stamps held by the difference between the prior tax rate and the new tax rate.

(3) ADMINISTRATION. Sections 71.74 (1), (2), (10), (11), (13) and (14), 71.75 (4) to (7), 71.80 (12), 71.82 (2), 71.83 (2) (b) 3., 71.88 (1) (a) and (2) (a), 71.89, 71.90, 71.91 (1) (a) and (c) and (2) to (7), 71.92, 73.01, 73.015 and 73.0301 apply to this section.

(4) LATE FILING FEE. Any person who fails to file a cigarette inventory tax return when due shall pay a late filing fee of \$10. A return that is mailed is timely if it is mailed in a properly addressed envelope with postage prepaid, if the envelope is post-marked, or marked or recorded electronically as provided under section 7502 (f) (2) (c) of the Internal Revenue Code, on the due date and if the return is actually received by the department or at the destination that the department prescribes within 5 days of the due date. Within 15 days, any such person importing cigarettes shall file a declaration of such cigarettes imported and shall remit therewith the tax on such cigarettes imposed by this section. Members of the armed forces shall not be required to report or pay the tax on cigarettes in their possession if such cigarettes are issued to them by the U.S. government or any of its subdivisions or were purchased in any armed forces post exchange or service store for their personal use or consumption. 139.77 Distributors, monthly returns. (1) On or before the 15th day of each month, every distributor with a place of business in this state shall file a return showing the quantity and tax-

able price of each tobacco product brought, or caused to be brought, into this state for sale; or made, manufactured or fabricated in this state for sale in this state, during the preceding month. Every distributor outside this state shall file a return showing the quantity and taxable price of each tobacco product shipped or transported to retailers in this state to be sold by those retailers during the preceding month. At the time that the return is filed, the distributor shall pay the tax.

(2) As soon as practicable after any return is filed, the department shall examine each return and correct it, if necessary, according to its best judgment and information. If the department finds that any amount of tax is due from the taxpayer and unpaid, it shall notify the taxpayer of the deficiency, stating that it proposes to assess the amount due together with interest and penalties. If a deficiency disclosed by the department's examination cannot be allocated to one or more particular months, the department shall notify the taxpayer of the deficiency, stating its intention to assess the amount due for a given period without allocating it to any particular months.

(3) If, within 60 days after the mailing of notice of the proposed assessment, the taxpayer files a protest to the proposed assessment and requests a hearing on it, the department shall give notice to the taxpayer of the time and place fixed for the hearing, shall hold a hearing on the protest and shall issue a final assessment to the taxpayer for the amount found to be due as a result of the hearing. If a protest is not filed within 60 days, the department shall issue a final assessment to the taxpayer. In any action or proceeding in respect to the proposed assessment the taxpayer shall have the burden of establishing the incorrectness or invalidity of any final assessment made by the department.

(4) If any taxpayer required to file any return fails to do so within the time prescribed, the taxpayer shall, on the written demand of the department, file the return within 20 days after the mailing of it and at the same time pay the tax due on its basis. If the taxpayer fails within that time to file the return, the department shall prepare the return from its own knowledge and from the information that it obtains and on that basis shall assess a tax, which shall be paid within 10 days after the department has mailed to the taxpayer a written notice of the amount and a demand for its payment. In any action or proceeding in respect to the assessment, the taxpayer shall have the burden of establishing the incorrectness or invalidity of any return or assessment made by the department because of the failure of the taxpayer to make a return.

(5) All taxes are due not later than the 15th day of the month following the calendar month in which they were incurred.

(2) On or before the 15th day of each month, every consumer who during the preceding month has acquired title to or possession for use or storage in this state of tobacco products upon which the tax imposed by s. 139.76 (1) has not been paid shall file a return showing the quantity of tobacco products acquired. At the time when the return is filed, the consumer shall pay the tax.

(3) If any return is not filed within the time specified in this section, a penalty of 5% of the tax, with an additional 5% for each additional 30 days or fraction thereof up to a maximum of 25% is imposed, but the penalty for failing to file timely shall not be less than \$10. The department may for good cause shown extend the time for filing the return without penalty.

(4) Sections 139.30 to 139.44 relating to enforcement of the excise tax imposed by s. 139.31 apply to enforcement of the use tax imposed by this section.

History: 1981 c. 20; 1985 a. 332; 1987 a. 312 s. 17; 1991 a. 39; 1997 a. 27; 2001 a. 16.

