(d) A community living arrangement with a capacity for 8 or fewer persons shall be a permissible use for purposes of any deed covenant which limits use of property to single-family or 2-family residences. A community living arrangement with a capacity for 15 or fewer persons shall be a permissible use for purposes of any deed covenant which limits use of property to more than 2-family residences. Covenants in deeds which expressly prohibit use of property for community living arrangements are void as against public policy.

(e) If a community living arrangement is required to obtain special zoning permission, as defined in s. 59.69 (15) (g), the department shall, at the request of the unit of government responsible for granting the special zoning permission, inspect the proposed facility and review the program proposed for the facility. After such inspection and review, the department shall transmit to the unit of government responsible for granting the special zoning permission a statement that the proposed facility and its proposed program have been examined and are either approved or disapproved by the department.

(25) UNIFORM REGULATION AND LICENSING. The department shall promulgate rules to establish licensing and program compliance standards for care and residential facilities, hospitals, hotels, restaurants and the vending of food and beverages after due consideration of the relationship of a licensing code to other related licensing codes, the need for uniform administration, the need to maximize the use of federal funds and the need to encourage the development and operation of needed facilities statewide. In establishing licensing standards designed to ensure that the facility qualifies for federal financial participation, the department shall establish federal regulations as the base requirement. The department may promulgate such additional health and safety standards as it determines to be in the public interest.

(26) DATA PROCESSING PROJECTS. Submit a report each December 31 to the joint committee on finance and to the chief clerk of each house of the legislature, for distribution to the appropriate standing committees under s. 13.172 (3), regarding the data processing projects under development. (a) To provide for an orderly reduction of state institutional primary psychiatric services the department may approve the institutes entering into contracts with county departments under s. 51.42 for providing primary psychiatric care. If excess capacity exists at state operated mental health institutes, the department shall explore whether such excess facilities may be sold or leased to a county department under s. 51.42.

(b) No contract may be approved for a period of time greater than one year, and no contract shall be approved except under par. (c).

(c) The counties where the mental health institutes are located may contract with the institutes for primary psychiatric care on an ongoing basis, which contracts shall be approved by the department and shall be renewed annually.

2. What other funding sources will be available to support the program or project when state funding is eliminated.

The legislative intent underlying sub. (22) (d) supports a holding that a community living arrangement with a capacity of 10 persons was not barred by a deed covenant limiting use to a single-family residence. *Crowley v. Knapp*, 94 W (2d) 421, 288 NW (2d) 815 (1980).

Sections 46.03 (18) and 46.10 do not constitute an unlawful delegation of legislative power. In *Matter of Guardianship of Klisurich*, 98 W (2d) 274, 296 NW (2d) 742 (1980).

Retrospective application of sub. (22) is constitutional. *Overlook Farms v. Alternative Living*, 143 W (2d) 485, 422 NW (2d) 131 (Ct. App. 1988).

Sub. (18) and s. 46.10 (3) permit the department to promulgate rules which consider non-liable family member's incomes in determining liable family member's ability to pay. In *Interest of A.L.W.* 153 W (2d) 412, 451 NW (2d) 416 (1990).

Par. (18) (b) imposes liability upon minors and parents for the costs of services, but does not give counties an automatic right of recovery; s. 46.10 governs enforcement procedure and allows court to exercise discretion. In *Matter of S.E. Trust*, 159 W (2d) 709, 465 NW (2d) 231 (Ct. App. 1990).

The uniform fee system under sub. (18) and s. 46.10 allows imputing income and, consequently, looking beyond tax returns to determine ability to pay. *Interest of Kevin C.* 181 W (2d) 146, 510 NW (2d) 746 (Ct. App. 1993).

46.031 County social service and mental hygiene budget and contract. (a) Each county department under s. 46.215, 46.22, 46.23, 51.42 or 51.437 shall submit to the department by December 31 annually its final budget for services directly provided or purchased.

(b) The department shall submit a model of the contract under sub. (2g) (a) to each county department under s. 46.215, 46.22, 46.23, 51.42 and 51.437 by May 1 annually.

(2) ASSESSMENT OF NEEDS. Before developing and submitting a proposed budget to the county executive or county administrator or the county board, the county departments listed in sub. (1) shall assess needs and inventory resources and services, using an open public participation process.

(2g) CONTRACT. (a) The department shall annually submit to the county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department a proposed written contract containing the allocation of funds and such administrative requirements as necessary. The contract as approved may contain conditions of participation consistent with federal and state law. The contract may also include provisions necessary to ensure uniform cost accounting of services. Any changes to the proposed contract shall be mutually agreed upon. The county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department shall approve the contract before January 1 of the year in which it takes effect unless the department grants an extension. The county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department may designate an agent to approve addenda to any contract after the contract has been approved.

(b) The department may not approve contracts for amounts in excess of available revenues. The county board of supervisors in a county with a single-county department or the county boards of supervisors in counties with a multicounty department may appropriate funds not used to match state funds under ss. 46.495 (1) (d) and 51.423. Actual expenditure of county funds shall be reported in compliance with procedures developed by the department, and shall comply with standards guaranteeing quality of care comparable to similar facilities.

(c) The joint committee on finance may require the department to submit contracts between county departments under ss. 46.215, 46.22, 46.23, 51.42 and 51.437 and providers of service to the committee for review and approval.

(2r) WITHHOLDING FUNDS. (a) The department, after reasonable notice, may withhold a portion of the appropriation allocated to a county department under s. 46.215, 46.22, 46.23, 51.42 or 51.437 if the department determines that that portion of the allocated appropriation:

1. Is for services which duplicate or are inconsistent with services being provided or purchased by the department or other county departments receiving grants-in-aid or reimbursement from the department.

2. Is inconsistent with state or federal statutes, rules or regulations, in which case the department may also arrange for provision of services by an alternate agency. The department may not arrange for provision of services by an alternate agency unless the joint committee on finance or a review body designated by the committee reviews and approves the department's determination.

3. Is for the treatment of alcoholics in treatment facilities which have not been approved by the department in accordance with s. 51.45 (8).

4. Is for inpatient treatment in excess of an average of 21 days, as provided in s. 51.423 (12), excluding care for patients at the centers for the developmentally disabled.

5. Is inconsistent with the provisions of the county department's contract under sub. (2g).

(b) If the department withholds a portion of the allocable appropriation under par. (a), the county department affected by the action of the department may submit to the county board of supervisors in a county with a single-county department or to its designated agent or the county boards of supervisors in counties with a multicounty department or their designated agents a plan to rectify the deficiency found by the department. The county board of supervisors or its designated agent in a county with a single-county department or the county boards of supervisors in counties with a multicounty department or their designated agents may approve or amend the plan and may submit for departmental approval the plan as adopted. If a multicounty department is administering a program, the plan may not be submitted unless each county board of supervisors which participated in the establishment of the multicounty department, or its designated agent, adopts it.

(3) OPEN PUBLIC PARTICIPATION PROCESS. (a) *Citizen advisory committee.* Except as provided in par. (b), the county board of supervisors of each county or the county boards of supervisors of 2 or more counties jointly shall establish a citizen advisory committee to the county departments under ss. 46.215, 46.22, 46.23, 51.42 and 51.437. The citizen advisory committee shall advise in the formulation of the budget under sub. (1). Membership on the committee shall be determined by the county board of supervisors in a county with a single-county committee or by the county boards of supervisors in counties with a multicounty committee and shall include representatives of those persons receiving services, providers of service and citizens. A majority of the members of the committee shall be citizen and service consumers. At least one member of the committee shall be chosen from the governing or administrative board of the community action agency serving the county or counties under s. 46.30, if any. The committee's membership may not consist of more than 25% county supervisors, nor of more than 20% service providers. The chairperson of the committee shall be appointed by the county board of supervisors establishing it. In the case of a multicounty committee, the chairperson shall be nominated by the committee and approved by the county boards of supervisors establishing it. The county board of supervisors in a county with a single-county committee or the county boards of supervisors in counties with a multicounty committee may designate an agent to determine the membership of the

committee and to appoint the committee chairperson or approve the nominee.

(b) *Alternate process.* The county board of supervisors or the boards of 2 or more counties acting jointly may submit a report to the department on the open public participation process used under sub. (2). The county board of supervisors may designate an agent, or the boards of 2 or more counties acting jointly may designate an agent, to submit the report. If the department approves the report, establishment of a citizen advisory committee under par. (a) is not required.

(c) *Yearly report.* The county board of supervisors or its designated agent, or the boards of 2 or more counties acting jointly or their designated agent, shall submit to the department a list of members of the citizen advisory committee under par. (a) or a report on the open public participation process under par. (b) on or before July 1 of each year.

