county's share of the refund.

(7) No person may make additional assessments of transfer fees or claim a refund of excess transfer fees paid after 4 years have elapsed from the date the transfer fee was due under s. 77.22.

(8) If the department of revenue determines that the value reported on the return under s. 77.22 is understated by 25% or more or that an exemption was improperly claimed under s. 77.25, the department shall assess and collect a penalty of \$25 or 25% of the additional fee due, whichever is greater, in the manner that additional transfer fees are collected.

History: 1983 a. 27.

77.27 Penalty for falsifying value. Any person who intentionally falsifies value on a return required to be filed under this subchapter may for each such offense be fined not more than \$1,000 or imprisoned in the county jail not more than one year, or both.

This section is violated when value is intentionally falsified on a Wisconsin real estate transfer return. Falsely declaring a transfer as a sale when it is in fact a gift does not constitute a violation, nor will it support the issuance of a false swearing complaint under 946.32, but it may constitute a gift tax avoidance in violation of 72.86 (6). 62 Atty. Gen. 251.

77.29 Fee for recording. In any county in which the register of deeds is compensated on a fee basis, the county shall pay him an additional amount equal to 25% of the recording fees for all deeds or other instruments conveying real estate evidencing transfers subject to fee under this subchapter.

77.30 Rules. The secretary of revenue may adopt, pursuant to ch. 227, such rules as he deems necessary in the administration of this subchapter and may proceed under s. 73.03 (9) to enforce its provisions.

SUBCHAPTER III

GENERAL SALES AND USE TAX

77.51 Definitions. Except where the context requires otherwise, the definitions given in this section govern the construction of terms in this subchapter.

(1) "Business" includes any activity engaged in by any person or caused to be engaged in by any person with the object of gain, benefit or advantage, either direct or indirect, and includes also the furnishing and distributing of tangible personal property or taxable services for a consideration by social clubs and fraternal organizations to their members or others.

(2) "Contractors" and "subcontractors" are the consumers of tangible personal property used by them in real property construction activities and the sales and use tax applies to the sale of tangible personal property to them. A contractor engaged primarily in real property construction activities may use resale certificates only with respect to purchases of property which he has sound reason to believe he will sell to customers for whom he will not perform real property construction activities involving the use of such property.

(3) "Department" means the department of revenue, its duly authorized employes and agents.

(4)(a) "Gross receipts" means the total amount of the sale, lease or rental price, as the case may be, from sales at retail of tangible personal property, or taxable services, valued in money, whether received in money or otherwise, without any deduction on account of the following:

1. The cost of the property sold;
2. The cost of the materials used, labor or service cost, interest paid, losses or any other expense;
3. The cost of transportation of the property prior to its sale to the purchaser;
4. Any tax included in or added to the purchase price, including the taxes imposed by ss. 78.01, 78.40, 139.02, 139.03 and 139.31, the federal motor fuel tax and any manufacturers' or importers' excise tax; but not including any tax imposed by the United States, any other tax imposed by this state or any tax imposed by any municipality of this state upon or with respect to retail sales whether imposed upon the retailer or the consumer if measured by a stated percentage of sales price or gross receipts or the federal communications tax imposed upon the services set forth in s. 77.52 (2) (a) 3 and 4. For purposes of the sales tax, if a retailer establishes to the satisfaction of the department that the sales tax imposed by this subchapter has been added to the total amount of the sales price and has not been absorbed by the retailer, the total amount of the sales price shall be the amount received exclusive of the sales tax imposed. For the purpose of this subdivision, a tax shall be deemed "imposed upon or with respect to retail sales" only if the retailer is the person who is required to make the payment of the tax to the governmental unit levying the tax.

(b) "Gross receipts" shall not include:

1. Cash or term discounts allowed and taken on sales;
2. Such part of the sales price as is refunded in cash or credit as a result of property returned or adjustments in the sales price after the sale has been completed, provided the seller has included the said refunded receipts in a prior return made by such seller and has paid the tax thereon; and provided the seller has returned to the purchaser in cash or credit any and all tax previously paid by the purchaser on the amount of such refund at the time of the purchase.
3. In all transactions in which an article of tangible personal property is traded toward the purchase of an article

of greater value, the gross receipts shall be only that portion of the purchase price represented by the difference between the full purchase price of the article of greater value and the amount allowed for the article traded.

4. In the case of accounts which are found to be worthless and charged off for income tax purposes, a retailer is relieved from liability for sales tax. A retailer who has previously paid the sales tax on such accounts may take as a deduction from the measure of the tax the amount found to be worthless and this deduction must be taken from the measure of the tax in the period in which said account is found to be worthless or within a reasonable time thereafter.

5. Transportation charges separately stated, if the transportation occurs after the sale of the property is made to the purchaser.

6. Thirty-five percent of the total amount for which a new mobile home that is a primary housing unit under s. 340.01 (29) is sold. No credit may be allowed for trade-ins under subd. 3 or sub. (15) (b) 4. This subdivision does not apply to lease or rental.

(c) "Gross receipts" includes:

1. All receipts, cash, credits and property except as provided in par. (b) 3.
2. Any services that are a part of the sale of tangible personal property, including any fee, service charge, labor charge or other addition to the price charged a customer by the retailer which represents or is in lieu of a tip or gratuity.
3. The entire sales price of credit transactions in the reporting period in which the sale is made without reduction in the amount of tax payable by the retailer by reason of his transfer at a discount the open account, note, conditional sales contract, lease contract or other evidence of indebtedness. No reduction in the amount of tax payable by the retailer is allowable in the event property sold on credit is repossessed except where the entire consideration paid by the purchaser is refunded to him or where a credit for a worthless account is allowable under par. (b) 4.
4. The price received for labor or services used in installing or applying tangible personal property sold, except the price received for installing or applying property which, when installed or applied, will constitute an addition or capital improvement of real property and provided such amount is separately set forth from the amount received for the tangible personal property.

5. If a lessor of tangible personal property reimbursed the vendor for sales tax on the sale of the property by the vendor to the lessor, the tax due from the lessor on the rental receipts may be offset by a credit equal to, but not exceeding, the tax otherwise due on the rental receipts from this property for the reporting period. The credit shall expire when the cumulative rental receipts equal the sales price upon which the vendor paid sales taxes to this state. If a purchaser of tangible personal property reimbursed the vendor of the property for sales tax on the sale and subsequently, prior to making any use of the property other than retention, demonstration or display while holding it for sale or rental, makes a taxable sale of the property, the tax due on the taxable sale may be offset by the tax reimbursed.

(d) The department may, in cases where it is satisfied that an undue hardship would otherwise result, permit the reporting of "gross receipts" on some basis other than the accrual basis.

(5) For purposes of subs. (13) (e) and (f) and (14) (L) and s. 77.52 (2m) "incidental" means depending upon or appertaining to something else as primary; something necessary, appertaining to, or depending upon another which is termed the principal; something incidental to the main purpose of the

service. Tangible personal property transferred by a service provider is incidental to the service if the purchaser's main purpose or objective is to obtain the service rather than the property, even though the property may be necessary or essential to providing the service.

(6) "In this state" or "in the state" means within the exterior limits of the state of Wisconsin.

(7) "Lease" includes rental, hire and license.

(8) "Newspaper" means those publications which are commonly understood to be newspapers and which are printed and distributed periodically at daily, weekly or other short intervals for the dissemination of current news and information of a general character and of a general interest to the public. In addition, any publication which qualifies as a newspaper under s. 985.03 (1) is a newspaper. "Newspaper" also includes advertising supplements if they are printed by a newspaper and distributed as a component part of one of that newspaper's publications or if they are printed by a newspaper or a commercial printer and sold to a newspaper for inclusion in publications of that newspaper. A "newspaper" does not include handbills, circulars, flyers, or the like, advertising supplements not described in this subsection which are distributed with a newspaper, nor any publication which is issued to supply information on certain subjects of interest to particular groups, unless such publication otherwise qualifies as a newspaper within this subsection. In this subsection, advertising is not considered news of a general character and of a general interest.

(9) "Occasional sales" includes:

(a) Isolated and sporadic sales of tangible personal property or taxable services where the infrequency, in relation to the other circumstances, including the sales price and the gross profit, support the inference that the seller is not pursuing a vocation, occupation or business or a partial vocation or occupation or part-time business as a vendor of personal property or taxable services. No sale of any tangible personal property or taxable service may be deemed an occasional sale if at the time of such sale the seller holds or is required to hold a seller's permit, except that this provision shall not apply to an organization required to hold a seller's permit solely for the purpose of conducting bingo games.

(c) Sales of admissions or tickets by a neighborhood association, church, civic group, garden club, social club or similar organization to an event, including a meal, not involving professional entertainment, conducted by such organization, when such organization is not engaged in a trade or business and not otherwise required to have a seller's permit, and when no more than 3 such events were conducted by the organization in the previous calendar year and no more than 3 are anticipated during the current calendar year and such events do not fall on more than 9 different days or 9 consecutive 24-hour periods within the calendar year.

(e) An auction which is the sale of personal farm property or household goods and not held at regular intervals.

(10) "Person" includes any natural person, firm, partnership, joint venture, joint stock company, association, public or private corporation, the United States, the state of Wisconsin, including any unit or division thereof, any county, city, village, town, municipal utility, municipal power district or other governmental unit, cooperative, estate, trust, receiver, executor, administrator, any other fiduciary, and any representative appointed by order of any court or otherwise acting on behalf of others.

(11) "Printing" and "imprinting" include lithography, photolithography, rotogravure, gravure, letterpress, silk screen printing, multilithing, multigraphing, mimeographing, photostating, steel die engraving and similar processes.

(12) "Purchase" includes:

(a) Any transfer of title, possession, ownership, enjoyment, or use by: cash or credit transaction, exchange, barter, lease or rental, conditional or otherwise, in any manner or by any means whatever of tangible personal property for a consideration;

(b) A transaction whereby the possession of property is transferred but the seller retains the title as security for the payment of the price.

(13) "Retailer" includes:

(a) Every seller who makes any sale of tangible personal property or taxable service.

(am) Any person making any retail sale of a motor vehicle, aircraft, snowmobile, mobile home not exceeding 45 feet in length, trailer, semitrailer or boat registered or titled, or required to be registered or titled, under the laws of this state or of the United States.

(b) Every person engaged in the business of making sales of tangible personal property for storage, use or consumption or in the business of making sales at auction of tangible personal property owned by the person or others for storage, use or other consumption.