(2) A distributor who pays the taxes imposed under s. 139.76 may claim as a deduction on a return under s. 139.77 the amount of any such taxes that are attributable to bad debt that the distributor writes off as uncollectible in the distributor’s books and records and that is eligible to be deducted as bad debt for federal income tax purposes, regardless of whether the distributor is required to file a federal income tax return. A distributor who claims a deduction under this section shall claim the deduction on the return under s. 139.77 that is submitted for the period in which the distributor writes off the amount of the deduction as uncollectible in the distributor’s books and records and in which such amount is eligible to be deducted as bad debt for federal income tax purposes. If the distributor subsequently collects in whole or in part any bad debt for which a deduction is claimed under this section, the distributor shall include the amount collected in the return filed for the period in which the amount is collected and shall pay the tax with the return.

(3) A distributor who claims a deduction under this section shall submit with the return under sub. (2) all of the following:

(a) A copy of the original invoice for the sale of tobacco products that represents bad debt.

(b) Evidence that the tobacco products described in the invoice under par. (a) were delivered to the person who ordered them.

(c) Evidence that the person who ordered and received the tobacco products did not pay the distributor for the tobacco products.

(d) Evidence that the distributor used reasonable collection practices in attempting to collect the amount owed under par. (c).

(4) Any person who possesses tobacco products for which the taxes imposed under this subchapter have not been paid and have been claimed as a deduction under this section shall file a report as prescribed by the department, pay the taxes imposed under this subchapter on the tobacco products, and be subject to this subchapter in the same manner as is provided for persons who hold valid permits under this subchapter.

History: 2005 a. 25.

139.802 Preferred claims. If the property of any purchaser of tobacco products from any permittee under this subchapter is seized upon any intermediate or final process of any court in this state, or if the business of any purchaser of tobacco products from any permittee under this subchapter is suspended by the action of creditors or put into the hands of any assignee, receiver, or trustee, all amounts that are due from the purchaser to any permittee for taxes imposed under this subchapter that the permittee has paid to the state for tobacco products purchased from the permittee shall be considered preferred claims, and shall be paid in full, and the permittee shall be a preferred creditor.

History: 2005 a. 25.

139.803 Refunds to Indian tribes. The department may refund the taxes collected under s. 139.76 (1) in respect to sales on reservations or trust lands of an Indian tribe to the tribal council of the tribe having jurisdiction over the reservation or trust land on which the sale is made only if all of the following conditions are fulfilled:

(1) The tribal council has filed a claim for the refund with the department.

(2) The tribal council has approved the retailer.

(3) The land on which the sale occurred was designated a reservation or trust land on or before January 1, 1983.

(5) The retailer has not sold the tobacco products to another retailer or to a subjobber.

History: 1999 a. 9.

139.805 Agreements with Indian tribes. The department may enter into agreements with Indian tribes to provide for the refunding of the tobacco products tax imposed under s. 139.76 (1). If the department enters into an agreement with an Indian tribe, the agreement may provide for refunding 100% of that tax on tobacco products sold on the tribal reservation to enrolled members of the tribe residing on the tribal reservation and may provide for refunding 50% of that tax on tobacco products sold on the tribal reservation to persons who are not enrolled members of the tribe residing on the tribal reservation.

History: 1999 a. 9.

139.81 Salespersons. (1) No person may sell or take orders for tobacco products for resale in this state for any manufacturer or permittee unless the person has filed an application for and obtained a valid certificate under s. 73.03 (50) and a salesperson’s permit from the department. No manufacturer or permittee shall authorize any person to sell or take orders for tobacco products in this state unless the person has filed an application for and obtained a valid certificate under s. 73.03 (50) and a salesperson’s permit. Each application for a permit shall disclose the name and address of the employer and shall remain effective only while the salesperson represents the named employer. If the salesperson is thereafter employed by another manufacturer or permittee the salesperson shall obtain a new salesperson’s permit. Each manufacturer and permittee shall notify the department within 10 days after the resignation or dismissal of any salesperson holding a permit.

(2) Section 139.34 (1) (b) to (e) applies to the permits under this section.

(3) Any person holding a cigarette salesperson's permit under s. 139.37 may obtain a tobacco products salesperson's permit at no charge.

History: 1981 c. 20; 1983 a. 27; 1997 a. 27.

(2) (a) Except as provided in par. (b), every permittee shall render a true and correct invoice of every sale of tobacco products at wholesale and shall on or before the 15th day of each calendar month file a verified report of all tobacco products purchased, sold, received, warehoused or withdrawn during the preceding calendar month.

(b) The department may allow any subjobber permittee who does not sell tobacco products, except for those on which the tax under this subchapter is paid, to file a quarterly report. The quarterly report shall be filed on or before the 15th day of the next month following the close of each calendar quarter. The report shall specify the value of tobacco products purchased and sold during the preceding calendar quarter.

(3) The department shall prescribe reasonable and uniform methods of keeping records and making reports and shall prescribe and furnish the necessary report forms.