46.034 Authority to establish services integration and coordination pilot programs. (1) The department, in order to discharge more effectively its responsibilities under this chapter and chs. 48, 51, 250 and 251 and other relevant provisions of the statutes, may establish community human services pilot programs for the study, implementation and evaluation of improved human services delivery systems. In the implementation of such pilot programs, the requirement of statewide uniformity with respect to the organization and governance of human services shall not apply. The department and local governmental bodies may establish such departments, boards, committees, organizational structures and procedures as may be needed to implement the pilot programs. The departments, boards, committees and organizational structures may assume responsibilities currently assigned by statute to the departments, boards, committees or organizational structures that are replaced.

(2) The number of pilot programs shall be limited by the department's capacity to coordinate and adequately monitor pilot activities and by the availability of state and federal funds.

(3) With the agreement of the affected county board of supervisors in a county with a single-county department or boards of supervisors in counties with a multicounty department, effective for the contract period beginning January 1, 1980, the department may approve a county with a single-county department or counties participating in a multicounty department to administer a single consolidated aid consisting of the state and federal financial aid available to that county or those counties from appropriations under s. 20.435 (3) (o) and (7) (b), (kw) and (o) for services provided and purchased by county departments under ss. 46.215, 46.22, 46.23, 51.42 and 51.437. Under such an agreement, in the interest of improved service coordination and effectiveness, the county board of supervisors in a county with a single-county department or county boards of supervisors in counties with a multicounty department may reallocate among county departments under ss. 46.215, 46.22, 46.23, 51.42 and 51.437 funds that otherwise would be specified for use by a single county department. The budget under s. 46.031 (1) shall be the vehicle for expressing the proposed use of the single consolidated fund by the county board of supervisors in a county with a single-county department or county boards of supervisors in counties with a multicounty department. Approval by the department of this use of the fund shall be in the contract under s. 46.031 (2g). Counties that were selected by the department to pilot test consolidated aids for contract periods beginning January 1, 1978, may continue or terminate consolidation with the agreement of the affected county board of supervisors in a county with a single-county department

or county boards of supervisors in counties with a multicounty department.

(2) The department shall have and may exercise the powers and duties provided in this section.

(a) In order to provide new buildings and to enable the construction and financing thereof, to refinance indebtedness hereafter created by a nonprofit corporation for the purpose of providing a new building or buildings or additions or improvements thereto which are located on land owned by, or owned by the state and held for, the department or on lands of the institutions under the jurisdiction of the department or by the nonprofit corporation, or for any one or more of said purposes, but for no other purpose unless authorized by law, the department has the following powers and duties:

1. Without limitation by reason of any other provisions of the statutes, the power to sell and to convey title in fee simple to a nonprofit corporation any land and any existing buildings thereon owned by, or owned by the state and held for, the department or of any of the institutions under the jurisdiction of the department for such consideration and upon such terms and conditions as in the judgment of the secretary are in the public interest.

3. (b) The state shall be liable for accrued rentals and for any other default under any lease or sublease made under par. (a) 3., and may be sued therefor on contract as in other contract actions pursuant to ch. 775, except that it shall not be necessary for the lessor under any such lease or sublease or any assignee of such lessor or any person or other legal entity proceeding on behalf of such lessor to file any claim with the legislature prior to the commencement of any such action.

(c) Nothing in this section empowers the secretary or the department to incur any state debt.

(d) All conveyances, leases and subleases made pursuant to this section shall be made, executed and delivered in the name of the department and shall be signed by the secretary and sealed with the seal of the department.

(e) All laws, except ch. 150, conflicting with any provisions of this section, are, insofar as they conflict with this section and no further, superseded by this section.

History: 1975 c. 39 ss. 341, 732 (2); 1977 c. 29; 1979 c. 32 s. 92 (5); 1989 a. 31, 107; 1997 a. 79.

46.036 Purchase of care and services. (1) All care and services purchased by the department or by a county department under s. 46.215, 46.22, 46.23, 51.42 or 51.437, except as provided under subch. III of ch. 49 and s. 301.08 (2), shall be authorized and contracted for under the standards established under this section. The department may require the county departments to submit the contracts to the department for review and approval. For purchases of \$10,000 or less the requirement for a written contract may be waived by the department. No contract is required for care

provided by foster homes or treatment foster homes that are required to be licensed under s. 48.62. When the department directly contracts for services, it shall follow the procedures in this section in addition to meeting purchasing requirements established in s. 16.75.

(2) All care and services purchased shall meet standards established by the department and other requirements specified by purchaser in the contract. Based on these standards the department shall establish standards for cost accounting and management information systems that shall monitor the utilization of such services, and document the specific services in meeting the service plan for the client and the objective of the service.

(3) (a) Purchase of service contracts shall be written in accordance with rules promulgated and procedures established by the department. Contracts for client services shall show the total dollar amount to be purchased and for each service the number of clients to be served, number of client service units, the unit rate per client service and the total dollar amount for each service.

(b) Payments under a contract may be made on the basis of actual allowable costs or on the basis of a unit rate per client service multiplied by the actual client units furnished each month. The contract may be renegotiated when units vary from the contracted number. The purchaser shall determine actual marginal costs for each service unit less than or in addition to the contracted number.

(c) For proprietary agencies, contracts may include a percentage add-on for profit according to rules promulgated by the department.

(d) Reimbursement to an agency may be based on total costs agreed to by the parties regardless of the actual number of service units to be furnished, when the agency is entering into a contract for a new or expanded service that the purchaser recognizes will require a start-up period not to exceed 180 days. Such reimbursement applies only if identified client needs necessitate the establishment of a new service or expansion of an existing service.

(e) If the purchaser finds it necessary to terminate a contract prior to the contract expiration date for reasons other than nonperformance by the provider, actual cost incurred by the provider may be reimbursed for an amount determined by mutual agreement of the parties.

(f) Advance payments of up to one-twelfth of an annual contract may be allowed under the contract. If the advance payment exceeds \$10,000, the provider shall supply a surety bond for an amount equal to the amount of the advance payment applied for. No surety bond is required if the provider is a state agency. The cost of the surety bond shall be allowable as an expense.

(g) Notwithstanding pars. (b) and (d), if a county has an existing system, approved by the department, to monitor and assess the outcomes of a contract and if the county is so authorized by the department, the county may contract with providers to pay in advance or after provision of services a fixed amount for each person served by the provider in return for a defined set of expected outcomes that are determined by the county.

(4) For purposes of this section and as a condition of reimbursement, each provider under contract shall:

(a) Except as provided in this paragraph, maintain a uniform double entry accounting system and a management information system which are compatible with cost accounting and control systems prescribed by the department. The department shall establish a simplified double entry bookkeeping system for use by family-operated group homes. Each purchaser shall determine whether a family-operated group home from which it purchases services shall use the double entry accounting system or the simplified system and shall include this determination in the purchase of service contract. In this paragraph, "family-operated group home" means a group home licensed under s. 48.66 (1) for which the licensee is one or more individuals who operate not more than one group home.

(b) Cooperate with the department and purchaser in establishing costs for reimbursement purposes.

(c) Unless waived by the department, biennially, or annually if required under federal law, provide the purchaser with a certified financial and compliance audit report if the care and services purchased exceed \$25,000. The audit shall follow standards that the department prescribes. A purchaser may waive the requirements of this paragraph for any family-operated group home, as defined under par. (a), from which it purchases services.

(d) Transfer a client from one category of care or service to another only with the approval of the purchaser.

(e) Charge a uniform schedule of fees as defined under s. 46.03 (18) unless waived by the purchaser with approval of the department. Whenever providers recover funds attributed to the client, such funds shall offset the amount paid under the contract.

(5) Except as provided under sub. (5m), the purchaser shall recover from provider agencies money paid in excess of the conditions of the contract from subsequent payments made to the provider.

(5m) (a) In this subsection:

1. “Provider” means a nonstock corporation organized under ch. 181 that is a nonprofit corporation, as defined in s. 181.0103 (17), and that contracts under this section to provide client services on the basis of a unit rate per client service.

2. “Rate-based service” means a service or a group of services, as determined by the department, that is reimbursed through a prospectively set rate and that is distinguishable from other services or groups of services by the purpose for which funds are provided for that service or group of services and by the source of funding for that service or group of services.

(b) 1. Subject to subds. 2. and 3., if revenue under a contract for the provision of a rate-based service exceeds allowable costs incurred in the contract period, the provider may retain from the surplus generated by that rate-based service up to 5% of the contract amount. A provider that retains a surplus under this subdivision shall use that retained surplus to cover a deficit between revenue and allowable costs incurred in any preceding or future contract period for the same rate-based service that generated the surplus or to address the programmatic needs of clients served by the same rate-based service that generated the surplus.