(c) When the department determines that it is necessary for the efficient administration of this subchapter to regard any salesmen, representatives, peddlers or canvassers as the agents of the dealers, distributors, supervisors or employers under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making the sales on their own behalf or on behalf of such dealers, distributors, supervisors or employers, the department may so regard them and may regard the dealers, distributors, supervisors or employers as retailers for purposes of this subchapter.

(d) Every wholesaler to the extent that he sells tangible personal property to a person other than a seller as defined in sub. (17) provided such wholesaler is not expressly exempt from the sales tax on such sale or from collecting the use tax on such sale.

(e) A person selling tangible personal property to a service provider who transfers the property in conjunction with the selling, performing or furnishing of any service and the property is incidental to the service, unless the service provider is selling, performing or furnishing services under s. 77.52 (2) (a) 7, 10, 11 and 20. This subsection does not apply to sub. (2).

(f) A service provider who transfers tangible personal property in conjunction with but not incidental to the selling, performing or furnishing of any service and a service provider selling, performing or furnishing services under s. 77.52 (2) (a) 7, 10, 11 and 20. This subsection does not apply to sub. (2).

(i) A person selling materials or supplies to barbers, beauty shop operators or bootblacks for use by them in the performance of their services.

(j) A person selling materials and supplies to producers of X-ray films.

(k) As respects a lease, any person deriving rentals from a lease of tangible personal property situated in this state.

(m) A person selling tangible personal property to a veterinarian to be used or furnished by the veterinarian in the performance of services in some manner related to domestic animals, including pets or poultry.

(n) A person selling household furniture, furnishings, equipment, appliances or other items of tangible personal property to a landlord for use by tenants in leased or rented living quarters.

(o) A person selling medicine for animals to a veterinarian. As used in this paragraph, "animal" includes livestock, pets and poultry.

(p) A telephone company which provides to an interexchange carrier services which permit the origination or termination of telephone messages between a customer in this state and one or more points in another telephone exchange.

(13g) "Retailer engaged in business in this state", unless otherwise limited by federal statute, for purposes of the use tax, means any of the following:

(a) Any retailer owning any real property in this state or leasing or renting out any tangible personal property located in this state or maintaining, occupying or using, permanently or temporarily, directly or indirectly, or through a subsidiary, or agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse or storage place or other place of business in this state.

(b) Any retailer having any representative, agent, salesperson, canvasser or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling, delivering or the taking of orders for any tangible personal property or taxable services.

(13r) Any person purchasing from a retailer as defined in sub. (13) shall be deemed the consumer of the tangible personal property or personal services purchased.

(14) "Sale", "sale, lease or rental", "retail sale", "sale at retail", or equivalent terms include any one or all of the following: the transfer of the ownership of, title to, possession of, or enjoyment of tangible personal property or services for use or consumption but not for resale as tangible personal property or services and includes:

(a) Any sale at an auction in respect to tangible personal property which is sold to a successful bidder. The proceeds from the sale of property sold at auction which is bid in by the seller and on which title does not pass to a new purchaser shall be deducted from the gross proceeds of the sale and the tax paid only on the net proceeds.

(b) The furnishing or distributing of tangible personal property or taxable services for a consideration by social clubs and fraternal organizations to their members or others.

(c) A transaction whereby the possession of tangible personal property is transferred but the seller retains the title as security for the payment of the price.

(d) The delivery in this state of tangible personal property by an owner or former owner thereof or by a factor, or agent of such owner, former owner or factor, if the delivery is to a consumer or person for redelivery to a consumer, pursuant to a retail sale made by a retailer not engaged in business in this state. The person making the delivery shall include the retail selling price of the property in his gross receipts.

(f) The furnishing, preparing or serving for consideration of food, meals, confections or drinks.

(g) A sale of tangible personal property to a contractor or subcontractor for use in the performance of contracts with the United States or its instrumentalities for the construction of improvements on or to real property.

(2m) (a) With respect to the services subject to tax under sub. (2), no part of the charge for the service may be deemed a sale or rental of tangible personal property if the property transferred by the service provider is incidental to the selling, performing or furnishing of the service, except as provided in par. (b).

(b) With respect to the services subject to tax under sub. (2) (a) 7, 10, 11 and 20, all property physically transferred to the customer in conjunction with the selling, performing or furnishing of the service is a sale of tangible personal property separate from the selling, performing or furnishing of the service.

(3) The taxes imposed by this section may be collected from the consumer or user.

(4) It is unlawful for any retailer to advertise or hold out or state to the public or to any customer, directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the retailer or that it will not be added to the selling price of the property sold or that if added it, or any part thereof, will be refunded. Any person who violates this subsection is guilty of a misdemeanor.

(5) The department may by rule provide that the amount collected by the retailer from the consumer or user in reimbursement of the retailer's tax be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sale.

(6) A retailer is relieved from liability for sales tax insofar as the measure of the tax is represented by accounts which have been found to be worthless and charged off for income tax purposes. If the retailer has previously paid the tax, he may, under rules prescribed by the department, take as a deduction from the measure of the tax the amount found worthless and charged off for income tax purposes. If any such accounts are thereafter collected in whole or in part by the retailer, the amount as collected shall be included in the first return filed after such collection and the tax paid with the return.

(7) Every person desiring to operate as a seller within this state shall file with the department an application for a permit for each place of operations. Every application for a permit shall be made upon a form prescribed by the department and shall set forth the name under which the applicant intends to operate, the location of his place of operations, and such other information as the department requires. The application shall be signed by the owner if a sole proprietor; in the case of sellers other than sole proprietors, the application shall be signed by the person authorized to act on behalf of such sellers.

(8) (a) At the time of making an application the applicant shall pay to the department a permit fee of \$5 for each permit.

(b) A seller whose permit has been previously suspended or revoked shall pay the department a fee of \$5 for the renewal or issuance of a permit.

(9) After compliance with subs. (7) and (8) and s. 77.61 (2) by the applicant, the department shall grant and issue to each applicant a separate permit for each place of operations within the state. A permit is not assignable and is valid only for the person in whose name it is issued and for the transaction of operations at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.

(10) (a) Each permit issued on or after September 1, 1977, shall expire every 2 years on the last day of the month of its original issuance. Each permit issued before September 1,

1977, shall expire every 2 years on the last day of the month of its original issuance but in no case before August 31, 1979.

(b) Permits which expire under par. (a) are automatically renewable and the department shall issue a new permit unless, on the date the permit expires, the permittee has a delinquent liability in respect to any tax under ch. 71, 72, 76, 77, 78 or 139, including costs, penalties and interest thereon, of \$400 or more, any part of which is delinquent for 5 months or longer. Thirty days prior to the expiration date, the department shall notify in writing any permittee who has such liability on the department's records at that time that the department may refuse to renew the permit. A person receiving such notice may petition the department for a hearing under sub. (11) (b).

(c) After payment of all delinquent sales and use taxes, including costs, penalties and interest thereon, and after compliance with subs. (7) and (8) and s. 77.61 (2), a person who has been refused renewal of a permit shall be issued a permit.

(11) (a) If any person fails to comply with any provision of this subchapter relating to the sales tax or any rule of the department relating to the sales tax adopted under this subchapter, is delinquent in respect to any tax imposed by the department or fails timely to file any return or report in respect to any tax under ch. 71, 72, 76, 77, 78 or 139 after having been requested to file that return or report, the department upon hearing, after giving the person 10 days' notice in writing specifying the time and place of hearing and requiring the person to show cause why the permit should not be revoked or suspended, may revoke or suspend any one or more of the permits held by the person. The department shall give to the person written notice of the suspension or revocation of any of the permits. The notices required in this paragraph may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination. The department shall not issue a new permit after the revocation of a permit unless it is satisfied that the former holder of the permit will comply with the provisions of this subchapter, the rules of the department relating to the sales tax and the provisions relating to other taxes administered by the department.

(b) Any person who receives a notice under sub. (10) (b) may, within 10 days after receipt thereof, but not thereafter, petition the department for a review of the decision not to renew the permit. The petition is timely if it fulfills the requirements under s. 77.61 (14). If the permittee so petitions, the permit shall remain valid until 10 days after the petitioner receives the department's decision. Within 10 days after receipt of the petition, the department shall notify the petitioner of the time and place for a hearing. At the hearing, the petitioner may appear in person or by counsel or both and may present statements, testimony, evidence and argument showing why the department's action to not renew the permit should be reversed. After the hearing, the department shall issue a decision in writing and serve it upon the petitioner by mail.

(12) A person who operates as a seller in this state without a permit or after a permit has been suspended, revoked or has expired, and each officer of any corporation, partnership member or other person authorized to act on behalf of a seller who so operates, is guilty of a misdemeanor. Permits shall be held only by persons actively operating as sellers of tangible personal property or taxable services. Any person not so operating shall forthwith surrender that person's permit to the department for cancellation. The department may revoke the permit of a person found not to be actively operating as a seller of tangible personal property or taxable services.

(13) For the purpose of the proper administration of this section and to prevent evasion of the sales tax it shall be presumed that all receipts are subject to the tax until the contrary is established. The burden of proving that a sale of tangible personal property or services is not a taxable sale at retail is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property or service is purchased for resale or is otherwise exempt.

(14) The certificate referred to in sub. (13) relieves the seller from the burden of proof only if a) taken in good faith from a person who is engaged as a seller of tangible personal property or taxable services and who holds the permit provided for in sub. (9) and who, at the time of purchasing the tangible personal property or services, intends to sell it in the regular course of operations or is unable to ascertain at the time of purchase whether the property or service will be sold or will be used for some other purpose, or b) if taken in good faith from a person claiming exemption. The certificate shall be signed by and bear the name and address of the purchaser, and shall indicate the general character of the tangible personal property or service sold by the purchaser and the basis for the claimed exemption. The certificate shall be in such form as the department prescribes.

(15) If a purchaser who gives a resale certificate makes any use of the property other than retention, demonstration or display while holding it for sale, lease or rental in the regular course of his operations, the use shall be taxable to the purchaser under s. 77.53 as of the time the property is first used by him, and the sales price of the property to him shall be the measure of the tax. Only when there is an unsatisfied use tax liability on this basis shall the seller be liable for sales tax with respect to the sale of the property to the purchaser.