(4) If the department finds that the records of any permittee are not kept in the prescribed form or are in such condition that an unusual amount of time is required to determine from them the amount of tax due, the department shall give notice of such fact to that permittee and require that the records be revised and kept in the prescribed form. If that permittee fails to comply within 30 days that permittee shall pay the expenses reasonably attributable to a proper examination and tax determination at the rate of \$30 per day of each auditor. The department shall send a bill for expenses and the permittee shall pay the amount of the bill within 10 days.

(5) If any permittee fails to file a report when due the permittee shall be required to pay a late filing fee of \$10. A report that is mailed shall be considered filed in time if it is mailed in a properly addressed envelope with first class postage prepaid, if the envelope is officially postmarked on the date due, and if the report is actually received by the department or at the destination that the department prescribes within 5 days of the due date. A report that is not mailed is timely if it is received on or before the due date by the department or at the destination that the department prescribes.

(2) If a person fails to file any return required under s. 139.77 (1) by the due date, unless the person shows that that failure was due to reasonable cause and not due to neglect, the department shall add to the amount of tax required to be shown on that return 5% of the amount of the tax if the failure is for not more than one month and an additional 5% of the tax for each additional month or fraction of a month during which the failure continues, but not more than 25% of the tax. SUBCHAPTER IV

TAX ON CONTROLLED SUBSTANCES

139.87 Definitions. In this subchapter:

(2) "Dealer" means a person who in violation of ch. 961 possesses, manufactures, produces, ships, transports, delivers, distributes, imports, sells or transfers to another person more than 42.5 grams of material containing tetrahydrocannabinols, more than 5 plants containing tetrahydrocannabinols, more than 14 grams of mushrooms containing psilocin or psilocybin, more than 100 milligrams of any material containing lysergic acid diethylamide, more than 7 grams of any other schedule I or schedule II controlled substance or of a controlled substance analog of a schedule I or schedule II controlled substance or more than 7 grams of ketamine or flunitrazepam. "Dealer" does not include a person who lawfully possesses a controlled substance or controlled substance analog.

(3) "Department" means the department of revenue.

(5) "Schedule I controlled substance" means a substance included in s. 961.14.

(6) "Schedule II controlled substance" means a substance included in s. 961.16.

(7) “Tetrahydrocannabinols” means a substance included in s. 961.14 (4) (t).

History: 1989 a. 122; 1991 a. 39, 208; 1995 a. 448; 1999 a. 57.

Sections 139.87 to 139.96, as amended by 1997 Wis. Act 27 are constitutional. *State v. Jones*, 2002 WI App 196, 257 Wis. 2d. 319, 651 N.W.2d 305, 01–1398.

139.88 Imposition. There is imposed on dealers, upon acquisition or possession by them in this state, an occupational tax at the following rates:

(1) Per gram or part of a gram of material containing tetrahydrocannabinols, whether pure or impure, measured when in the dealer’s possession, \$3.50.

(1d) Per plant containing tetrahydrocannabinols, regardless of weight, counted when in the dealer’s possession, \$1,000.

(1g) Per gram or part of a gram of mushrooms or parts of mushrooms containing psilocin or psilocybin, whether pure or impure, measured when in the dealer’s possession, \$10.

(1r) Per 100 milligrams or part of 100 milligrams of any material containing lysergic acid diethylamide, whether pure or impure, measured when in the dealer’s possession, \$100.

(2) Per gram or part of a gram of other schedule I controlled substances or schedule II controlled substances, whether pure or impure, measured when in the dealer’s possession, \$200.

(3) Per gram or part of a gram of ketamine or flunitrazepam, whether pure or impure, measured when in the dealer’s possession, \$200.

History: 1989 a. 122; 1991 a. 39, 189, 208; 1995 a. 448; 1999 a. 57.

Sections 139.87 to 139.96, as amended by 1997 Wis. Act 27 are constitutional. *State v. Jones*, 2002 WI App 196, 257 Wis. 2d. 319, 651 N.W.2d 305, 01–1398.

The Wisconsin drug tax is fairly characterized as a criminal punishment for the purpose of double jeopardy analysis. Jeopardy attaches to a punitive tax when the defendant voluntarily pays the amount due in full or when the government takes title to a defendant’s assets. The state cannot undo the punishment by returning the money, nor can it seek to impose another punishment once the money has been paid. *Dye v. Frank*, 355 F.3d 1102 (2004).