2. Subject to subd. 3., a provider may accumulate funds from more than one contract period under this paragraph, except that, if at the end of a contract period the amount accumulated from all contract periods for a rate-based service exceeds 10% of the amount of all current contracts for that rate-based service, the provider shall, at the request of a purchaser, return to that purchaser the purchaser’s proportional share of that excess and use any of that excess that is not returned to a purchaser to reduce the provider’s unit rate per client for that rate-based service in the next contract period. If a provider has held for 4 consecutive contract periods an accumulated reserve for a rate-based service that is equal to or exceeds 10% of the amount of all current contracts for that rate-based service, the provider shall apply 50% of that accumulated amount to reducing its unit rate per client for that rate-based service in the next contract period.

3. If on December 31, 1995, the amount accumulated by a provider from all contract periods ending on or before that date for all rate-based services provided by the provider exceeds 10% of the provider’s total contract amount for all rate-based services provided by the provider in 1995, the provider shall, at the request of a purchaser, return to that purchaser the purchaser’s proportional share of that excess.

(e) Notwithstanding this subsection, the department or a county department under s. 46.215, 46.22, 46.23, 51.42 or 51.437 that purchases care and services from an inpatient alcohol and other drug abuse treatment program that is not affiliated with a hospital and that is licensed as a community-based residential facility, may allocate to the program an amount that is equal to the amount of revenues received by the program that are in excess of

the allowable costs incurred in the period of a contract between the program and the department or the county department for purchase of care and services under this section. The department or the county department may make the allocation under this paragraph only if the funds so allocated do not reduce any amount of unencumbered state aid to the department or the county department that otherwise would lapse to the general fund.

(f) All providers that are subject to this subsection shall comply with any financial reporting and auditing requirements that the department may prescribe. Those requirements shall include a requirement that a provider provide to any purchaser and the department any information that the department needs to claim federal reimbursement for the cost of any services purchased from the provider and a requirement that a provider provide audit reports to any purchaser and the department according to standards specified in the provider’s contract and any other standards that the department may prescribe.

(6) Contracts may be renegotiated by the purchaser under conditions specified in the contract.

(7) The service provider under this section may appeal decisions of the purchaser in accordance with terms and conditions of the contract and ch. 68 or 227.

(b) 1. Paragraph (a) 1. and 2. does not apply to primary psychiatric care, which shall be billed on the basis of total chargeable cost. Collections for primary care shall be deducted from the chargeable cost of other types of care provided at the institutes.

2. Paragraph (a) 2. and 4. does not apply to services provided under s. 51.06 (1) (d) that are billed under s. 51.437 (4rm) (c) 2m. and does not apply to treatment and services provided under s. 51.42 (3) (aw) 1. d.

(9) Any person who wilfully testifies falsely as to any material matter in an investigation or proceeding under this section shall be guilty of perjury. Banks, employers, insurers, savings banks, savings and loan associations, brokers and fiduciaries, upon request of the department, shall furnish in writing and duly certified, full information regarding the property, earnings or income or any funds deposited to the credit of or owing to any person liable under sub. (2). Such certified statement shall be admissible in evidence in any action or proceeding to compel payment under this section, and shall be evidence of the facts therein stated, provided a copy of such statement be served upon the party sought to be charged not less than 3 days before the hearing.

(10) The department shall make all reasonable and proper efforts to collect all claims for maintenance, to keep payments current, and to periodically review all unpaid claims.

(11) (a) Except as provided in par. (b), in any action to recover from a person liable under this section, the statute of limitations may be pleaded in defense.

(b) If a person who is liable under this section is deceased, a claim may be filed against the decedent's estate and the statute of limitations specified in s. 859.02 shall be exclusively applicable. This paragraph applies to liability incurred on or after July 20, 1985.

(12) The district attorney or his or her assistants in a county having a population of 500,000 or more shall, in matters pertaining to the recovery of the cost of maintenance of persons in county institutions in that county, have the same authority as granted in this section to the department.

(13) This section does not impair any rights or liability existing prior to June 19, 1947.

(14) (a) Except as provided in pars. (b) and (c), liability of a person specified in sub. (2) or s. 46.03 (18) for inpatient care and maintenance of persons under 18 years of age at community mental health centers, a county mental health complex under s. 51.08, the centers for the developmentally disabled, Mendota mental health institute and Winnebago mental health institute or care and maintenance of persons under 18 years of age in residential, non-medical facilities such as group homes, foster homes, treatment foster homes, child caring institutions and juvenile correctional institutions is determined in accordance with the cost-based fee established under s. 46.03 (18). The department shall bill the liable person up to any amount of liability not paid by an insurer under s. 632.89 (2) or (2m) or by other 3rd party benefits, subject to rules which include formulas governing ability to pay promulgated by the department under s. 46.03 (18). Any liability of the patient not payable by any other person terminates when the patient reaches age 18, unless the liable person has prevented payment by any act or omission.

(b) Except as provided in par. (c) and subject to par. (cm), liability of a parent specified in sub. (2) or s. 46.03 (18) for the care and maintenance of the parent's minor child who has been placed by a court order under s. 48.355 or 48.357 in a residential, non-medical facility such as a group home, foster home, treatment foster home or child caring institution shall be determined by the court by using the percentage standard established by the department of workforce development under s. 49.22 (9) and by applying the percentage standard in the manner established by the department under s. 46.247.

(c) Upon request by a parent, the court may modify the amount of child support payments determined under par. (b), subject to par. (cm), if, after considering the following factors, the court finds by the greater weight of the credible evidence that the use of the percentage standard is unfair to the child or to either of the parents:

1. The needs of the child.

2. The physical, mental and emotional health needs of the child, including any costs for the child's health insurance provided by a parent.

3. The standard of living and circumstances of the parents, including the needs of each parent to support himself or herself at a level equal to or greater than that established under 42 USC 9902 (2).

4. The financial resources of the parents.

5. The earning capacity of each parent, based on each parent's education, training and work experience and based on the availability of work in or near the parent's community.

6. The need and capacity of the child for education, including higher education.

7. The age of the child.

8. The financial resources and the earning ability of the child.

9. The needs of any person, including dependent children other than the child, whom either parent is legally obligated to support.

10. The best interests of the child, including, but not limited to, the impact on the child of expenditures by the family for improvement of any conditions in the home that would facilitate the reunification of the child with the child's family, if appropriate, and the importance of a placement that is the least restrictive of the rights of the child and the parents and the most appropriate for meeting the needs of the child and the family.

11. Any other factors that the court in each case determines are relevant.

(cm) 1. Except as provided in subd. 2., if a parent who is required to pay child support under par. (b) or (c) is receiving adoption assistance under s. 48.975 for the child for whom support is ordered, the amount of the child support payments determined under par. (b) or (c) may not exceed the amount of the adoption assistance maintenance payments under s. 48.975 (3) (a). If an agreement under s. 48.975 (4) is in effect that provides for a payment of \$0 under s. 48.975 (3) (a), the payment of \$0 shall be considered to be an adoption assistance maintenance payment for purposes of this subdivision.

2. Subdivision 1. does not apply if, after considering the factors under par. (c) 1. to 11., the court finds by the greater weight of the credible evidence that limiting the amount of the child support payments to the amount of the adoption assistance maintenance payments under s. 48.975 (3) (a) is unfair to the child or to either of the parents.

(d) If the court finds under par. (c) that use of the percentage standard is unfair to the minor child or either of the parents, the court shall state in writing or on the record the amount of support that would be required by using the percentage standard, the amount by which the court's order deviates from that amount, its reasons for finding that use of the percentage standard is unfair to the child or the parent, its reasons for the amount of the modification and the basis for the modification.

(e) 1. An order issued under s. 48.355 (2) (b) 4., 48.357 (5m) or 48.363 (2) for support determined under this subsection constitutes an assignment of all commissions, earnings, salaries, wages, pension benefits, benefits under ch. 102 or 108 and other money due or to be due in the future to the county department under s. 46.22 or 46.23 in the county where the order was entered or to the department, depending upon the placement of the child as specified by rules promulgated under subd. 5. The assignment shall be for an amount sufficient to ensure payment under the order.

2. Except as provided in subd. 3., for each payment made under the assignment, the person from whom the payer under the order receives money shall receive an amount equal to the person's necessary disbursements, not to exceed \$3, which shall be deducted from the money to be paid to the payer.

3. Benefits under ch. 108 may be assigned and withheld only in the manner provided in s. 108.13 (4). Any order to withhold benefits under ch. 108 shall be for an amount certain. When

money is to be withheld from these benefits, no fee may be deducted from the amount withheld and no fine may be levied for failure to withhold the money.

4. No employer may use an assignment under this paragraph as a basis for the denial of employment to a person, the discharge of an employe or any disciplinary action against an employe. An employer who denies employment or discharges or disciplines an employe in violation of this subdivision may be fined not more than \$500 and may be required to make full restitution to the aggrieved person, including reinstatement and back pay. Except as provided in this subdivision, restitution shall be in accordance with s. 973.20. An aggrieved person may apply to the district attorney or to the department of workforce development for enforcement of this subdivision.

