**170.01 Who may take up strays.** No stray, except horses and mules, shall be taken up by any person not a resident of the town in which it is found nor unless it is found upon land owned or occupied by the person.

**History:** 1993 a. 482.

**170.02 Finder to give notice; penalty. (1)** Every finder of a stray shall, within 7 days after finding the stray, notify the owner of the stray, if known to the finder, and request the owner to pay all reasonable charges and take the stray away. If the owner is unknown to the finder, the finder shall, within 10 days after finding the stray, file a notice with the town clerk, who shall transmit a copy to the county clerk.

**(2)** The finder of a stray shall publish notice, if the value of the stray exceeds \$50, as a class 3 notice, under ch. 985, in the county. The notice shall contain all of the following:

(a) A brief description of the stray, giving its marks, natural or artificial, as near as practicable.

(b) The name and residence of the finder, specifying the section and town.

(c) The time when the stray was taken up.

**(3)** If the finder neglects or refuses to publish the notice required under sub. (2), the finder of the stray shall be liable in double the amount of damages sustained by the owner of the stray. If the finder neglects or refuses for one year to publish the notice required under sub. (2), the finder of the stray shall be liable for the full value of the stray, to be recovered by an action in the name of the town. The amount recovered shall be apportioned in the same manner as tax revenues collected by the town for schools under s. 60.33 (9) (d).

**History:** 1993 a. 482; 1997 a. 254.

**170.03 Appraisal.** Every finder of a stray of the value of \$10 or more, at the time of such taking up, shall within one month cause the stray to be appraised by the chairperson of the town, and a certificate of the appraisal, signed by the chairperson, shall be filed in the town clerk's office. The finder shall pay the town chairperson 50 cents for the certificate and 10 cents per mile for each mile necessarily traveled to make the same.

**History:** 1989 a. 56 s. 258.

**170.04 Charges for keeping.** The owner or person entitled to the possession of the stray at any time within one year after the notice is filed with the town clerk may have the stray restored to him or her upon proving his or her right to the stray and paying all lawful charges. If the claimant and the finder cannot agree as to the amount of the charges or upon what should be allowed for the use of the stray either party, on notice to the other, may apply to the chairperson of the town to settle the dispute, who for that purpose may examine witnesses on oath. If any amount is found due the finder, over the value of the use of the stray, the amount, with the costs, shall be a lien upon the stray and costs of the adjudication shall abide the decision of the town chairperson. If either party refuses to accept the decision of the town chairperson, action may be brought in circuit court.

**History:** 1977 c. 449; 1989 a. 56 s. 258.

**170.05 Sale of stray.** If no claimant for the stray requests its return under s. 170.04 and if the stray has not been appraised at more than \$10 the finder shall become the absolute owner; but if the appraised value exceeds \$10 the stray shall be sold at public auction by the sheriff or any constable of the county on the request of the finder. Notice thereof shall be given and the sale shall be conducted and the same fees allowed therefor as in case of sales under ch. 815. The finder may bid at the sale and shall at the time of sale deliver to such officer a statement in writing of the finder's charges, which shall be filed by the officer with the town treasurer; and after deducting the charges, if just and reasonable, and the costs of the sale the officer shall pay one-half of the remaining proceeds to the finder and within 10 days thereafter the other half to the treasurer of the town for its use. If the finder of the stray neglects or refuses to cause the sale to be made when required by law the finder shall pay to the town the value of the stray, to be recovered in an action by the town.

**History:** Sup. Ct. Order, 67 Wis. 2d 585, 775 (1975); 1975 c. 218.

**170.06 Removal of stray; neglect to give notice, etc.** If any person shall, without the consent of the finder, take away any stray taken up pursuant to this chapter without first paying all the lawful charges incurred in relation to the same the person shall be liable to the finder for the value of such stray; and if any finder shall neglect to give, file or publish the notices or have the appraisal made or do any other act prescribed by this chapter the finder shall be precluded from acquiring any right of property in such stray and from receiving any charges or expenses relative thereto.

If no person who is entitled to the goods appears to claim the goods, the finder shall, within 2 months after finding the goods and before using the goods to their injury, procure an

appraisal of the goods by the law enforcement agency of the finder's city, village or town. The appraisal shall be certified by the head of the law enforcement agency and filed in the office of the law enforcement agency of the city, village or town.