(16) Any person who gives a resale certificate for property or services which he knows at the time of purchase is not to be resold by him in the regular course of his operations as a seller for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction is guilty of a misdemeanor. Any person certifying to the seller that the sale of property or taxable service is exempt, knowing at the time of purchase that it is not exempt, for the purpose of evading payment to the seller of the amount of the tax applicable to the transaction, is guilty of a misdemeanor.

(17) If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold.

(18) If any retailer liable for any amount of tax under this subchapter sells out his business or stock of goods or quits the business, his successors or assigns shall withhold sufficient of the purchase price to cover such amount until the former owner produces a receipt from the department that it has been paid or a certificate stating that no amount is due.

(a) If the purchaser of a stock of goods fails to withhold from the purchase price as required, he becomes personally liable for the payment of the amount required to be withheld by him to the extent of the purchase price valued in money. Within 60 days after receiving a written request from the purchaser for a certificate, or within 60 days from the date the former owner's records are made available for audit, whichever period expires later, but in any event not later than 90 days after receiving the request, the department shall either issue the certificate or mail notice to the purchaser at his

address as it appears on the records of the department of the amount that must be paid as a condition of issuing the certificate. Failure of the department to mail the notice will release the purchaser from any further obligation to withhold the purchase price as above provided. The obligation of the successor may be enforced within 4 years of the time the retailer sells out his business or stock of goods or at the time that the determination against the retailer becomes final, whichever event occurs later.

(19) The department shall by rule provide for the efficient collection of the taxes imposed by this subchapter on sales of property or services by persons not regularly engaged in selling at retail in this state or not having a permanent place of business, but who are temporarily engaged in selling from trucks, portable roadside stands, concessions at fairs and carnivals, and the like. The department may authorize such persons to sell property or sell, perform or furnish services on a permit or nonpermit basis as the department by rule prescribes and failure of any person to comply with such rules constitutes a misdemeanor.

77.53 Imposition of use tax. (1) An excise tax is hereby levied and imposed on the storage, use or other consumption in this state of tangible personal property or taxable services described in s. 77.52 purchased from any retailer at the rate of 5% of the sales price of the property or taxable services.

(2) Every person storing, using or otherwise consuming in this state tangible personal property or taxable services purchased from a retailer is liable for the tax imposed by this section. The person's liability is not extinguished until the tax has been paid to this state, but a receipt with the tax separately stated from a retailer engaged in business in this state or from a retailer who is authorized by the department, under such rules as it prescribes, to collect the tax and who is regarded as a retailer engaged in business in this state for purposes of the tax imposed by this section given to the purchaser under sub. (3) relieves the purchaser from further liability for the tax to which the receipt refers.

(3) Every retailer engaged in business in this state and making sales of tangible personal property or taxable services for delivery into this state or with knowledge directly or indirectly that the property or service is intended for storage, use or other consumption in this state, shall, at the time of making the sales or, if the storage, use or other consumption of the tangible personal property or taxable service is not then taxable under this section, at the time the storage, use or other consumption becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt in the manner and form prescribed by the department.

(4) A retailer is relieved from liability to collect use tax insofar as the measure of the tax is represented by accounts which have been found to be worthless and charged off for income tax purposes. If the retailer has previously paid the amount of the tax, he may, under rules prescribed by the department, take as a deduction from the measure of the tax the amount found worthless and charged off for income tax purposes. If any such accounts are thereafter in whole or in

part collected by the retailer, the amount so collected shall be included in the first return filed after such collection and the amount of the tax thereon paid with the return.

(5) The tax required to be collected by the retailer constitutes a debt owed by the retailer to the state.

(7) The tax required to be collected by the retailer from the purchaser shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check, invoice or other proof of sale.

(8) Any person violating sub. (3) or (7) is guilty of a misdemeanor.

(9) Every retailer selling tangible personal property or taxable services for storage, use or other consumption in this state shall register with the department and give the name and address of all agents operating in this state, the location of all distribution or sales houses or offices or other places of business in this state, and such other information as the department requires.

(9m) Any person who is not otherwise required to collect any tax imposed by this subchapter and who makes sales to persons within this state of tangible personal property or taxable services the use of which is subject to tax under this subchapter may, if he so elects, register with the department, under such terms and conditions as the department imposes, and thereby be authorized and required to collect, report and remit to the department the use tax imposed by this subchapter.

(10) For the purpose of the proper administration of this section and to prevent evasion of the use tax and the duty to collect the use tax, it is presumed that tangible personal property or taxable services sold by any person for delivery in this state is sold for storage, use or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property or taxable service is purchased for resale, or otherwise exempt from the tax.

(11) The certificate referred to in sub. (10) relieves the person selling the property or service from the burden of proof only if taken in good faith from a person who is engaged as a seller of tangible personal property or taxable services and who holds the permit provided for by s. 77.52 (9) and who, at the time of purchasing the tangible personal property or taxable service, intends to sell it in the regular course of operations or is unable to ascertain at the time of purchase whether the property or service will be sold or will be used for some other purpose, or if taken in good faith from a person claiming exemption. The certificate shall be signed by and bear the name and address of the purchaser and shall indicate the number of the permit issued to the purchaser, the general character of tangible personal property or taxable service sold by the purchaser and the basis for the claimed exemption. The certificate shall be substantially in the form the department prescribes.

(12) If a purchaser who gives a certificate makes any storage or use of the property or service other than retention, demonstration or display while holding it for sale in the regular course of operations as a seller, the storage or use is taxable as of the time the property or service is first so stored or used.

(13) If a purchaser gives a certificate with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined sales from the mass of commingled goods shall be deemed to be sales of the goods so purchased until a quantity of commingled goods equal to

the quantity of purchased goods so commingled has been sold.

(14) It is presumed that tangible personal property or taxable services shipped or brought to this state by the purchaser were purchased from or serviced by a retailer.

(15) It is presumed that tangible personal property or taxable services delivered outside this state to a purchaser known by the retailer to be a resident of this state were purchased from a retailer for storage, use or other consumption in this state and stored, used or otherwise consumed in this state. This presumption may be controverted by a written statement, signed by the purchaser or an authorized representative, and retained by the seller that the property or service was purchased for use at a designated point outside this state. This presumption may also be controverted by other evidence satisfactory to the department that the property or service was not purchased for storage, use or other consumption in this state.

(16) If the purchase, rental or lease of tangible personal property or service subject to the tax imposed by this section was subject to a sales tax by another state in which the purchase was made, the amount of sales tax paid the other state shall be applied as a credit against and deducted from the tax, to the extent thereof, imposed by this section. In this subsection "sales tax" includes a use or excise tax imposed on the use of tangible personal property or taxable service by the state in which the sale occurred and "state" includes the District of Columbia but does not include the commonwealth of Puerto Rico or the several territories organized by congress.

(17) This section does not apply to tangible personal property purchased outside this state, other than motor vehicles, boats, snowmobiles, mobile homes not exceeding 45 feet in length, trailers, semitrailers and airplanes registered or titled or required to be registered or titled in this state, which is brought into this state by a nondomiciliary for the person's own storage, use or other consumption while temporarily within this state when such property is not stored, used or otherwise consumed in this state in the conduct of a trade, occupation, business or profession or in the performance of personal services for wages or fees.

(17m) This section does not apply to a boat purchased in a state contiguous to this state by a person domiciled in that state if the boat is berthed in this state's boundary waters adjacent to the state of the domicile of the purchaser, if the transaction was an exempt occasional sale under the laws of the state in which the purchase was made, if the boat is not located in this state more than 60 consecutive days, other than while it is in storage, and if this state is not the state of principal use.

(18) This section does not apply to the storage, use or other consumption in this state of household goods for personal use, including motor vehicles, purchased by a nondomiciliary of this state outside this state 90 days or more before bringing the goods into this state in connection with a change of domicile to this state.

77.55 Exemptions from sales tax. (1) There are exempted from the computation of the amount of the sales tax the gross receipts from the sale of any tangible personal property or services to:

(a) The United States, its unincorporated agencies and instrumentalities;

(b) Any incorporated agency or instrumentality of the United States wholly owned by the United States or by a corporation wholly owned by the United States.

(2) There are exempted from the computation of the amount of the sales tax the gross receipts from sales of tangible personal property to a common or contract carrier, shipped by the seller via the purchasing carrier under a bill of lading whether the freight is paid in advance, or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a carrier.

(2m) There are exempted from the computation of the amount of sales tax the gross receipts from sales of railroad crossties to a common or contract carrier, shipped wholly or in part by way of the purchasing carrier under a bill of lading,

whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state if the property is transported to the out-of-state destination for use by the carrier in the conduct of its business as a carrier. Interruption of the shipment for storage, drying, processing or creosoting of the railroad cross-ties in this state does not invalidate the exemption under this subsection.

(3) There are exempted from the computation of the amount of the sales tax the gross receipts from sales of tangible personal property purchased for use solely outside this state and delivered to a forwarding agent, export packer, or other person engaged in the business of preparing goods for export or arranging for their exportation, and actually delivered to a port outside the continental limits of the United States prior to making any use thereof.

History: 1985 a. 29.

77.56 Exemptions from use tax. (1) The storage, use or other consumption in this state of property, the gross receipts from the sale of which are reported to the department in the measure of the sales tax, is exempted from the use tax.

(2) The loan by an automobile dealer of a motor vehicle to any school or school district for a driver training educational program conducted by the school or school district is exempt from the use tax. If the dealer makes any other use of the vehicle except retention, demonstration or display while holding it for sale in the regular course of business, the use is taxable to the dealer under s. 77.53 as of the time the property is first so used, and the sales price of the vehicle to the dealer is the measure of the tax.

77.57 Liability of purchaser. If a purchaser certifies in writing to a seller that the property purchased will be used in a manner or for a purpose entitling the seller to regard the gross receipts from the sale as exempted by this subchapter from the computation of the amount of the sales tax and uses the property in some other manner or for some other purpose, the purchaser is liable for payment of the sales tax. The tax shall be measured by the sales price of the property to the purchaser, but if the taxable use first occurs more than 6 months after the sale to the purchaser, the purchaser may use as the measure of the tax either that sales price or the fair market value of the property at the time the taxable use first occurs.

History: 1983 a. 405.

77.58 Returns and payments. (1) The taxes imposed by this subchapter for each calendar quarter are due and payable on the last day of the month next succeeding the calendar quarter for which imposed except that:

(a) If the amount of tax for any calendar quarter exceeds \$600, the department may require by written notice to the taxpayer that the taxes imposed on and after the date specified in the notice are due and payable on the last day of the month next succeeding the calendar month for which imposed.