5. The department shall promulgate rules for the operation and implementation of assignments under this paragraph.

(f) If the amount of the child support determined under this subsection is greater than the cost for the care and maintenance of the minor child in the residential, nonmedical facility, the assignee under par. (e) 1. shall expend or otherwise dispose of any funds that are collected in excess of the cost of such care and maintenance in a manner that the assignee determines will serve the best interests of the minor child.

(16) The department shall delegate to county departments under ss. 51.42 and 51.437 or the local providers of care and services meeting the standards established by the department under s. 46.036, the responsibilities vested in the department under this section for collection of patient fees for services other than those provided at state facilities if such county departments or providers meet the conditions deemed appropriate by the department. The department may delegate to county departments under ss. 51.42 and 51.437 the responsibilities vested in the department under this section for collection of patient fees for services provided at the state facilities if the necessary conditions are met.

Before there can be recovery by the department for care and hospitalization of an individual committed to one of its institutions by reason of lack of competency to stand trial, the nature of the confinement must be changed to a civil commitment. Conservatorship of Grams, 63 W (2d) 194, 216 NW (2d) 889.

Liability under sub. (2) for the cost of institutionalization is constitutional. In Matter of Guardianship of Nelson, 98 W (2d) 261, 296 NW (2d) 736 (1980).

Sections 46.03 (18) and 46.10 do not constitute an unlawful delegation of legislative power. In Matter of Guardianship of Klisurich, 98 W (2d) 274, 296 NW (2d) 742 (1980).

The statute imposing liability for costs of care and services on persons committed to state institutions did not apply to persons committed in violation of due process. Jankowski v. Milwaukee County, 104 W (2d) 431, 312 NW (2d) 45 (1981).

Subs. (2) and (2m) violate neither the guarantees of equal protection nor due process. Matter of Care & Maintenance of K.C., 142 W (2d) 906, 420 NW (2d) 337 (1988).

Sub. (3) and s. 46.03 (18) permit the department to promulgate rules which consider non-labile family member's income in determining liable family member's ability to pay. In Interest of A.L.W., 153 W (2d) 412, 451 NW (2d) 416 (1990).

Section 46.03 (18) (b) imposes liability upon minors and parents for the costs of services, but does not give counties an automatic right of recovery; s. 46.10 governs enforcement procedure and allows court to exercise discretion. In Matter of S.E. Trust, 159 W (2d) 709, 465 NW (2d) 231 (Ct. App. 1990).

The uniform fee system under ss. 46.03 (18) and 46.10 allows imputing income and, consequently, looking beyond tax returns to determine ability to pay. In Interest of Kevin C., 181 W (2d) 146, 510 NW (2d) 746 (Ct. App. 1993).

46.13 Wassermann tests. The department may arrange with the laboratory of hygiene to secure the Wassermann test for any person confined in any state or county institution.

(1) **TRUSTEES.** Every county home, infirmary, hospital, tuberculosis hospital or sanatorium, or similar institution, shall, subject to regulations approved by the county board, be managed by a board of trustees, electors of the county, chosen by ballot by the county board. At its annual meeting, the county board shall appoint an uneven number of trustees, from 3 to 9 at the option of the board, for staggered 3-year terms ending the first Monday in January. Any vacancy shall be filled for the unexpired term by the county board; but the chairperson of the county board may appoint a trustee to fill the vacancy until the county board acts.

(2) **ELIGIBILITY.** No trustee is eligible, during the term for which he or she was elected, to the office of superintendent or administrator of the institution in his or her charge.

The trustees may sue and defend in the name of the county any cause for action involving the interest of said institution and may employ counsel for that purpose. All receipts on account of said institutions shall be paid into the county treasury within one week after receipt.

(7) **FISCAL YEAR.** The fiscal year of each institution shall commence July 1 and end June 30 of the following year.

(8) **BOOKKEEPING.** For the institutions listed in sub. (1), the department of health and family services shall formulate a system of keeping the books, accounts and reports, and shall furnish blanks for reports, and reports shall be made accordingly.

No contributions to the cash reserve in excess of the amount required under this subsection may be included in the calculation under s. 49.726 (1). The county board may from time to time appropriate from such reserve sums to be expended solely for the enlargement, modernization or replacement of such infirmary and its equipment.

(14) INCENTIVE PAYMENTS TO PATIENTS IN MENTAL HOSPITALS. (3) Upon approval of the site, plans and specifications, as provided in s. 252.073 as to tuberculosis sanatoriums and ss. 46.17 and 301.37, as to other institutions, the joint committee shall report to the several county boards the estimated cost of the site and buildings, and the amount thereof chargeable to each county on the basis set forth in sub. (6) (a), appending to each report a copy of the plans and specifications and all matter relating to the site and buildings. If the report is approved by each county board, the joint committee shall purchase the site and cause the buildings to be erected in accordance with the plans and specifications.

(4) The functions of the joint committee shall terminate upon completion of said buildings; and the board of trustees thereupon elected shall be composed of 2 electors from each county when 2 counties join, and of one elector from each county in all other cases; which trustees, except those elected at first elections, shall hold during terms of 4 years in the former case, and as many years as there are counties joining in the other cases. Reimbursement shall be made by the state pursuant to subd. 1.

3. A county or, in a county having a population of 500,000 or more, the department, when the child is placed in a licensed foster home, treatment foster home, group home or child caring institution by a licensed child welfare agency or by a federally recognized American Indian tribal governing body in this state or by its

(a) A person who resided in the facility on the date of the finding whose care in the facility is disallowed for federal financial participation.

(b) A person who is aged 21 to 64, who has a primary diagnosis of mental illness, who would meet the level of care requirements for medical assistance reimbursement in a skilled nursing facility or intermediate care facility but for a finding that the facility is an institution for mental diseases, and for whom services would be provided in place of a person specified in par. (a) who discontinues services.

(c) A person who is provided services in the community under this subsection, who was relocated from a nursing home found to be an institution for mental diseases and who reenters, within 6 months following his or her first receipt of services under this sub-

(8) (a) is waived by the department under sub. (8) (b) or if sub. (9) applies.

(3) The total number of beds in skilled nursing facilities or intermediate care facilities that are funded at any one time under subs. (8) (a) Except as provided in sub. (9), if a county department seeks to relocate a person from an institution for mental diseases to the community using funds provided under sub. (1), the county department shall first obtain approval of the institution for mental diseases to terminate use of the bed occupied by the individual as part of a plan submitted by the institution for mental diseases and approved by the department.

(b) The department may waive the requirement under par. (a) for relocations that are part of a plan submitted by the institution for mental diseases and approved by the department that the department expects will result in all of the following:

2. Licensure of the institution for mental diseases as a nursing home under s. 50.03.

3. Certification by the department of the institution for mental diseases as a provider of medical assistance.

(d) If the county, through an assessment, determines that a community arrangement is not feasible, the county department or aging unit administering the program shall explain the reasons to the person and his or her family or guardian. The county department or aging unit administering the program shall maintain records sufficient to provide the county long-term support planning committee and the department with a periodic review of the reasons community arrangements were not feasible in order to assist future program planning.

(e) The department shall encourage counties to use public health nurses who meet the requirements of s. 250.06 (1) to conduct assessments under this subsection.

(6d) CARE MANAGEMENT REQUIREMENTS. (a) The department, after consulting with representatives of counties, hospitals, and individuals who receive services under this section, shall do all of the following:

1. Establish minimum requirements for the provision of care management services, as defined by the department, including standards for care, times for performance of duties, and size of caseloads.

2. Specify a reasonable schedule for phasing in the requirements established under subd. 1.

3. Provide technical consultation and assistance to the administrator of the program, as designated under sub. (3) (b), with respect to the requirements established under subd. 1.

(b) The department need not promulgate as rules under ch. 227 the requirements under par. (a) 1. or the schedule under par. (a) 2.

(6g) FISCAL RESPONSIBILITY. Except as provided in s. 51.40, and within the limitations under sub. (7) (b), the fiscal responsibility of a county for an assessment, unless the assessment is per-

formed by an entity under s. 46.271 (2m), case plan or services provided to a person under this section is as follows:

(a) For a person seeking admission to or about to be admitted to a nursing home, the county in which the person has residence is the county of fiscal responsibility.

(b) For a person residing in a nursing home, except a state-operated long-term care facility, the county in which the nursing home is located is the county of fiscal responsibility.

(c) For a person living in a nursing home, except a state-operated long-term care facility, whose legal residence is established in another county, the county in which the legal residence is established is the county of fiscal responsibility.

(d) For a person residing in a state-operated long-term care facility, or for a person protectively placed under ch. 55, the county in which the person has residence before he or she enters the state-operated long-term care facility or is protectively placed is the county of fiscal responsibility.

