1           **13.** Page 18, line 22: delete the material beginning with that line and ending  
2 with page 19, line 3, and substitute:

3           “(d) *Duties of interim cable providers and video service providers.* 1. If a  
4 municipality requires an interim cable operator or video service provider to provide  
5 capacity for PEG channels under par. (a), the interim cable operator or video service  
6 provider shall be required to provide transmission capacity sufficient to connect the  
7 interim cable operator’s or video service provider’s headend or video hub office to the  
8 municipality’s PEG access channel origination points existing as of the effective date  
9 of this subdivision .... [revisor inserts date]. A municipality shall permit the interim  
10 cable operator or video service provider to determine the most economically and  
11 technologically efficient means of providing such transmission capacity. If a  
12 municipality requests that such a PEG access channel origination point be relocated,  
13 the interim cable operator or video service provider shall be required to provide only  
14 the first 200 feet of transmission line that is necessary to connect the interim cable  
15 operator or video service provider’s headend or video hub office to such origination  
16 point. A municipality shall be liable for the costs of construction of such a  
17 transmission line beyond the first 200 feet and for any construction costs associated  
18 with additional origination points, but not for the costs associated with the  
19 transmission of PEG programming over such line. The interim cable operator or  
20 video service provider may recover its costs to provide transmission capacity under  
21 this subdivision by identifying and collecting a “PEG Transport Fee” as a separate  
22 line item on customer bills.”.
