This chapter also specifies changes to the definition of wages in s. 108.02 (26), Stats., under the authority granted in s. 108.02 (26), Stats., and provides interpretations which may be inconsistent with those applied to 26 USC 3306 (b), under the authority granted in s. 108.015, Stats.

ILHR 101.04 Prospective application of federal interpretations. A final federal interpretation about whether certain payments constitute wages, either generally or as to a particular case, which differs from an earlier departmental interpretation regarding those payments or kinds of payments shall only be applied prospectively. The department may not retroactively change either its interpretation or a determination based on that interpretation due to a subsequent and different federal interpretation.