(6r) ELIGIBILITY. No county may use funds received under sub. (7) (b) to pay for long-term community support services provided to any of the following:

(a) A person who is initially eligible for services under sub. (7) (b), for whom home and community-based services are available under sub. (11) or s. 46.275, 46.277 or 46.278 that require less total expenditure of state funds than do comparable services under sub. (7) (b) and who is eligible for and offered the home and community-based services under sub. (11) or s. 46.275, 46.277 or 46.278, but who declines the offer, except that a county may use funds received under sub. (7) (b) to pay for long-term community support services for the person for a period of up to 90 days during which an application for services under sub. (11) or s. 46.275, 46.277 or 46.278 for the person is processed.

(b) A person who initially receives services under this section after December 31, 1985, unless one of the following applies:

1. The person meets the level of care requirements under s. 49.45 (6m) (i) for reimbursement of nursing home care under the medical assistance program.

1m. The person meets the requirements under s. 46.266 (1) (a), (b) or (c) for receipt of care in an institution for mental diseases.

2. The person has chronic mental illness, as defined under s. 51.01 (3g), affecting mental health to the extent that long-term or repeated hospitalization is likely unless the person receives long-term community support services.

3. The person receives medical assistance, resides in a nursing home immediately prior to receiving services under this section and is identified through the inspection of patient care under 42 USC 1396a (a) (31) as a person for whom community care is appropriate.

4. The person has been diagnosed by a physician as having Alzheimer's disease and requires a level of care equivalent to either of the following:

a. Noninstitutional personal care, including personal assistance, supervision and protection, and periodic medical services and consultation with a registered nurse, or periodic observation and consultation for physical, emotional, social or restorative needs, but not regular nursing care.

b. Care, including social services and activity therapy, in a residential facility under the daily supervision of a licensed nurse with consultation from a registered nurse at least 4 hours per week.

(c) A person who resides or intends to reside in a community-based residential facility and who is initially applying for long-term community support services, if the projected cost of services for the person, plus the cost of services for existing participants, would cause the county to exceed the limitation under sub. (3) (f), unless the department grants an exception to the requirement under this paragraph, under the conditions specified by rule, to avoid hardship to the person.

(e) A person who has not resided in this state for at least 180 consecutive days before applying for or receiving long-term community support services that are funded under sub. (7) (b).

(6u) FINANCIAL ELIGIBILITY AND COST-SHARING REQUIREMENTS. (a) In this subsection, "assets" has the meaning given in s. 49.453 (1) (a).

(b) The county department or aging unit selected to administer the program shall require all persons applying for long-term community support services that are funded under sub. (7) or (11) and, annually, all persons receiving the services to provide the following information:

1. For persons applying for or receiving services under sub. (7), a declaration of assets, on a form prescribed by the department. The declaration shall include any assets that the person applying for or receiving the services, or his or her spouse, has, after August 12, 1993, transferred to another for less than fair market value at any time within the 36-month period, or with respect to payments from a trust or portions of a trust that would be treated as assets transferred by an individual under s. 49.454 (2) (c) or (3) (b), within the 60-month period, immediately before the date of the declaration.

2. For persons applying for or receiving services under sub. (11), a declaration of income, on a form prescribed by the department.

(c) From the information obtained under par. (b), the county department or aging unit shall:

1. Determine the financial eligibility of the applicant or recipient of services to receive assistance for long-term community support services under the program. A person is financially eligible under this subdivision if he or she is one of the following:

a. Eligible for medical assistance under s. 49.46, 49.468 or 49.47.

b. A person whom the county department or aging unit finds is likely to become medically indigent within 6 months by spending excess assets for medical or remedial care.

2. For a person who is determined to be financially eligible under subd. 1. calculate, by use of the uniform fee system under s. 46.03 (18), the amount of cost sharing required for receipt of long-term community support services provided under sub. (5) (b). The county department or aging unit shall require payment by the person of 100% of the amount calculated under this subdivision.

3. Bill persons not determined under subd. 1. to be financially eligible for the full cost of long-term community support services received.

4. Use funds received under subds. 2. and 3. to pay for long-term community support services for persons who are eligible under sub. (6) (b).

(d) In determining financial eligibility under par. (c) 1. and in calculating the amount under par. (c) 2., the county department or aging unit shall include as the assets for any person, except those persons who are eligible for medical assistance under s. 49.46, 49.468 or 49.47, any portion of assets that the person or the person's spouse has, after August 12, 1993, transferred to another as specified in par. (b), unless one of the following conditions applies:

1. The transferred asset has no current value.

2. The county department or aging unit determines that undue hardship would result to the person or to his or her family from a denial of financial eligibility or from including all or a portion of a transferred asset in the calculation of the amount of cost sharing required.

(7) FUNDING. (am) From the appropriation under s. 20.435 (7) (bd), the department shall allocate funds to each county or private nonprofit agency with which the department contracts to pay assessment and case plan costs under sub. (6) not otherwise paid by fee or under s. 49.33 (2) or 49.45. The department shall reim-

burse counties for the cost of assessing persons eligible for medical assistance under s. 49.46, 49.468 or 49.47 as part of the administrative services of medical assistance, payable under s. 49.45 (3) (a). Counties may use unspent funds allocated under this paragraph to pay the cost of long-term community support services.

(b) 1m. From the appropriations under s. 20.435 (7) (bd) and (im), the department shall allocate funds to each county to pay the cost of providing long-term community support services under sub. (5) (b) not otherwise paid under s. 49.45 to persons eligible for medical assistance under s. 49.46 or 49.47 or to persons whom the county department or aging unit administering the program finds likely to become medically indigent within 6 months by spending excess income or assets for medical or remedial care. The average per person reimbursement under this paragraph may not exceed the state share of the average per person payment rate the department expects under s. 49.45 (6m). The county department or aging unit administering the program may spend funds received under this paragraph only in accordance with the case plan and service contract created for each person receiving long-term community support services.

(c) 2. Receipt of funds under this section is subject to s. 46.495 (2).

3. The department may not release funds under this section before approving the county's community options plan.

(cg) No county may use funds received under par. (b) to pay for long-term community support services provided any person who resides in a nursing home, unless the department waives this restriction on use of funds and the services are provided in accordance with a discharge plan.

(cj) No county may use funds received under par. (b) to provide services to a person who does not live in his or her own home or apartment unless, subject to the limitations under par. (cm), one of the following applies:

1. The services are provided to the person in a community-based residential facility that entirely consists of independent apartments, each of which has an individual lockable independent entrance and exit and individual separate kitchen, bathroom, sleeping and living areas.

2. The person suffers from Alzheimer's disease or related dementia and the services are provided to the person in a community-based residential facility that has a dementia care program.

3. The services are provided to the person in a community-based residential facility and the county department or aging unit has determined that all of the following conditions have been met:

a. An assessment under sub. (6) has been completed for the person prior to the person's admission to the community-based residential facility, whether or not the person is a private pay admittee at the time of admission.

b. The county department or aging unit documents that the option of in-home services has been discussed with the person, thoroughly evaluated and found to be infeasible, as determined by the county department or aging unit in accordance with rules promulgated by the department of health and family services.

c. The county department or aging unit determines that the community-based residential facility is the person's preferred place of residence or is the setting preferred by the person's guardian.

d. The county department or aging unit determines that the community-based residential facility provides a quality environment and quality care services.

e. The county department or aging unit determines that placement in the community-based residential facility is cost-effective compared to other options, including home care and nursing home care.

5. The services are provided to the person in an adult family home, as defined in s. 50.01 (1).

(ck) 1. Subject to the approval of the department, a county may establish and implement more restrictive conditions than those imposed under par. (cj) on the use of funds received under par. (b) for the provision of services to a person in a community-based residential facility. A county that establishes more restrictive conditions under this subdivision shall include the conditions in its community options plan under sub. (3) (cm).

2. If the department determines that a county has engaged in a pattern of inappropriate use of funds received under par. (b), the department may revoke its approval of the county's conditions established under subd. 1., if any, and may prohibit the county from using funds received under par. (b) to provide services under par. (cj) 3.

(cm) 1. Beginning on January 1, 1996, no county, private non-profit agency or aging unit may use funds received under par. (b) to provide services in any community-based residential facility that has more than 8 beds, unless one of the following applies:

a. The department approves the provision of services in a community-based residential facility that is licensed on July 29, 1995, and that meets standards established under subd. 2.

b. The department approves the provision of services in a community-based residential facility that entirely consists of independent apartments, each of which has an individual lockable entrance and exit and individual separate kitchen, bathroom, sleeping and living areas, to individuals who are provided services under sub. (5) (b) and are physically disabled or are at least 65 years of age.

c. The department approves the provision of services in a community-based residential facility that is initially licensed after July 29, 1995, that is licensed for 20 or fewer beds and that meets standards established under subd. 2.

2. By January 1, 1996, the department shall establish standards for approvals made under subd. 1. a., including whether the proposed use of funds for residents at the community-based residential facility in question adequately provides for all of the following:

a. Sufficient responsiveness to individual resident needs.
b. Maintenance of approved levels of quality of care.
c. Cost effectiveness, in comparison with other feasible funding uses.

d. Sufficient consideration of care for facility residents with dementia or related conditions.