(b) If the amount of tax for any calendar quarter exceeds \$3,600, the department may require by written notice to the taxpayer that the taxes imposed on and after the date specified in the notice are due and payable on the 20th day of the month next succeeding the calendar month for which imposed. The payment is timely if it fulfills the requirements under s. 77.61 (14).

(2) A return shall be filed by the last day of the month next succeeding each calendar quarter for taxes imposed for the preceding calendar quarter except that:

(a) If payments are required to be made monthly and are due and payable on the last day of the month next succeeding the calendar month for which imposed under sub. (1) (a), a return shall be filed by the last day of the month next succeeding each calendar month for taxes imposed for the preceding calendar month.

(b) If payments are required to be made monthly and are due and payable on the 20th day of the month next succeeding the calendar month for which imposed under sub. (1) (b), a return shall be filed by the 20th day of the month next succeeding each calendar month for taxes imposed for the preceding calendar month.

(c) Returns and payments under this section are timely if they meet the requirements under s. 77.61 (14).

(3) (a) For purposes of the sales tax a return shall be filed by every seller. For purposes of the use tax a return shall be filed by every retailer engaged in business in this state and by every person purchasing tangible personal property or services, the storage, use or other consumption of which is subject to the use tax, who has not paid the use tax due to a retailer required to collect the tax. Returns shall be signed by the person required to file the return or by a duly authorized agent but need not be verified by oath.

(b) For purposes of the sales tax the return shall show the gross receipts of the seller during the preceding reporting period. For purposes of the use tax, in case of a return filed by a retailer, the return shall show the total sales price of the property or taxable services sold, the storage, use or consumption of which became subject to the use tax during the preceding reporting period. In case of a sales or use tax return filed by a purchaser, the return shall show the total sales price of the property and taxable services purchased, the storage, use or consumption of which became subject to the use tax during the preceding reporting period. The return shall also show the amount of the taxes for the period covered by the return and such other information as the department deems necessary for the proper administration of this subchapter.

(4) The person required to file the return shall deliver the return together with a remittance of the amount of the tax due to the office of the department or such other place as the department designates.

(5) The department, if it deems it necessary to ensure payment to or facilitate the collection by the state of the amount of taxes, may require returns and payments of the amount of taxes for other than quarterly periods. The department may, if satisfied that the revenues will be adequately safeguarded, permit returns and payments of the amount of taxes for other than quarterly periods. Such returns or payments shall be due or payable by the last day of the month next succeeding the end of the reporting or paying period, except that the department may require by written notice to the taxpayer that the returns or payments shall be due or payable by the 20th day of the month next succeeding the end of the reporting or paying period. Any person who discontinues business or whose permit has not been renewed under s. 77.52 (10) or (11) (b) prior to the end of a reporting period shall, within 30 days of such discontinuance or nonrenewal, file a return and make payment of the taxes due from the beginning of such reporting period. If a business is discontinued and a final report thereon has been made covering all payments due or refunds claimed as provided in this section, the account shall be closed, the seller's permit terminated and, notwithstanding any other provisions of this section, no further reports may be required.

(6) For the purposes of the sales tax gross receipts from rentals or leases of tangible personal property shall be re-

ported and the tax paid in accordance with such rules as the department prescribes.

(7) The department for good cause may extend for not to exceed one month the time for making any return or paying any amount required to be paid by this subchapter. The extension may be granted at any time provided a request therefor is filed with the department within or prior to the period for which the extension is requested.

(8) In any case in which a retailer who has accepted a resale or exemption certificate is subsequently required to pay a sales or use tax measured by the sale, he may recover the amount of the tax as a debt due from the person who furnished such certificate.

History: 1971 c. 316; 1975 c. 39, 199; 1977 c. 29, 142; 1979 c. 1, 174, 221, 355; 1981 c. 20; 1983 a. 405.

77.59 Deficiency and refund determinations. (1) The department may, by office audit, determine the tax required to be paid to the state or the refund due to any person pursuant to this subchapter. The determination may be made upon the basis of the facts contained in the return being audited or upon the basis of any other information within the department's possession. The determination shall be presumed to be correct and the burden of proving it to be incorrect shall be upon the person challenging the correctness thereof. One or more such office audit determinations may be made of the amount due for any one or for more than one period.

(2) The department may, by field audit, determine the tax required to be paid to the state or the refund due to any person under this subchapter. The determination may be made upon the basis of the facts contained in the return being audited or upon any other information in the department's possession. The determination may be made on the basis of sampling, whether or not the person being audited has complete records of transactions and whether or not the person being audited consents. The department may examine and inspect the books, records, memoranda and property of any person in order to verify the tax liability of that person or of another person. The department may subpoena any person to give testimony under oath before it and to produce whatever books, records or memoranda are necessary in order to enable the department to verify the tax liability of that person or of another person. The determination shall be presumed to be correct and the burden of proving it to be incorrect shall be upon the person challenging its correctness. A determination by the department in a field audit becomes final at the expiration of the appeal periods provided in sub. (6), and the tax liability of the taxpayer for the period audited may not be subsequently adjusted except as provided in sub. (4) (a), (8) or (8m). If the taxpayer files or is required to file more than one return for the taxpayer's fiscal year or for a calendar year, the determination made by field audit for that fiscal or calendar year shall be based on the receipts, purchases, deductions and exemptions for the entire fiscal or calendar year.

(3) No determination of the tax liability of a person may be made unless written notice of the determination is given to the taxpayer within 4 years after the due date of the taxpayer's Wisconsin income or franchise tax return or, if exempt, within 4 years of the 15th day of the 4th month of the year following the close of the calendar or fiscal year, within 4 years of the dissolution of a corporation or within 4 years of the date any sales and use tax return required to be filed for any period in that year was filed, whichever is later. The notice required under this paragraph shall specify whether the determination is an office audit determination or a field audit determination, and it shall be in writing. If the department is unable to obtain service by mail, publication of

it as a class 3 notice, under ch. 985, shall be service of notice in any case where notice is required under this subchapter.

(a) If the taxpayer has consented in writing to the giving of notice after such time, the notice may be given at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing.

(4) At any time within 4 years after the due date of the taxpayer's Wisconsin income or franchise tax return or, if exempt, within 4 years of the 15th day of the 4th month of the year following the close of the calendar or fiscal year, a person may, unless a determination by the department by office or field audit has been made, file with the department a claim for refund of taxes paid. A claim is timely if it fulfills the requirements under s. 77.61 (14). The claim for refund shall be regarded as a request for determination. The determination thus requested shall be made by the department within one year after the claim for refund is received by it.

(a) A claim for refund that is not to be passed along to customers under sub. (8m) may be made within 2 years of the determination of a tax assessed by office audit or field audit and paid if the tax was not protested by the filing of a petition for redetermination. A claim is timely if it fulfills the requirements under s. 77.61 (14). No claim may be allowed under this paragraph for any tax self-assessed by the taxpayer. If a claim is filed under this paragraph, the department may make an additional assessment in respect to any item that was a subject of the prior assessment.

(5) In making a determination, the department may offset the amount of any refund for a period, together with interest on the refund, against deficiencies for another period, and against penalties and interest on the deficiencies, or against any amount of whatever kind, due and owing on the books of the department from the person claiming the refund.

(6) Except as provided in sub. (4) (a), a determination by the department is final unless, within 60 days after receipt of the notice of the determination, the taxpayer, or other person directly interested, petitions the department for a redetermination. A petition is timely if it fulfills the requirements under s. 77.61 (14). In the case of notice served by publication, the 60-day period commences with the last day of publication of the notice.

(a) Within 6 months of the receipt by the department of the petition for redetermination, the department shall notify the petitioner of its redetermination. The redetermination shall become final 60 days after receipt by the petitioner of notice of the redetermination unless, within that 60-day period, the petitioner appeals the redetermination under par. (b).

(b) Appeals from the department's redeterminations shall be governed by the statutes applicable to income tax appeals but all appeals from decisions of the tax appeals commission with respect to the taxes imposed by this subchapter shall be appealed to the circuit court for Dane county.

(c) The department shall notify any person who files a petition for redetermination that the person may deposit the entire deficiency determination, including any penalty or interest, with the department when the petition is filed or at any time before the department makes its redetermination. Any deposited amount which is refunded shall bear interest at the rate of 9% per year during the time the funds were on deposit. A person may also pay any portion of a deficiency determination admitted to be correct and the payment shall be considered an admission of the validity of that portion of the deficiency determination and may not be recovered in an appeal or in any other action or proceeding.

(7) If the department believes that the collection of any tax imposed by this subchapter will be jeopardized by delay, it shall notify the person determined to owe the tax of its intention to proceed under s. 71.13 (3) for collection of the amount determined to be owing, including penalties and interest. Such notice shall be by certified or registered mail or by personal service and the warrant of the department shall not issue if the person, within 10 days after such notice furnishes a bond in such amount not exceeding double the amount determined to be owing and with such sureties as the department approves, conditioned upon the payment of so much of the taxes, interest and penalties as shall finally be determined to be due. Nothing in this subsection shall affect the review of determinations of tax as provided in this subchapter and any amounts collected under this subsection shall be deposited with the state treasurer and disbursed after final determination of the taxes as are amounts deposited under s. 71.12 (2).

(8) Notwithstanding any other provision of this subchapter, if a person fails to file a report or return required by this subchapter or files a false or fraudulent report or return with the intent in either case to defeat or evade tax required to be paid, the department may determine the proper tax due at any time and without regard to when such failure or filing occurred and without regard to whether a field audit determination was previously made. The department may, at any time, examine and inspect any of the books, records, memoranda, or property of any person and make whatever inquiry, including the subpoena of persons, necessary to the determination of whether a failure to file or a filing was with the intent to defeat or evade the tax.

(8m) Within the time period under sub. (4), the department of revenue may refund excess taxes paid to it under this chapter, even if the person applying for the refund has been field audited in respect to those taxes, if the applicant's customers have filed valid claims for refunds with the applicant and if the refund is passed along to those customers.