139.89 Proof of payment. The department shall create a uniform system of providing, affixing and displaying stamps, labels or other evidence that the tax under s. 139.88 has been paid. Stamps or other evidence of payment shall be sold at face value. No dealer may possess any schedule I controlled substance, schedule II controlled substance or ketamine or flunitrazepam unless the tax under s. 139.88 has been paid on it, as evidenced by a stamp or other official evidence issued by the department. The tax under this subchapter is due and payable immediately upon acquisition or possessing of the schedule I controlled substance, schedule II controlled substance or ketamine or flunitrazepam in this state, and the department at that time has a lien on all of the taxpayer’s property. Late payments are subject to interest at the rate of 1% per month or part of a month. No person may transfer to another person a stamp or other evidence of payment.

History: 1989 a. 122; 1991 a. 39; 1999 a. 57.

139.90 No immunity. Acquisition of stamps or other evidence that the tax under s. 139.88 has been paid does not create immunity for a dealer from criminal prosecution.

History: 1989 a. 122.

Sections 139.87 to 139.96, as amended by 1997 Wis. Act 27 are constitutional. *State v. Jones*, 2002 WI App 196, 257 Wis. 2d. 319, 651 N.W.2d 305, 01–1398.

This section advises dealers that compliance with the drug tax stamp law does not immunize them from criminal prosecution for drug offenses. It says nothing about what evidence may be used in a criminal prosecution and does nothing to undercut the prohibition in s. 139.91 of using information obtained as a result of compliance with the drug tax stamp law in a criminal proceeding. *State v. Jones*, 2002 WI App 196, 257 Wis. 2d. 319, 651 N.W.2d 305, 01–1398.

139.91 Confidentiality. (1) Except as provided in sub. (4), the department may not reveal facts obtained in administering this subchapter, except that the department may publish statistics that do not reveal the identities of dealers.

(2) The department may not require dealers to provide any identifying information in connection with the purchase of stamps.

(3) No information obtained from a dealer as a result of the dealer’s compliance with this subchapter may be used against the dealer in any criminal proceeding unless that information has been independently obtained, except in connection with a proceeding involving taxes due under s. 139.88 from the dealer.

(4) The secretary of revenue and employees of that department may reveal facts obtained in administering this subchapter for the purposes of preparing and maintaining the list of persons with unpaid tax obligations as described in s. 73.03 (62) so that the list of such persons is available for public inspection.

139.92 Examination of records. For the purposes of determining the amount of tax that should have been paid, determining whether or not the dealer should have paid taxes or collecting any taxes under s. 139.88, the department may examine, or cause to be examined, any books, papers, records or memoranda that may be relevant to making those determinations, whether the books, papers, records or memoranda are the property of or in the possession of the dealer or another person. The department may require the attendance of any person having knowledge or information that may be relevant, compel the production of books, papers, records or memoranda by persons required to attend, take testimony on matters material to the determination, issue subpoenas and administer oaths or affirmations.

139.93 Appeals, presumption, administration. (1) The taxes, penalties and interest under this subchapter shall be assessed, collected and reviewed as are income taxes under ch. 71.

(2) If the department finds that the collection of the tax under this subchapter is jeopardized by delay, the department may issue, in person or by registered mail to the last-known address of the taxpayer, a notice of its intent to proceed under this subsection, may make a demand for immediate payment of the taxes, penalties and interest due and may proceed by the methods under s. 71.91 (5) and (6). If the taxes, penalties and interest are not immediately paid, the department may seize any of the taxpayer’s assets. Immediate seizure of assets does not nullify the taxpayer’s right to a hearing on the department’s determination that the collection of the assessment will be jeopardized by delay, nor does it nullify the taxpayer’s right to post a bond. Within 5 days after giving notice of its intent to proceed under this subsection, the department shall, by mail or in person, provide the taxpayer in writing with its reasons for proceeding under this subsection. The warrant of the department shall not issue and the department may not take other action to collect if the taxpayer within 10 days after the notice of intent to proceed under this subsection is given furnishes a bond in the amount, not exceeding double the amount of the tax, and with such sureties as the department of revenue approves, conditioned upon the payment of so much of the taxes as shall finally be determined to be due, together with interest thereon. Within 20 days after notice of intent to proceed under this subsection is given by the department of revenue, the person against whom the department intends to proceed under this subsection may appeal to the department the department’s determination that the collection of the assessment will be jeopardized by delay. Any statement that the department files may be admitted into evidence and is prima facie evidence of the facts it contains. Taxpayers may appeal adverse determinations by the department to the circuit court for Dane County.

(3) The taxes and penalties assessed by the department are presumed to be valid and correct. The burden is on the taxpayer to show their invalidity or incorrectness.

(4) The department may request the department of administration to sell, by the methods under s. 125.14 (2) (f), all assets seized under sub. (2).

(5) No court may issue an injunction to prevent or delay the levying, assessment or collection of taxes or penalties under this subchapter.

(6) The department shall enforce, and the duly authorized employees of the department have all necessary police powers to prevent violations of, this subchapter.