3. The department need not promulgate as rules under ch. 227 the standards required to be established under subd. 2.

4. This paragraph does not apply to individuals who are receiving services under this section that are funded under par. (b) and who are residing in community-based residential facilities with more than 8 beds on January 1, 1996.

(d) The department may release funds to counties acting jointly, if the counties sign a contract approved by the secretary that explains the plans for joint sponsorship.

(e) No county may use funds received under this section to purchase land or construct buildings.

(f) If the department determines that a county demonstrates a pattern of failure to serve clients whose cost of care significantly exceeds the average cost of care for long-term community support services provided under this section, the department may require that county to reserve a portion of funds allocated under this subsection for provision of service to those clients.

(fm) The department shall, at the request of a county, carry forward up to 10% of the amount allocated under this subsection to the county for a calendar year if up to 10% of the amount so allocated has not been spent or encumbered by the county by December 31 of that year, for use by the county in the following calendar year. The department may transfer funds within s. 20.435 (7) (bd) to accomplish this purpose. An allocation under this paragraph does not affect a county's base allocation under this subsection

and shall lapse to the general fund unless expended within the calendar year to which the funds are carried forward. A county may not expend funds carried forward under this paragraph for administrative or staff costs, except administrative or staff costs that are associated with implementation of the waiver under sub. (11) and approved by the department.

(g) The department may carry forward to the next state fiscal year up to \$500,000 of funds allocated under this subsection and not encumbered by counties by December 31 or carried forward under par. (fm). The department may transfer moneys within s. 20.435 (7) (bd) to accomplish this purpose. An allocation under this paragraph shall not affect a county's base allocation for the program. The department may allocate these transferred moneys during the next fiscal year to counties for the improvement or expansion of long-term community support services for clients whose cost of care significantly exceeds the average cost of care provided under this section, including any of the following:

1. Specialized training for providers of services under this section.
2. Start-up costs for developing needed services.
3. Home modifications.
4. Purchase of medical equipment or other specially adapted equipment.

(7g) RECOVERY OF COSTS OF CARE. (a) In this subsection:

1. "Client" means a person who receives or received long-term community support services that are funded under sub. (7).
2. "Disabled" has the meaning given in s. 49.468 (1) (a) 1.
3. "Home" means property in which a person has an ownership interest consisting of the person's dwelling and the land used and operated in connection with the dwelling.

(c) 1. Except as provided in subd. 4., the department shall file a claim against the estate of a client or against the estate of the surviving spouse of a client for the amount of long-term community support services funded under sub. (7) paid on behalf of the client after the client attained 55 years of age, unless already recovered by the department under this subsection.

2. The affidavit of a person designated by the secretary to administer this paragraph is evidence of the amount of the claim.

3. The court shall reduce the amount of a claim under subd. 1. by up to \$3,000 if necessary to allow the client's heirs or the beneficiaries of the client's will to retain the following personal property:

- a. The decedent's wearing apparel and jewelry held for personal use.
- b. Household furniture, furnishings and appliances.
- c. Other tangible personal property not used in trade, agriculture or other business, not to exceed \$1,000 in value.

4. A claim under subd. 1. is not allowable if the decedent has a surviving child who is under age 21 or disabled or a surviving spouse.

5. If the department's claim is not allowable because of subd. 4. and the estate includes an interest in a home, the court exercising probate jurisdiction shall, in the final judgment, assign the interest in the home subject to a lien in favor of the department for the amount described in subd. 1. The personal representative shall record the final judgment as provided in s. 863.29.

6. The department may not enforce the lien under subd. 5. as long as any of the following survive the decedent:

- a. A spouse.
- b. A child who is under age 21 or disabled.

7. The department may enforce a lien under subd. 5. by foreclosure in the same manner as a mortgage on real property.

(d) The department may require the county department or aging unit selected to administer the program in each county to gather and provide the department with information needed to recover payment of long-term community support services under this subsection. The department shall pay to the county depart-

ment or aging unit an amount equal to 5% of the recovery collected by the department relating to a beneficiary for whom the county department or aging unit made the last determination of eligibility for funding under sub. (7). A county department or aging unit may use funds received under this paragraph only to pay costs incurred under this paragraph and shall remit the remainder, if any, to the department for deposit in the appropriation account under s. 20.435 (7) (im). The department may withhold payments under this paragraph for failure to comply with the department's requirements under this paragraph. The department shall treat payments made under this paragraph as costs of administration of the program.

(e) From the appropriation under s. 20.435 (7) (im), the department shall pay the amount of the payments under par. (d) and shall spend the remainder of the funds recovered under this subsection for long-term community support services funded under sub. (7) (b) 1m.

(f) 1. The department may recover amounts under this subsection for the provision of long-term community support services paid on and after January 1, 1996.

2. The department may file a claim under par. (c) only with respect to a client who dies after February 15, 1996.

(g) The department shall promulgate rules establishing standards for determining whether the application of this subsection would work an undue hardship in individual cases. If the department determines that the application of this subsection would work an undue hardship in a particular case, the department shall waive application of this subsection in that case.

(7m) RIGHT TO HEARING. A person who is denied eligibility for services or whose services are reduced or terminated under this section may request a hearing from the department under s. 227.44, except that lack of adequate funding or a denial under sub. (6r) (a) may not serve as the basis for a request under this subsection.

(8) COUNTY PARTICIPATION. Every county shall participate in and implement the program.

(9) PILOT PROJECT ALLOCATING THE COST OF NURSING HOME UTILIZATION INCREASES TO COUNTIES. (a) The department may select up to 5 counties that volunteer to participate in a pilot project under which they will receive certain funds allocated for long-term care. The department shall allocate a level of funds to these counties equal to the amount that would otherwise be paid under s. 20.435 (5) (b) to nursing homes for providing care because of increased utilization of nursing home services, as estimated by the department. In estimating these levels, the department shall exclude any increased utilization of services provided by state centers for the developmentally disabled. The department shall calculate these amounts on a calendar year basis under sub. (10).

(b) The department may only select counties to participate in this pilot project and receive these funds that have been part of the long-term support community options program since January 1, 1983. County participation in this pilot project shall be for periods beginning either January 1, 1984, or January 1, 1985.

(c) All long-term community support services provided under this pilot project in lieu of nursing home care shall be consistent with those services described in the participating county's community options plan under sub. (4) (c) and provided under sub. (5) (b). Unless the department has contracted under s. 46.271 (2m) with an entity other than the county department, each county participating in the pilot project shall assess persons under sub. (6).

(10) FUNDING THE PILOT PROJECT. (a) 1. The department shall determine for each county participating in the pilot project under sub. (9) a funding level of state medical assistance expenditures to be received by the county. This level shall equal the amount that the department determines would otherwise be paid under s. 20.435 (5) (b) because of increased utilization of nursing home services, as estimated by the department.

2. The department shall transfer or credit to the participating county the amount calculated under subd. 1. for 1984 or for the

first 6 months of 1985, depending on the date the county begins participating in the pilot project. The county shall use these funds to provide long-term care to medical assistance recipients covered by its community options plan, either in the form of nursing home care financed under par. (b) or in the form of long-term community support services. The county may use extra funds available under this paragraph after it provides this long-term care for other long-term community support services under its community options plan.

(b) Each county participating in the pilot project is liable for the entire nonfederal share of medical assistance costs related to increased utilization of nursing homes that are located in the county.

(c) The department's method of determining each county's base level of funding, the transfer or credit of funds and the department's specification of county financial liability under the pilot project are subject to the approval of the joint committee on finance.

(11) MEDICAL ASSISTANCE WAIVER. (a) In this subsection, "physically disabled" means having a condition that affects one's physical functioning by limiting mobility or the ability to see or hear, that is the result of injury, disease or congenital deficiency and that significantly interferes with or limits at least one major life activity and the performance of one's major personal or social roles.

(am) The department shall request a waiver from the secretary of the federal department of health and human services, under [42 USC 1396n](#) (c), authorizing the department to provide as part of the medical assistance program home and community-based services for persons who are eligible for long-term support community options program services under sub. (5) (b).

(b) The department shall include all assurances required under [42 USC 1396n](#) (c) in the implementation of the waiver.

(c) The following conditions apply under the waiver:

1. At the end of the 3-year period during which the waiver remains in effect the department may request a 3-year extension of the waiver.

2. The department shall annually submit to the secretary of the federal department of health and human services information showing the effect of the program on the type and amount of medical assistance provided and on the health and welfare of program participants.

3. Medical assistance reimbursement for services a county, a private nonprofit agency or an aging unit with which the department contracts provides under this subsection shall be made from the appropriations under s. [20.435](#) (5) (o) and (7) (b) and (bd).