(9) If any person fails to file a return, the department shall make an estimate of the amount of the gross receipts of the person, or, as the case may be, of the amount of the total sales price of tangible personal property or taxable service sold or purchased by the person, the sale by or the storage, use or other consumption of which in this state is subject to sales or use tax. The estimate shall be made for the period in respect to which the person failed to make a return and shall be based upon any information which is in the department's possession or may come into its possession. Upon the basis of this estimate the department shall compute and determine the amount required to be paid to the state, adding to the sum thus arrived at a penalty equal to 10% thereof. One or more such determinations may be made for one or for more than one period. When a business is discontinued a determination may be made at any time thereafter, within the periods specified in sub. (3), as to liability arising out of that business.

(10) As used in this section, "tax" or "taxes" include penalties and interest.

77.60 Interest and penalties. (1) (a) Except as provided in par. (b), unpaid taxes shall bear interest at the rate of 12% per year from the due date of the return until paid or deposited with the department, and all refunded taxes shall bear interest at 9% per year from the due date of the return to the date on which the refund is certified on the refund rolls. An extension

of time within which to file a return shall not extend the due date of the return for purposes of interest computation.

(b) Any unpaid taxes for a calendar year or a fiscal year resulting from a field audit shall bear interest at the rate of 12% per year from the due date of the taxpayer's Wisconsin income or franchise tax return for that calendar or fiscal year or, if exempt, from the 15th day of the 4th month of the year after the close of the calendar or fiscal year for which the taxes are due to the date on which the taxes are paid or, if unpaid, become delinquent, whichever is earlier.

(1m) All nondelinquent payments of additional amounts owed shall be applied in the following order: penalties, interest, tax principal.

(2) Delinquent sales and use tax returns shall be subject to a \$10 late filing fee. The fee shall not apply if the department has failed to issue a seller's permit or a use tax registration within 30 days of the receipt of an application for a seller's permit or use tax registration accompanied by the permit fee required under s. 77.52 (8) and either the security required under s. 77.61 (2) or evidence of compliance with s. 77.52 (10)

(c) Delinquent sales and use taxes shall bear interest at the rate of 1.5% per month until paid. The taxes imposed by this subchapter shall become delinquent if not paid:

(a) In the case of a timely filed return, on or before the due date of the return, or on or before the expiration of an extension period if one has been granted.

(b) In the case of no return filed or a return filed late, by the due date of the return.

(c) In the case of deficiency determinations, on or before the first day of the calendar month following the calendar month in which the determination becomes final, except that if the determination is contested before the tax appeals commission or in the courts, on or before the 30th day following the date on which the order or judgment representing the final determination, becomes final.

(3) If due to neglect an incorrect return is filed, the entire tax finally determined shall be subject to a penalty of 25% of the tax exclusive of interest or other penalty. A person filing an incorrect return shall have the burden of proving that the error or errors were due to good cause and not due to neglect.

(4) In case of failure to file any return required under authority of s. 77.58 by the due date, determined with regard to any extension of time for filing, unless it is shown that such failure was due to reasonable cause and not due to neglect, there shall be added to the amount required to be shown as tax on such return 5% of the amount of such tax if the failure is not for more than one month, with an additional 5% for each additional month or fraction thereof during which such failure continues, not exceeding 25% in the aggregate. For purposes of this subsection, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the due date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

(5) If a person fails to file a return when due or files a false or fraudulent return with intent in either case to defeat or evade the tax imposed by this subchapter, a penalty of 50% shall be added to the tax required to be paid, exclusive of interest and other penalties.

(6) Any person who fails to furnish any return required to be made or who fails to furnish any data required by the department is guilty of a misdemeanor.

(7) Any person, including an officer of a corporation, required to make, render, sign or verify any report or return required by this subchapter who makes a false or fraudulent report or return or who fails to furnish a report or return

when due with the intent, in either case, to defeat or evade the tax imposed by this subchapter, is guilty of a misdemeanor.

(8) Any person engaged in the business of making sales at retail who is at the same time engaged in some other kind of business, occupation or profession not taxable under this subchapter, shall keep books to show separately the transactions used in determining the tax herein levied. In the event of such person failing to keep such separate books, there shall be levied upon him a tax at the rate provided in s. 77.52 or 77.53 on the receipts of both or all of his businesses, occupations or professions.

(9) Any officer or employe of any corporation subject to this subchapter or other person who has responsibility for making payment of the amount of tax herein imposed and who wilfully fails to make such payment to the department, shall be personally liable for such amounts, including interest and penalties thereon, in the event that after proper proceedings for the collection of such amounts, as provided in this subchapter, such corporation is unable to pay such amounts to the department, and the personal liability of such officer, employe or other responsible person as provided herein shall survive the dissolution of the corporation. Such personal liability may be assessed by the department against such officer, employe or other responsible person pursuant to this subchapter for the making of sales tax determinations against retailers and shall be subject to the provisions for review of sales tax determinations against retailers, but the time for making such determinations shall not be limited by s. 77.59 (3) or by any other statute.

(10) It is unlawful for any person to aid, abet or assist another in making any false or fraudulent return or false statement in any return required by this subchapter, with intent to defraud the state or evade payment of the tax, or any part thereof, imposed by this subchapter. Any person in violation hereof shall be guilty of a misdemeanor.

77.61 Administrative provisions. (1) (a) No motor vehicle, boat, snowmobile, mobile home not exceeding 45 feet in length, trailer, semitrailer or aircraft shall be registered or titled in this state unless the registrant presents proof that the sales or use taxes imposed by this subchapter have been paid.

(b) In the case of a motor vehicle purchased from a licensed Wisconsin motor vehicle dealer, the registrant shall present proof that the tax has been paid to such dealer.

(c) In the case of motor vehicles, boats, snowmobiles, mobile homes not exceeding 45 feet in length, trailers, semitrailers or aircraft registered or titled, or required to be registered or titled, in this state purchased from persons who are not Wisconsin boat, trailer or semitrailer dealers or licensed Wisconsin aircraft, motor vehicle, mobile home or snowmobile dealers, the purchaser shall file a sales tax report and pay the tax prior to registering or titling the motor vehicle, boat, snowmobile, mobile home not exceeding 45 feet in length, trailer, semitrailer or aircraft in this state.

(2) In order to protect the revenue of the state, the department may require any person who is or will be liable to it for the tax imposed by this subchapter to place with it, before or after a permit is issued, the security, not in excess of \$15,000, that the department determines. In determining the amount of security to require under this subsection, the department may consider the person's payment of other taxes administered by the department and any other relevant facts. If any taxpayer fails or refuses to place that security, the department may refuse or revoke the permit. If any taxpayer is delinquent in the payment of the taxes imposed by this subchapter, the department may, upon 10 days' notice,

recover the taxes, interest, costs and penalties from the security placed with the department by the taxpayer in the following order: costs, penalties, delinquent interest, delinquent tax. No interest may be paid or allowed by the state to any person for the deposit of security. Any security deposited under this subsection shall be returned to the taxpayer if the taxpayer has, for 24 consecutive months, complied with all the requirements of this subchapter.

(3) The department shall provide a bracket system to be used by retailers in collecting the amount of the tax from their customers, but the use of such brackets shall not relieve the retailer from liability for payment of the full amount of the tax levied by ss. 77.51 to 77.62.

(4) (a) Every seller and retailer and every person storing, using or otherwise consuming in this state tangible personal property or taxable services purchased from a retailer shall keep such records, receipts, invoices and other pertinent papers in such form as the department requires. The department may, after giving notice, require any person to keep whatever records are needed for the department to compute the sales or use taxes the person should pay. Thereafter, the department shall add to any taxes assessed on the basis of information not contained in the records required a penalty of 25% of the amount of the tax so assessed in addition to all other penalties under this chapter.

(b) For reporting the sales tax and collecting and reporting the use tax imposed on the retailer under s. 77.53 (3) and the accounting connected therewith, retailers may deduct one percent of the total sales and use tax payable each reporting period as administration expenses if the payment of the taxes is not delinquent.

(c) For sales and use taxes payable on returns filed for calendar or fiscal years beginning on or after January 1, 1983, for reporting the sales tax and collecting and reporting the use tax imposed on the retailer under s. 77.53 (3) and the accounting connected with it, retailers may deduct 2% of the first \$10,000 of sales and use tax payable each year, one percent of the 2nd \$10,000 of sales and use tax payable each year and 0.5% of the sales and use tax in excess of \$20,000 payable each year as administration expenses if the payment of the taxes is not delinquent. For purposes of calculating the retailer's discount under this paragraph, the taxes on retail sales reported by retailers under subch. V, including taxes collected and remitted as required under s. 77.785, shall be included if the payment of those taxes is not delinquent.

(5) (a) It is unlawful for the department or any person having an administrative duty under this subchapter to make known in any manner whatever the business affairs, operations or information obtained by an investigation of records and equipment of any retailer or any other person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof to be seen or examined by any person. This paragraph does not prohibit the department of revenue from publishing statistics classified so as not to disclose the identity of particular returns or reports and the items thereof. This paragraph does not prohibit employes or agents of the department of revenue from offering or submitting information obtained by investigation or any return or any schedule, exhibit or writing pertaining to a return or any copy of, or information derived from, any of those documents as evidence into the record of any contested matter involving the department in proceedings or litigation on state tax matters if that evidence has reasonable probative value.

(b) Subject to pars. (c) and (d) and to rules of the department, any sales tax returns or any schedules, exhibits,

writings or audit reports pertaining to the same, on file with the department, shall be open to examination by any of the following persons or the contents thereof divulged or used as provided in the following cases and only to the extent therein authorized.

1. The secretary of revenue, or any officer, agent or employe of the department of revenue;

2. The attorney general, department of justice employes;

3. Members of the senate committee on organization or its authorized agents or the assembly committee on organization or its authorized agents provided the examination is approved by a majority vote of a quorum of its members and the tax return information is disclosed only in a meeting closed to the public. The committee may disclose tax return information to the senate or assembly or to other legislative committees if the information does not disclose the identity of particular returns or reports and the items thereof. The department of revenue shall provide assistance to the committees or their authorized agents in order to identify returns deemed necessary by them to accomplish the review and analysis of tax policy;

4. Public officers of the federal government or other state governments or the authorized agents of such officers, where necessary in the administration of the laws of such governments, to the extent that such government accords similar rights of examination or information to officials of this state;

5. a. The person who filed or submitted such return, or to whom the same relates or by his authorized agent or attorney;

b. The person required to file reports on collection or taxes withheld from another;

6. Any person examining a return pursuant to a court order duly obtained upon a showing to the court that the information contained in the return is relevant to a pending court action or pursuant to a subpoena signed by a judge of a court of record ordering the department's custodian of returns to produce a return in open court in a court action pending before the judge.