4. The department may, from the appropriation under s. [20.435](#) (5) (o), provide reimbursement for services provided under this subsection by counties that are in excess of the current average annual per person rate, as established by the department, and are less than or equal to the average amount approved in the waiver received under par. (am).

5. The department may contract for services under this subsection with a county, a private nonprofit agency or, if a county board of supervisors by resolution so requests the department, an aging unit.

5m. No county may use funds received under this subsection to provide services to a person who does not live in his or her own home or apartment unless, subject to the limitations under subs. 6., 7. and 8., one of the following applies:

a. The services are provided to the person in a community-based residential facility that entirely consists of independent apartments, each of which has an individual lockable independent entrance and exit and individual separate kitchen, bathroom, sleeping and living areas.

b. The person suffers from Alzheimer's disease or related dementia and the services are provided to the person in a

community-based residential facility that has a dementia care program.

c. The services are provided to the person in a residential care apartment complex, as defined in s. [50.01](#) (1d).

d. The services are provided to the individual in an adult family home, as defined in s. [50.01](#) (1).

e. Subdivision 5n. applies.

5n. A county may also use funds received under this subsection, subject to the limitations under subs. 6., 7. and 8., to provide services to a person who does not live in his or her own home or apartment if the services are provided to the person in a community-based residential facility and the county department or aging unit has determined that all of the following conditions have been met:

a. An assessment under sub. (6) has been completed for the person prior to the person's admission to the community-based residential facility, whether or not the person is a private pay admittee at the time of admission.

b. The county department or aging unit documents that the option of in-home services has been discussed with the person, thoroughly evaluated and found to be infeasible, as determined by the county department or aging unit in accordance with rules promulgated by the department of health and family services.

c. The county department or aging unit determines that the community-based residential facility is the person's preferred place of residence or is the setting preferred by the person's guardian.

d. The county department or aging unit determines that the community-based residential facility provides a quality environment and quality care services.

e. The county department or aging unit determines that placement in the community-based residential facility is cost-effective compared to other options, including home care and nursing home care.

5p. a. Subject to the approval of the department, a county may establish and implement more restrictive conditions than those imposed under subd. 5m. on the use of funds received under sub. (7) (b) for the provision of services to a person in a community-based residential facility. A county that establishes more restrictive conditions under this subd. 5p. a. shall include the conditions in its community options plan under sub. (3) (cm).

b. If the department determines that a county has engaged in a pattern of inappropriate use of funds received under sub. (7) (b), the department may revoke its approval of the county's conditions established under subd. 5p. a., if any, and may prohibit the county from using funds received under sub. (7) (b) to provide services under subd. 5n.

6. No county, private nonprofit agency or aging unit may use funds received under this subsection to provide residential services in any community-based residential facility, as defined in s. [50.01](#) (1g), or group home, as defined in s. [48.02](#) (7), that has more than 4 beds, unless one of the following applies:

a. The department approves the provision of services in a community-based residential facility or group home that has 5 to 8 beds.

b. The department approves the provision of services in a community-based residential facility that entirely consists of independent apartments, each of which has an individual lockable entrance and exit and individual separate kitchen, bathroom, sleeping and living areas, to individuals who are eligible under this subsection and are physically disabled or are at least 65 years of age.

7. A county may use funds received under this subsection to provide supportive, personal or nursing services, as defined in rules promulgated under s. [49.45](#) (2) (a) 23., to a person who resides in a certified residential care apartment complex, as defined in s. [50.01](#) (1d). Funding of the services may not exceed

85% of the statewide medical assistance daily cost of nursing home care, as determined by the department.

8. No county, private nonprofit agency or aging unit may use funds received under this subsection to provide services in any community-based residential facility unless the county, agency or aging unit uses as a service contract the approved model contract developed under sub. (2) (j) or a contract that includes all of the provisions of the approved model contract.

(d) Section 49.45 (37) applies to this subsection.

(11g) REPORT. Beginning January 1, 1997, and every January 1 thereafter, the department shall submit a report to the joint committee on finance and to the appropriate standing committees under s. 13.172 (3), summarizing the data collected for the state and for individual counties under the program in the calendar year ending immediately before the preceding calendar year.

(12) RULES. The department shall promulgate rules establishing the following:

(a) Fiscal management procedures required to be implemented by counties in administering the program under this section, as follows:

1. A simple contract between the community options program client and the service provider for that client.
2. A method for documenting the amount of service provided to enable verification of the appropriateness of payment.
3. Guidelines for determining whether a potential community options program client is competent to receive community options program funds directly or if an action should be brought for a determination of competency and the appointment of a guardian.

4. Supervisory review of community options program client payment decisions.

(b) Standards to ensure that only a single payment is made by the department for an initial community options case plan conducted by a county.

(c) A sliding scale formula for a fee chargeable for conduct of an assessment under sub. (6) (a) or for development of a case plan under sub. (6) (b) that is based on the person's ability to pay, unless prohibited from payment under 42 USC 1396 to 1396v or under regulations under 42 USC 1396 to 1396v.

gram under this section is to relocate persons from the state centers for the developmentally disabled into appropriate community settings with the assistance of home and community–based services and with continuity of care. The intent of the program is also to minimize its impact on state employes through redeployment of employes into vacant positions.

(1m) DEFINITIONS. In this section:

(a) “Medical assistance” means aid provided under subch. IV of ch. 49, except s. 49.468.

(b) “Program” means the community integration program for residents of state centers for the developmentally disabled, for which a waiver has been received under sub. (2).

(2) DEPARTMENTAL POWERS AND DUTIES. The department may request a waiver from the secretary of the U.S. department of health and human services, under 42 USC 1396n (c), authorizing the department to integrate medical assistance recipients who reside in state centers for the developmentally disabled into their communities by providing home and community–based services as part of the medical assistance program. If the department requests this waiver, it shall include all assurances required under 42 USC 1396n (c) (2) in its request. If the department receives this waiver, at the end of the 3–year period during which the waiver remains in effect the department may request an additional 3–year extension of the waiver. If the department receives this waiver, it shall:

(a) Annually submit to the secretary of the U.S. department of health and human services information showing the effect of the program on medical assistance costs and on the health and welfare of program participants.

(b) Evaluate the effect of the program on medical assistance costs and on the program’s ability to provide community care alternatives to institutional care in state centers for the developmentally disabled.

(c) Fund home or community–based services provided by any county or by the department that meet the requirements of this section.

(d) Unless s. 49.45 (37) applies, review and approve or disapprove each plan of care developed under sub. (3) (c) 2.

(e) Submit to the governor and to the chief clerk of each house of the legislature, for distribution to appropriate legislative standing committees under s. 13.172 (3), annual progress reports on the program plus any other information requested.

(3) COUNTY PARTICIPATION. (a) Any county may participate in the program, if it meets the conditions specified in this subsection and the requirements established by the department, including requirements concerning the qualifications and levels of staff for home or community–based service providers.

(b) The board of supervisors of any county that participates in the program shall designate one of the following county departments to administer the program, subject to departmental review and approval:

3. A county department under s. 46.23.

4. A county department under s. 51.437.

(c) Any county participating in the program shall inform the persons eligible for program services under sub. (4) that home and community–based services are available, at their choosing, in place of institutional care. Services provided under this section shall meet the following conditions:

1. The services substitute for care provided at a state center for the developmentally disabled.

2. The services are provided to each recipient under a written plan of care designed for that recipient and, unless s. 49.45 (37) applies, approved by the department.

(d) Any county participating in the program shall provide case management services, including the responsibility for locating,

coordinating and monitoring all services and informal supports needed by eligible persons and their families.

(e) Any county participating in the program shall protect the health and welfare of persons receiving program services and shall coordinate the program to the greatest extent practicable with the long–term support community options program under s. 46.27.

(3g) DUTIES OF THE DEPARTMENT. The department shall provide fair and equitable arrangements to protect the interests of all state employes affected by the program, including arrangements designed to preserve employe rights and benefits.

(3r) RELOCATION BY THE DEPARTMENT. (a) The department may, without county participation under sub. (3) or county reimbursement under sub. (5) (a), relocate a person eligible for program services under sub. (4) from a state center for the developmentally disabled into a community setting in any of the following situations:

1. The person’s county of residence when the person entered the state center for the developmentally disabled cannot be determined with reasonable certainty.

2. The person’s county of residence when the person entered the state center for the developmentally disabled is not participating, under sub. (3), in the program.

3. The person will be relocated into the home of the person’s parent or guardian and will be receiving state monitoring of the relocation and services provided by a public or private school.

(b) If the department relocates a person under this subsection, it shall comply with the requirements imposed on counties under sub. (3) (c) to (e).

(c) Prior to relocating a person under this subsection, the department shall ensure delivery of any necessary education, habilitation, vocational, medical and therapy services through contracting with community–based service providers. If any service is not available, the department may provide it directly.

(4) ELIGIBILITY OF RECIPIENTS. (a) Any medical assistance recipient living in a state center for the developmentally disabled is eligible to participate in the program. Such a recipient may apply, or any person may apply on behalf of such a recipient, for participation in the program.