7. Any person against whom the department asserts liability under this subchapter, including a successor, guarantor or surety

8. Employes of this state, to the extent that the department deems the examination necessary for the employes to perform their duties under contracts or agreements between the department and any other department, division, bureau, board or commission of this state relating to the administration of tax laws.

(c) Copies of sales tax returns, schedules, exhibits, writings or audit reports shall not be furnished to the persons listed under par. (b), except persons under par. (b) 5 or under an agreement between the department and another agency of government.

(d) The use of information obtained under par. (b) or (c) is restricted to the discharge of duties imposed upon the persons by law or by the duties of their office or by order of a court as specified under par. (b) 6.

(e) The department may charge for the reasonable cost of divulging information under this subsection.

(f) District attorneys may examine tax information of persons on file with the department of revenue as follows:

1. Such tax information may be examined for use in preparation for any judicial proceeding or any investigation which may result in a judicial proceeding involving sales or use tax if:

a. The taxpayer is or may be a party to such proceeding;

b. The treatment of an item reflected in such tax information is or may be related to the resolution of an issue in the proceeding or investigation; or

c. The tax information relates or may relate to a transactional relationship between the taxpayer and a person who is or may be a party to the proceeding which affects or may affect the resolution of an issue in such proceeding or investigation.

2. When the department of revenue allows examination of tax information under subd. 1:

a. If the department has referred the case to a district attorney, the department may make disclosure on its own motion.

b. If a district attorney requests examination of tax information relating to a person, the request must be in writing, clearly identify the requester and the person to whom the information relates and explain the need for the information. The department may then allow the examination of tax information so requested and the information may be examined and used solely for the proceeding or investigation for which it was requested.

3. Such tax information may be examined for use in preparation for any administrative or judicial proceeding or an investigation which may result in such proceeding pertaining to the enforcement of a specifically designated state criminal statute not involving tax administration to which this state or a governmental subdivision thereof is a party. Such tax information may be used solely for the proceeding or investigation for which it is requested.

4. The department of revenue may allow an examination of tax information under subd. 3 only if a district attorney petitions a court of record in this state for an order allowing the examination and the court issues an order after finding:

a. There is a reasonable cause to believe, based on information believed to be reliable, that a specific criminal act has been committed;

b. There is reason to believe that such tax information is probative evidence of a matter in issue related to the commission of such criminal act; and

c. The information sought to be examined cannot reasonably be obtained from any other source, unless it is determined that, notwithstanding the reasonable availability of the information from another source, the tax information constitutes the most probative evidence of a matter in issue relating to the commission of such criminal act.

5. If the department determines that examination of tax information ordered under subd. 4 would identify a confidential informant or seriously impair a civil or criminal tax investigation, the department may deny access and shall certify the reason therefor to the court.

(g) Any person violating this subsection may be fined not less than \$100 nor more than \$500, or imprisoned not less than one month nor more than 6 months, or both.

(8) In any case in which a refund is authorized or prescribed in this subchapter, or in the rules of the department related to the administration hereof, no such refund shall be made if the total amount thereof is less than \$2 unless specifically requested on the appropriate form designated by the department.

(9) The department may by rule require the filing, submission, preparation or retention of such information returns, exemption and resale certificates and other forms, reports and data as it requires for the proper administration of this subchapter. Any person who fails or refuses to file, submit, prepare or retain such returns, certificates, forms, reports or data, at the time and place and in the manner required, is guilty of a misdemeanor for each such failure or refusal.

(11) Any city, village or town clerk or other official whose duty it is to issue licenses or permits to engage in a business involving the sale at retail of tangible personal property

subject to tax under this subchapter or the furnishing of services so subject to tax, shall, before issuing such license or permit, require proof that the person to whom such license or permit is to be issued is the holder of a seller's permit as required by this subchapter or has applied to the department of revenue for such permit.

(12) No natural person shall be excused from testifying or from producing any books, papers, records or memoranda in any investigation, or upon any hearing when ordered to do so by the secretary of revenue or his designee upon the ground that the testimony or evidence, documentary or otherwise, may tend to incriminate him or subject him to criminal penalty, but no such natural person so ordered shall be prosecuted or subjected to any criminal penalty for, or on account of such testimony or books, papers, records or memoranda which he produces upon such investigation or hearing. No person so testifying shall be exempt from prosecution and punishment for perjury in so testifying.

(13) No injunction shall issue to stay proceedings for assessment or collection of any taxes levied under this subchapter.

(14) Documents and payments required or permitted under this subchapter are timely furnished, filed or made if they are mailed in a properly addressed envelope with the postage duly prepaid, if the envelope is postmarked before midnight of the due date and if the document or payment is received by the department within 5 days after the prescribed date.

(1) The department of revenue may exercise the powers vested in it by ss. 71.13 and 71.135 in connection with collection of delinquent sales and use taxes including, without limitation because of enumeration, the power incorporated by reference in s. 71.13 (3) (i), and the power to:

- (b) Release real property from the lien of a warrant;
- (c) Satisfy warrants;
- (d) Approve instalment payment agreements;

SUBCHAPTER IV

PROPERTY TAX DEFERRAL

77.63 Purpose. The legislature finds that older individuals who have resided in their homes for a substantial period of time have found it difficult to remain in their own homes because their incomes are insufficient to cover property taxes, which have risen as the value of their homes has increased. The legislature finds that it is in the public interest and that it serves a statewide public purpose to create a program whereby lien-creating loans are made to low- and moderate-income elderly homeowners for the purpose, and only for the purpose, of enabling individuals to pay local, general property taxes on their homes so that more of these individuals can remain in their homes.

History: 1981 c. 20, 317.

77.64 Definitions. In this subchapter:

(1) "Coowner" means a natural person who is at least 60 years of age at the time of the participant's initial application and who has an ownership interest in the qualifying dwelling unit of a participant in the program. Except as provided under s. 77.66 (5), the names of all coowners shall appear on the initial application of the participant. For purposes of this subchapter, a spouse has an ownership interest in the qualifying dwelling unit of the other spouse.

(2) "Department" means the department of revenue.

(3) "Free and clear" means that rights to transfer full title to the qualifying dwelling unit after satisfaction of permitted obligations are vested in the participant and coowners.

(4) "Participant" means a natural person 65 years of age or older who has been accepted into the program.

(5) "Permitted obligations" means the total amount of outstanding liens and judgments on the qualifying dwelling unit if that amount does not exceed \$5,000. For purposes of this subchapter, housing and rehabilitation loans under s. 234.49 and liens arising under this subchapter shall not be considered outstanding liens or judgments in computing the amount of permitted obligations.

(6) "Program" means the program under this subchapter.

(7) "Qualifying dwelling unit" means a dwelling unit, not including a mobile home as defined in s. 66.058, located in this state, habitable as a permanent residence and to which property taxes are, or may conveniently be, allocated and up to one acre of land appertaining to it held in the same ownership as the dwelling unit. For purposes of this subchapter, "qualifying dwelling unit" includes a unit in a condominium or in a cooperative or in a multi-unit dwelling with 4 or fewer units, but in all of these 3 cases only the portion of taxes allocable to the unit lived in by the participant may qualify for loans under this subchapter.

(8) "Secretary" means the secretary of the department.

History: 1981 c. 20, 317; 1985 a. 29 s. 3202 (14) (c).

77.65 Eligibility. The department shall make loans to participants who:

(1) Apply on forms prescribed by the department for a loan to pay property taxes by June 30 of the year in which the taxes are payable on a qualifying dwelling unit;

(2) Reside in the qualifying dwelling unit more than 6 months of the year preceding each year of participation, but temporary residency in a health care facility may be substituted for any portion of this 6-month residency;

(3) Keep continuously in effect during the period that a loan is outstanding under this subchapter a fire and extended casualty insurance policy on the qualifying dwelling unit satisfactory to the department and permit the department to be named on the policy as an insured; and

(4) Either individually or with other coowners own the qualifying dwelling unit free and clear. If the qualifying dwelling unit is owned with coowners, each of these persons must approve the application under sub. (1).

(5) Earned no more than \$20,000 in income, as defined under s. 71.09 (7) (a) 5, in the year prior to the year in which the property taxes for which the loan is made are due.

History: 1981 c. 20; 1983 a. 189 s. 329 (10); 1983 a. 544 s. 47 (1); 1985 a. 29 s. 3202 (46) (a).

77.655 Transfer of interest. If a participant ceases to reside in a qualifying dwelling unit, or if the participant's total ownership interest in the qualifying dwelling unit is transferred to one or more coowners in that unit, or if both of these events occur, a coowner may assume the participant's account by applying to the department if the coowner resides in the qualified dwelling unit. Upon approval of the applica-

tion, and if the coowner is 65 years of age or older, the coowner shall become a participant in the program and shall qualify for program loans. A coowner who has not attained the age of 65 at the time of application under this section may assume the account of a participant but shall not become a participant or qualify for program loans until the coowner attains the age of 65.

History: 1981 c. 20, 317.

77.66 Program operation. (1) Beginning with property taxes based on assessments made as of January 1, 1985, the department shall enter into agreements with participants and their coowners to loan funds to pay property taxes on their qualifying dwelling units. The maximum loan under this subchapter in any one year is limited to \$1,800 or the amount of property taxes levied on the qualifying dwelling unit for the year for which the loan is sought, including interest and penalties for delinquency attributable thereto, whichever is less. Loans shall bear interest at a rate which is determined by the secretary to be sufficient to meet all expenses arising from the operation of the program and which, in the opinion of the secretary, will also recoup the maximum possible amount of the interest foregone by the fund under s. 25.38 without discouraging a reasonable rate of participation in the program.

(2) The department shall have all powers that are reasonably appropriate to the operation of a loan program, including, without limitation because of enumeration, the power to enter into contracts, to pay or be paid for the performance of services, to exercise all rights of a lienholder under subch. I of ch. 779 and to perform other administrative actions that are necessary in the conduct of its duties under this subchapter.

(3) The department shall promulgate rules and establish procedures under which applications for loans may be submitted, reviewed and approved; under which repayment of loans are to be obtained; under which disputes and claims are to be settled; and under which records are to be maintained.