(b) The department in conjunction with the county shall review any application for participation in the program as to eligibility and the appropriateness of planned services. The county department administering the program for the county in which the medical assistance recipient resides shall review any application for participation in the program as to eligibility, except applications for relocation under sub. (3r). No person may participate in the program unless all of the following occur:

1. Consent for participation is given either by the person’s parent, guardian or legal custodian, if the person is under age 18, or by the person or the person’s guardian, if the person is age 18 or over, except that this subdivision does not limit the authority of the circuit court to enter, change, revise or extend a dispositional order under subch. VI of ch. 48 or subch. VI of ch. 938 or to order a placement under s. 55.06.

2. The county, or the department under sub. (3r), agrees to provide services to the person.

3. The department determines that available home or community–based services are appropriate for that person.

(c) 1. Except as provided in subd. 2., if a resident of a state center for the developmentally disabled is relocated in order to receive home or community–based services under the program, the center may not accept a patient to fill the bed left vacant by the person leaving.

2. If a person who has been relocated from a state center for the developmentally disabled under this program seeks to return to the center within 365 days after relocating because the person or the county department administering the program, or the department under sub. (3r), finds that the services available are

inappropriate, the center shall accept the person as a patient to fill the bed that the person vacated. After this 365-day period, the person may only be readmitted into a bed not left vacant because of relocation under this section.

(f) To the extent provided in 42 USC 1396n, if a person who has been relocated from a state center for the developmentally disabled under this program discontinues participating in the program for any reason other than institutional placement, the department may reallocate on a case-by-case basis the funding within the relocating county to another medical assistance recipient who is developmentally disabled and who, but for this program, would require the level of care provided in a state center for the developmentally disabled.

(5) FUNDING. (a) Medical assistance reimbursement for services a county, or the department under sub. (3r), provides under this program is available from the appropriations under s. 20.435 (5) (b) and (o). If 2 or more counties jointly contract to provide services under this program and the department approves the contract, medical assistance reimbursement is also available for services provided jointly by these counties.

(b) No county, or the department under sub. (3r), may use funds received under this section to do any of the following:

1. Purchase land or construct buildings.
2. Reduce federal, state or county matching expenditures for long-term community support services provided to any person as part of this program from funds allocated under s. 46.495 (1) (d), 46.80 (5), 46.85 (3m) (b) 1. and 2. or 51.423, as indicated in the county's budget or by actual expenditures.
3. Provide room and board, except for respite care.
4. Provide services, except respite care that is approved by the department, within a skilled nursing facility, intermediate care facility or intermediate care facility for the mentally retarded, including a state center for the developmentally disabled.
5. Provide residential services in any community-based residential facility, as defined in s. 50.01 (1g), or group home, as defined in s. 48.02 (7) that has more than 4 beds, unless the department approves the provision of services in a community-based residential facility or group home that has 5 to 8 beds.
6. Provide services to a recipient that are not specified in the recipient's written plan of care.
7. Provide services in any community-based residential facility unless the county or department uses as a service contract the approved model contract developed under s. 46.27 (2) (j) or a contract that includes all of the provisions of the approved model contract.

(c) The total allocation under s. 20.435 (5) (b) and (o) to counties and to the department under sub. (3r) for services provided under this section may not exceed the amount approved by the federal department of health and human services. A county may use funds received under this section only to provide services to persons who meet the requirements under sub. (4) and may not use unexpended funds received under this section to serve other developmentally disabled persons residing in the county.

(d) The department may, from the appropriation under s. 20.435 (5) (o), provide reimbursement for services provided under this section by counties that are in excess of the current average annual per person rate, as established by the department, and are less than the average amount approved in the waiver received under sub. (2).

(6) EFFECTIVE PERIOD. This section takes effect on the date approved by the secretary of the U.S. department of health and human services as the beginning date of the period of waiver received under sub. (2). This section remains in effect for 3 years following that date and, if the secretary of the U.S. department of health and human services approves a waiver extension, shall continue an additional 3 years.

The intent of the program is also that counties use all existing services for providing care under this section, including those services currently provided by counties.

The number of persons for whom the waiver is requested may not exceed the number of nursing home beds that are delicensed as part of a plan submitted by the facility and approved by the department. If the department receives this waiver, it may request one or more 3-year extensions of the waiver under 42 USC 1396n (c) and shall perform the following duties:

(3) COUNTY PARTICIPATION. (a) Sections 46.27 (3) (b) and 46.275 (3) (a) and (c) to (e) apply to county participation in this program, except that services provided in the program shall substitute for care provided a person in a skilled nursing facility or intermediate care facility who meets the level of care requirements for medical assistance reimbursement to that facility rather than for care provided at a state center for the developmentally disabled. The number of persons who receive services provided by the program under this paragraph may not exceed the number of nursing home beds, other than beds specified in sub. (5g) (b), that are delicensed as part of a plan submitted by the facility and approved by the department.

2. Each county department participating in the program shall provide home or community-based care to persons eligible under this section, except that the number of persons who receive home or community-based care under this section may not exceed the number of nursing home beds, other than beds specified in sub. (a) Any medical assistance recipient who meets the level of care requirements for medical assistance reimbursement in a skilled nursing facility or intermediate care facility is eligible to participate in the program, except that the number of participants may not exceed the number of nursing home beds, other than beds specified in sub. (5g) (b), that are delicensed as part of a plan submitted by the facility and approved by the department. Such a recipient may apply, or any person may apply on behalf of such a recipient, for participation in the program. Section 46.275 (4) (b) applies to participation in the program.

(b) To the extent authorized under 42 USC 1396n, if a person discontinues participation in the program, a medical assistance recipient may participate in the program in place of the participant who discontinues if that recipient meets the level of care requirements for medical assistance reimbursement in a skilled nursing facility or intermediate care facility, except that the number of participants may not exceed the number of nursing home beds, other than beds specified in sub. 1m. No county may use funds received under this section to provide services to a person who does not live in his or her own home or apartment unless, subject to the limitations under subds. 2. and 3. and par. (e), one of the following applies:

a. The services are provided to the person in a community-based residential facility that entirely consists of independent apartments, each of which has an individual lockable independent entrance and exit and individual separate kitchen, bathroom, sleeping and living areas.

b. The person suffers from Alzheimer’s disease or related dementia and the services are provided to the person in a community-based residential facility that has a dementia care program.

c. The services are provided to the person in a residential care apartment complex, as defined in s. 50.01 (1d).

d. The services are provided to the individual in an adult family home, as defined in s. 50.01 (1).

e. Subdivision 1n. applies.

1n. A county may also use funds received under this section, subject to the limitations under subds. 2. and 3. and par. (e), to provide services to a person who does not live in his or her own home or apartment if the services are provided to the person in a community-based residential facility and the county department or aging unit has determined that all of the following conditions have been met:

e. The county department or aging unit determines that placement in the community-based residential facility is cost-effective compared to other options, including home care and nursing home care.

1p. a. Subject to the approval of the department, a county may establish and implement more restrictive conditions than those imposed under subd. 1m. on the use of funds received under this section for the provision of services to a person in a community-based residential facility. A county that establishes more restrictive conditions under this subd. 1p. a. shall include the conditions in its plan under sub. (3) (a).

b. If the department determines that a county has engaged in a pattern of inappropriate use of funds received under this section, the department may revoke its approval of the county’s conditions established under subd. 1p. a., if any, and may prohibit the county

from using funds received under this section to provide services under subd. 1n.

2. No county may use funds received under this section to provide residential services in any community-based residential facility, as defined in s. 50.01 (1g), or group home, as defined in s. 48.02 (7), that has more than 4 beds, unless one of the following applies:

3. If subd. 2. a. or b. applies, no county may use funds received under this section to pay for services provided to a person who resides or intends to reside in a community-based residential facility and who is initially applying for the services, if the projected cost of services for the person, plus the cost of services for existing participants, would cause the county to exceed the limitation under sub. (3) (c). The department may grant an exception to the requirement under this subdivision, under the conditions specified by rule, to avoid hardship to the person.

(e) A county may use funds received under this subsection to provide supportive, personal or nursing services, as defined in rules promulgated under s. 49.45 (2) (a) 23., to a person who resides in a certified residential care apartment complex, as defined in s. 50.01 (1d). Funding of the services may not exceed 85% of the statewide medical assistance daily cost of nursing home care, as determined by the department.

(f) No county or private nonprofit agency may use funds received under this subsection to provide services in any community-based residential facility unless the county or agency uses as a service contract the approved model contract developed under s. 46.27 (2) (j) or a contract that includes all of the provisions of the approved model contract.

(5g) LIMITATIONS ON SERVICE. (a) The number of persons served under this section may not exceed the number of nursing home beds that are delicensed as part of a plan submitted by the facility and approved by the department.