(4) The department may enter into loan agreements with participants and coowners who agree:

(b) That the loan shall be due and payable upon the occurrence of any of the following events: transfer of the qualifying dwelling unit by any means except upon transfer to a coowner who resides in the unit and who is permitted to assume the participant's account as provided in s. 77.655, or the death of the participant if the participant is the sole owner, or the death of the last surviving coowner who owns the qualifying dwelling unit, or upon discovery by the department that a participant or coowner has made a false statement on the application or otherwise in respect to the program, or upon condemnation or involuntary conversion of the qualifying dwelling unit, or if a participant ceases to meet the eligibility requirements of s. 77.65 except as provided in sub. (5) or fails to comply with the provisions of par. (d) or, at the participant's or coowner's election, at any time before any of the events enumerated in this paragraph occurs;

(c) To pay, upon repayment of the loan, interest specified in the loan agreement; and

(d) To limit the outstanding liens and judgments on the qualifying dwelling unit to no more than the permitted obligations.

(5) If a participant in the program ceases to meet the eligibility requirements of this section, the department, rather than demanding repayment under sub. (4) (b), may allow the participant to continue in the program, may allow the participant to continue in the program but be ineligible for additional loans, or may require partial settlement. The department may also allow coowners to be added to the loan

agreement if, in the judgment of the secretary, the addition of coowners does not significantly increase the program's exposure to risk under the loan agreement.

(6) At any time after an application is filed, the department may verify the correctness of the application and any other information regarding the eligibility of the participant. If the department finds that at the time a participant received a loan the participant was not eligible under the program, the department shall notify the participant and may require repayment of the loan as determined by the department.

(7) (a) The department, its agents or representatives may examine the books and records of an applicant under this subchapter or other sources of information bearing on the application to verify the information provided by an applicant, may require the production of books, records and memoranda and may require testimony and proof relevant to its investigation. If a person fails to furnish information requested by the department to verify the correctness of the application, the department may reject the application.

(b) Any person who intentionally files fraudulent information with the department for purposes of obtaining benefits under this subchapter may be fined not more than \$10,000 or imprisoned not more than 5 years or both, together with the cost of prosecution.

(8) A person aggrieved by the department under this subchapter may appeal that decision to the circuit court of the county where the person's residence is located within 60 days after receipt of notification of the department's decision.

(9) Upon the making of the initial loan, a nonconsensual statutory lien in favor of the department to secure payment of the principal, interest, fees and charges due on all loans to the participant made under this subchapter shall attach to the qualifying dwelling unit in respect to which the loan is made. The qualifying dwelling unit shall remain subject to the statutory lien until the payment in full of all loans and charges. If the department funds such loans from the proceeds of revenue obligations under s. 77.67, its right under the lien shall automatically accrue to the benefit of the holders of those revenue obligations, without any action or assignment by the department. When a loan becomes due and payable, the statutory lien hereby conferred may be enforced by the department or the holders of the revenue obligations or their representative, as the case may be, in the same manner as a construction lien under ss. 779.09 to 779.12, except that neither the participant nor any coowners or their personal representatives, successors or assigns shall be personally liable for any deficiency which may arise from the sale. At the time of disbursing the initial loan to a participant, the department shall file with the register of deeds of the county in which the qualifying dwelling unit is located, on a form prescribed by the department which shall contain a legal description of the qualifying dwelling unit, a notice of the loan made under this subchapter and the existence of the statutory lien arising therefrom. The register of deeds shall, without fee, record the notice in the land records and index it in the indexes maintained by the register of deeds. The statutory lien created by this section shall have priority over any lien that originates subsequent to the recording of the notice.

(10) If the property taxes are paid under the program after they are due, the participant shall be liable for interest and penalty charges for delinquency under ch. 74. Subject to sub. (1), the principal amount of loans made under this program may include delinquency charges.

History: 1981 c. 20, 317; 1985 a. 29.

77.67 Loan funding. (1) Loans made or authorized to be made under this subchapter may be funded from the proceeds of revenue obligations issued subject to and in accordance with sub. (5) and subch. II of ch. 18 and from the fund under s. 25.38.

(2) The department may create a system of funds and accounts, separate and distinct from all other funds and accounts of the state, consisting of revenues received under sub. (5), all revenues received in the repayment of loans made under this subchapter, except as provided in sub. (2m), and any other revenues dedicated to it by the department. The department may pledge revenues received or to be received by this system of funds and accounts to secure revenue obligations issued for the program. The department shall have all other powers necessary and convenient to distribute the proceeds of the revenue obligations and loan repayments in accordance with subch. II of ch. 18. Moneys from the fund under s. 25.38 may not be used to repay revenue obligations.

(2m) Revenues received in the repayment of loans funded from the fund under s. 25.38 shall be paid into the fund under s. 25.38.

(3) The department may enter into agreements with the federal government, its agencies, other agencies or political subdivisions of this state or private individuals or entities to insure or in other manner provide additional security for the loans or revenue obligations issued under this section.

(4) The department may promulgate rules that restrict eligibility in addition to the requirements of s. 77.65 or require the provision of additional security if, in the secretary's judgment, the rules or security are required for the satisfactory issuance of revenue obligations.

(5) Revenue obligations may be contracted by the building commission when it reasonably appears to the building commission that all obligations incurred under this section can be fully paid from moneys received from repayments of loans or anticipated and pledged to be received on a timely basis. Revenue obligations issued for the program shall not exceed \$10,000,000 in principal amount, excluding obligations issued to refund outstanding revenue obligation notes.

(6) Unless otherwise expressly provided in resolutions authorizing the issuance of revenue obligations or in other agreements with the holders of revenue obligations, each issue of revenue obligations shall be on a parity with every other revenue obligation issued for the program and in accordance with subch. II of ch. 18.

Any county desiring to impose county sales and use taxes under this subchapter may do so by the adoption of an ordinance, stating its purpose and referring to this subchapter. The county sales and use taxes may be imposed only for the purpose of directly reducing the property tax levy and only in their entirety as provided in this subchapter. That ordinance shall be effective on the first day of April of the succeeding calendar year. A certified copy of that ordinance shall be delivered to the secretary of revenue at least 120 days prior to its effective date. The repeal of any such ordinance shall be effective on the date designated in the repeal ordinance. (2) An excise tax is imposed at the rate of 0.5% of the sales price upon every person storing, using or otherwise consuming in the county tangible personal property or services if the property or service is subject to the state use tax under s. 77.53, except that a receipt indicating that the tax under sub. (1), (3) or (4) has been paid relieves the buyer of liability for the tax under this subsection and except that if the buyer has paid a similar local tax in another state on a purchase of the same property or services that tax shall be credited against the tax under this subsection.

(3) An excise tax is imposed upon a contractor engaged in construction activities within the county, at the rate of 0.5% of the sales price of tangible personal property that is used in constructing, altering, repairing or improving real property and that becomes a component part of real property in that county, unless the contractor has paid the sales tax of a county in this state on that property.

For the purposes of this subchapter, all retail sales of tangible personal property are completed at the time when, and the place where, the seller or the seller's agent transfers possession to the buyer or the buyer's agent. In this subsection, a common carrier or the U.S. postal service is the agent of the seller, regardless of any f.o.b. point and regardless of the method by which freight or postage is paid. Rentals and leases of property, except property under sub. (2), have a situs at the location of that property.

(b) Other moving property. Except for motor vehicles and equipment described in par. (a), leased or rented property that characteristically is moving property, including but not limited to aircraft and boats, is located in a county if it is used primarily in that county or it is usually kept in that county when it is not in use.

In this subsection, the "county portion of the retailers' discount" is the amount determined by multiplying the total retailers' discount by a fraction the numerator of which is the gross county sales and use taxes payable and the denominator of which is the sum of the gross state and county sales and use taxes payable. The county taxes distributed shall be increased or decreased to reflect subsequent refunds, audit adjustments and all other adjustments of the county taxes previously distributed. Interest paid on refunds of county sales and use taxes shall be paid from the appropriation under s. 20.835 (4) (g) at the rate paid by this state under s. 77.60 (1) (a). The county may retain the amount it receives or it may distribute all or a portion of the amount it receives to the towns, villages, cities and school districts in the county. History: 1985 a. 41.

77.80 Purpose. The purpose of this subchapter is to encourage the management of private forest lands for the production of future forest crops for commercial use through sound forestry practices, recognizing the objectives of individual property owners, compatible recreational uses, watershed protection, development of wildlife habitat and accessibility of private property to the public for recreational purposes.

History: 1985 a. 29.

77.81 Definitions. In this subchapter:

(1) "Department" means the department of natural resources.

(2) "Forestry" means managing forest lands and their related resources, including trees and other plants, animals, soil, water and air.

(3) "Merchantable timber" means standing trees which, because of their size and quality, are salable.

(4) "Municipality" means a town or village.

History: 1985 a. 29.

77.82 Managed forest land; petition. (1) ELIGIBILITY REQUIREMENTS. (a) A parcel of land is eligible for designation as managed forest land only if it fulfills the following requirements:

1. It consists of at least 10 contiguous acres in a single municipality. The fact that a lake, river, stream or flowage, a public or private road or a railroad or utility right-of-way separates any part of the land from any other part does not render a parcel of land noncontiguous.

2. At least 80% of the parcel must be producing or capable of producing a minimum of 20 cubic feet of merchantable timber per acre per year.

(b) The following land is not eligible for designation as managed forest land:

1. A parcel of which more than 20% consists of land that is unsuitable for producing merchantable timber, including water, marsh, muskeg, bog, rock outcrops, sand dunes, farmland, roadway or railroad and utility rights-of-way.

2. A parcel that is developed for commercial recreation, industry, human residence or any other use determined by the department to be incompatible with the practice of forestry.

(2) **PETITION.** Any owner of land may petition the department to designate any eligible parcel of land as managed forest land. A petition may include any number of eligible parcels under the same ownership in a single municipality. (6) INVESTIGATION; HEARING. (a) The department shall conduct any investigation necessary to reach a decision on a petition.

(b) 1. If the department determines, after receipt of a request under sub. (5) (b) or as a result of its investigation, that further information is needed, it may schedule a public hearing to take testimony relating to the eligibility of the land.

(7) DECISION. (a) After considering the testimony presented at the public hearing, if any, the facts discovered by its investigation and the land use in the area in which the land is located, the department shall approve a petition under sub. (2) if it determines all of the following:

1. That the land meets the eligibility requirements under sub. (1).
2. That all facts stated in the petition are correct.
3. That a stand of merchantable timber will be developed on at least 80% of the land within a reasonable period of time.

(10) DENIAL. If the department denies a petition, it shall notify the petitioner in writing, stating the reason for the denial.

(11) DURATION. An order under this subchapter remains in effect for the period specified in the petition unless the land is withdrawn under s. 77.84 (3) (b) or 77.88. An amendment to or repeal of this subchapter does not affect the terms of an order or management plan, except as expressly agreed to in writing by the owner and the department.

(12) RENEWAL. The department shall notify each owner of managed forest land of the expiration date of an order no later than the January 31 preceding the expiration date. The owner may petition the department for renewal of the order. The petition shall be filed no later than the March 31 before the expiration date and shall specify whether the owner wants the order renewed for 25 or 50 years. 2. One or a combination of any 2 of the following:
 - a. A quarter quarter section.
 - b. A government lot as determined by the U.S. government survey plat.
 - c. A fractional lot as determined by the U.S. government survey plat.

(b) If any area of an owner's managed forest land is already designated as closed, an addition to the parcel approved under s. 77.82 (7) (b) may be designated as closed only under the following conditions:

1. The addition does not result in increasing the closed portion of the land to an area greater than that permitted under par. (a).
2. The additional area is contiguous to the area that is already designated as closed.

(c) If all or any part of an owner's closed managed forest land is withdrawn or transferred as provided under s. 77.88, the owner may designate a different or an additional closed area if it meets the requirements of par. (b).

(2) OPEN AREAS; RESTRICTIONS. (a) Except as provided in sub. (1) and pars. (b) and (c), each owner of managed forest land shall permit public access to the land for hunting, fishing, hiking, sight-seeing and cross-country skiing.

(b) An owner may restrict public access to any area of open managed forest land which is within 300 feet of any building or within 300 feet of a commercial logging operation that conforms to the management plan.

(c) An owner may prohibit the use of motor vehicles, as defined under s. 340.01 (35), or snowmobiles, as defined under s. 340.01 (58a), or both on any open managed forest land. At the request of an owner, the department may provide assistance in enforcing the prohibition.

(3) **SIGNS.** An owner may post signs specifying the designation of or restrictions applicable to any area of managed forest land. The department may, by rule, specify design standards for these signs.

History: 1985 a. 29.

77.84 Taxation of managed forest land. (1) TAX ROLL. The municipal clerk shall enter in a special column or other appropriate place on the tax roll the description of each parcel of land designated as managed forest land, and shall specify, by the designation "MFL-O" or "MFL-C", the acreage of each parcel that is designated open or closed under s. 77.83. The land shall be assessed and is subject to review under ch. 70. Except as provided in this subchapter, no tax may be levied on managed forest land, except that any building on managed forest land is subject to taxation as personal property under ch. 70.

(2) **ACREAGE SHARE; PAYMENT FOR CLOSED LAND.** (a) Each owner of managed forest land shall pay to the municipal treasurer an acreage share of 74 cents per acre on or before the last day of February of each year, except that if the owner pays general property taxes in instalments the full amount due shall be paid with the first instalment.

(b) In addition to the payment under par. (a), each owner shall pay \$1 for each acre that is designated as closed under s. 77.83. The payment shall be made to the municipal treasurer on or before the last day of February in each year, except that if the owner pays general property taxes in instalments the full amount due shall be paid with the first instalment.

(c) In 1992 and each 5th year thereafter, the department of revenue shall adjust the amounts under pars. (3) **DELINQUENCY.** (a) If the amounts due under sub. (2) are not paid by the due date, the taxes on the land shall be returned delinquent under s. 74.17. The interest specified under s. 74.80 (1) applies from the preceding January 1. The procedures specified for the collection of delinquent taxes under ch. 74, and for the sale of land for delinquent taxes under ch. 75 apply to taxes returned delinquent under this subsection. Only the county in which the land is located may bid on the land under s. 74.33, and if the county purchases the land, it is not liable to the municipality for any amount except any amount of the acreage share subsequently paid by the former owner. Immediately upon the expiration of 3 years after the date the county acquires land under this subsection, the county clerk shall take a tax deed as provided under s. 75.36, except that county board approval is not required. The county clerk shall certify to the department that a tax deed has been taken and shall include the legal description of the land subject to the tax deed.

(b) Immediately after receiving the certification of the county clerk that a tax deed has been taken, the department shall issue an order withdrawing the land as managed forest land. The notice requirement under s. 77.88 (1) does not apply to the department's action under this paragraph. The department shall notify the county treasurer of the amount of the withdrawal tax, as determined under s. 77.88 (5), and the

county treasurer shall recover that amount from the proceeds of the tax sale and pay the amount recovered to the department. The amount shall be credited to the conservation fund.

(2) **PAYMENT.** The department shall, as soon as possible after receiving the certification under sub. (1), pay the municipal treasurer from the appropriation under s. 20.370 (4) (ar) 20 cents for each acre of land in the municipality that is designated as managed forest land.

History: 1985 a. 29.

(b) Except as provided under sub. (6), an owner who intends to cut merchantable timber on managed forest land shall, at least 30 days before the cutting is to take place, on a form provided by the department, file a notice of intent to cut and request approval of the proposed cutting from the department.

(c) If the proposed cutting conforms to the management plan, the department shall approve the request.

(d) If the proposed cutting does not conform to the management plan, the department shall assist the owner in developing an acceptable proposal before approving the request.

(2) **BOND.** The department may require an owner who intends to cut merchantable timber on managed forest land to file with the department a noncancelable bond furnished by a surety company licensed to do business in this state in the amount expected to be required as payment of the yield tax under s. 77.87 (1).

(3) **TIME LIMIT.** All cutting specified in the notice under sub. (1) (b) shall be commenced within one year after the date the proposed cutting is approved. The owner shall report to the department the date on which the cutting is commenced.

(4) **REPORTING.** Within 30 days after completion of any cutting approved under this section, the owner shall report to the department, on a form provided by the department, a description of the species of wood, kind of product and the quantity of each species cut as shown by the scale or measurement made on the ground as cut, skidded, loaded or delivered, or by tree scale certified by a forester acceptable to the department if the wood is sold by tree measurement.

(5) **PENALTIES.** (a) Any person who fails to file the notice required under sub. (1) (b) or who intentionally files a false report under sub. (4) shall forfeit not more than \$1,000.

(b) Any owner who intentionally cuts merchantable timber in violation of this section is subject to a forfeiture equal to 20% of the current value of the merchantable timber cut, based on the stumpage value established under s. 77.91 (1).

(6) **EXCEPTION.** This section does not apply to an owner who cuts wood on managed forest land for use as fuel in the owner's dwelling.

History: 1985 a. 29.

77.87 Yield tax. (1) TAXATION. The department shall assess a yield tax against each owner who cuts merchantable timber under s. 77.86. The yield tax shall equal 5% of the value of the merchantable timber cut, based on the stumpage value

established under s. 77.91 (1). The department shall mail a copy of the certificate of assessment to the owner at the owner's last-known address.

(2) **SUPPLEMENTAL TAX.** At any time within one year after a report is filed under s. 77.86 (4), the department, after notifying the owner and providing the owner with the opportunity for a hearing, may determine whether the report is accurate. If the department determines that the quantity of merchantable timber cut exceeded the amount on which the tax was assessed under sub. (1), the department shall assess a supplemental tax on the additional amount as provided under sub. (1).

(3) **PAYMENT.** A tax assessed under sub. (1) or (2) is due and payable to the department on the last day of the month following the date the certificate is mailed to the owner. The department shall collect interest at the rate of 12% per year on any tax that is paid later than the due date. Amounts received shall be credited to the conservation fund.

(4) **OWNER'S LIABILITY.** The owner is personally liable for a tax assessed under sub. (1) or (2). An unpaid tax becomes a lien against the merchantable timber that was cut. If the merchantable timber cut is mingled with other wood products, the unpaid tax becomes a lien against all of the wood products while they are in the owner's possession, or in the possession of any person other than a purchaser for value without notice in the usual course of business.

(5) **DELINQUENCY.** If a tax due under this section is not paid on or before the last day of the February following the date specified under sub. (3), the department shall certify to the county treasurer the description of the land and the amount due for the tax and interest. The county treasurer shall follow the procedure specified under s. 77.84 (3) for the recovery of delinquent taxes.

3. A government lot or fractional lot as determined by the U.S. government survey plat.

(b) If the land remaining after a transfer under par. (a) is contiguous and meets the eligibility requirements under s. 77.82 (1) (a) 2 and (b), it shall continue to be designated as managed forest land until the expiration of the existing order, even if the parcel contains less than 10 acres. Notwithstanding s. 77.82 (12), an owner may not petition the department for renewal of the order if the parcel contains less than 10 acres. No withdrawal tax under sub. The report shall be accompanied by a \$20 fee which shall be credited to the conservation fund. The department shall immediately notify each person entitled to notice under s. 77.82 (8).

(e) The transferred land shall remain managed forest land if the transferee, within 30 days after the transfer, certifies to the department an intent to comply with the existing management plan for the land and with any amendments agreed to by the department and the transferee, and provides proof that each person holding any encumbrance on the land agrees to the designation. The transferee may designate an area of the transferred land closed to public access as provided under s. 77.83. (5).

(4) **NONRENEWAL.** If an owner does not petition the department to renew a managed forest land order, the department shall order the land withdrawn at the expiration of the order. No withdrawal tax under sub. (5) shall be assessed.

(5) **WITHDRAWAL TAX.** The withdrawal tax shall be determined as follows:

(a) For land withdrawn during an initial managed forest land order, the withdrawal tax shall be the higher of the following:

1. An amount equal to the product of the total net property tax rate in the municipality in the year prior to the withdrawal and the assessed value of the land for the same year, as computed by the department of revenue, multiplied by the number of years the land was designated as managed forest

land, less any amounts paid by the owner under ss. 77.84 (2) (a) and 77.87.

2. Five percent of the stumpage value of the merchantable timber on the land, less any amounts paid by the owner under ss. 77.84 (2) (a) and 77.87.

(6) **DETERMINATION OF STUMPAGE VALUE.** In determining the stumpage value of merchantable timber for purposes of this section, an estimator agreed upon by the parties or, if they cannot agree, a forester appointed by a judge of the circuit court in the county in which the land is located shall estimate the volume of merchantable timber on the land. The estimate obtained shall be final. The department shall determine the current stumpage value of the merchantable timber, based on the rule promulgated under s. 77.91 (1). The owner shall pay the entire cost of obtaining the estimate.
